

PROBATE COURT ZOOM HEARINGS

The Michigan Supreme Court is encouraging trial courts to use Zoom where practical. The Ingham County Probate Court welcomes all who wish to attend court in person.

However, we understand not every appearance in court is critical. Thus, Zoom will be permitted for the following hearings:

1. Uncontested Probate Hearings
2. Mental Health Hearings
3. Pretrial Hearings
4. Probate Motions without testimony
5. Emergency Guardianships

For all other hearings, contact the Judge's office for permission.
