To: Residents of the Town of Dighton

As the coronavirus pandemic continues, we struggle to keep up with latest developments of how long this virus lasts on various surfaces, including plastic and cardboard. To be mindful of the Borges Bros Trucking workers, we request that, if you are confirmed positive for coronavirus or if you have symptoms of the coronavirus, please either refrain from leaving your recyclables and trash out for pickup that week, or leave a note so the workers know to switch their gloves once they move on from your house. We all must do our part to prevent the spread of this virus.

Thank you for your vigilance and cooperation.

Sincerely,

Todd Pilling, Health Agent
Town of Dighton
