	For services requested of City staff which have no fee listed in this fee schedule, the City Manager or the City Manager's designee shall determine the appropriate fee based on the established hourly rates for this department/division. Additionally, the City will pass-through to the applicant any discrete costs incurred from the use of external service providers if required to process the specific application.		

Notes:

[1] Actual Costs - using the Fully Burdened Hourly Rates (FBHR), plus any outside consultant costs if applicable

[2] Includes fire and life safety inspection for common and commercial areas. If the structure meets the definition of "high rise," the "high rise" fee applies in lieu of this fee.

[3] Required by Civic Code 1202.19 due to new fire maps; Based on other jurisdictions that already do this inspection. One hour time is recommended.

[4] Condition 1 -- The payment of such fees shall be in addition to other required fees

[5] Condition 3 -- When the special service is provided as overtime as per the employee's MOU

[6] Condition 4 -- When the special service is provided as overtime on a normal day off or a typical City holiday, as defined in the City's current Memorandum of Understanding (MOUS)

[7] Condition 2 -- When the special services is provided during normal work hours, the fee shall be based on the actual time expended, but not less than one-half (1/2) hour

[8] Fees not included in cost analysis; per Prop 26 - market sensitive, included in fee comparison survey; Per City - no recommended fee changes at this time.

[9] Penalty; not included in cost analysis

[10] False alarms include (1) system or detector malfunction, including improper performance of fire alarm system that is not a result of a proper system response to environmental stimuli such as smoke or high heat conditions; and (2) unintentional system or detector operation (no fire), includes tripping an interior device unintentionally. Non-emergency service calls include (1) lock-ins (non-emergency), (2) smoke or odor removal (no fire), (3) removal of a victim from a stalled elevator that has known mechanical issues; (4) other abuses of Fire Department services for repeat non-emergency conditions (excludes medical).

[11] Emergency Medical Service fees are approved separately using transportation fees adopted by the Orange County Emergency Medical Services Agency and through research by staff for other cost-associated fees.
