- 5.5072 mills for general operations
- 0.4847 mills for emergency medical services
- 0.7500 mills for parks and recreation

Constitutional and statutory limitations could require these millages to be reduced for the 2015 taxes.

The County's 2015-2016 Budget (the Budget) will be funded by a portion of the revenues from the County's 2015 summer ad valorem property tax, the revenues from the County's December 2015 ad valorem property tax, the revenues from the County's 2016 summer ad valorem property tax, and revenues from sources other than the ad valorem property tax.

The December 2015 levy will include 0.4847 mills for emergency medical services, 0.7500 mills for parks and recreation, 0.7000 mills for senior services, 1.0000 mill for uninsured health services delivery system, 0.1000 mills for veterans services, 0.0400 mills for MSU Extension services, and 0.200 mills for animal control services.

The above identified December 2015 levies are to be used to fund the Budget, to the extent of \$4,022,936 for emergency medical services (also identified as paramedics), \$6,514,853 for parks and recreation, \$5,810,102 for senior services, \$8,300,129 for uninsured health services delivery system, \$838,301 for veterans services, \$339,235 for MSU Extension services, and \$1,696,110 for animal control services.

Subject to constitutional and statutory limitations, and to any revisions hereafter authorized by the County's electorate, the County's 2016 summer tax will be 5.5072 mills for general operations. The estimated revenues from this levy are \$41,838,469. In addition, an estimated \$4,648,719 in collections from the County's

2015 summer tax will be recognized as revenue for general operations for use in the County's 2015/2016 fiscal year.

The mills to be levied in support of this Budget thus are 5.5072 for general operations, 0.4847 for emergency medical services, 0.7500 for parks and recreation, 0.7000 for senior services, 1.0000 for uninsured health services delivery system, 0.1000 for veterans services, 0.0400 for MSU Extension services, and 0.2000 for animal control services for a total of 8.7819 mills. The total revenue estimated from these mills is \$74,008,854.

The various purposes for which the above identified general operations revenue is to be utilized are those identified in pages IX through XI for which there is an amount stated in the column under the heading "General Fund." The respective amounts allocated to those purposes are those stated in that "General Fund" column.
