SPRING FESTIVAL BRINGS PRAISE & CELEBRATION TO ST. MARYS WATERFRONT PARK

ST. MARYS, GA (March 21, 2016) – The annual Praise in the Park, Spring Festival event will be held Saturday, March 26, 2016 from noon through 4:00 p.m. at the St. Marys Waterfront Park in downtown St. Marys, Georgia. The event promotes unity in the community and will feature special guest, Pastor Kimberly Jones-Pothier, from Oxygen network's "The Preachers of Atlanta." The event offers a family fun day that includes a free concert, plus games and activities for kids.

Vendors offering arts, crafts, and food items are always a favorite part of any downtown festival and will be located in front of the park during the spring festival event. We encourage you to come early, bring lawn chairs, and plan to spend the day. For more information contact Kenyatta Compton of We are Outreach at 678-621-9019.
