

Respite Services

Michigan Community Services, Inc

810-742-3922

5239 Morrish Road, Swartz Creek, MI 48473

Michigan Community Services, Inc. offers services designed to provide care to seniors who have been assessed as requiring continual supervision within their home, enabling their regular caregiver to have relief for several hours in any one day. The level of care ranges from senior citizens who require a lower level of assistance with activities of daily living to those who are bed-bound and need a higher level of assistance.
