APPLICATION OF BOARD AND COMMITTEE

City's advisory board and committees play an important role in the operations of the City of Treasure Island. Unlike the City Commission, members of these bodies are appointed, not elected. Some of the boards and committees require members to meet specific qualifications. But while each body differs in its area of responsibility and requirements for appointment, they all have one common requirement, they depend on citizens willing to serve their city. The advisory boards and committees are subject to the State of Florida, Sunshine Law and all meetings are advertised and open to the public. All applicants must reside in the City of Treasure Island.

If you are interested in serving on a City board or committee, please download the application. You can print the application and mail to the City Clerk's Office at 120 108th Avenue, Treasure Island, FL 33706, or email the application.

For questions and inquiries, please send an email to: cityclerk@mytreasureisland.org.
