C. Council Policy No. 59, Capital Asset Management – Leilan Bruning, Deputy Clerk/Treasurer/Finance Director.

15. Adjourn.

Rachel Smolinski City Manager

COUNCIL PROCEEDINGS

February 07, 2022

The Municipal Council of the City of Alpena met in regular session in person on

the above date and was called to order at 6:00 p.m. by the Mayor.

Present: Mayor Waligora, Mayor Pro Tem Johnson, Councilmembers Mitchell and Walchak.

Absent: Councilmember Nowak.

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was recited.

APPROVAL OF THE AGENDA

Moved by Mayor Pro Tem Johnson, seconded by Councilmember Walchak, to

approve the agenda.

Motion carried 4-0, 1 absent.

MINUTES

The minutes of the regular session of January 18, 2022, and special session of

February 3, 2022, were approved as printed.

CONSENT AGENDA

Moved by Mayor Pro Tem Johnson, seconded by Councilmember Mitchell, that

the following Consent Agenda items be approved:

- A. Bills to be allowed, in the amount of \$284,734.27.
- B. Council reappointment of Judith Kalmanek to the Wildlife Sanctuary Board for a three-year term expiring on February 1, 2025.
- C. Council reappointment of Keith Wallace as the Assistant City Attorney for a two-year term expiring on February 1, 2024.
- D. Recognition of The Sunset Project as a non-profit operating in the community for the purpose of obtaining a charitable gaming license.

Motion carried 4-0, 1 absent.

ORDINANCE 22-469

Moved by Mayor Pro Tem Johnson, seconded by Councilmember Walchak, to

adopt Ordinance 22-469, which amends the City of Alpena zoning map.

Motion carried 4-0, 1 absent.

SECOND QUARTER FY22 FINANCIAL REPORT

Moved by Mayor Pro Tem Johnson, seconded by Councilmember Mitchell, to

receive and file the second quarter of fiscal year 2022 financial report, as presented.

Motion carried 4-0, 1 absent.

ELECTION POLLING LOCATION CONSOLIDATION

Moved by Mayor Pro Tem Johnson, seconded by Councilmember Walchak, to

postpone a decision, on consolidating the election polling locations, until the March 21,

2022, Council meeting.

Motion carried 4-0, 1 absent.

THUNDER BAY RIVER CENTER PROJECT UPDATE

Moved by Mayor Pro Tem Johnson, seconded by Councilmember Mitchell, to receive and file the Thunder Bay River Center Project update, as presented.

Motion carried 4-0, 1 absent.

DDA BOUNDARY EXPANSION PROJECT UPDATE

Anne Gentry, Executive Director of the DDA, presented an update of the project

to expand the boundaries of the Downtown Development Authority.

THUNDER BAY RIVER GRANT APPLICATION

Moved by Mayor Pro Tem Johnson, seconded by Councilmember Mitchell, to

appoint Montiel Birmingham as the signatory for the Rural Business Enterprise Grant application.

Motion carried 4-0, 1 absent.

STREET VACATION

Moved by Mayor Pro Tem Johnson, seconded by Councilmember Mitchell, to

approve Resolution 2022-01, as amended, which is a resolution to vacate certain

streets and alleys in the plat of Williams Addition to the City of Alpena.

Motion carried 4-0, 1 absent.

ADJOURN

On motion of Mayor Pro Tem Johnson, seconded by Councilmember Mitchell,

the Municipal Council adjourned at 6:53 p.m.

Matthew Waligora Mayor

ATTEST:

Anna Soik City Clerk

COUNCIL PROCEEDINGS

February 16, 2022

The Municipal Council of the City of Alpena met in special session in person on the above date and was called to order at 5:02 p.m. by the Mayor.

Present: Mayor Waligora, Mayor Pro Tem Johnson, Councilmembers Nowak, Mitchell and Walchak.

Absent: None.

PLEDGE OF ALLEGIANCE

The Pledge of Allegiance was recited.

2023 – 2028 CAPITAL IMPROVEMENT PLAN

The Municipal Council and the Planning Commission met to hear the Capital Improvement Plan for 2023 – 2028. Department Heads presented their requests to the Planning Commission and the Municipal Council and answered questions.

Moved by Mayor Pro Tem Johnson, seconded by Councilmember Walchak, to approve the 2023 – 2028 Capital Improvement Plan as presented.

Motion carried 5-0.

On motion of Councilmember Nowak, seconded by Mayor Pro Tem Johnson, the Municipal Council adjourned at 6:20 p.m.

Matthew J. Waligora Mayor

ATTEST:

Anna Soik City Clerk

Rotary Club of Alpena's 100th Anniversary Proclamation

WHEREAS, through commitment and vision of 23 founding members, the Rotary Club of Alpena held its first meeting 100 years ago on February 21, 1922, in the Bertrand Building (corner of 2nd and Chisholm); and

WHEREAS, in the ten decades since, the club and its Rotarians have been committed to serving the community and beyond; and

WHEREAS, past and present members of the Alpena Rotary Club have generously contributed to the Rotary International Foundation to help eradicate polio, fight waterborne illnesses and create safe learning environments for children, and to the Rotary Club of Alpena Foundation to support local needs; and

WHEREAS, from minstrel shows in the 1920's to the legendary Rotary Radio Auction thru the 2020's, Rotarians have embarked on countless activities and projects to support and enhance the Alpena community for its families and visitors alike; and

WHEREAS, youth have been an ever-present focus through inbound and outbound youth exchanges, scholarships, special recognitions and honoring academic achievements of graduating students; and

WHEREAS, whether caring for Rotary Island Mill, constructing the Starlite Beach playground and the first section of the Bi-Centennial Bi-Path, raising and contributing the funds necessary to construct the Rotary Splash Park, or installing new benches on the break wall, the Rotary motto of "Service Above Self" inspires members to participate and grow in the ideals of Rotary.

NOW, THEREFORE, I, Matthew J. Waligora, by virtue of the authority vested in me as Mayor of the City of Alpena, **DO HEREBY PROCLAIM**, February 21, 2022, as:

THE ROTARY CLUB OF ALPENA 100TH ANNIVERSARY DAY

in the City of Alpena and encourage residents to congratulate and thank Rotarians for their incredible contributions to Alpena.

Signed at Alpena, Michigan this 21st day of February 2022.

Matthew J. Waligora Mayor

City of Alpena Ordinance No. 22-471

An ordinance to amend the City of Alpena Zoning Map.

City of Alpena, Alpena County, Michigan ordains:

SECTION 1: AMENDMENT TO THE CITY OF ALPENA ZONING MAP

That the City of Alpena Zoning Ordinance Zoning Map is hereby amended as follows:

The parcel located at 324 N Addison St shall be conditionally rezoned from R-2 to R-T and the Statement of Conditions shall be recorded with the Register of Deeds. Statement of Conditions is as follows: *Our plan is to utilize this property as a duplex to increase the available housing in the area.*

SECTION 2: SEVERABILITY

If any clause, sentence, paragraph or part of this Ordinance shall for any reason be finally adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder of this Ordinance but shall be confined in its operation to the clause, sentence, paragraph or part thereof directly involved in the controversy in which such judgment is rendered.

SECTION 3: SAVING CLAUSE

The City of Alpena Zoning Ordinance, except as herein or heretofore amended, shall remain in full force and effect. The amendments provided herein shall not abrogate or affect any offense or act committed or done, or any penalty or forfeiture incurred, or any pending fee, assessments, litigation, or prosecution of any right established, occurring prior to the effective date hereof.

SECTION 4: EFFECTIVE DATE

The ordinance changes shall take effect upon the expiration of seven days after the publication of the notice of adoption.

Matthew J. Waligora, Mayor

Anna Soik, Clerk/Treasurer/Finance Director

I, Anna Soik, Clerk/Treasurer/Finance Director for the City of Alpena, hereby certify that the foregoing is a true and correct copy of Ordinance No. 22-471 of the City of Alpena, adopted at a meeting of the Alpena City Council held on ______.

A copy of the complete ordinance text may be inspected or purchased at the Alpena City Hall, at 208 N. First Avenue, Alpena, Michigan.

To:	Mayor and City Council Members
Сору:	Rachel Smolinski, City Manager Anna Soik, City Clerk/Treasurer/Finance Director
From:	Stephen J. Shultz, City Engineer
Subject:	Water Production Plant Filter Differential Pressure Transmitters & Flow Meters

On February 8, 2022, the City received and opened proposals for the replacement of seven Differential Pressure Transmitters and seven Flow Meters located in filters at the Water Production Plant. At the same time, the project will address relocation of a four-inch pipe to provide an adequate location to drain one of the filters for maintenance.

Bid documents were sent to 12 firms and plan rooms and posted on the City's Website with one bid received as listed below:

Tempest Enterprises Gaylord, MI	\$88,324.83
John E Green Saginaw, MI	Declined to Bid

Tempest Enterprises, LLC is the contractor who developed the SCADA system within the plant, completed the PID documents for the plant operations and therefore are familiar with the scope of the project.

Sufficient funding for the work outlined above is available in the capital outlay item for the Water Treatment Plant.

It is my recommendation, as City Engineer, the Water Production Plant Filter Differential Pressure Transmitters & Flow Meters Project be awarded to Tempest Enterprises, LLC in the amount of \$88,324.83.

To Whom This May Concern,

This letter has been prepared as requested by the City of Alpena for the utilization of submitting a proposal to fulfill the "2022 City of Alpena Water Treatment - Filter Differential Pressure Transmitters and Flow Meters".

Tempest Enterprises, LLC is a fully insured Control Systems Integrator based out of the company's office at 3213 Forest Road, Gaylord, Michigan, 49735. Established in 2001 by Brian Theriault, Tempest has been in business for 20+ years. With our steadily growing clientele in the manufacturing, oil and gas, food industry, and municipal sectors we have established ourselves as one of the leading Control Systems Integration Company's in Northern Michigan. With four full time members on staff, Tempest ensures a personal, knowledgeable, and professional experience.

Additional Project Specific Information:

Having subcontracted for Thunder Bay Electric and Werth Electric previously, Tempest Enterprises has completed most all of the engineering, programming, and onsite commissioning on the following projects for the City of Alpena Water Treatment Plant:

	Project	Contractor	Date (Approx.)
-	Alpena WWTP Lift Stations	Tempest Enterprises	2021/2022
-	Alpena WTP Filter Valves	Tempest Enterprises	2021
-	Alpena WTP SCADA	Thunder Bay Electric	2019/2020
-	N.I. Pump Station VFD's	Thunder Bay Electric	2018/2019
-	High Service VFD's	Thunder Bay Electric	2018/2019
-	N.I. Flow Meter Installation	Thunder Bay Electric	2017/2018
-	Raw Flow Meter Installation	Tempest Enterprises	2018
-	Wash Water Project	Thunder Bay Electric	2016/2017
-	Low Service VFD's	Werth Electric	2016/2017
-	North Industrial Tower Control	Thunder Bay Electric	2016/2017

Our familiarity with the needs of this project, staff, and overall system played a vital role in keeping our costs under budget and hopefully you will continue to consider us in your current / future Control System needs.

Thank you,

Copy: Rachel Smolinski, City Manager Anna Soik, City Clerk/Treasurer/Finance Director

From: Stephen J. Shultz, City Engineer

Subject: Water Production Plant Basin Valve Replacement

On February 8, 2022, the City received and opened proposals for the replacement of ten valves in the mixing and sedimentation basins within the Water Recycling Plant. These valves are original to the plant construction and have begun to fail causing issues with controlling and maintenance work needed within the treatment process. In addition, maintenance work will also be preformed on cracking in the wall between the sedimentation basins and the basement of the treatment plant.

Bid documents were sent to 25 firms and plan rooms and posted on the City's Website with one bid received as listed below:

Meridian Contracting	Valve Replacement	\$1	37,801
Alpena, Ml	Wall Repair Emergency Startup	\$ \$	2,500 750
John E Green	Declined to Bid		

Saginaw, MI

Meridian has completed a site visit to the facility and has a through understanding of the project and the seriousness of the timelines. They have completed similar projects in the past at the plant successfully.

Due to the preparation, effort, and coordination necessary to drain the tanks, the exact amount of work needed for the wall repair is unknown at this time. The wall repair price is based on one known crack in the wall; however, it is the intent to make any repairs necessary within the scope of this project. Because of the necessity to make immediate calls in the field, we are requesting authorization to make repairs not to exceed \$15,000.

With the hopes to never have to implement it, the city also requested a price to implement a restart of the plant to maintain water supply in an emergency event. We are requesting authorization to implement this startup at any time necessary.

Sufficient funding for all the work outlined above is available in the capital outlay item for the Water Treatment Plant.

It is my recommendation, as City Engineer, the Water Production Plant Basin Valve Replacement Project be awarded to Meridian Contracting Services in the amount of \$137,801 for the value replacement, up to \$15,000 for wall repairs and \$750 per occurrence for emergency startup.

RE: Water Treatment Plant - Basin Valve Replacement

Shannon,

Thank you for the opportunity to provide you with a cost to replace the gate valves and sluice gates in the basins at the water treatment plant. The following is a brief description and cost estimate for the project as we understand it.

Scope of Work:

- * Mobilization and demobilization.
- * Remove and replace 4ea 6" gate valves, stems, and hand wheels.
- * Remove and replace 2ea 12" gate valves, stems, pedestal mounts, and hand wheels.
- * Remove and replace 1ea 12" slide gate, stem, and pedestal mount actuator.
- * Remove and replace 2ea 16" slide gates, stems, and pedestal mount actuators.
- * Remove and replace 1ea 24" slide gate, stem, and pedestal mount actuator.
- * By-pass pumping as noted.
- * Includes all stem supports, anchors, and hardware.
- * Schedule to be determined. See note below.

Total Cost:	\$137,801
Implement Emergency Plan - Per occurrence	\$750
Old North Sed Basin/Spillway Crack - (Placeholder only - time and material)	\$2,500

Note: Schedule to be determined. For the actual valve installation we would plan on two days each for the 6" gate valves and the sluice gates and one day each for the two 12" valves. We believe that the project will be completed over a total of 16 work days, depending on the schedule of the plant. Materials are currently available in 14-16 weeks from the time of award. We expect the project to take place early fall.

We have included the quote from the Macomb Groupp for the valves and gates. This cost is included in our proposal.

Thanks again for the opportunity to be of service. Please feel free to contact me if you have any questions.

Respectfully Submitted, Meridian Contracting Services, LLC

Todd R. Britton

To:	Mayor Waligora and Municipal Council
From:	Leilan Bruning, Deputy City Clerk/Treasurer/Finance Director
Subject:	Capital Asset Management Policy, CPS No. 59
Date:	February 17, 2022

The City of Alpena has policies and procedures in managing its capital assets, but there has been no formal document put in place. Thus, as recommended by our auditors, I created Council Policy Statement No. 59 for Capital Asset Management. Specifically, this is the policy for accounting of the City of Alpena's Capital Assets.

It is the purpose of this policy to describe the policies and procedures utilized in the City of Alpena's capital asset management system and to put in place guidelines for accounting and depreciating the City's capital assets. The goals are to ensure that the City's capital assets are accounted for in accordance with generally accepted accounting principles and to establish a consistent and cost-effective method for accounting of capital assets.

This policy sets the threshold of capitalizing individual assets that cost \$5,000 or more and have an estimated useful life of at least two (2) years. The assets that were acquired and capitalized at a lower threshold prior to the implementation of this policy will continue to be depreciated on the basis of past practice.

This policy includes a Glossary of Terms. It also includes Fixed Assets and Capitalization Policy that provides guidance on asset acquisition and disposal and defines capital asset and purchasing thresholds.

It is my recommendation as Deputy Clerk/Treasurer/Finance Director to approve CPS 59, Capital Asset Management, as presented.

CITY OF ALPENA COUNCIL POLICY STATEMENT

General Subject:	Capital Asset Management	Policy No.:	59
Specific Subject:	Policy for Accounting of Capital Assets	Issued Date:	February 21, 2022
		Effective Date:	February 21, 2022

Copies to: City Council Members, City Manager, City Attorney, Department Heads, File

1. **PURPOSE:** The purpose of this policy is: (1) to describe the policies and procedures utilized in the City of Alpena's capital asset management system; (2) put in place guidelines for accounting for and depreciating the City of Alpena's capital assets.

The primary goals of this policy are:

- To ensure that the City of Alpena's capital assets are accounted for in conformance with generally accepted accounting principles; and
- To establish a consistent and cost–effective method for accounting of the City of Alpena's capital assets.
- 2. AUTHORITY: The City Council of the City of Alpena
- 3. APPLICATION: This policy applies to all City of Alpena Department heads
- 4. **RESPONSIBILITY:** The City of Alpena Administrator and/or designee shall be responsible for implementation of this policy.
- 5. **DEFINITIONS:** See attachment entitled "Glossary of Terms".

6. **POLICY:**

6.1. Threshold

Effective February 21, 2022, the City of Alpena will capitalize individual assets that cost \$5,000 or more and have an estimated useful life of at least two (2) years. However, assets acquired with debt proceeds may be capitalized regardless of cost. In addition, assets acquired prior to February 21, 2022, and capitalized at a lower threshold, may continue to be depreciated on the basis of past practice. Effective February 21, 2022,

infrastructure projects and improvements shall be capitalized so as to substantially account for the City of Alpena's investment in infrastructure and consider related debt. Individual assets that cost less than \$5,000, but that operate as part of a network system may be capitalized in the aggregate, using the group method, if the estimated average useful life of the individual asset is at least two years. A network is determined to be where individual components maybe below \$5,000 but are interdependent and the overriding value to the City of Alpena is on the entire network and not the individual assets (e.g., computer systems and telephone systems).

6.2. Valuation

In accordance with generally accepted accounting principles, the City of Alpena will value its capital assets at historical cost. Historical cost includes the cost or estimated cost at the time of acquisition, freight charges, installation and site preparation charges, and the cost of any subsequent additions or improvements, excluding repairs. If a capital asset is donated to the City of Alpena, the asset will be valued based on the fair market value at the time the asset is donated.

6.3. Capital Assets Inventory Report

As part of the financial audit, the Clerk/Treasurer/Finance Director shall submit a capital asset report to the City of Alpena's external auditor on a fiscal year basis. This report will include the following information:

- Type of asset (i.e., land, building, infrastructure)
- Date of acquisition
- Acquisition cost
- Estimated useful life
- Annual depreciation
- Accumulated depreciation

6.4. Depreciation

The City of Alpena will use the Straight-Line Method as its "basic approach" to depreciate capital assets.

Assets will be depreciated by 1/2 year in the first year the asset is placed into service.

6.5. Estimated Useful Lives

Land Improvements	20 to 25 years
Buildings	40 to 45 years
Building Improvements	15 to 45 years
Machinery and Equipment	3 to 45 years
Infrastructure	10 to 75 years

6.6. Capital vs. Repair and Maintenance Expense

The following criteria are the basis for distinguishing costs as either capital or repair and maintenance expense:

- a. With respect to improvements on non-infrastructure and infrastructure capital assets, under the Basic Approach, costs should be capitalized if the useful life of the asset is substantially extended, or the cost results in a substantial increase in the capacity or efficiency of the assets.
 - i. Otherwise, the cost should be expensed as repair and maintenance.

6.7. Inventory

For internal control purposes, the City of Alpena may maintain an inventory listing of certain assets (controlled equipment) that do not meet the above reference capitalization amounts. Controlled equipment includes items that should be specifically accounted for and inventoried periodically due to the high re-sale value of the equipment and potential risk of theft. Controlled equipment may include items such as computers, construction equipment, and other office equipment. Each Department Head is responsible for all controlled equipment within their areas of responsibility.

6.8. Disposal and Transfer of City of Alpena's Assets

Disposition of City of Alpena's assets will be performed in accordance with applicable City of Alpena policies and procedures.

CITY OF ALPENA CAPITAL ASSET MANAGEMENT POLICY GLOSSARY OF TERMS

- 1. **Capital Assets:** Capital assets include land, land improvements, buildings, building improvements, construction in progress, machinery and equipment, vehicles, infrastructure, easements, intangible assets (such as computer software), and works of art and historical treasures.
- 2. Capitalization: Capitalization of an asset occurs when the cost of the asset meets the "threshold" and the "estimated useful life" set in the organizational guidelines. Under capitalization, the cost of an item is initially recorded as an asset rather than an expense.
- 3. **Depreciation:** Depreciation is the process of allocating the cost of property over a period of time, rather than recognizing the cost as an expense in the year of acquisition. Generally, at the end of an asset's life, the sum of the amounts charged for depreciation in each accounting period (accumulated depreciation) will equal the original cost less salvage value.
- 4. **Donated Capital Asset:** Donated assets are those assets contributed to the City of Alpena. The donated assets are treated like a capital asset (using the fair market value).
- 5. Estimated Useful Life: Estimated useful life means the estimated number of months or years that an asset will be used for the purpose for which it was purchased. In determining useful life, consideration is given to the asset's present condition, use of the asset, construction type, maintenance policy, and how long it is expected to meet service demands.
- 6. Fair Market Value: The amount that would be paid if the item were sold currently in a transaction between a willing buyer and a willing seller.
- 7. **Historical Cost:** The historical cost of a capital asset includes the cost or estimated cost at the time of acquisition, freight charges, installation and site preparation charges, and the cost of any subsequent additions or improvements, excluding repairs.
- 8. **Infrastructure Assets:** Infrastructure assets are long-lived capital assets that normally can be preserved for a significant greater number of years than most capital assets (non-infrastructure assets). Infrastructure assets are normally stationary in nature and are of value only to the government entity. Examples include the City of Alpena Sewer & Water System.
- 9. Salvage Value: The salvage value of an asset is the value it is expected to have when it is no longer useful for its intended purpose. In other words, the salvage

value is the estimated amount for which the asset could be sold at the end of its useful life.

- 10. Straight-Line Method: The straight-line method is the simplest and most commonly used for calculating depreciation. It can be used for any depreciable property. Under the straight-line method, the basis of the asset is written off evenly over the useful life of the asset. The same amount of depreciation is taken each year. In general, the amount of annual depreciation is determined by dividing an asset's depreciable cost by its estimated life.
- 11. **Threshold:** The threshold is the dollar amount that an asset must equal or exceed if that asset is to be capitalized. Otherwise, the item would be considered as an expense at the time of acquisition.

5

FIXED ASSETS AND CAPITALIZATION POLICY

It is the policy of the Alpena City Council to set forth guidelines for physical and reporting controls of City of Alpena's fixed assets. It is the purpose of this policy:

- To define the capital asset and set thresholds
- That capital assets are properly recorded, depreciated, and comply with state and federal regulations and Generally Accepted Government Accounting Practices (GAAP) for accurate asset records.
- Provide necessary documentation for the effective use, maintenance, management and reporting of the asset.
- Ensure that the asset is adequately protected from loss, theft, etc.

Further, the Finance Director is responsible for establishing and maintaining a written set of Administrative Procedures in regard to the recording, inventorying, maintaining, and disposing of assets.

Asset Acquisition and Disposal:

Capital asset purchases are subject to fund availability and budget limitations.

Annually, the City Council considers capital asset acquisitions as part of the budget process. Each asset presented in the capital budget should be individually identified with an estimated cost. Capital assets may be added or changed during the budget year, but each asset must be presented to Council for approval.

Approved capital asset acquisitions shall be purchased in compliance with the City of Alpena Purchasing Policy requirements. It shall be recorded and depreciated. Staff shall ensure appropriate insurance coverage is in place as required.

Any changes to an asset's condition or location will be reported to the Finance Department. Disposal of assets (transferred, sold, retired, lost, or destroyed) must be reported to the Finance Department along with all available documentation regarding the identification of the asset and the details of the disposal.

Capital Asset Definitions and Purchasing Thresholds:

- 1) Land All land owned as evidenced by a deed.
- 2) Buildings
 - a) A structure that is permanently attached to the land, has a roof, is partially or completely enclosed by walls, and is not intended to be mobile.

- b) Any permanently attached fixtures, machinery, and other components that cannot be removed without damage resulting to the building.
- c) Cost minimum of \$5,000.00.

3) Infrastructure/Roads and Bridges

- a) Infrastructure assets are long-lived capital assets that normally are stationary in nature.
- b) Includes all expenditures within an identified project classification of "Construction" or "Preservation and Structural Improvements".

4) Equipment, Vehicles and Tools

a) Equipment, vehicles, and tools purchased and owned by the City of Alpena for use on road work, public utilities, or similar activities.

5) Computer Equipment

- a) Computer equipment (excluding external components) with an individual minimum cost of \$5,000.00. Examples of external components may include monitors, keyboards, mice, scanners, and external drive devices.
- b) The expected useful life should extend beyond the depreciable years.

6) Computer Software

- a) Single user application with a cost minimum of \$5,000.00 per user.
- b) Multi-user or system applications cost minimum of \$15,000.00.
- c) The expected useful life should extend beyond the depreciable years.

7) Furniture, Fixtures, Machinery, Tools and Other Equipment

- a) Individual items with a cost minimum of \$5,000.00.
- b) The expected useful life should extend beyond the depreciable years.
- 8) Groups of Assets A group of individual pieces if all of the following are true:
 - a) Collectively cost a minimum of \$5,000.00
 - b) Located in the same room
 - c) Used together
 - d) Similar purchase dates
 - e) The expected useful life should extend beyond the depreciable years.

9) Renovations and Significant Repairs

- a) Renovations or repairs to equipment or buildings in excess of \$5,000.00 will be reviewed by the Finance Director or their designee to determine the nature of the classification.
- b) The expenditure for reparations must extend the life of the base asset beyond its depreciable life and significantly add to the permanent value of the asset.
- 10) Other Assets Assets not specifically addressed herein determined by the Finance Director or their designee.
- 11) Non-capitalized assets:
 - a) Items that are below the Policy threshold for capitalization.
 - b) Items that may be over the Policy threshold, yet the reasonable estimate of expected useful life is less than the approved number of years to be depreciated.

- c) Maintenance: The recurring work required to preserve or immediately restore a facility to such condition that it can be effectively used for its designed purpose. It includes work done to prevent damage to a facility. Examples: repainting a room; replacing a leaky faucet.
- d) Preservation/Restoration Costs: Expenditures associated with maintaining special assets in, or returning them to, a level of quality as close to the original as possible.
