Re: City Administrator's Budget Message

I am pleased to present to you the Adopted Fiscal Year 2019-2020 Budget for the City of Allen Park. This letter provides a summary of several major accomplishments from the last fiscal year, a financial overview of the City Budget, and some highlights of other funds. The Adopted Budget has been built on sound conservative financial principals that reflect the Administration's commitment to maintaining necessary services, improving the quality of the operation of the City, and keeping expenditures to a minimum while still meeting the needs of the residents of Allen Park. The City continues to make strides in its recovery from the financial problems it experienced the last few years, but there is still a lot of work to do.

PRIOR FISCAL YEAR ACCOMPLISHMENTS

Fiscal Year 2019 and the final months of Fiscal Year 2018 had a number of major accomplishments:

- On May 11, 2018, the City Administrative Offices, Clerk's Office, Treasurer's Office, Building Department, and Police Department moved into their new home at 15915 Southfield Road – near Downtown Allen Park and nearly in the geographic center of the City. For the first time in almost three years, the Allen Park Police Department has their own jail operations.
- In May, the City will begin the Defeasance of the 2009 A & B Bonds. The City will pay off \$9,070,000.00 in debt and avoid paying over \$8,289,352.50 in interest payments over the next 20 years.
- On April 25, 2019, the City was notified that Standard & Poor's (S&P) Global Ratings raised the City's long-term and underlying rating on the existing general obligation (GO) debt from 'BBB+' to 'A+'. This will allow the City to refinance higher interest bonds for continued savings. Since early 2015, the City's rating has increased 15 notches over four rating reviews.

- In October 2018, the City submitted a Corrective Action Plan to the State of Michigan for the City of Allen Park Employees Health Care Trust as required by Public Act 202 of 2017. The Trust is regarded as underfunded by the Department of Treasury because it does not meet the 40% funded threshold. In December 2018, the State of Michigan Municipal Stability Board approved the City's Corrective Action Plan.
- With two grants from the State of Michigan's Financially Distressed Cities, Villages and Townships Grant program – \$131,660.00 in Fiscal Year 2019 and \$88,860.00 in Fiscal Year 2018 – the City has replaced every outdated streetlight in Allen Park with new LED streetlights, with the exception of the Downtown Area that is maintained by the Allen Park Downtown Development Authority (DDA).
- The City continued its commitment to improve the Allen Park Street System. Through the voter approved Street Improvement Millage and contributions from the Major and Local Street Funds, Colonial Court, McLain Avenue (Allen Road to Park Avenue), and Park Avenue (Wick Road to Leslie Avenue) were completely reconstructed in concrete. At the same time, new water mains were installed on Colonial Court and McLain Avenue through funding from the Water Department. Additionally, the City was awarded the American Public Works Association (APWA) – Downriver Branch “2018 Project of the Year” for the McLain Avenue Pavement and Water Main Replacement Project. This was the third year in a row that Allen Park has won the Project of the Year award from the APWA – Downriver Branch.
- Improvements to major and local streets also included concrete Street Sectioning on portions of Reeck Road, Wick Road, Pinecrest Drive, College Avenue, Leslie Avenue, Moore Avenue, Oceana Avenue, Quandt Avenue, and White Avenue. Demean Street was repaved in asphalt, totally transforming the pot-hole ridden street. Enterprise Drive from the I-94 Exit Ramp to Oakwood Boulevard was rebuilt at the beginning of Fiscal Year 2019 with a Surface Urban Transportation Grant from MDOT that covered 80% of the project cost.
- The City’s Water Main Replacement Project included new water mains on Markese Avenue (Fox Avenue to Rosedale Boulevard), Thomas Avenue (Rosedale Boulevard to the City Limit with Lincoln Park), College Avenue (Laurence Avenue to the City Limit with Lincoln Park), and Jonas Avenue (Allen Road to Rosedale Boulevard).

ADOPTED BUDGET PROCESS – FISCAL YEAR ENDING JUNE 30, 2020

This Adopted Budget is based on the 5-Year Fiscal Plan that includes the Fiscal Years 2020 through 2024 plan years. The 5-Year Fiscal Plan projects the anticipated revenue and expenditures over the next five (5) years and includes strategies to establish an operating fiscal plan that is balanced with the projected revenues. The first year of the plan is the Fiscal Year 2020 Budget, as required by Section 10.02 of the City of Allen Park Charter, and the 2nd through 5th years of the fiscal plan should only require minor updates each year to establish the recommended Fiscal Year Budget.

For the 2019-20 Budget, the process started in January with the Finance Director providing instructions and a timeline to all City Departments. The Departments were given a budget template with historical and current data in order to complete the requested Fiscal Year 2020 Budget. Once the Departments submitted their budgets at the beginning of March, the Finance Director compiled all the information to prepare the Proposed Budget. In late March, the Departments met with the City Administrator, Finance Director, and Deputy Finance Director to discuss the details of their budget. The Proposed Budget was delivered to the Mayor and City Council on April 9, 2019. A Council Work Session was held on April 16, 2019 and a Public Hearing for the Fiscal Year 2020 Budget appropriations and truth in taxation was held on April 23, 2019. The formal adoption of the Fiscal Year 2020 Budget was approved at the May 14, 2019 Council Meeting.

The Budget complies with Public Act 2 of 1968 and Public Act 493 of 2000 (MCL 141.142, et al) which states, *"The purpose of the budget act is to require that all local units of government in Michigan adopt balanced budgets to establish responsibilities and define the procedure for the preparation, adoption, and maintenance of the budget, and to require certain information for the budget process."*

OVERVIEW OF CITY BUDGET

Listed below are some of the highlights of the Fiscal Year 2020 Budget:

- The Administration continues to monitor active and retiree healthcare. As savings present themselves, they are analyzed for possible benefit to the City. The City is still relying on savings after moving to a Self-insured healthcare plan with Cofinity, administered by Automated Benefit Services (ABS). The City continues to use Humana as the Medicare Advantage provider. MedTipster provides the prescription drug coverage, and also has a program to provide free generic prescription drugs. The City's continued cost-savings has allowed the Hard Cap Model (Public Act 152 of 2011) for the employee's Healthcare Premium Share to be maintained. It continues to be a challenge to find better and less costly approaches to healthcare.
- For the fifth year in a row, the City will include funding for GASB 45 (Other Postemployment Benefits – OPEB) liability with a \$500,000.00 contribution to the City of Allen Park Employees Health Care Trust. In accordance with Public Act 202 of 2017, the City will continue to undergo annual scrutiny by the State of Michigan, as this Trust is regarded as underfunded, mandating a plan be maintained to address the underfunded status.
- The General Fund Budget contained in this document is balanced with a \$1,171,115.00 transfer from the General Fund in order to fund the Capital Improvement Plan (CIP). The 5-Year Capital Improvement Plan (CIP) has been updated and included in the Budget.

- With the Defeasance of the 2009 A & B Bonds in May 2019, only \$744,141.00 from the General Fund will need to be transferred to pay the interest on the new 2015 B Bonds, which are part of the former movie studio project.
- Property values in the City of Allen Park once again continued to rebound from low levels of five years ago. While Taxable Values within the City increased approximately 4.2%, the City will not be able to gain the full benefit of this increase due to the Headlee Amendment and Proposition A, which will require a small rollback on the City's tax levies. The 2019-20 Budget includes a payment of \$525,000.00 from the State of Michigan to reimburse the loss of Personal Property Taxes (PPT), but this is an estimate.
- The Court-ordered Sewer Consent Judgement is estimated to decrease slightly from .9848 mills to .9738 mills. The elected debt millage for the Sewer Tunnel will decrease again this year from 1.0151 mills to .9740 mills, a decrease of .0411 mills. Lastly, the Community Center debt decreased slightly to .4794 mills from .5550 last year. All other levies for 2019-20 will remain unchanged, with the exception of the Headlee rollback. As a note of information, based on the FY 2020 Millage Rates, one mill generates approximately \$805,570.00 of revenue before TIF captures.
- General Fund Property Tax revenue is budgeted at \$7,753,507.00. The overall Taxable Value for Fiscal Year 2020 is an increase of just over 4%, from \$771,842,175.00 to \$805,569,851.00.
- The 2019-20 Budget provides for dedicated funding to support Police and Fire operations. The cost of providing Police Services and Fire Services for FY 2020 total \$6,261,584.00 and \$3,757,165.00, respectively. The voted Police and Fire millage that was approved in August 2013 generates an estimated net revenue of \$5,125,148.00. The millage revenue collected funds about 51% of the Operating Budget for the two Departments.
- The voter approved 1.8823 mills (after Headlee rollback) for Street Improvements will enter its fourth construction season with portions of McLain Avenue (Park Avenue to Rosedale Boulevard) and Park Avenue (Leslie Avenue to Champaign Road) on the list of streets to be improved. The Water Department will replace the water main on McLain Avenue, as well as a small section of water main on Park Avenue.
- The Proposed Budget staffing level is at 115 positions, including two full-time elected positions. New positions that have been added to the 2019-20 Budget include a Human Resources Director and a Deputy Library Director. The Library Director made cuts within her portion of the budget to accommodate the new full-time position. The Administration continues to work with the recommendations that were set forth in the Michigan Municipal League (MML) Classification and Compensation Study and in the Whitehall Operational Overview Study for staff restructuring and utilizing alternative methods to provide essential City services. Within the next few years, the City will need to consider updating these reports.

- Negotiations have begun with both Police Unions – Patrol and Command, as well as the TPOAM Union, Clerical and Department of Public Services. All three of these contracts expire June 30, 2019. The Fire Union contract is awaiting a decision from the Arbitrator, which is expected in late May 2019. For the Department Heads and non-union personnel, wage adjustments of 2.5% have been included in the Proposed Budget.

GENERAL FUND

- The projected General Fund revenue for FY 2020 is \$23,373,787.00, which is a \$529,217.00 increase (2.26%) over the FY 2019 Budget.
- The 2019-20 Budget includes the replacement of the Police Department OSS Software; the third payment (final payment) for the Pumper Truck, a new Ambulance, two stretchers with power lift and load, and a new roof for the Fire Department; playground upgrades for the Recreation Department; lawn mowers, a leaf vac trailer, and a tandem axle 10-12 yard dump truck for the Department of Public Services (DPS). Additionally, the City will start construction on the new DPS Facility, which will combine the two locations currently being used into a new single site location on a 12 acre parcel on the City's north end. Phase One will include the entry roadway, a salt storage structure, and a storage structure for sand and stone. This portion of the DPS Facility is budgeted in the Capital Improvement Plan.
- The 2019-20 Budget once again contains Fund 803 for the Historical House, with a budget of \$12,360.00 to cover their capital improvements, utility, and general maintenance.
- The General Fund's projected General Fund Working Capital Fund Balance Reserve at June of 2019 is \$4,580,000.00.

OTHER FUND HIGHLIGHTS

RUBBISH FUND

For Fiscal Year 2020, the City will continue to work with Advanced Disposal on the fourth year of a 6-year contract. The projected 2019-20 Budget is \$1,837,701.00. The Administration has rectified the need for manual trash collection in the Downtown and business district areas, with all eligible businesses using the automated trash carts. In an effort to assist some of the businesses that get deliveries using cardboard boxes, a special cardboard only dumpster was placed near the DPS Yard on White Street.

BUILDING DEPARTMENT

In the 2019-20 Budget, the Department continues to move forward with technology upgrades. Computers and planned software updates to allow online property permit reviews and registrations are included in the capital purchases.

STREET FUNDS (MAJOR AND LOCAL)

The 2019-20 Budget offers limited funding to repair and maintain portions of our Major and Local Streets. The voter-approved Street Improvement Millage generates \$1,443,773.00 that is being utilized to assist with the fourth and fifth year of that reconstruction program. Additionally, there is once again a transfer of \$500,000.00 from the General Fund to the Street Fund to supplement Major and Local Street repairs.

LIBRARY

The Allen Park Public Library still struggles from a lack of millage to maintain the Library maintenance. The Library millage over the past years has been rolled back by the Headlee Amendment and Proposition A from 1.000 mills to .8393 mills. This is roughly a loss in tax revenue of \$120,000.00 per year for the Library.

Utilization of Library fund balance and a loan from Capital Projects is being considered to bring their HVAC project forward to late summer 2019. The current boiler system is in desperate need of replacement. The Library is still looking at a new electronic message sign, and is working with the Allen Park DDA and the Allen Park Festivities Committee for a possible funding solution.

WATER & SEWER DEPARTMENT

The Water and Sewer Department Budget continues to better reflect Departmental activities. The fund is divided into four (4) Departments: Water (Fund 600), Sewer (Fund 601), Basin (Fund 603) and Administration/Debt (Fund 604). Highlights of the 2019-20 Budget include two Pressure Relief Valves, Phase 1 of a 3-year project to replace outdated residential water meters, over \$500,000.00 in new water mains, \$206,000.00 in sewer lining, two new F-250 pick-up trucks, a new Backhoe Loader, and the final payment for the Sewer GapVax Truck. The recommendation for Water and Sewer rates is an increase of 4.5% on July 1, 2019. The new Water and Sewer Rate Study is due to be completed early next fiscal year.

DOWNTOWN DEVELOPMENT AUTHORITY FUND

The Proposed Budget for the Downtown Development Authority (DDA) of \$1,020,864 reflects approximately \$552,000.00 of captured taxes and over \$433,535.00 in PPT reimbursement from the State. The City is projecting that the DDA Taxable Value will be roughly \$37,161,440.00. Roughly 40% of the DDA Budget goes to pay bond debt service payments. Another 10% covers salary and benefits for the Director.

CLOSING STATEMENT

The development of the City's Annual Budget is an extremely time consuming and significant task for the City Administration. I appreciate the effort put forth by the Administrative Team Members and Department Heads that contributed towards the

development of the 2019-20 Budget. Their professional efforts and understanding of the City's financial position should not go unnoticed.

This budget continues to provide the blueprint we need as a municipal operation in providing services to Our Community, while at the same time being prudent about how those services are funded. The Administration will continue to pursue new and creative ways to improve how we do what we do for the community.

I have enjoyed working with Mayor Matakas and the City Council for the past four years, and look forward to working with the new Mayor and Councilmembers that will be elected in November 2019. Allen Park continues to face many challenges during these changing economic times, but by working together, along with our citizens, we can put Allen Park back on the path to financial stability.

Again, I want to thank all the members of the Administrative Team, Department Heads and staff for their hard work in the preparation of this Budget.

Respectfully submitted,

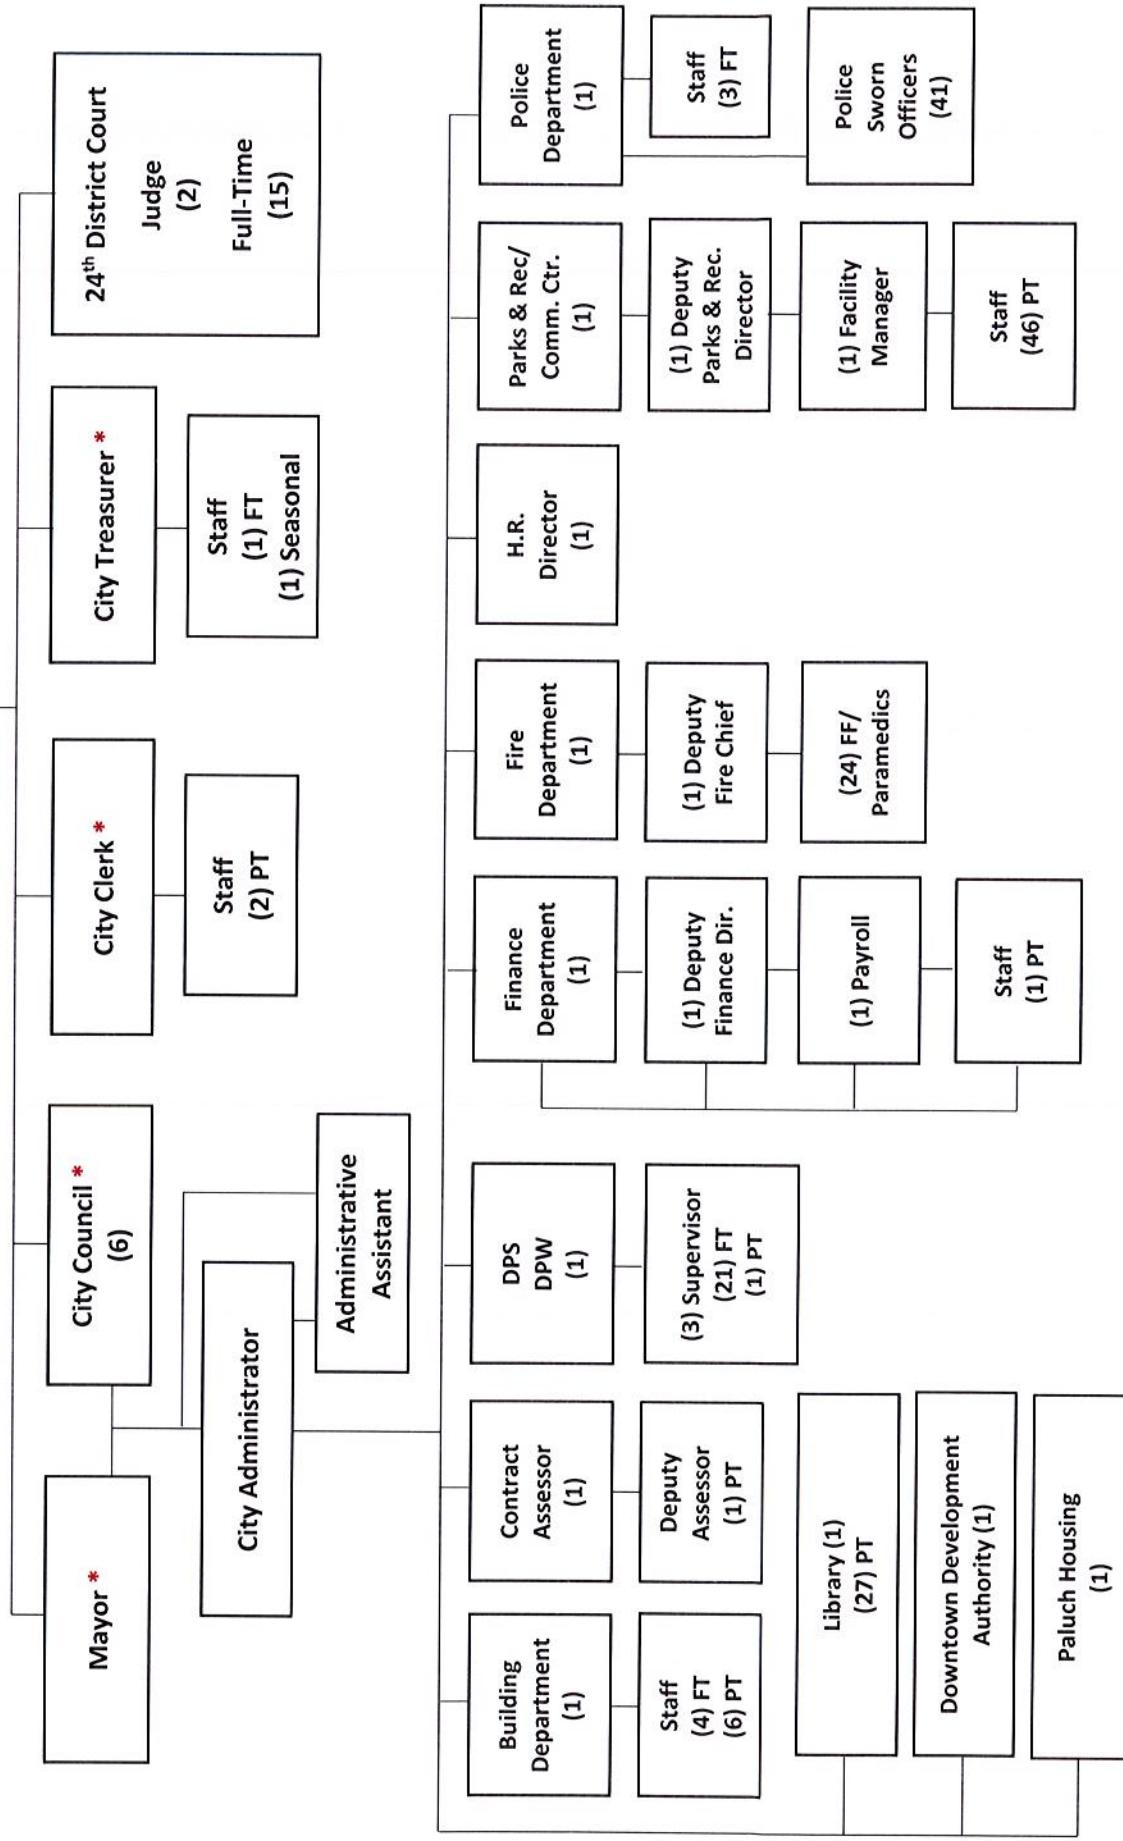

Mark A. Kibby
