Assessing Department Accessibility Policy

Pursuant to P.A. 660 of 2018

Accessible Facilities

- Our physical locations are designed and maintained to be accessible to individuals with disabilities, including accessible entrances, restrooms, and parking spaces.
- We will ensure that signage is clear and available in accessible formats upon request.

Accessible Communications and Information

- Assessing staff are available in person at the Bridgeport township Hall on Tuesdays and Fridays.
- Assessing staff is also available on a remote basis every other day of the week, generally. Response time is typically with two days, but the maximum response time is seven days.

Access to Assessing Records

- Bridgeport Township encourages property owners to review their assessing records. They may obtain assessing information by calling us for verbal information; getting a printout of their record card by visiting the Township Hall at 6740 Dixie Hwy during normal business hours or by visiting the website of Saginaw Area GIS Authority for online information.

Staff Contact Information:

Assessing services are provided by Michigan Assessing Coalition, Inc. The Assessor of Record is Sharon Frischman, MMAO, other staff that provide on-site services include Shannon Sirpilla, MCAO and Erica Dethloff, MCAO. We can be reached via email at Assessor@Bridgeportmi.org or (989) 777-0940, ext. 213.

Disputes Regarding Assessment Information or Values

- The Assessing staff will review your property information upon request if the property owner discovers an error in the information.

- There is no formal review period by the Assessor's office prior to the March Board of Review, however, property owners are encouraged to contact us at any time during the year to discuss the assessment.

Review of Policy

This Accessibility Policy will be reviewed annually and updated as needed to ensure ongoing compliance and effectiveness.

Sharon Frischman, MMAO, Township Assessor
