The information shown here is a general representation of features in and around the City of Allen Park area. As such, it should not be relied upon for establishing locations for buildings, fences or other improvements to property. It should not be used as the basis for determining the suitability of new subdivisions or the establishment of addresses. Please note that the City of Allen Park only maintains active data within the city limits for Allen Park. Contact Wayne County GIS for current data in the surrounding county areas and other municipalities as appropriate.
