

Welcome, kick back and enjoy yourself,  
that's what the Goose is all about.

### Just a little history...

In September of 2010, two long-time friends, Donna Asbell and Lynn Leaphart, started talking about opening a wine and coffee shoppe in St. Marys. We had other jobs, but we wanted to create a business that offered something a little different. A place for good wine, good coffee, and good conversation. In 2011, we opened the Blue Goose.

### Then came the second Goose

The plan was always to open 5 shoppes, and old houses seemed to work so we renovated a 1847 farm house in Irwinton, GA and opened Georgia's first Bike Hostel and Coffee Shoppe. We've got two bunk rooms, a common kitchen and lots of space for riders to enjoy. We've got routes all over rural Wilkinson County. So, if you're in the area, stop by. Our number is 478-946-1501.

### Committed to:

**Recycling.** as much as we can...check out our wine bottle candles.

**Buying local.** We work with local vendors and at least 90% of what we have in the shoppe comes from a US small business. We love Hidden Creek Gardens in Woodbine, GA!

### Mission Statement:

To create a strong hometown businesses that encourages customers to take time for themselves and employees to grow toward their full potential.
