Eleventh at Sable Closure

Beginning on Monday, June 30, 2014, the City’s Contractor will begin work on the concrete patch on Eleventh Avenue at the Sable Street Intersection.

For the safety of the workmen and motorists, the southbound lane of Eleventh Avenue will be closed to all through traffic at this intersection. Motorists traveling south along Eleventh shall use Chisholm Street to Ninth Avenue to Tawas Street to avoid this intersection.

Northbound traffic on Eleventh Avenue remains unaffected by this work, but motorists should use caution as barrels and workmen will be present near the northbound lane.

Motorists are advised to seek alternate routes and avoid this intersection if possible.

This work is expected to take three days, unless weather or construction delays occur.
