Dear Allen Park Water Customer:

The Allen Park Water Department currently has a program in place to allow its water customers to automatically withdraw water payments from their checking or savings accounts. There is no cost for this service from Allen Park, although your financial institution may have a service charge.

This service is easy and saves you time, effort, and money. You can avoid postage, the cost of a check, and late payments. Once you have enrolled, your choice of savings or checking account will be debited the amount of your water bill. You will receive a copy of the bill amount to be debited from your account and the date it will be drawn.

To enroll, complete the form below, attach a voided check, and return same to the Allen Park Water Department at the above address. It will take approximately thirty (30) days for the automatic withdrawal to go into effect. Your next water bill will indicate if the enrollment has taken place.

If you have additional questions, please contact the Water Billing Department at the above number.
