Dighton, MA. 02715

Please be advised Borges Bros Trucking has requested Town residents place their Dighton trash bags directly on the ground, without using a barrel and please make sure the bags are tied.

Also due to the State of Massachusetts Executive Order, effective March 24th, please be advised that all Simple Recycling Curbside Collection of "PINK BAGS" are temporarily suspended.

Both of these change in services will remain in effect until further notice.
