Genesee County Bar Association's "2008 Community Holiday Dinner"

Every December, the Genesee County Bar Association hosts a community holiday dinner for more than 1,000 needy residents from the Flint area. Along with a hot turkey dinner with all the fixings, guests are entertained by a musical choir singing all the Holiday favorites and each child in attendance receives a gift from Santa Claus himself. Dozens of private practice attorneys and their staff along with lawyers from the Prosecutor's office donate money and volunteer at the event.

"Part of being a lawyer is giving back to the community," said Genesee County Prosecutor David Leyton, the president of the bar association. "This is directly assisting people who need help."
