

TO THE HONORABLE CHAIRPERSON AND MEMBERS OF THE GENESEE COUNTY BOARD OF COMMISSIONERS, GENESEE COUNTY, MICHIGAN

LADIES AND GENTLEMEN:

WHEREAS, this Genesee County Board of Commissioners, assisted by the Genesee County Equalization Department, has examined the assessment rolls of the several townships and cities of Genesee County and has ascertained whether the real and personal property in said respective townships and cities has been equally and uniformly assessed; and

WHEREAS, this Board has determined that the valuations that appear in the attached 2013 Genesee County Equalization Report are sums which represent true and equally and uniformly assessed values, equalized values indicated therein having been equalized uniformly at the same proportion of true cash value for both real and personal property.

NOW, THEREFORE, BE IT RESOLVED, that this Board in an open and public meeting, does hereby determine the equalized values of both real and personal property in Genesee County to be those set forth in the attached 2013 Genesee County Equalization Report, said realty being separately equalized by class as required by law, and that this Board does hereby adopt said 2013 Genesee County Equalization Report.

**DATE:** April 9, 2013

**SUBJECT:** 2013 GENESEE COUNTY EQUALIZATION REPORT

Attached please find the 2013 Genesee County Equalization Report. This report consists of six (6) pages listing each local unit of government within Genesee County and the corresponding assessed and county equalized valuations for each.

Page 1 of the report shows the total assessed and county equalized values of each governmental unit, individually stating total real property, total personal property, and combined valuations of both. Pages 2 and 3 show the assessed and county equalized values broken down by classification for all real property within each governmental unit. Page 4 shows the required adjustments needed for each property classification based on final board of review activity. Page 5 shows the multipliers to be applied against the assessed valuations in each classification of property to equalize. Page 6 shows the parcel count of each classification of property within each unit of government. This report indicates that all classifications of property within each unit of government will be equalized as assessed for the 2013 year.

The L-4024 Report has been included as part of the 2013 Equalization Report. This report is generated from the State Tax Commission website after all values have been entered. The report has the same information as pages 1 – 3 of the above mentioned report and includes signature lines for the proper officials once county equalization has been finalized.

The total county equalized valuation decreased 187,018,902 or 2.04% from 2012 to 2013. Following is the breakdown of valuations and change by class:
