501 W WEBER AV BLDG 2, STOCKTON, CA 95203 • (209) 937-8561 • www.stocktonca.gov/building

The following questions must be answered before a permit will be issued solely for electrical service for any temporary service or a commercial/residential service in excess of 200 amps. The information contained herein will establish the basis for permit issuance. If any information provided is incorrect, or in violation of any ordinance or code, electric service may be denied, and fees will not be refunded. Electrical service cannot be provided to substandard or unpermitted structures.
