Commissioner Price:

Abigaile Pittman with Planning has noted that Whirlaway Lane is presently on the draft agenda for the February 3 BOCC meeting.

You are correct that it was noted in the cover letter from NCDOT along with Triple Crown.

However, Whirlaway Lane required additional Planning Staff review and could not be included for approval on the January 22nd agenda.

Greg,

Re Triple Crown Estates, are we asking DOT to accept one road--i.e., Triple Crown Drive--or two--i.e., Triple Crown Drive and Whirlaway Lane? The abstract states one, yet the letters from DOT to the Manager seem to suggest two.
