RESOLUTION (17-406)

TO THE HONORABLE CHAIRPERSON AND MEMBERS OF THE
GENESEE COUNTY BOARD OF COMMISSIONERS, GENESEE
COUNTY, MICHIGAN

LADIES AND GENTLEMEN:

WHEREAS, the collection of delinquent real property taxes and the administration of the delinquent tax revolving fund by the county treasurer under The General Property Tax Act, 1893 PA 206, as amended, MCL 211.1 to 211.157, is important in assuring that Genesee County (the "County") and local tax collecting units within the County actually receive taxes levied in a timely manner, that tax delinquent properties in the County are returned to productive use, and that a favorable credit rating for the County is maintained; and

WHEREAS, Senate Bill 386 of 2017, as passed by the Michigan Senate ("SB 386") would undermine the process for collecting delinquent real property taxes by: (1) increasing litigation against the county treasurer by allowing anyone to challenge a court-ordered property tax foreclosure for eight new reasons, even a person with no legal interest in the property; (2) clouding title to court-foreclosed properties, reducing sale proceeds used to reimburse local tax collecting units for unpaid property taxes, and reducing delinquent tax revolving fund revenue; and (3) creating uncertainty through retroactivity and interference with a pending case before the Michigan Supreme Court; and

WHEREAS, by allowing new collateral attacks on judicial foreclosure orders after the orders are final and appeal rights exhausted, SB 386 would undermine the quality of the fee simple title vested in the foreclosing governmental unit, cloud otherwise clear titles, create

uncertainty, and reduce prices paid for tax-foreclosed properties at tax sales, all of which undermine the current effective tax sale and delinquent tax collection process; and

WHEREAS, for these reasons, the Michigan Association of Counties, the Michigan Association of County Treasurers, and the county treasurer of this County have indicated their opposition to the passage and enactment of SB 386; and

WHEREAS, the county treasurer has asked this Board of County Commissioners to join in opposing SB 386.

NOW, THEREFORE, BE IT RESOLVED, that this Board of County Commissioners hereby opposes the passage and enactment of Senate Bill 386 of 2017.

BE IT FURTHER RESOLVED, that a copy of this resolution shall be transmitted to the county treasurer, each member of the Michigan State Senate and the Michigan House of Representatives representing Genesee County, and the Governor of Michigan.

The Series 2017 Bonds shall be payable out of the Net Revenues, as set forth more fully in Section 6 hereof.

The Series 2017 Bonds shall consist of fully-registered bonds of the denomination of \$5,000 each, or integral multiples of \$5,000 (or such greater minimum authorized denomination as finally determined in the Sale Order) not exceeding for each maturity the aggregate principal

amount of that maturity, shall be dated as of a date determined by the County Agency in the Sale Order, and shall be numbered in order of registration. The Series 2017 Bonds may be issued as Serial Bonds or Term Bonds, or both, and shall mature or be subject to Mandatory Redemption Requirements on the dates and in the principal amounts as determined by the County Agency in the Sale Order; *provided, however*, that the final maturity date of the Series 2017 Bonds shall be not later than November 1, 2030.

The County Controller and County Agency are each hereby authorized and directed to enter into the Letter of Representations with DTC for and on behalf of the County. In the event the County determines that the continuation of the system of book-entry-only transfer through DTC (or successor securities depository) is not in the best interest of the DTC participants, beneficial owners of the Series 2017 Bonds, or the County, the County will notify the Transfer Agent, whereupon the Transfer Agent will notify DTC of the availability through DTC of bond certificates. In such event, the County shall issue and the Transfer Agent shall transfer and exchange bonds as requested by DTC of like principal amount, series and maturity, in authorized denominations, to the identifiable beneficial owners in replacement of the beneficial interest of such beneficial owners in the bonds.

The Series 2017 Bonds shall be subject to redemption prior to maturity at the times and prices and in the manner determined by the County Agency in the Sale Order and as permitted by law, provided that the redemption premium on the Series 2017 Bonds may not exceed two percent (2%). Unless waived by any registered owner of the Series 2017 Bonds to be redeemed, notice of redemption shall be given in the manner specified in the form of the Series 2017 Bonds contained in Section 10 of this Ordinance.

The Series 2017 Bonds shall be executed in the name of the County with the manual or facsimile signatures of the Chairman of the Board of Commissioners and the County Clerk and shall have the seal of the County or a facsimile thereof impressed or printed thereon. No Series 2017 Bond shall be valid until authenticated by an authorized representative of the Transfer

Agent. The Series 2017 Bonds shall be delivered to the Transfer Agent for authentication and be delivered by the Transfer Agent to the purchaser thereof in accordance with instructions from the County Agency upon payment to the County of the purchase price for the Series 2017 Bonds. Executed blank bonds for registration and issuance to transferees shall simultaneously, and from time to time thereafter as necessary, be delivered to the Transfer Agent for safekeeping.

Section 5. Transfer Agent; Registration and Transfer. The County Agency shall appoint a bank or trust company qualified under Michigan law to act as Transfer Agent with respect to the Series 2017 Bonds. Any Series 2017 Bond may be transferred upon the books required to be kept pursuant to this Section by the person in whose name it is registered, in person or by the registered owner's duly authorized attorney, upon surrender of the Series 2017 Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Transfer Agent. Whenever any Series 2017 Bond or Bonds shall be surrendered for transfer, the County shall execute and the Transfer Agent shall authenticate and deliver a new Series 2017 Bond or Bonds, for like aggregate principal amount. The Transfer Agent shall require payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer. The Transfer Agent shall not be required (i) to issue, register the transfer of or exchange any Series 2017 Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Series 2017 Bonds selected for redemption and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Series 2017 Bond so selected for redemption in whole or in part, except the unredeemed portion of Series 2017 Bonds being redeemed in part. Unless waived by the Transfer Agent, the County shall give the Transfer Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

The Transfer Agent shall keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Series 2017 Bonds, which shall at all times be open to inspection by the County; and, upon presentation for such purpose, the Transfer Agent shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, Series 2017 Bonds as hereinbefore provided.

If any Series 2017 Bond shall become mutilated, the County, at the expense of the holder of the Series 2017 Bond, shall execute, and the Transfer Agent shall authenticate and deliver, a new Series 2017 Bond of like tenor in exchange and substitution for the mutilated Series 2017 Bond, upon surrender to the Transfer Agent of the mutilated Series 2017 Bond. If any Series 2017 Bond shall be lost, destroyed or stolen, evidence of the ownership of the Series 2017 Bond and of the loss, destruction or theft may be submitted to the Transfer Agent and, if this evidence is satisfactory to the County and the Transfer Agent and indemnity satisfactory to the County and the Transfer Agent shall be given, and if all requirements of any applicable law, including Act 354, Public Acts of Michigan, 1972, as amended ("Act 354"), have been met, the County, at the expense of the registered owner, shall execute, and the Transfer Agent shall thereupon authenticate and deliver, a new Series 2017 Bond of like tenor and bearing the statement required by Act 354, or any applicable law hereafter enacted, in lieu of and in substitution for the Series 2017 Bond so lost, destroyed or stolen. If any such Series 2017 Bond shall have matured or shall be about to mature, instead of issuing a substitute Series 2017 Bond, the Transfer Agent may pay the same without surrender thereof.

Section 6. Payment of Series 2017 Bonds: Priority of Lien; Pledge of Full Faith and Credit; No Bond Reserve Account. Principal of and interest on the Series 2017 Bonds shall be payable primarily from the Net Revenues of the System, and to secure such payment, there is hereby recognized the statutory lien upon the whole of the Net Revenues created by the Original Bond Ordinance, which shall be a first lien to continue with respect to the Series 2017 Bonds until payment in full of the principal of and interest on the Series 2017 Bonds, or until Sufficient cash or Sufficient Government Obligations, or a combination thereof, have been deposited in trust for payment in full of all principal and interest on the Series 2017 Bonds then outstanding to maturity, or, if called for redemption, to the date fixed for redemption. The statutory first lien referred to herein shall be of equal standing and priority of lien as to the Net Revenues with the Outstanding Bonds. Upon deposit of Sufficient cash or Sufficient Government Obligations for payment in full of all principal and interest on the Series 2017 Bonds then outstanding, as provided in this paragraph, the statutory lien shall be terminated with respect to the Series 2017 Bonds, the holders of the Series 2017 Bonds shall have no further rights under this Ordinance or the Outstanding Ordinances, except for payment from the deposited funds and for rights of replacement, registration and transfer, and the Series 2017 Bonds shall no longer be considered to be outstanding under this Ordinance or the Outstanding Ordinances.

In addition, as additional security for the payment of the principal of and interest on the Series 2017 Bonds, the County, pursuant to the provisions of Act 342, hereby irrevocably pledges its full faith and credit for the prompt payment of the principal of and interest on the Series 2017 Bonds. If the Net Revenues of the System are at any time insufficient to pay the principal of and interest on the Series 2017 Bonds when due, then the County shall advance from any funds available therefor, or, if necessary, levy taxes upon all taxable property in the County, subject to applicable constitutional and statutory limitations, such sums as may be necessary to pay said principal and interest. If the County shall be required to pay principal of and interest on the Series 2017 Bonds from its general funds, it shall be reimbursed the amount paid as soon as possible from the Net Revenues of the System.

The Series 2017 Bonds shall not be secured by a Bond Reserve Account, and the "Bond Reserve Requirement" (as defined in the Outstanding Ordinances) for the Series 2017 Bonds is hereby determined to be zero dollars (\$0.00).

Section 7. Rates and Charges. The rates and charges for service furnished by and the use of the System and the methods of collection and enforcement of the collection of the rates shall be those established by the County Agency and in effect on the date of adoption of this Ordinance, as the same may be modified by the County Agency from time to time. The rates presently in effect in the County as established by the County Agency are estimated to be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the System in good repair and working order, to provide for the payment of the principal of and interest on the Outstanding Bonds and the Series 2017 Bonds as the same become due and payable and to provide for all other obligations, expenditures and funds for the System required by law, this Ordinance and the Outstanding Ordinances. In addition, it is hereby covenanted and agreed that the rates shall be reviewed and shall be fixed and revised from time to time as may be necessary to produce these amounts, and it is hereby covenanted and agreed to fix and maintain rates for services furnished by the System at all times sufficient to provide for the foregoing.

Section 8. No Free Service or Use. No free service or use of the System, or service or use of the System at less than the reasonable cost and value thereof, shall be furnished by the System to any person, firm or corporation, public or private, or to any public agency or instrumentality, including the County.

Section 9. Bond Proceeds; Escrow Fund. The proceeds of the Series 2017 Bonds shall be used to secure payment of the Refunded Bonds and to pay the costs of issuance of the Series 2017 Bonds as provided in this Section. Upon receipt of the proceeds of the Series 2017 Bonds, the accrued interest, if any, shall be deposited into the Bond and Interest Redemption Fund established by the Original Bond Ordinance. From the proceeds of the Series 2017 Bonds there shall next be set aside a sum sufficient to pay the costs of issuance of the Series 2017 Bonds. Such funds may be deposited in an account established by the County or by the Escrow Agent (as hereinafter defined). Such funds shall be used solely to pay the costs of issuance of the Series 2017 Bonds, and if any such funds shall not be required to pay the costs of issuance of the Series 2017 Bonds, the surplus shall be transferred to the Bond and Interest Redemption Fund or used for any other purpose permitted by applicable law.

The balance of the proceeds of the Series 2017 Bonds, together with other available funds of the County, if any, shall be deposited into an escrow fund (the "Escrow Fund") and shall be held in cash or invested in direct obligations of the United States of America or obligations the principal of and interest on which are fully guaranteed by the United States of America, not redeemable at the option of the issuer thereof, and used to pay the principal of and interest on all or a portion of the Refunded Bonds as shall be finally identified in the Sale Order. The Escrow Fund shall be held by an escrow agent (the "Escrow Agent"), in trust, pursuant to an escrow agreement (the "Escrow Agreement") which shall irrevocably direct the Escrow Agent to take all necessary steps to call for redemption the Refunded Bonds specified in the Sale Order, including publication and mailing of redemption notices, on the first date on which the Refunded Bonds may be called for redemption. The investments held in the Escrow Fund shall be such that the principal and interest payments received thereon will be sufficient, without reinvestment, to pay the principal of and interest on the Refunded Bonds when due and upon call of the Refunded Bonds for redemption as provided in this paragraph. The County Agency is authorized to select and retain a bank or trust company to serve as Escrow Agent pursuant to the Escrow Agreement and to execute and deliver the Escrow Agreement for and on behalf of the County. The County Agency and County Controller are each hereby individually authorized to designate and empower the Escrow Agent to subscribe for United States Treasury Obligations, State and Local Government Series, on behalf of the County, as may be necessary in connection with the refunding of the Refunded Bonds.

Section 10. Form of Series 2017 Bonds. The Series 2017 Bonds shall be in substantially the following form, with such changes or completions as are necessary or appropriate to give effect to the intent of this Ordinance:

Bonds or portions of bonds of this issue in multiples of \$5,000 maturing in the year 20__ and thereafter are subject to redemption prior to maturity at the option of the Issuer, in such order as the Issuer shall determine and within any maturity by lot, on any date on or after _____, 20__, at par plus accrued interest to the date fixed for redemption.

[Insert term bond provisions, if applicable]

In case less than the full amount of an outstanding bond is called for redemption, the Transfer Agent, upon presentation of the bond called in part for redemption, shall register, authenticate and deliver to the registered owner a new bond in the principal amount of the portion of the original bond not called for redemption.

This bond is primarily a self-liquidating bond, payable, both as to principal and interest, from the Net Revenues of the System. The principal of and interest on this bond are secured by the statutory lien hereinbefore mentioned. As additional security for the payment of the principal of and interest on this bond and the series of bonds of which this is one, the Issuer, pursuant to the provisions of Act 342, and the Ordinances, has pledged its full faith and credit for the prompt payment of the principal of and interest hereon. Pursuant to such pledge, if the Net Revenues of the System are at any time insufficient to pay the principal of and interest on this bond when due, then the Issuer shall advance from its general funds available therefor, or, if necessary, levy taxes upon all taxable property in the Issuer, subject to applicable constitutional and statutory tax rate limitations, such sums as may be necessary to pay said principal and interest.

The Issuer has covenanted and agreed, and does hereby covenant and agree, to fix and maintain at all times while any bonds payable from the Net Revenues of the System shall be outstanding, such rates for service furnished by the System as shall be sufficient to provide for payment of the interest on and the principal of the bonds of this issue, the Outstanding Bonds and any Additional Bonds of equal standing as and when the same shall become due and payable, and to create and maintain a Bond and Interest Redemption Fund therefor, to provide for the payment of expenses of administration and operation and such expenses for maintenance of the System as are necessary to

preserve the same in good repair and working order, and to provide for such other expenditures and funds for the bonds of this issue, the Outstanding Bonds and the System as are required by the Ordinances.

This bond is transferable only upon the books of the Issuer kept for that purpose at the office of the Transfer Agent by the registered owner hereof in person, or by the registered owner's attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the Transfer Agent duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a new registered bond or bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the Ordinances, and upon the payment of the charges, if any, therein prescribed.

It is hereby certified and recited that all acts, conditions and things required by law to be done precedent to and in the issuance of this bond and the series of bonds of which this is one have been done and performed in regular and due time and form as required by law.

This bond is not valid or obligatory for any purpose until the Transfer Agent's Certificate of Authentication on this bond has been executed by the Transfer Agent.

IN WITNESS WHEREOF, the Issuer, by its Board of Commissioners, has caused this bond to be executed with the facsimile signatures of its Chairman and the County Clerk and a facsimile of its corporate seal to be printed on this bond, all as of the Date of Original Issue.

Section 11. Covenants Regarding Tax-Exempt Status of the Series 2017 Bonds. The County shall, to the extent permitted by law, take all actions within its control necessary to maintain the exclusion of the interest on the Series 2017 Bonds from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code"), including, but not limited to, actions relating to any required rebate of arbitrage earnings and the expenditure and investment of proceeds of the Series 2017 Bonds and moneys deemed to be proceeds of the Series 2017 Bonds, and to prevent the Series 2017 Bonds from being or becoming "private activity bonds" as that term is used in Section 141 of the Code.

Section 12. Negotiated Sale. The County has considered the option of selling the Series 2017 Bonds through a competitive sale and a negotiated sale and, pursuant to the requirements of Act 34, and based on the recommendation of the County's financial advisor for the Series 2017 Bonds, determines that a negotiated sale of the Series 2017 Bonds is in the best interests of the County and will provide the County with greater flexibility in structuring the terms of the Series 2017 Bonds and in accessing the municipal bond market at the time that is expected to achieve the most advantageous interest rates for the County.

Section 13. Sale and Award of Series 2017 Bonds. The County Agency is hereby authorized to place the Series 2017 Bonds with a bank or financial institution selected by the County Agency or, in the alternative, to appoint one or more underwriters for the Series 2017 Bonds (the "Purchaser"). The County Agency is authorized to negotiate the sale of the Series 2017 Bonds to the Purchaser, negotiate and execute a bond purchase agreement with the Purchaser, if required, and execute a Sale Order specifying the final terms of the Series 2017 Bonds and making such other determinations as provided for in this Ordinance, without further authorization or approval of the Board of Commissioners, subject to the following terms:

- (a) The final terms of the Series 2017 Bonds shall be within the parameters established by this Ordinance;
- (b) The underwriter's discount shall not exceed 0.55% of the principal amount of the Series 2017 Bonds;
- (c) The true interest cost of the Series 2017 Bonds shall not exceed 4.50%; and
- (d) The net present value savings to be realized upon the refunding of the Refunded Bonds shall not be less than three percent (3.00%) of the principal amount of the Refunded Bonds.

Section 14. Approval of Details of Series 2017 Bonds. The County Agency is hereby authorized to adjust the final bond details set forth herein to the extent necessary or convenient to complete the transactions authorized herein, and in pursuance of the foregoing is authorized to exercise the authority and make the determinations authorized pursuant to Section 7a(1)(c) of Act 94 and Section 315(1)(d) of Act 34, including, but not limited to, determinations regarding interest rates, prices, discounts, serial and term maturities, principal amounts, denominations, dates of issuance, interest payment dates, redemption rights, the place of delivery and payment,

designation of series, and other matters necessary to effectuate the sale and issuance of the Series 2017 Bonds authorized herein, within the parameters established by this Ordinance.

Section 15. Official Statement; Bond Insurance; Ratings. If necessary in connection with the sale of any series of the Series 2017 Bonds authorized by this Ordinance, the County Agency and the County Controller are authorized and directed to: (a) cause the preparation and circulation of a Preliminary Official Statement with respect to such Series 2017 Bonds and to deem the Preliminary Official Statement "final" for purposes of Rule 15c2-12 of the U.S. Securities and Exchange Commission, and to approve circulation of a final Official Statement with respect to such Series 2017 Bonds; and (b) obtain ratings on such Series 2017 Bonds. In addition, the County Agency and County Controller are authorized to solicit bids for and approve the purchase of a municipal bond insurance policy for any series of the Series 2017 Bonds if deemed economically advantageous to the County based on the advice of the County's financial advisor for the Series 2017 Bonds.

Section 16. Authorization of Other Actions. The County Agency, Chairman of the Board, County Controller and County Clerk are each hereby individually authorized to complete, execute and file any and all applications or requests for waivers with the Michigan Department of Treasury necessary to effectuate the sale and delivery of the Series 2017 Bonds as contemplated by this Ordinance, including, if necessary, an application for an exemption from the rating requirement of Act 34. The County Agency and County Treasurer are further authorized to pay any necessary fees in connection with any such applications or waivers. The County Agency, County Treasurer, County Clerk and County Controller are each hereby individually authorized and directed to execute and deliver all other documents and certificates and to take all other actions and to make such other filings with any parties necessary or advisable to enable the sale and delivery of the Series 2017 Bonds as contemplated herein.

Section 17. Continuing Disclosure. If required in connection with the sale of any series of the Series 2017 Bonds, the County agrees to enter into a continuing disclosure undertaking for the benefit of the holders and beneficial owners of such Series 2017 Bonds pursuant to Rule 15c2-12 of the U.S. Securities and Exchange Commission, and the County Agency and the County Controller are each hereby authorized to execute such undertaking prior to delivery of such Series 2017 Bonds.

Section 18. Severability; Paragraph Headings; and Conflict. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance. The paragraph headings in this Ordinance are furnished for convenience of reference only and shall not be considered to be part of this Ordinance.
