RE: O & G Industries
NYSDOT Entrances
U.S. Route 9 & 9G
Greenport/Hudson, New York
Project No. 08636

Dear Mr. Alger:

Enclosed please find a copy of a letter dated December 8, 2010, from Joseph Visconti, NYSDOT Permit Engineer. The proposed crossings have now been approved. Please note that the existing entrance on Route 9 (HRB Trucking) will be improved as shown, but turning movements will remain as-is (unrestricted).

Please let us know when your board is ready to move forward with the project. If you should have any questions, please feel free to call. Thanks!

Very truly yours,

Patrick J. Prendergast, P.E.

RE: O & G Truck Crossings
Proposed Commercial Entrances
Rte. 9 & 9G & 23B, Town of Greenport

Dear Mr. Prendergast,

I have reviewed the revised site plans you recently submitted for the above referenced project. The plans are approved, and in order to proceed with the Highway Work Permit application the applicants will need to submit a Highway Work Permit application, a check for $725.00 for the permit and insurance fees and a certified or bank check in the amount of $10,000.00 as a guarantee of deposit. The guarantee of deposit will be refunded when the project has been satisfactorily completed and inspected by the New York State Department of Transportation.

If you have any questions, I can be reached Monday through Friday at (518) 828-5137.

Sincerely,

Joseph A. Visconti
Permit Engineer
