Re: City Administrator's Budget Message

Fiscal Year 2018 Adopted Budget for the Fiscal Year Ending June 30, 2018

I am pleased to provide the adopted budget for the Fiscal Year 2018. This budget is based on the 5-year fiscal plan that includes the Fiscal Years 2018 through 2022 plan years. The 5-year fiscal plan projects the anticipated revenue and expenditures over the next five (5) years and includes strategies to establish an operating fiscal plan that is balanced with the projected revenues. The first year of the plan is the Fiscal Year 2018 budget, as required by Section 10.02 of the City of Allen Park Charter, and the 2nd through 5th years of the fiscal plan should only require minor updates each year to establish the recommended Fiscal Year budget.

For the 2017-18 budget, the process started in January with the Finance Director providing instructions and a timeline to all City Departments. The Departments were given a budget template with historical and current data in order to complete the requested Fiscal Year 2018 budget. Once the Departments submitted their budgets, the Finance Director compiled all the information to prepare the proposed budget. The proposed budget was delivered to the Mayor and City Council on April 11, 2017. A Council Work Session was held on April 18, 2017 and a Public Hearing for the Fiscal Year 2018 budget appropriations and truth in taxation was held on May 9, 2017. The formal adoption of the Fiscal Year 2018 budget was approved at the May 9, 2017.

The budget complies with Public Act 2 of 1968 and Public Act 493 of 2000 (MCL 141.142, et al) which states, "*The purpose of the budget act is to require that all local units of government in Michigan adopt balanced budgets to establish responsibilities and define the procedure for the preparation, adoption, and maintenance of the budget, and to require certain information for the budget process.*"

OVERVIEW OF CITY BUDGET

Listed below are some of the highlights of the Fiscal Year 2018 Budget:

- The Administration continues to monitor active and retiree healthcare. As savings present themselves, they are analyzed for possible benefit to the City. In the 2016-17 budget, those savings benefits included moving from a Self-insured Blue Cross Blue Shield (BCBS) plan to a Self-insured Cofinity plan administered by Automated Benefit Services (ABS). The City continues to use Humana as the Medicare Advantage providers, Catamaran/Optum for prescription drug coverage, and has utilized MedTipster to provide free generic prescription drugs. With all of the cost-saving changes, the Administration was able to move the employee's Healthcare Premium Share from the 80/20 cost sharing model to the Hard Cap model. The Affordable Care Act (ACA) has continued to require staff to remain vigil to find better and less costly approaches to healthcare. Additionally, the City will once again be funding the GASB 45 (Other Postemployment Benefits – OPEB) liability with a \$500,000.00 contribution.
- The General Fund budget contained in this document is balanced with a \$2,807,809.00 planned use of the General Fund Working Capital Fund Balance Reserves to fund the new Capital Improvement Plan (CIP).
- The 6-year Capital Improvement Plan (CIP) has been updated and included in the budget. Last year, the Administration asked for, and the State of Michigan Department of Treasury granted the modification of Emergency Manager Order 37 (Fund Balance Reserve) to allow the Council the option to move fund balance to a Capital Reserve Fund to create the mechanism to fund future projects in the CIP or a Capital Debt Retirement Fund to pay off Callable Debt.
- Minor millage adjustments are part of the 2017-18 budget due to the loss of Personal Property Taxes. The Court-ordered Sewer Consent Judgement will decrease to 1.5117 mills. That is a decrease of .7005 mills over last year. The elected debt millage for the Sewer Tunnel decreased from 1.0803 mills to 1.0745 mills, a decrease of .0058 mills. Lastly, the Community Center debt increased slightly .0122 mills from last year. Last year, the City received 263% of the Personal Property Tax loss due to a quirk in the law. According to the Michigan Department of Treasury, this issue will be corrected in 2017. All other levies for 2017-18 will remain unchanged. As a note of information, based on the FY 2018 Millage Rates, one mill generates approximately \$727,770.00 of revenue for the General Fund.
- General Fund Property Tax revenue is budgeted at \$7,175,000.00. The overall Taxable Value for Fiscal Year 2018 is an increase of just 1.01%, from \$720,219,319.00 to \$727,770,975.00.
- The 2017-18 budget once again provides for dedicated funding to support Police and Fire operations. The cost of providing Police Services and Fire Services for FY 2018 total \$5,414,591.00 and \$3,359,992.00, respectively. The voted Police and Fire millage that was approved in August, 2013 generates estimated net revenue of \$4,575,000.00. The millage revenue collected funds about 52% of the operating budget for the two departments.

- The voter approved 1.9015 mills for Street Improvements will enter its third year with portions of Robinson Avenue, Cleophus Avenue, and Midway Avenue on the tentative list of streets to be improved. The remainder of the second year projects - portions of Horger Avenue (Allen Road to Roger Avenue), Balfour Avenue (Ecorse Road to Champaign Road), and Regina Avenue (Allen Road to Quandt Avenue) – will be completed in the late summer of 2017.
- In early 2017, S&P Global Ratings raised the City's long-term and underlying rating on the existing general obligation (GO) debt to 'BB' from 'CCC+', a jump of five (5) steps. S&P is no longer making a rating distinction between the City's limited-tax GO debt and unlimited-tax GO debt. This was based on the City's financial flexibility with very strong general fund reserves and improved debt position. S&P feels that there is a good chance that the City's rating could raise within the next year as management demonstrates its ability to maintain balanced operations without State oversight.
- The adopted budget staffing level is at 106 positions. There are no new positions included in the 2017-18 budget. The Administration will continue to work with the recommendations that were set forth in the Whitehall Operational Overview Study for staff restructuring and utilizing alternative methods to provide essential City services.
- Both Police Unions, Patrol and Command, as well as the TPOAM Union, Clerical and DPS, are under contract for 2017-18. Their contracts have a negotiated wage increase of 2.5%. The Fire Union contract is currently still being negotiated. For the Department Heads and non-union personnel, wage adjustments of 2.5%, as well as the recommendation of the MML Salary and Wage Study, have been included in the adopted budget.

GENERAL FUND

- The projected General Fund revenue for FY 2018 is \$25,015,660.00, which is a \$1,473,588.00 increase (5.9%) over the FY 2017 budget. The primary reason for the increase is the \$2,800,000.00 transfer to the Capital Improvement Plan (CIP) and the loss of the \$600,000.00 SAFER Grant in the Fire Department.
- 2017-18 projects include the construction of a new Police Department and City Hall; the replacement of 596 high-cost streetlights in the area of the City south of Southfield Road and I-94 with the assistance of a State of Michigan Financially Distressed Communities Grant; the purchase of a new Pumper Truck for the Fire Department (payment plan); new roofs at the Community Center and 24th District Court; playground equipment upgrades through a Wayne County Parks Grant; and a 7-yard dump truck and a small dump truck for the Department of Public Services.
- The 2017-18 budget once again contains a Fund for the Historical House (Fund 803), with a budget of \$12,360.00 to cover their utility, general maintenance, and labor costs.

- The General Fund's projected General Fund Working Capital Fund Balance Reserve at June of 2017 is \$7,300,000.00.

OTHER FUND HIGHLIGHTS

RUBBISH FUND

For Fiscal Year 2018, the City will continue to work with Advanced Disposal on the second year of a six year contract. The projected 2017-18 budget of \$1,722,000.00. After determining the proper cart location on the grass, many residents like the 96 gallon trash carts and the 64 gallon recycling carts. The addition of trash and recycling carts has helped to alleviate the rodent problem reported in the City, as well as to help keep the streets clean. The Administration is still trying to rectify the need for manual trash collection in the Downtown Development Authority (DDA) areas. This issue is costing the City approximately \$63,500.00 per year.

BUILDING DEPARTMENT

In the 2017-18 budget, the department continues to move forward with the proposed Point of Sale Inspection Program. A new vehicle is planned in the Building Department capital purchases.

STREET FUNDS (MAJOR AND LOCAL)

The street funds remain in sound financial condition in the 2017-18 budget, offering adequate funding to repair and maintain portions of our major streets and local streets. Fund Balance is being utilized to assist with the second and third year of construction of the voter-approved Street Improvement Millage projects. Additionally, there is once again a transfer of \$500,000.00 from the General Fund to the Street Fund to supplement Local Street repairs.

LIBRARY

The Allen Park Public Library suffers from the problem of a lack of millage to maintain the Library maintenance and operations. The Library millage over the past years has been rolled back by the Headlee Amendment and Proposition A from 1.000 mills to .8479 mills. This is roughly a loss in tax revenue of \$110,000.00 per year for the Library.

Although there are no Capital Improvements planned for the Library in the adopted 2017-18 budget, there may be a need to bring their HVAC project forward in the Capital Improvement Plan (CIP). The current boiler system is in need of replacement, and may not make it to the scheduled time in the CIP. The Library is also looking at a new electronic message sign, and is working with the Allen Park DDA for a possible funding solution.

WATER & SEWER DEPARTMENT

The Water and Sewer Department expense budget was totally revamped last year to better reflect Departmental activities. The fund has been divided into four (4) Departments: Water (Fund 600), Sewer (Fund 601), Basin (Fund 603) and Administration/Debt (Fund 604). Highlights of the 2017-18 budget include \$1,350,000.00 in new water mains, \$200,000.00 in sewer lining, a new F-250 pick-up truck, a new Sewer Vactor Truck (payment plan), and the replacement of the ventilation system at the Basin. Per the recommendation of the 2015 Plante & Moran Water Rate Study, water and sewer rates are budgeted to increase 12.3% on July 1st.

DOWNTOWN DEVELOPMENT AUTHORITY FUND

The adopted budget for the Downtown Development Authority (DDA) reflects only the use of annual resources in order to ensure enough funds are available to cover all future debt service payments of the DDA and Administrative staff. The DDA continues to suffer a significant revenue decrease due to the loss of Personal Property Taxes. The City is projecting that the DDA Taxable Value will drop from a 2016-17 level of \$18,225,195.00 to \$12,220,541.00 in 2017-18, which is a decrease of 33%. Last year, the DDA received 263% of the Personal Property Tax loss due to a quirk in the law. According to the Michigan Department of Treasury, this issue will be corrected in 2017.

CLOSING STATEMENT

The development of the City's annual budget is an extremely time consuming and significant task for the City Administration. I appreciate the effort put forth by the Administrative Team Members that contributed towards the development of the 2017-18 budget. This budget is fiscally responsible and provides the blueprint we need as a municipal operation in providing services to our community, while at the same time being prudent about how those services are funded. The Administration will continue to pursue new and creative ways to improve how we do what we do for the community.

Like all communities during these trying economic times, Allen Park continues to face many challenges. I look forward to working with the Mayor, Councilmembers and our citizens, as we maneuver Allen Park through these challenging times.

Again, I want to thank all the members of the Administrative Team and the staff for their hard work in preparation of this budget.

Respectfully submitted,

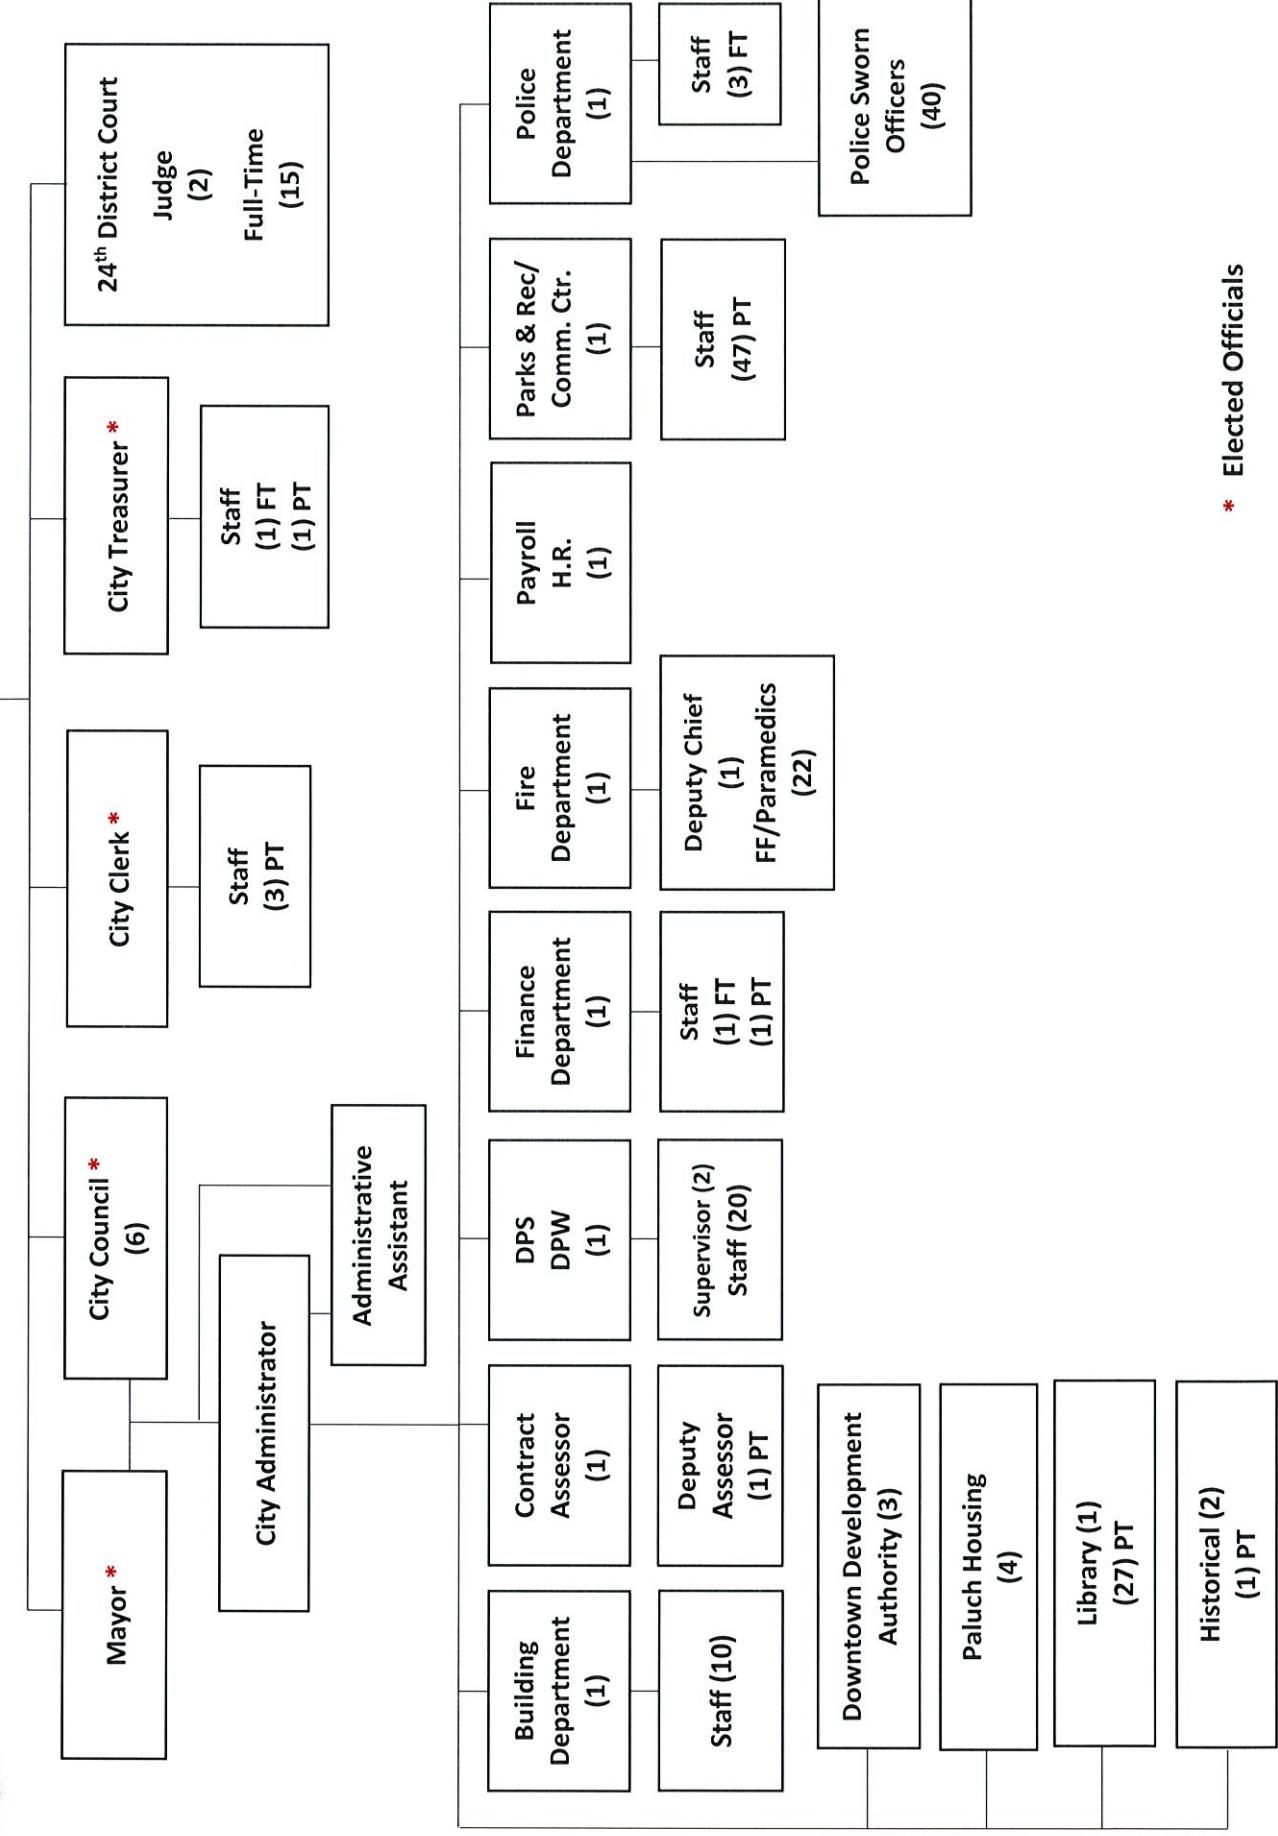

Mark A. Kibby
