OUR MISSION: Our focus is on personal growth and the opportunity for players and coaches to develop important life skills in a recreational and mutually supportive environment. We celebrate the diversity of our community and understand that people participate in youth basketball for a variety of reasons. Our programs encourage every player regardless of ability, and everyone will be offered a chance to learn through teamwork, effort, and responsibility.

It is our shared responsibility to maintain a safe and positive environment. We ask everyone in our community - spectators, parents, players, coaches and referees - to act respectfully towards one another at all times. Thank you for participating in a fun, rewarding experience for our youth and our community!
