AS SECONDARY SECURITY FOR THE PAYMENT OF THE BONDS, THE COUNTY WILL PLEDGE ITS LIMITED TAX FULL FAITH AND CREDIT FOR PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS. IN CASE OF THE INSUFFICIENCY OF THE AFORESAID REVENUES, THE PRINCIPAL OF AND INTEREST ON SAID BONDS SHALL BE PAYABLE FROM THE GENERAL FUNDS OF THE COUNTY LAWFULLY AVAILABLE FOR SUCH PURPOSE, INCLUDING PROPERTY TAXES LEVIED WITHIN APPLICABLE CONSTITUTIONAL AND STATUTORY TAX RATE LIMITATIONS.

BOND DETAILS

Each series of the bonds will be payable in annual installments not to exceed thirty (30) in number and will bear interest at the rate or rates to be determined at a public or private sale but in no event to exceed ten percent (10.00%) per annum on the balance of the bonds from time to time remaining unpaid. The bonds may be issued in one or more series as shall be determined by the Genesee County Drain Commissioner, as County Agency for the County.

The issuance of additional Bonds for such purpose is authorized by the provisions of Section 20 of the Master Ordinance, upon the conditions therein stated, which conditions have been fully met.

Section 5A. Issuance of Series 2016 Public Sale Bonds; Details. Bonds of the County, to be designated WATER SUPPLY SYSTEM REVENUE BONDS (LIMITED TAX GENERAL OBLIGATION), SERIES 2016 (with such additional or alternate series designations as may be deemed appropriate by the County Agency) (the "Series 2016 Public Sale Bonds"), are authorized to be issued in one or more series in the aggregate principal sum which, when added together with the principal amount of all other Series 2016 Bonds authorized by and issued pursuant to this Ordinance, does not exceed Seventy Million Dollars (\$70,000,000). The Series 2016 Public Sale Bonds shall be issued for the purpose of paying all or part of the cost of the current phase of the Project and the incidental costs set forth in Section 4 of this Ordinance. The Series 2016 Public Sale Bonds shall be payable out of the Net Revenues, as set forth more fully

in Section 7 hereof. Except as provided in Section 14 hereof, the Series 2016 Public Sale Bonds shall be offered by competitive public sale and shall be awarded, subject to the parameters set forth in this Ordinance, upon entry of an order (the "Order") of the County Agency.

The Series 2016 Public Sale Bonds shall consist of fully-registered bonds of the denomination of \$5,000 each, or integral multiples of \$5,000 not exceeding for each maturity the aggregate principal amount of that maturity, shall be dated as of a date determined by the County Agency in the Order, and shall be numbered in order of registration. The Series 2016 Public Sale Bonds may be issued as serial bonds or term bonds or both and shall mature or be subject to mandatory redemption on the dates and in the principal amounts as determined by the County Agency in the Order; provided, however, that each series of the Series 2016 Public Sale Bonds shall be payable in annual installments not to exceed thirty (30) in number.

The Series 2016 Public Sale Bonds shall bear interest at the rate or rates to be determined on public sale thereof, but in any event not exceeding eight percent (8%) per annum, payable on May 1 and November 1 of each year, or such other dates as determined by the County Agency in the Order, commencing on the date determined by the County Agency in the Order, by check or draft mailed by the Transfer Agent to the person or entity who or which is, as of the 15th day of the month preceding each interest payment date, the registered owner at the registered address as shown on the registration books of the County maintained by the Transfer Agent. The date of determination of registered owner for purposes of payment of interest as provided in this paragraph may be changed by the County to conform to market practice in the future. The principal of the Series 2016 Public Sale Bonds shall be payable at the designated office of the Transfer Agent. The Series 2016 Public Sale Bonds shall be sold at the price determined at the time of sale, but in any event for a price not less than 96% of the par value of the Series 2016 Public Sale Bonds.

The Series 2016 Public Sale Bonds shall initially be issued in book-entry-only form through The Depository Trust Company in New York, New York ("DTC"). So long as the Series 2016 Public Sale Bonds are in book-entry-only form, the Transfer Agent shall comply with the terms of the Letter of Representations to be entered into among the County, the Transfer Agent and DTC, which provisions shall govern registration, notices and payment, among other things, and which provisions are incorporated herein with the same effect as if fully set forth herein. The County Treasurer and County Agency are each hereby authorized and directed to enter into the Letter of Representations with DTC for and on behalf of the County. In the event the County determines that the continuation of the system of book-entry-only transfer through DTC (or successor securities depository) is not in the best interest of the DTC participants, beneficial owners of the Series 2016 Public Sale Bonds, or the County, the County will notify the Transfer Agent, whereupon the Transfer Agent will notify DTC of the availability through DTC of bond certificates. In such event, the County shall issue and the Transfer Agent shall transfer and exchange bonds as requested by DTC of like principal amount, series and maturity, in authorized denominations, to the identifiable beneficial owners in replacement of the beneficial interest of such beneficial owners in the bonds.

The Series 2016 Public Sale Bonds shall be subject to redemption prior to maturity at the times and prices and in the manner determined by the County Agency in the Order and as permitted by law, provided that the redemption premium on the Series 2016 Public Sale Bonds may not exceed two percent (2%). Unless waived by any registered owner of the Series 2016 Public Sale Bonds to be redeemed, notice of redemption shall be given in the manner specified in the form of the Series 2016 Public Sale Bonds contained in Section 12A of this Ordinance.

The Series 2016 Public Sale Bonds shall be executed in the name of the County with the manual or facsimile signatures of the Chairman of the Board and the County Clerk and shall have the seal of the County or a facsimile thereof impressed or printed thereon. No Series 2016 Public Sale Bond shall be valid until authenticated by an authorized representative of the Transfer Agent. The Series 2016 Public Sale Bonds shall be delivered to the Transfer Agent for authentication and be delivered by the Transfer Agent to the purchaser thereof in accordance with instructions from the County Agency upon payment of the purchase price for the Series 2016 Public Sale Bonds in accordance with the bid therefor when accepted. Executed blank bonds for registration and issuance to transferees shall simultaneously, and from time to time thereafter as necessary, be delivered to the Transfer Agent for safekeeping.

Section 5B. Issuance of Series 2016 DWRF Bonds; Details. Bonds of the County, to be designated WATER SUPPLY SYSTEM REVENUE BONDS (LIMITED TAX GENERAL OBLIGATION), SERIES 2016 (with such additional or alternate series designations as may be deemed appropriate by the County Agency) (the "Series 2016 DWRF Bonds"), are authorized to be issued in one or more series in the aggregate principal sum which, when added together with the principal amount of all other Series 2016 Bonds authorized by and issued pursuant to this Ordinance, does not exceed Seventy Million Dollars (\$70,000,000). The Series 2016 DWRF Bonds shall be issued for the purpose of paying that portion of the cost of the current phase of the Project that qualifies for the State of Michigan Drinking Water Revolving Fund (DWRF) financing program being administered by MDEQ and the Authority, including the incidental costs set forth in Section 4 of this Ordinance. The Series 2016 DWRF Bonds shall be sold to the Authority and shall be payable out of the Net Revenues, as set forth more fully in Section 7 hereof.

The Series 2016 DWRF Bonds of each series shall be in the form of a single, fully-registered, nonconvertible bond of the denomination of the full principal amount thereof, dated as of the date of delivery thereof, payable serially in principal installments as finally determined by the order of the MDEQ at the time of sale of the Series 2016 DWRF Bonds and approved by the Authority and the County Agency. Final determination of the principal amount of the Series 2016 DWRF Bonds, the payment dates and amounts of principal installments of the Series 2016 DWRF Bonds and the dates for payment of interest on the Series 2016 DWRF Bonds shall be evidenced by execution of a Purchase Contract between the County and the Authority providing for sale of the Series 2016 DWRF Bonds (the "Purchase Contract"), and the County Agency is

hereby authorized and directed to execute and deliver the Purchase Contract when it is in final form and to make the determinations set forth above.

The Series 2016 DWRF Bonds shall bear interest at the rate per annum as determined by the Authority and evidenced by execution of the Purchase Contract, but in any event not to exceed three percent (3.00%) per annum.

The principal amount of the Series 2016 DWRF Bonds is expected to be drawn down by the County periodically, and interest on the principal amount shall accrue from the date such principal amount is drawn down by the County.

The Series 2016 DWRF Bonds shall not be convertible or exchangeable into more than one fully-registered bond. Principal of and interest on the Series 2016 DWRF Bonds shall be payable as provided in the form of the Series 2016 DWRF Bond set forth in Section 12B of this Ordinance.

The Series 2016 DWRF Bonds or principal installments thereof shall be subject to redemption prior to maturity at the option of the County only with the prior written consent of the Authority and on such terms as may be required by the Authority.

The County Treasurer or County Agency shall record on the registration books payment by the County of each installment of principal or interest or both when made and the cancelled checks or other records evidencing such payments shall be returned to and retained by the County Treasurer or County Agency.

The Series 2016 DWRF Bonds shall be executed in the name of the County with the manual or facsimile signatures of the Chairman of the Board and the County Clerk and shall have the seal of the County or a facsimile thereof impressed or printed thereon. Series 2016 DWRF Bonds bearing the manual or facsimile signature of the Chairman of the Board and the County Clerk shall require no further authentication. The County Treasurer or County Agency shall deliver the Series 2016 DWRF Bonds in accordance with the delivery instructions of the Authority.

Upon payment by the County of all outstanding principal of and interest on the Series 2016 DWRF Bonds, the Authority shall deliver the Series 2016 DWRF Bonds to the County for cancellation.

Section 6. Transfer Agent; Registration and Transfer. The County Agency shall appoint a bank or trust company qualified under Michigan law to act as Transfer Agent with respect to each series of the Series 2016 Public Sale Bonds issued pursuant to this Ordinance. The County Treasurer is hereby appointed to act as Transfer Agent with respect to each series of the Series 2016 DWRF Bonds issued pursuant to this Ordinance; provided, however, that the County Treasurer may designate in writing another person to act as Transfer Agent. If and at such time as the Series 2016 DWRF Bonds are transferred to or held by any registered owner other than the

Authority, the County Treasurer may appoint a bank or trust company qualified under Michigan law to act as Transfer Agent for the Series 2016 DWRF Bonds.

Any Series 2016 Bond may be transferred upon the books required to be kept pursuant to this Section by the person in whose name it is registered, in person or by the registered owner's duly authorized attorney, upon surrender of the Series 2016 Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Transfer Agent. Whenever any Series 2016 Bond or Bonds shall be surrendered for transfer, the County shall execute and the Transfer Agent shall authenticate and deliver a new Series 2016 Bond or Bonds, for like aggregate principal amount. The Transfer Agent shall require payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer. The Transfer Agent shall not be required (i) to issue, register the transfer of or exchange any Series 2016 Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Series 2016 Bonds selected for redemption and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Series 2016 Bond so selected for redemption in whole or in part, except the unredeemed portion of Series 2016 Bonds being redeemed in part. Unless waived by the Transfer Agent, the County shall give the Transfer Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

The Transfer Agent shall keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Series 2016 Bonds, which shall at all times be open to inspection by the County; and, upon presentation for such purpose, the Transfer Agent shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, Series 2016 Bonds as hereinbefore provided.

If any Series 2016 Bond shall become mutilated, the County, at the expense of the holder of the Series 2016 Bond, shall execute, and the Transfer Agent shall authenticate and deliver, a new Series 2016 Bond of like tenor in exchange and substitution for the mutilated Series 2016 Bond, upon surrender to the Transfer Agent of the mutilated Series 2016 Bond. If any Series 2016 Bond issued under this Ordinance shall be lost, destroyed or stolen, evidence of the loss, destruction or theft may be submitted to the Transfer Agent and, if this evidence is satisfactory to both and indemnity satisfactory to the Transfer Agent shall be given, and if all requirements of any applicable law, including Act 354, Public Acts of Michigan, 1972, as amended ("Act 354"), have been met, the County, at the expense of the owner, shall execute, and the Transfer Agent shall thereupon authenticate and deliver, a new Series 2016 Bond of like tenor and bearing the statement required by Act 354, or any applicable law hereafter enacted, in lieu of and in substitution for the Series 2016 Bond so lost, destroyed or stolen. If any such Series 2016 Bond shall have matured or shall be about to mature, instead of issuing a substitute Series 2016 Bond, the Transfer Agent may pay the same without surrender thereof.

Section 7. Payment of Series 2016 Bonds; Priority of Lien; Pledge of Full Faith and Credit. Principal of and interest on the Series 2016 Bonds shall be payable primarily from the Net Revenues of the System, and to secure such payment, there is hereby recognized the statutory lien upon the whole of the Net Revenues created by the Master Ordinance, which shall be a first lien to continue with respect to the Series 2016 Bonds until payment in full of the principal of and interest on the Series 2016 Bonds, or until sufficient cash or Sufficient Government Obligations have been deposited in trust for payment in full of all principal and interest on the Series 2016 Bonds then outstanding to maturity, or, if called for redemption, to the date fixed for redemption. The statutory first lien referred to herein shall be of equal standing and priority of lien as to the Net Revenues with the Outstanding Bonds. Upon deposit of sufficient cash or Sufficient Government Obligations for payment in full of all principal and interest on a series of the Series 2016 Bonds then outstanding, as provided in the previous sentence, the statutory lien shall be terminated with respect to that series of the Series 2016 Bonds, the holders of that series of the Series 2016 Bonds shall have no further rights under this Ordinance or the Outstanding Ordinances, except for payment from the deposited funds, and the Series 2016 Bonds of that series shall no longer be considered to be outstanding under this Ordinance or the Outstanding Ordinances.

In addition, as additional security for the payment of the principal of and interest on the Series 2016 Bonds, the County, pursuant to the provisions of Act 342, hereby irrevocably pledges its full faith and credit for the prompt payment of the principal of and interest on the Series 2016 Bonds. Should the Net Revenues of the System at any time be insufficient to pay the principal of and interest on the Series 2016 Bonds when due, then the County shall advance from any funds available therefor, or, if necessary, levy taxes upon all taxable property in the County, subject to applicable constitutional and statutory limitations, such sums as may be necessary to pay said principal and interest. If the County shall be required to pay principal of and interest on the Series 2016 Bonds from its general funds, it shall be reimbursed the amount paid as soon as possible from the Net Revenues of the System.

Section 8. Bondholders' Rights; Receiver. The holder or holders of the Series 2016 Bonds of any series representing in the aggregate not less than twenty percent (20%) of the entire principal amount thereof then outstanding, may, by suit, action, mandamus or other proceedings, protect and enforce the statutory lien upon the Net Revenues of the System and may, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the officers of the County, including the fixing of sufficient rates, the collection of Revenues, the proper segregation of the Revenues of the System and the proper application thereof. The statutory lien upon the Net Revenues, however, shall not be construed as to compel the sale of the System or any part thereof.

If there is a default in the payment of the principal of or interest on the Series 2016 Bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate the System on behalf of the County and under the direction of the court, and by and with the approval of the court to perform all of the duties of the officers of the County more particularly set forth herein and in Act 94.

The holder or holders of the Series 2016 Bonds shall have all other rights and remedies given by Act 94 and law, for the payment and enforcement of the Series 2016 Bonds and the security therefor.

Section 9. Rates and Charges. The rates and charges for service furnished by and the use of the System and the methods of collection and enforcement of the collection of the rates shall be those established by the County Agency and in effect on the date of adoption of this Ordinance, as the same may be modified by the County Agency from time to time. The rates presently in effect in the County as established by the County Agency are estimated to be sufficient to provide for the payment of the expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the System in good repair and working order, to provide for the payment of the principal of and interest on the Outstanding Bonds and the Series 2016 Bonds as the same become due and payable and to provide for all other obligations, expenditures and funds for the System required by law, this Ordinance and the Outstanding Ordinances. In addition, it is hereby covenanted and agreed that the rates shall be reviewed and shall be fixed and revised from time to time as may be necessary to produce these amounts, and it is hereby covenanted and agreed to fix and maintain rates for services furnished by the System at all times sufficient to provide for the foregoing.

Section 10. No Free Service or Use. No free service or use of the System, or service or use of the System at less than the reasonable cost and value thereof, shall be furnished by the System to any person, firm or corporation, public or private, or to any public agency or instrumentality, including the County.

Section 11. Bond Proceeds. The proceeds of the sale of the Series 2016 Bonds shall be deposited in a separate deposit account in a bank or banks, designated by the County Agency, County Treasurer or County Controller, qualified to act as a depository of the proceeds of sale of the Series 2016 Bonds under the provisions of Section 15 of Act 94, in an account designated "Water Supply System Construction Account" (the "Construction Account"). The County Agency, County Treasurer or County Controller may establish a separate account or subaccount in the Construction Account for each series of the Series 2016 Bonds issued under this Ordinance. Moneys from time to time on deposit in the Construction Account shall be used solely to pay the costs of the Project and the incidental costs set forth in Section 4 of this Ordinance. The proceeds of sale of the Series 2016 Bonds shall be allocated and used as follows:

First, the accrued interest, if any, shall be deposited into the Bond and Interest Redemption Account established by the Master Ordinance;

Second, the balance of the proceeds of sale of the Series 2016 Bonds shall be deposited in the Construction Account. Moneys in the Construction Account shall be applied solely in payment of the cost of the acquisition and construction of the Project, including capitalized interest on the Series 2016 Bonds for the period specified by the County Agency (but not to exceed the period permitted by applicable law), and any engineering, legal and other expenses incident thereto and to the financing thereof. Any payments for construction, either on account or otherwise, shall not be made unless the registered engineer in charge of such work shall file with the County Agency a signed statement to the effect that the work has been completed in accordance with the plans and specifications therefor; that it was done pursuant to and in accordance with the contract therefor (including properly authorized change orders), that the work is satisfactory and that any such work has not been previously paid for. The investment of the proceeds of the Series 2016 Bonds shall be limited as may be required by federal law.

Any unexpended balance of the proceeds of sale of the Series 2016 Bonds remaining after completion of the Project may, in the discretion of the County Agency, be used for further improvements and extensions to the System, provided that, at the time of such expenditure, such use be approved by the Michigan Department of Treasury, if such approval is then required by applicable law. Any remaining balance after such expenditure, or in the event no such expenditure is made the entire unexpended balance, shall be paid into the Bond and Interest Redemption Account and used for the redemption or purchase of callable Series 2016 Bonds or for any other purpose permitted by Act 94. The proceeds of sale of said Series 2016 Bonds may be invested in whole or in part in the manner provided by Act 94.

Section 12A. Form of Series 2016 Public Sale Bonds. The Series 2016 Public Sale Bonds shall be in substantially the following form, with such changes or completions as necessary or appropriate to give effect to the intent of this Ordinance:

Interest on this bond is payable by check or draft mailed by the Transfer Agent to the person or entity who or which is, as of the fifteenth (15th) day of the month preceding the interest payment date, the registered owner of record, at the registered address as shown on the registration books of the Issuer kept by the Transfer Agent. For prompt payment of principal of and interest on this bond, the Issuer has irrevocably pledged the revenues of the Genesee County Water Supply System, including all appurtenances, extensions and improvements thereto (the "System"), after provision has been made for reasonable and necessary expenses of operation, maintenance and administration thereof (the "Net Revenues"), and a statutory first lien thereon is hereby recognized and created.

This bond is one of a series of bonds of even Date of Original Issue aggregating the principal sum of \$_____, issued pursuant to Ordinance Nos. 03-03, 03-05, 06-06, 12-02, 12-03, 13-01, 13-02 and _____, duly adopted by the Board of Commissioners of the Issuer (the "Ordinances"), and under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 94, Public Acts of Michigan, 1933, as amended, and Act 342 Public Acts of Michigan, 1939, as amended ("Act 342"), for the purpose of paying the cost of acquiring and constructing additions, extensions and improvements to the System.

The Issuer has reserved the right to issue additional bonds of equal standing with the bonds of this issue and the Outstanding Bonds on conditions stated in the Ordinances.

Bonds of this issue maturing in the years 20__ to 20__, inclusive, are not subject to redemption prior to maturity. Bonds or portions of bonds of this issue in multiples of \$5,000 maturing in the year 20__ and thereafter are subject to redemption prior to maturity at the option of the Issuer, in such order as the Issuer shall determine and within any maturity by lot, on any date on or after _____, 20__, at par plus accrued interest to the date fixed for redemption.

[Insert term bond provisions, if applicable]

In case less than the full amount of an outstanding bond is called for redemption, the Transfer Agent, upon presentation of the bond called in part for redemption, shall register, authenticate and deliver to the registered owner a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption of any bond or portion thereof shall be given by the Transfer Agent at least thirty (30) days prior to the date fixed for redemption by mail to the registered owner at the registered address shown on the registration books kept by the Transfer Agent. Bonds shall be called for redemption in multiples of \$5,000 and any bond of a denomination of more than \$5,000 shall be treated as representing the number of bonds obtained by dividing the denomination of the bond by \$5,000 and such bond may be redeemed in part. Notice of redemption for a bond redeemed in part shall state that upon surrender of the bond to be redeemed a new bond or bonds in aggregate principal amount equal to the unredeemed portion of the bonds surrendered shall be issued to the registered owner thereof. No further interest on a bond or portion thereof called for redemption shall accrue after the date fixed for redemption, whether presented for redemption or not, provided funds are on hand with the Transfer Agent to redeem the bond or portion thereof.

This bond is primarily a self-liquidating bond, payable, both as to principal and interest, from the Net Revenues of the System. The principal of and interest on this bond are secured by the statutory lien hereinbefore mentioned. As additional security for the payment of the principal of and interest on this bond and the series of bonds of which this is one, the Issuer, pursuant to the provisions of Act 342, and the Ordinances, has pledged its full faith and credit for the prompt payment of the principal of and interest hereon. Pursuant to such pledge, if the Net Revenues of the System are at any time insufficient to pay the principal of and interest on this bond when due, then the Issuer shall advance from its general funds available therefor, or, if necessary, levy taxes upon all taxable property in the Issuer, subject to applicable constitutional and statutory tax rate limitations, such sums as may be necessary to paid said principal and interest.

This bond is transferable only upon the books of the Issuer kept for that purpose at the office of the Transfer Agent by the registered owner hereof in person, or by the registered owner's attorney duly authorized in

It is hereby certified and recited that all acts, conditions and things required by law to be done precedent to and in the issuance of this bond and the series of bonds of which this is one have been done and performed in regular and due time and form as required by law.

UNITED STATES OF AMERICA
STATE OF MICHIGAN

COUNTY OF GENESEE

WATER SUPPLY SYSTEM REVENUE BOND
(LIMITED TAX GENERAL OBLIGATION), SERIES _____

Registered Owner: Michigan Finance Authority

Principal Amount: _____ Dollars (\$ _____)

Date of Original Issue: _____, _____

The County of Genesee, State of Michigan (the "Issuer"), acknowledges itself to owe and for value received hereby promises to pay, out of the hereinafter described Net Revenues of the System (hereinafter defined), to the Michigan Finance Authority (the "Authority"), or registered assigns, the Principal Amount shown above, or such portion thereof as shall have been advanced to the Issuer pursuant to a Purchase Contract between the Issuer and the Authority and a Supplemental Agreement by and among the Issuer, the Authority and the State of Michigan acting through the Department of Environmental Quality, in lawful money of the United States of America, unless prepaid or reduced prior thereto as hereinafter provided.

During the time the Principal Amount is being drawn down by the Issuer under this Bond, the Authority will periodically provide to the Issuer a statement showing the amount of principal that has been advanced and the date of each advance, which statement shall constitute prima facie evidence of the reported information; provided that no failure on the part of the Authority to provide such a statement or to reflect a disbursement or the correct amount of a disbursement shall relieve the Issuer of its obligation to repay the outstanding Principal Amount actually advanced (subject to any principal forgiveness as provided for in Schedule A), all accrued interest thereon, and any other amount payable with respect thereto in accordance with the terms of this Bond.

The Principal Amount shall be payable on the dates and in the annual principal installment amounts set forth on the Schedule A attached hereto and made a part hereof, as such Schedule may be adjusted if less than \$_____ is disbursed to the Issuer or if a portion of the Principal Amount is prepaid as provided below, with interest on said principal installments from the date each said installment is delivered to the holder hereof until paid at the rate of _____ percent (____%) per annum. Interest is first payable on _____ 1, 20__, and semiannually thereafter and principal is payable on the first day of _____ commencing _____ 1, 20__ (as identified in the Purchase Contract) and annually thereafter.

Notwithstanding any other provision of this Bond, so long as the Authority is the owner of this Bond, (a) this Bond is payable as to principal, premium, if any, and interest at The Bank of New York Mellon Trust Company, N.A. or at such other place as shall be designated in writing to the Issuer by the Authority (the "Authority's Depository"); (b) the Issuer agrees that it will deposit with the Authority's Depository payments of the principal of, premium, if any, and interest on this Bond in immediately available funds by 12:00 noon at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise; in the event that the Authority's Depository has not received the Issuer's deposit by 12:00 noon on the scheduled day, the Issuer shall immediately pay to the Authority as invoiced by the Authority an amount to recover the Authority's administrative

costs and lost investment earnings attributable to that late payment; and (c) written notice of any redemption of this Bond shall be given by the Issuer and received by the Authority's Depository at least 40 days prior to the date on which such redemption is to be made.

Additional Interest

In the event of a default in the payment of principal or interest hereon when due, whether at maturity, by redemption or otherwise, the amount of such default shall bear interest (the "additional interest") at a rate equal to the rate of interest which is two percent above the Authority's cost of providing funds (as determined by the Authority) to make payment on the bonds of the Authority issued to provide funds to purchase this Bond but in no event in excess of the maximum rate of interest permitted by law. The additional interest shall continue to accrue until the Authority has been fully reimbursed for all costs incurred by the Authority (as determined by the Authority) as a consequence of the Issuer's default. Such additional interest shall be payable on the interest payment date following demand of the Authority. In the event that (for reasons other than the default in the payment of any municipal obligation purchased by the Authority) the investment of amounts in the reserve account established by the Authority for the bonds of the Authority issued to provide funds to purchase this Bond fails to provide sufficient available funds (together with any other funds which may be made available for such purpose) to pay the interest on outstanding bonds of the Authority issued to fund such account, the Issuer shall and hereby agrees to pay on demand only the Issuer's pro rata share (as determined by the Authority) of such deficiency as additional interest on this Bond.

For prompt payment of principal of and interest on this Bond, the Issuer has irrevocably pledged the revenues of the Genesee County Water Supply System, including all appurtenances, extensions and improvements thereto (the "System"), after provision has been made for reasonable and necessary expenses of operation, maintenance and administration thereof (the "Net Revenues"), and a statutory first lien thereon is hereby recognized and created.

This Bond is a single, fully-registered, non-convertible bond in the principal sum indicated above, issued pursuant to Ordinance Nos. 03-03, 03-05, 06-06, 12-02, 12-03, 13-01, 13-02 and _____, duly adopted by the Board of Commissioners of the Issuer (the "Ordinances"), and under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 94, Public Acts of Michigan, 1933, as amended, and Act 342 Public Acts of Michigan, 1939, as amended ("Act 342"), for the purpose of paying the cost of acquiring and constructing additions, extensions and improvements to the System.

For a complete statement of the revenues from which and the conditions under which this Bond is payable, a statement of the conditions under which additional bonds of equal standing as to the Net Revenues may hereafter be issued and the general covenants and provisions pursuant to which this Bond is issued, reference is made to the Ordinances. This Bond is of equal standing and priority of lien as to the Net Revenues with the Issuer's (i) Water Supply System Revenue Bonds (Limited Tax General Obligation), Series 2007, (ii) Water Supply System Revenue Bonds (Limited Tax General Obligation), Series 2013, (iii) Water Supply System Revenue Refunding Bonds (Limited Tax General Obligation), Series 2014 and (iv) Water Supply System Revenue Bonds (Limited Tax General Obligation), Series 2015 (collectively, the "Outstanding Bonds"). The Issuer has reserved the right to issue additional bonds of equal standing with this Bond and the Outstanding Bonds on conditions stated in the Ordinances.

This Bond is primarily a self-liquidating bond, payable, both as to principal and interest, from the Net Revenues of the System. The principal of and interest on this Bond are secured by the statutory lien hereinbefore

mentioned. As additional security for the payment of the principal of and interest on this Bond, the Issuer, pursuant to the provisions of Act 342, and the Ordinances, has pledged its full faith and credit for the prompt payment of the principal of and interest hereon. Pursuant to such pledge, if the Net Revenues of the System are at any time insufficient to pay the principal of and interest on this Bond when due, then the Issuer shall advance from its general funds available therefor, or, if necessary, levy taxes upon all taxable property in the Issuer, subject to applicable constitutional and statutory tax rate limitations, such sums as may be necessary to paid said principal and interest.

The Issuer has covenanted and agreed, and does hereby covenant and agree, to fix and maintain at all times while any bonds payable from the Net Revenues of the System shall be outstanding, such rates for service furnished by the System as shall be sufficient to provide for payment of the interest on and the principal of this Bond, the Outstanding Bonds and any additional bonds of equal standing as and when the same shall become due and payable, and to create and maintain a bond redemption account therefor, to provide for the payment of expenses of administration and operation and such expenses for maintenance of the System as are necessary to preserve the same in good repair and working order, and to provide for such other expenditures and funds for this Bond, the Outstanding Bonds and the System as are required by the Ordinances.

Principal installments of this Bond are subject to redemption prior to maturity at the option of the Issuer only with the prior written consent of the Authority and on such terms as may be required by the Authority.

This Bond is transferable only upon the books of the Issuer by the registered owner in person or the registered owner's attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the transfer agent, duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a new registered bond in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the Ordinances, and upon payment of the charges, if any, therein prescribed.

Capitalized terms used in this Bond and not defined herein have the meanings set forth in the Ordinances.

It is hereby certified and recited that all acts, conditions and things required by law to be done precedent to and in the issuance of this Bond have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the Issuer, by its Board of Commissioners, has caused this Bond to be executed with the facsimile signatures of its Chairman and the County Clerk and a facsimile of its corporate seal to be printed on this Bond, all as of the Date of Original Issue.

The Issuer agrees that it will deposit with The Bank of New York Mellon Trust Company, N.A., or at such other place as shall be designated in writing to the Issuer by the Authority (the "Authority's Depository") payments of the principal of, premium, if any, and interest on this Bond in immediately available funds by 12:00 noon at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise. In the event that the Authority's Depository has not received the Issuer's deposit by 12:00 noon on the scheduled day, the Issuer shall immediately pay to the Authority as invoiced by the Authority an amount to recover the Authority's administrative costs and lost investment earnings attributable to that late payment.

Section 13. Covenants Regarding Tax Exempt Status of the Series 2016 Bonds. The County shall, to the extent permitted by law, take all actions within its control necessary to maintain the exclusion of the interest on the Series 2016 Bonds from gross income for federal income tax purposes under the Internal Revenue Code of 1986, as amended (the "Code"), including, but not limited to, actions relating to any required rebate of arbitrage earnings and the expenditure and investment of proceeds of the Series 2016 Bonds and moneys deemed to be proceeds of the Series 2016 Bonds, and to prevent the Series 2016 Bonds from being or becoming "private activity bonds" as that term is used in Section 141 of the Code.

Section 14. Sale of Series 2016 Public Sale Bonds. The County, in consultation with the County's financial advisor for the Series 2016 Public Sale Bonds, hereby determines to offer the Series 2016 Public Sale Bonds through a competitive public sale. The County Agency is hereby authorized to: fix a date of sale for each series of the Series 2016 Public Sale Bonds determined to be issued by the County Agency; prepare and publish an official notice of sale for the Series 2016 Public Sale Bonds at least seven (7) days prior to the date fixed for the sale in accordance with the requirements of Act 34; conduct the sale; and award the sale of the Series 2016 Public Sale Bonds by Order to the bidder whose bid meets the requirements of law and this Ordinance and is determined to produce the lowest true interest cost to the County.

Notwithstanding the foregoing, in the event that the County Agency determines, in consultation with the County's financial advisor for the Series 2016 Public Sale Bonds, that market volatility or other factors related to the financing of the Project or in the municipal bond market make it impractical or undesirable to sell the Series 2016 Public Sale Bonds by competitive sale and that a negotiated sale is preferable for reasons of market timing, the marketing of the Series 2016 Public Sale Bonds or other factors, then the County Agency is hereby authorized to sell the Series 2016 Public Sale Bonds by means of a negotiated sale. In such an event, the County Agency is authorized to appoint one or more underwriters to purchase the Series 2016 Public Sale Bonds (the "Underwriter"). The County Agency is authorized to negotiate the sale of the Series 2016 Public Sale Bonds to the Underwriter, award the sale of the Series 2016 Public Sale Bonds to the Underwriter pursuant to a bond purchase agreement, and execute an Order specifying the final terms of the Series 2016 Public Sale Bonds and making such other determinations as provided for in this Ordinance; provided, however, that the final terms of the Series 2016 Public Sale Bonds shall be within the parameters established by this Ordinance and the underwriter's discount shall not exceed one percent (1.0%) of the principal amount of such Series 2016 Public Sale Bonds. The County Agency is authorized to execute and deliver the bond purchase agreement on behalf of the County without further approval of this Board of Commissioners, subject to the parameters set forth in this Ordinance.

Section 15. Sale of Series 2016 DWRF Bonds; Application to MDEQ and Authority. The County determines that it is in the best interests of the County to negotiate the sale of the

Series 2016 DWRF Bonds to the Authority because the Drinking Water Revolving Fund financing program provides significant interest cost savings to the County in comparison to a competitive sale in the municipal bond market. The County Agency is hereby authorized to make application to the Authority and to the MDEQ for placement of the Series 2016 DWRF Bonds with the Authority. The County Agency is further authorized to execute and deliver such contracts, documents and certificates as may be required by the Authority or the MDEQ or as may be otherwise necessary to effectuate the sale and delivery of the Series 2016 DWRF Bonds to the Authority, including the Purchase Contract and a Supplemental Agreement by and among the County, the Authority and the State of Michigan acting through the MDEQ. The County Agency, the Chairman of the Board of Commissioners and the County Clerk are each individually authorized to execute and deliver the Issuer's Certificate required by the Authority.

Section 16. Approval of Details of Series 2016 Bonds. The County Agency is hereby authorized to adjust the final bond details set forth herein to the extent necessary or convenient to complete the transactions authorized herein, and in pursuance of the foregoing is authorized to exercise the authority and make the determinations authorized pursuant to Section 7a(1)(c) of Act 94 and Section 315(1)(d) of Act 34, including, but not limited to, determinations regarding interest rates, prices, discounts, serial and term maturities, principal amounts, denominations, dates of issuance, interest payment dates, redemption rights, the place of delivery and payment, designation of series, and other matters necessary to effectuate the sale and issuance of the Series 2016 Bonds authorized herein, within the parameters established by this Ordinance.

Section 17. Official Statement; Bond Insurance; Ratings. The County Agency and the County Controller are authorized and directed to: (a) cause the preparation and circulation of a Preliminary Official Statement with respect to the Series 2016 Public Sale Bonds and to deem the Preliminary Official Statement "final" for purposes of Rule 15c2-12 of the U.S. Securities and Exchange Commission, and to approve circulation of a final Official Statement with respect to the Series 2016 Public Sale Bonds; (b) solicit bids for and approve the purchase of a municipal bond insurance policy for the Series 2016 Public Sale Bonds if deemed economically advantageous to the County based on the advice of the County's financial advisor for the Series 2016 Public Sale Bonds; and (c) obtain ratings on the Series 2016 Public Sale Bonds.

Section 18. Authorization of Other Actions. The County Agency, Chairman of the Board and County Clerk are each hereby individually authorized to complete, execute and file any and all applications or requests for waivers with the Michigan Department of Treasury necessary to effectuate the sale and delivery of the Series 2016 Bonds as contemplated by this Ordinance, including, if necessary, an Application for State Treasurer's Approval to Issue Long-Term Securities, in such form as shall be approved by any of such officers. The County Agency and County Treasurer are further authorized to pay any necessary fees in connection with any such applications or waivers. The County Agency, County Treasurer, County Clerk and County Controller are each hereby individually authorized and directed to execute and deliver all other documents and certificates and to take all other actions and to make such other filings with any

parties necessary or advisable to enable the sale and delivery of the Series 2016 Bonds as contemplated herein.

Section 19. Continuing Disclosure. For each series of the Series 2016 Public Sale Bonds issued hereunder, the County hereby agrees to enter into a continuing disclosure undertaking for the benefit of the holders and beneficial owners of such Series 2016 Public Sale Bonds pursuant to Rule 15c2-12 of the U.S. Securities and Exchange Commission, and the County Agency and the County Controller are each hereby authorized to execute such undertaking prior to delivery of the Series 2016 Public Sale Bonds.

Section 20. Severability; Paragraph Headings; and Conflict. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance. The paragraph headings in this Ordinance are furnished for convenience of reference only and shall not be considered to be part of this Ordinance.

Section 21. Publication and Recordation. This Ordinance shall be published in full in *The Flint Journal*, a newspaper of general circulation in the County qualified under Michigan law to publish legal notices, promptly after its adoption, and shall be recorded in the Ordinance Book of the County and such recording authenticated by the signatures of the Chairman of the Board of Commissioners and the County Clerk.

Section 22. Effective Date. This Ordinance shall be effective upon expiration of the 45 day referendum period under the 2016 Notice of Intent to be published by the County, provided that referendum petitions in sufficient number and appropriate form are not filed with the County Clerk prior to the expiration of such referendum period.
