RE: 123 Water Street Redevelopment Brownfield Plan

A Brownfield Plan is proposed to support the development of a Marriot Fairfield Inn by Pranvay, Inc., a hotel development and operation company, on the former Alpena Power Company property at 123 Water Street and 310 N. 2nd Street.

A Phase II Environmental Site Assessment was conducted for the Eligible Property in January 2016 as part of the Target Alpena acquisition to investigate the RECs as part of the environmental due diligence process for property acquisition. The investigation identified the presence of Lead, Volatile Organic Compounds (VOCs) and Semi-Volatile Organic Compounds (SVOCs) in soils above EGLE Generic Cleanup Criteria and Volatilization to Indoor Air Pathway (VIAP) Screening Criteria. As a result, the property qualifies as Brownfield Eligible Property as a Part 201 Facility.

The Alpena Authority for Brownfield Redevelopment has been invited to submit an application for an EGLE Brownfield Grant for \$615,000 and EGLE Brownfield Loan for \$450,000 that will fund a majority of the Environmental Eligible Activities. The Eligible Activities conducted under the EGLE Brownfield Loan, as well as Eligible Activities privately financed will be reimbursed from Brownfield Tax Increment Financing revenues under this Brownfield Plan. In addition, the Authority has also received an EPA Brownfield Assessment Grant that will fund environmental assessments and redevelopment planning.

The Brownfield Plan includes Environmental and Non-Environmental Eligible Activities totaling \$4,161,600 plus interest. The Eligible Activities includes improvements to the Riverfront Park and trail, as well as water and sewer improvement that directly benefit the Eligible Property. The Brownfield Plan also includes costs for Brownfield Plan/Work Plan Implementation, AABR Administrative and Operating Costs, required deposits to the State Brownfield Fund, and future capture for the AABR Local Brownfield Revolving Fund (LBRF).

With the additional public infrastructure improvements, Eligible Activities and other costs are anticipated to be fully reimbursed in 20 years, with an additional 5 years of capture for the LBRF.

The Alpena Authority for Brownfield Redevelopment approved the Brownfield Plan at their April 12, 2022 meeting and recommends approval of the Brownfield Plan to the City Council.

Recommendation

Approve the resolution approving the Brownfield Plan for the 123 Water Street Redevelopment.

RESOLUTION No. 2022-10 A RESOLUTION APPROVING THE BROWNFIELD PLAN FOR THE 123 WATER STREET REDEVELOPMENT

WHEREAS, the Michigan Brownfield Redevelopment Financing Act, Act 381, P.A. 1996 as amended, authorizes municipalities to create a brownfield redevelopment authority to promote the revitalization, redevelopment, and reuse of contaminated, blighted, functionally obsolete, or historically designated property through tax increment financing of eligible activities approved in a Brownfield Plan; and

WHEREAS, the Alpena City Council (the "Council") established the City of Alpena Authority for Brownfield Redevelopment (the "Authority) under the procedures under Act 381 and filed with the Secretary of State on March 21, 1997 to facilitate the redevelopment of Brownfields within the City of Alpena; and,

WHEREAS, a Brownfield Plan has been prepared and submitted for the redevelopment of 123 Water Street and 310 N. 2nd Avenue, the former Alpena Power Company offices, that outlines the qualifications, costs, impacts, and incentives for the development of Marriot Fairfield Inn by Pranvay, Inc. for reimbursement from Brownfield Tax Increment Revenues with the adoption of the Brownfield Plan; and

WHEREAS, the Authority reviewed the Brownfield Plan at a meeting on April 12, 2022 and found that the Brownfield Plan meets the requirements of Act 381 and constitutes a public purpose of environmental protection, redeveloping a high priority community site, providing a flagship hotel in downtown Alpena, significantly increasing property value and property taxes, expand tourism, and create significant spinoff redevelopment; and

WHEREAS, the Authority approved the Brownfield Plan and recommends approval by the Alpena City Council;

WHEREAS, a public hearing on the Brownfield Plan was held on May 2, 2022, and notice of the public hearing and notice to taxing jurisdictions has been provided in compliance with the requirements of Act 381; and

NOW, THEREFORE, BE IT RESOLVED, WHEREAS, The Council has reviewed the Brownfield Plan and finds, in accordance with the requirements of Section 14 of Act 381 that:

- (a) The Brownfield Plan constitutes a public purpose of environmental protection, redeveloping a high priority community site, providing a flagship hotel in downtown Alpena, significantly increasing property value and property taxes, expand tourism, and create significant spinoff redevelopment;
- (b) The Brownfield Plan meets the requirements of Sections 13 and 13b of Act 381, Brownfield Plan Provisions as described in the Brownfield Plan, consistent with format recommended by the State of Michigan, including a description of the costs intended to be paid with tax increment revenues, a brief summary of Eligible Activities, estimate of captured taxable value and tax increment revenues, method of financing, maximum amount of indebtedness, beginning date and duration of capture, estimate of impact on taxing jurisdictions, legal description of Eligible Property, estimates of persons residing on the Eligible Property if applicable, and a plan and provisions for relocation of residents, if applicable;
- (c) The proposed method of financing the costs of Eligible Activities, private financing arranged by the Developer is feasible and that the Authority will not arrange financing, as described in Section 3.2 of the Brownfield Plan;

- (d) The costs of Eligible Activities proposed are reasonable and necessary to carry out the purposes of Act 381, including meeting regulatory requirements for environmental due diligence and due care, site preparation and infrastructure, and the cost estimates are based on evaluation from certified professionals, experience in comparable projects, and preliminary discussions with reputable companies, as described in Section 4.1, 4.2, and 4.3 of the Brownfield Plan; and
- (e) The amount of captured taxable value estimated from the adoption of the Brownfield Plan is reasonable, as calculated in Table 2 of the Plan, based on calculations of the tax revenues derived from taxable value increases and millage rates approved and authorized by the taxing jurisdictions on an annualized basis and balances against the outstanding Eligible Activity obligation approved as part of the Brownfield Plan and expenses reviewed and approved by the Authority; and

BE IT FURTHER RESOLVED that pursuant to the Brownfield Redevelopment Financing Act, Act 381 of the Public Acts of 1996, as amended, being MCL 125.2651, *et seq*, the Alpena City Council hereby approves the Brownfield Plan for the 123 Water Street Redevelopment.

BE IT FURTHER RESOLVED that should any section, clause or phrase of this Resolution be declared by the courts to be invalid, the same shall not affect the validity of this Resolution as a whole nor any part thereof, other than the part so declared to be invalid; and,

BE IT FURTHER RESOLVED that any prior resolutions, or any part thereof, in conflict with any of the provisions of this Resolution are hereby repealed.

Project Summary

Pranvay, Inc. have a purchase agreement with Target Alpena for the acquisition of the property at 123 Water Street and 310 N. 2nd Street that was the former Alpena Power Company administrative offices in Alpena and is redeveloping the site for the development of a Marriot Fairfield Inn. The hotel will be a five to six stories with 70 plus rooms and integrated parking.

This Brownfield Plan will provide incremental tax revenues to repay certain Eligible Activities, including environmental due diligence and due care, site preparation and infrastructure. Reimbursement of these Brownfield Eligible Activity expenses are critical to the economic viability of the redevelopment.

An EGLE Brownfield Grant and Loan is in the approval process that will provide significant funding for the environmental response activities and special foundations. The Brownfield Plan includes Environmental and Non-Environmental Eligible Activities that will not be covered by the EGLE Brownfield Grant.

Previous environmental investigations have identified the presence of contaminants in soil exceeding EGLE Generic Cleanup Criteria. As a result, the property is a Part 201 Facility and qualifies as Brownfield Eligible Property under Act 381.

BROWNFIELD PLAN

123 WATER STREET REDEVELOPMENT ALPENA, ALPENA COUNTY, MICHIGAN

ALPENA AUTHORITY FOR BROWNFIELD REDEVELOPMENT

1.0 INTRODUCTION

Act 381, P.A. 1996, as amended, was enacted to promote the revitalization, redevelopment, and reuse of contaminated, tax reverted, blighted, functionally obsolete, or historically designated property through incentives adopted as part of a Brownfield Plan. The Brownfield Plan outlines the qualifications, costs, impacts, and incentives for the project.

The Brownfield Plan must be approved by the brownfield redevelopment authority established under Act 381 and the governing body of the authority's municipality to take effect. The Michigan Department of Environment, Great Lakes and Energy (EGLE) must approve Environmental Eligible Activities and the Michigan Strategic Fund must approve Non-Environmental Eligible Activities for State tax capture. The City of Alpena established the Alpena Authority for Brownfield Redevelopment under the procedures required under Act 381 and filed with the Secretary of State on March 21, 1997.

This Brownfield Plan may be modified or amended in accordance with the requirements of Act 381, as necessary to achieve the purposes of Act 381. A subsequent change to the identification or designation of a developer or project after the approval of this Brownfield Plan by the Brownfield Authority and the City Council shall not necessitate an amendment to this Brownfield Plan, affect the application of the Brownfield Plan to the Eligible Property, or impair the rights available to the Authority under the Brownfield Plan.

The Brownfield Plan describes the public purpose and qualifying factors for determining the site as an eligible property, the eligible activities and estimated costs, the impacts of tax increment financing, and other project factors.

1.1 Proposed Redevelopment and Future Use for Each Eligible Property

The proposed redevelopment will construct a Marriot Fairfield Inn of five to six stories with 70 plus rooms and integrated parking. The property is zoned Waterfront Development WD.

The project description provided herein is a summary of the proposed development at the time of the adoption of the Brownfield Plan. The actual development may vary from the project description provided herein, without necessitating an amendment to this Brownfield Plan, so long as such variations are not

material and arise as a result of changes in market and/or financing conditions affecting the project and/or are related to the addition or immaterial removal of amenities to the project. All material changes, as determined by the Authority in its sole discretion, to the project description are subject to the approval of the Authority and shall be consistent with the overall nature of the proposed development, its proposed public purpose, and the purposes of Act 381.

The estimated private investment is anticipated at \$11,000,000. The development will provide an important downtown lodging option and will create 18 full time jobs and 17 part time jobs for on-site staff with an anticipated average wage of \$14.50 per hour. Site development is anticipated to begin in late Fall 2022 with the completion in Spring 2024. The project is located in the City of Alpena, a Qualified Local Governmental Unit (QLGU).

1.2 Eligible Property Information

The Eligible Property includes one parcel, as described below:

1.3 Public Purpose *MCL 125.2664(5):*

The redevelopment of the former Alpena Power Company property will redevelop a high priority community site, provide a flagship hotel in downtown Alpena, significantly increase property value and property taxes, expand tourism, and create significant spinoff redevelopment. When completed, property taxes are estimated at \$381,291 per year (following the retirement of Brownfield obligations).

2.0 INFORMATION REQUIRED BY SECTION 13(2) OF THE STATUTE

2.1 Description of Project and Plan Costs MCL 125.2663(2)(a):

The former Alpena Power Company site will be redeveloped with a Marriot Fairfield Inn. The hotel will be a five to six stories with 70 plus rooms and integrated parking. The Brownfield Plan includes Environmental and Non-Environmental Eligible Activities:

Environmental Eligible Activities include:

- Baseline Environmental Assessment Activities
 - o Phase I Environmental Site Assessment
 - o Phase II Environmental Site Assessment
 - o Baseline Environmental Assessment
- Due Care Activities
 - Due Care Planning and Documentation
 - Due Care Response Activities
 - Soil Loading, Transportation and Disposal

Non-Environmental Eligible Activities include:

- Site Preparation
- Public Infrastructure

Other Eligible Activities include:

- Brownfield Plan development and approval;
- Brownfield Plan implementation; and
- Administrative and operating costs of the AABR with local tax capture only.
- Interest (Estimated at 5.0% for 10 years)

Eligible Activities	Environmental	Non-Environmental	TOTAL
Eligible Activities	\$603,750	\$4,230,850	\$4,834,600
Interest	\$83,000	\$1,734,000	\$1,817,000
ELIGIBLE ACTIVITY SUBTOTAL	\$686,750	\$5,964,850	\$6,651,600
Brownfield Plan Implementation	\$5,000	\$40,000	\$45,000
TOTAL ELIGIBLE ACTIVITY	\$691,750	\$6,004,850	\$6,696,600
Administrative and Operating Cost (Local Only)	\$50,000	\$100,000	\$150,000

Additional detail is provided in Table 1.1: Environmental Eligible Activities and Table 1.2 Non-Environmental Eligible Activities.

The cost of Eligible Activities included in and authorized by this Brownfield Plan will be reimbursed with incremental applicable local and state tax revenue generated by the increased private investment on the Eligible Property and captured by the AABR, subject to any limitation and conditions described in this Brownfield Plan, Act 381 Work Plan and the terms of a Development and Reimbursement Agreement between the Developer and the AABR. State tax capture requires approval of an Act 381 Work Plan by the Michigan Department of Environment, Great Lakes and Energy (EGLE) for Environmental Eligible Activities and the Michigan Strategic Fund (MSF) for Non-Environmental Eligible Activities, with exemptions for certain Eligible Activities, including Baseline Environmental Assessment and Due Care Investigation and Planning Activities.

The Eligible Activity costs included in this Brownfield Plan are estimated and may increase or decrease depending on the nature and extent of unknown conditions encountered on the Eligible Property or other circumstances. Reimbursement will be based on the actual cost of Eligible Activities approved under this Brownfield Plan and an Act 381 Work Plan from Brownfield Tax Increment Financing (TIF) revenues captured by the Authority and shall be governed by the terms and conditions of the Development and Reimbursement Agreement and Section 2 of Act 381 of 1996, as amended (MCL 125.2652). This Brownfield Plan and the Development and Reimbursement Agreement establish the maximum Eligible Activity cost. Line-item Eligible Activity may be adjusted after the adoption of this Brownfield Plan with the approval of the Authority, as long as the total maximum Eligible Activity cost is not exceeded.

2.2 Summary of Eligible Activities MCL 125.2663(2)(b):

Act 381 provides for the costs of certain Environmental and Non-Environmental Eligible Activities to be reimbursed through tax increment financing. The following is a summary of Environmental Eligible Activities and Non-Environmental Activities.

EGLE Eligible Activities

The Alpena Authority for Brownfield Redevelopment has been approved for a EGLE Brownfield Grant for \$615,000 and EGLE Brownfield Loan for \$450,000 that will fund a majority of the Environmental Eligible Activities. The Eligible Activities conducted under the EGLE Brownfield Loan, as well as Eligible Activities privately financed will be reimbursed from Brownfield Tax Increment Financing revenues under this Brownfield Plan. In addition, the Authority has also received an EPA Brownfield Assessment Grant that will fund environmental assessments and redevelopment planning.

- 1. <u>Baseline Environmental Assessment (BEA) Activities</u>: BEA Activities include Phase I Environmental Site Assessments (ESAs), Phase II ESAs, and Baseline Environmental Assessments to provide an exemption for the developer and assigns from environmental liability for pre-existing contamination. Act 381 includes provisions for Baseline Environmental Activities to be conducted prior to the approval of a Brownfield Plan for local tax capture (Section 13b.(9)(b)) and for State tax capture without EGLE approval (Section 13b.(8)(a-b)), as long as included in a subsequent Brownfield Plan.
 - A. <u>Phase I ESA</u>: A previous Phase I ESA was conducted for the subject parcel in October 2015, consistent with ASTM Standard E1527-13. The Phase I ESA includes a review of historical and current information, including regulatory agency files, historical maps, and past uses to evaluate the potential for contamination, a site inspection of both the grounds and the exterior and interior of buildings on the property, and interviews with individuals knowledgeable about the past use of the property to identify any Recognized Environmental Conditions (RECs). The October 2015 Phase I report identified the following RECs:

Onsite RECs:

- **Potential UST:** The potential presence of an underground storage tank (UST) was identified on the south portion of the subject property. The fill and vent pipe identified were located on the east side of the garage. This UST may be beneath the current garage floor.
- **Former Auto Repair:** The presence of an auto repair facility (Fred Schieffler Garage), located at 111 Water Street, and occupied the tenant space from 1916 through 1935.

- **Gasoline Burner:** The presence of a large gasoline burner onsite at 105 Water Street. The source, storage and waste management activities of this use are unknown, accordingly the potential for soil and groundwater impacts in this area of the Property are unknown.
- **PCB Storage:** The potential on-site storage of PCBs including receipt of a citation requires further evaluation.

Offsite RECs:

- ROW Gas Tank: The presence of a gasoline tank was identified during the review of the 1924 Sanborn Map and was located in the right-of-way immediately southwest of 115 Water Street.
- Auto Repair: The presence of two auto repair facilities located west of the Property at 116 Water Street and 124-128 Water Street, were identified during the review of the City Directories and Sanborn Maps.
- Coal Storage: The presence of a coal storage and distribution operation (Alpena Coal Company) at the southeast corner of the Property. Review of the 1924 Sanborn Map reveal the presence of a 20-foot pile of coal. The rear portion of the Property appears to have been unpaved, thus runoff from the coal storage activities could have transported coal related contaminants (metals, semi-volatiles, etc.) on to the Property.
- Carter Street UST: The historical presence of a UST approximately 400-feet northwest of the Property in the Carter Street right-of-way (ROW) represents an REC and further information is needed to address its portion to impact the Property.

Phase I ESAs are valid for 180 days. A Phase I ESA will be conducted on behalf of the purchaser.

- B. Phase II ESA: A Phase II Environmental Site Assessment was conducted for the Eligible Property in January 2016 to investigate the RECs as part of the environmental due diligence process for property acquisition. The investigation identified the presence of Lead, Volatile Organic Compounds (VOCs) and Semi-Volatile Organic Compounds (SVOCs) in soils above EGLE Generic Cleanup Criteria. As a result, the property qualifies as Brownfield Eligible Property as a Part 201 Facility.
- C. <u>Baseline Environmental Assessment</u>: A Baseline Environmental Assessment (BEA) will be prepared on behalf of Pranvay, Inc. to provide an exemption from environmental liability for pre-existing contamination.
- 2. <u>Due Care Investigation and Activities</u>: While the BEA provides an exemption from environmental liability for pre-existing contamination, new purchasers have due care obligations to prevent exposure to or exacerbation of pre-existing contamination. Act 381 includes provisions for Due Care Investigation Activities to be conducted prior to the approval of a Brownfield Plan for local tax capture (Section 13b.(9)(b)) and for State tax capture without EGLE approval (Section 13b.(8)(a,c)), as long as

included in a subsequent Brownfield Plan. There are three primary due care activities proposed under this Brownfield Plan:

- A. <u>Phase II ESA Investigation</u>: Due to the presence of contaminated soils on the Eligible Property additional investigation may be required to determine if exposure pathways are complete and if mitigation measures are required.
- B. <u>Due Care Planning and Documentation</u>: Following the completion of the Phase II ESA and determination of the redevelopment details of each future land use, the data summary and recommendations for meeting due care obligations will be included in a Response Activity Plan/Due Care Plan. The Response Activity Plan/Due Care Plan will describe the known contamination, proposed redevelopment activities, plans for mitigating unacceptable exposures and preventing exacerbation, recommendations for filing abandon container notices, notices to third parties who may be exposed to contamination (e.g., utility workers), and filing of Notices of Migration of Contamination, if necessary. In addition, an Environmental Construction Management Plan will be prepared to detail measures to protect on-site workers and construction measures to meet due care obligations. Once the due care measures are completed, Documentation of Due Care Compliance will be compiled.
- C. <u>Due Care Exposure Pathway Mitigation</u>: The Response Activity Plan/Due Care Plan and Environmental Construction Management Plan will identify specific measures to be taken to address due care requirements. These activities could include soil remediation; developing and implementing a soils management plan to safely relocate soils on the property; engineered barriers to prevent direct contact with soils or vapors; and/or institutional controls if necessary. These measures will be subject to approval of an Act 381 Work Plan by the EGLE for State tax capture.
- 3. <u>Department Specific Activities</u>: There are a series of Department Specific Activities that are eligible for reimbursement. The following Eligible Activities are proposed under this Brownfield Plan:
 - A. Special Foundations: A geotechnical investigation of the Eligible Property noted that based on the soil borings, the existing fill could extend 12 or more below the existing ground surface. If performed, the removal of the existing fill should extend a minimum of 10 feet beyond the edges for the proposed building. Because the Phase II ESA identified PCE and Lead in excess of hazardous waste criteria, the costs for excavating 12 feet of soil is cost prohibitive. In addition, groundwater is at 5 8 feet and would require

extensive dewatering to remove the fill material and replace with engineered fill. Special foundations appear to be the only viable option.

Other Activities

<u>Brownfield Plan and Work Plan Preparation:</u> The preparation and approval of the Brownfield Plan and Act 381 Work Plans will be funded by the EPA Brownfield Assessment Grant under Redevelopment Planning.

<u>Brownfield Plan and Work Plan Implementation:</u> The implementation of the Brownfield Plan and Act 381 Work Plans are included as Eligible Activities. These costs are allocated between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

Administrative and Operating Costs: An estimate of reasonable and actual administrative and operating costs of the Alpena Brownfield Redevelopment Authority (AABR) is included as Eligible Activities as a Local Only Cost. These costs are split between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

<u>Interest</u>: Interest is included as an Eligible Activity. Interest is calculated at 5.0% for 10 years for Eligible Activity costs for the purposes of this Brownfield Plan.

The following tables estimate the costs for Eligible Activities to be funded by tax increment revenues.

EGLE Environmental Eligible Activity Cost

MSF Non-Environmental Eligible Activities

MSF Non-Environmental Eligible Activities are included under this Brownfield Plan under the auspices of Act 381. The MSF Non-Environmental Eligible Activities include site preparation and infrastructure.

- <u>Site Preparation</u>: Site preparation will consist of geotechnical engineering, dewatering, excavation, land balancing and grading, relocation of active utilities, temporary site and erosion control, temporary sheeting and shoring and engineering costs.
- 2. <u>Infrastructure:</u> The project included integrated parking as part of the hotel construction. Additional infrastructure upgrades are necessary to accommodate the needs for the development, including sidewalks, curb and gutter, streetscape and lighting to be conducted by the Developer in the public right of way, improvements to the adjacent City park, and significant upgrades to water and sewer service that will directly benefit the Eligible Property

MSF Non-Environmental Eligible Activity Cost

Other Activities

<u>Brownfield Plan and Work Plan Preparation:</u> The costs for preparation and approval of the Brownfield Plan and Act 381 Work Plans have been covered by the EPA Brownfield Assessment Grant under Redevelopment Planning.

<u>Brownfield Plan and Work Plan Implementation:</u> The implementation of the Brownfield Plan and Act 381 Work Plans are included as Eligible Activities. These costs are allocated between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

Administrative and Operating Costs: An estimate of reasonable and actual administrative and operating costs of the Alpena Authority for Brownfield Redevelopment (AABR) is included as Eligible Activities for Local Only capture. These costs are split between EGLE Environmental Eligible Activities and MSF Non-Environmental Eligible Activities.

<u>Interest</u>: Interest is included as an Eligible Activity. Interest is calculated at 5.0% for 10 years for Private Eligible Activity costs and 4.0% for 20 years for Public Eligible Activities for the purposes of this Brownfield Plan.

2.3 Estimate of Captured Taxable Value and Tax Increment Revenues MCL 125.2663(2)(c):

Act 381 defines Initial Taxable Value as taxable value of an Eligible Property identified in and subject to a Brownfield Plan at the time the resolution adding that Eligible Property in the Brownfield Plan is adopted, as shown either by the most recent assessment roll for which equalization has been completed at the time the resolution is adopted or, if provided by the brownfield plan, by the next assessment roll for which equalization will be completed following the date the resolution adding that eligible property in the brownfield plan is adopted.

The Initial Taxable Value will be established by the most recent assessment roll for which equalization has been completed at the approval of the Brownfield Plan, anticipated in May 2022. For this Brownfield Plan, the Initial Taxable Value is set as of December 31, 2020, and is \$38,711.

The EGLE Environmental and MSF Non-Environmental Eligible Activity cost is \$4,834,600 plus an estimated \$1,817,000 in interest and \$45,000 in Brownfield Plan/Work Plan Development, Approval, and Implementation, for a total of \$6,696,600. The Brownfield Plan also includes \$150,000 in AABR Administrative and Operating Costs and capture of 50% of the State Education Tax for the State Brownfield Fund as required by Act 381, estimated at \$519,980 for this Brownfield Plan. The Brownfield Plan also provides deposits into the Local Brownfield Revolving Fund during the time of capture and five years after capture, with State tax capture limited to an amount equal to State tax capture for EGLE Environmental Eligible Activities, estimated at \$304,799 and Local tax capture, estimated at \$1,142,343 for a total of \$1,447,122. The overall investment for the Project is estimated at over \$11,000,000.

Table 2 identifies taxable values for real and personal property, including tax increment revenues for the Eligible Property. In addition, 3 mils are captured and distributed to the State for the State Brownfield Redevelopment Fund. In accordance with Act 381, this share does not affect the State and local ratio. The

overall contribution of local taxes is consistent with the ratio of captured local taxes (55.94%) to captured State taxes (44.06%).

The cash flow analysis for the project indicates payoff of the obligation in *twenty-two (22) years* from 2022 for Local Capture and *twenty-four (24) years* and State Capture, with an additional *five (5) years* for the Local Brownfield Revolving Fund, as provided in Section 13(5) of Act 381, P.A. 1996 as amended.

Redevelopment of the property is anticipated to be initiated in Fall 2022, with site preparation activities. The actual tax increment captured will be based on taxable value set through the property assessment process by the local unit of government and equalized by the County and the millage rates set each year by the taxing jurisdictions. The estimated tax increment captured by the Authority is summarized in the table below and detailed in Table 2.

2.4 Method of Financing and Description of Advances Made by the Municipality MCL 125.2663(2)(d):

Private Environmental Eligible Activity Costs and Non-Environmental Eligible Activity Costs will be financed by the Developer and Public Infrastructure improvements will be financed by the City, with reimbursement from Brownfield TIF.

MCL 125.2663(2)(e):

2.5 Maximum Amount of Note or Bond Indebtedness

The maximum amount of Eligible Activities is anticipated to be \$4,161,600. Public Infrastructure improvements are anticipated to be funded through a Capital Improvement Bond at a maximum amount of \$2.75 million.

2.6 Beginning Date and Duration of Capture MCL 125.2663(2)(f):

The anticipated beginning date of capture is 2024, estimated to be the first year tax increment revenues are available. The duration of Brownfield Plan capture will be the time to capture taxes in an amount equal to the Eligible Activity obligation, Interest, State Brownfield Fund, Local Brownfield Revolving Fund, and Administrative and Operation Costs. As shown on Table 2, total costs of all Eligible Activities on the property redevelopment are expected to be repaid through tax increment financing within 22 years for Local Capture and 24 years for State Capture, with an additional tax capture for the Local Brownfield Revolving Fund during the time of capture and a maximum of five years, not to exceed the total cost of all Eligible Activities approved in the Brownfield plan and for EGLE Environmental Eligible Activities for State tax capture.

2.7 Estimated Impact of Tax Increment Financing on Tax Revenues of Taxing Jurisdictions MCL 125.2663(2)(q):

Table 2.1 and 2.2 identify annual and total tax revenues projected for capture from the increase in property tax valuations. Individual tax levies within each taxing jurisdiction are also presented on Table 2.1. Table 3 presents the allocation of tax capture and the total tax increment for the 30-year duration of the Brownfield Plan. Taxing jurisdictions will continue to receive their tax allocation for the project once the Brownfield obligation is met and beyond the duration of the Brownfield Plan.

The total tax capture is estimated at \$4,834,600 for Eligible Activities, plus an estimated \$1,817,000 in interest, \$45,000 in Brownfield Plan development, approval and implementation, \$150,000 in AABR Administrative and Operating costs, an estimated \$519,980 for the State Brownfield Fund and an estimated \$1,447,343 for the Local Brownfield Fund for a total capture of \$8,813,702. After the Brownfield obligation is met, tax revenues in an amount estimated at \$451,242 per year on into the future, totaling an additional estimated \$2,393,142 will

accrue to the taxing jurisdictions over the 30-year period of the Brownfield Plan and continuing beyond in an estimated amount of \$471,000 per year.

<u>Location:</u> The Eligible Property is located at 310 N. 2nd Avenue in Alpena, Michigan. Figure 1 depicts the location of the Eligible Property and Figure 2 depicts the Eligible Property boundaries.

<u>Eligibility Determination</u>: A Phase II Environmental Site Assessment was conducted for the Eligible Property in January 2016 to investigate the RECs as part of the environmental due diligence process for property acquisition.

Soil Investigation Analytical Results: Sixteen discrete soil samples were collected from the locations of the identified RECs on the subject property and submitted for laboratory analysis. Analysis of the sixteen samples

that were submitted, eight of the soil samples exhibited concentrations above the EGLE Part 201 Generic Cleanup Criteria (GCC) - Residential, for Groundwater Surface Water Interface Protection Criteria and the EGLE Media-Specific Volatilization to Indoor Air Interim Action Screening Levels for Residential and Non-residential Recommended Interim Action Screening Levels (RIASLs) as provided in Table 1. Concentrations detected above the EGLE GCC are summarized below. All other parameters were not detected above laboratory method detection limits (MDLs) or below the GCC.

Groundwater Investigation Analytical Results: The groundwater samples collected from ten (10) locations across the subject property (GP-1, GP-3, GP-5 through GP-12), did not exhibited any concentrations above EGLE GRCC. All of the constituents analyzed were below laboratory method detection limits for the groundwater samples.

<u>Personal Property</u>: Personal Property is included as part of the Eligible Property.

2.9 Estimate of Number of Persons Residing on Eligible Property MCL 125.2663(2)(i):

There are currently no residential dwellings or residences that occupy the Eligible Property.

2.10 Plan for Residential Relocation MCL 125.2663(2)(j):

The Eligible Property does not currently contain any residential dwellings; therefore, a plan for residential relocation is not applicable.

2.11 Provision of Costs of Relocation MCL 125.2663(2)(k):

The Eligible Property does not currently contain any residential dwellings; therefore, a provision for residential relocation has not been allocated.

2.12 Strategy to Comply with Relocation Assistance Act, 1972 PA 227 MCL 125.2663(2)(I):

The Eligible Property does not currently contain any residential dwellings; therefore, relocation is not necessary.

RESOLUTION No. 2020-A RESOLUTION APPROVING THE BROWNFIELD PLAN FOR THE 123 WATER STREET REDEVELOPMENT

WHEREAS, the Michigan Brownfield Redevelopment Financing Act, Act 381, P.A. 1996 as amended, authorizes municipalities to create a brownfield redevelopment authority to promote the revitalization, redevelopment, and reuse of contaminated, blighted, functionally obsolete, or historically designated property through tax increment financing of eligible activities approved in a Brownfield Plan; and

WHEREAS, the Alpena City Council (the "Council") established the City of Alpena Authority for Brownfield Redevelopment (the "Authority) under the procedures under Act 381 and filed with the Secretary of State on March 21, 1997 to facilitate the redevelopment of Brownfields within the City of Alpena; and,

WHEREAS, a Brownfield Plan has been prepared and submitted for the redevelopment of 123 Water Street and 310 N. 2nd Avenue, the former Alpena Power Company offices, that outlines the qualifications, costs, impacts, and incentives for the development of Marriot Fairfield Inn by Pranvay, Inc. for reimbursement from Brownfield Tax Increment Revenues with the adoption of the Brownfield Plan; and

WHEREAS, the Authority reviewed the Brownfield Plan at a meeting on April 12, 2022 and found that the Brownfield Plan meets the requirements of Act 381 and constitutes a public purpose of environmental protection, redeveloping a high priority community site, providing a flagship hotel in downtown Alpena, significantly increasing property value and property taxes, expand tourism, and create significant spinoff redevelopment; and

WHEREAS, the Authority approved the Brownfield Plan and recommends approval by the Alpena City Council;

WHEREAS, a public hearing on the Brownfield Plan was held on May 2, 2022, and notice of the public hearing and notice to taxing jurisdictions has been provided in compliance with the requirements of Act 381; and

NOW, THEREFORE, BE IT RESOLVED, WHEREAS, The Council has reviewed the Brownfield Plan and finds, in accordance with the requirements of Section 14 of Act 381 that:

- (a) The Brownfield Plan constitutes a public purpose of environmental protection, redeveloping a high priority community site, providing a flagship hotel in downtown Alpena, significantly increasing property value and property taxes, expand tourism, and create significant spinoff redevelopment;
- (b) The Brownfield Plan meets the requirements of Sections 13 and 13b of Act 381, Brownfield Plan Provisions as described in the Brownfield Plan, consistent with format recommended by the State of Michigan, including a description of the costs intended to be paid with tax increment revenues, a brief summary of Eligible Activities, estimate of captured taxable value and tax increment revenues, method of financing, maximum amount of indebtedness, beginning date and duration of capture, estimate of impact on taxing jurisdictions, legal description of Eligible Property, estimates of persons residing on the Eligible Property if applicable, and a plan and provisions for relocation of residents, if applicable;

- (c) The proposed method of financing the costs of Eligible Activities, private financing arranged by the Developer is feasible and that the Authority will not arrange financing, as described in Section 3.2 of the Brownfield Plan;
- (d) The costs of Eligible Activities proposed are reasonable and necessary to carry out the purposes of Act 381, including meeting regulatory requirements for environmental due diligence and due care, site preparation and infrastructure, and the cost estimates are based on evaluation from certified professionals, experience in comparable projects, and preliminary discussions with reputable companies, as described in Section 4.1, 4.2, and 4.3 of the Brownfield Plan; and
- (e) The amount of captured taxable value estimated from the adoption of the Brownfield Plan is reasonable, as calculated in Table 2 of the Plan, based on calculations of the tax revenues derived from taxable value increases and millage rates approved and authorized by the taxing jurisdictions on an annualized basis and balances against the outstanding Eligible Activity obligation approved as part of the Brownfield Plan and expenses reviewed and approved by the Authority; and

BE IT FURTHER RESOLVED that pursuant to the Brownfield Redevelopment Financing Act, Act 381 of the Public Acts of 1996, as amended, being MCL 125.2651, *et seq*, the Alpena City Council hereby approves the Brownfield Plan for the 123 Water Street Redevelopment.

BE IT FURTHER RESOLVED that should any section, clause or phrase of this Resolution be declared by the courts to be invalid, the same shall not affect the validity of this Resolution as a whole nor any part thereof, other than the part so declared to be invalid; and,

BE IT FURTHER RESOLVED that any prior resolutions, or any part thereof, in conflict with any of the provisions of this Resolution are hereby repealed.

RE: 123 Water Street – EGLE Brownfield Grant and Loan

The Alpena Authority for Brownfield Redevelopment has been invited to submit an application for an EGLE Brownfield Grant for \$615,000 and EGLE Brownfield Loan for \$450,000 that will fund a majority of the Environmental Eligible Activities, as well as special foundation required for the project. The Eligible Activities conducted under the EGLE Brownfield Loan, as well as Eligible Activities privately financed will be reimbursed from Brownfield Tax Increment Financing revenues under this Brownfield Plan. Environmental assessments and redevelopment planning will be funded by the EPA Brownfield Assessment Grant received by the Authority.

The approval of the Proposal and the invite for an Application provides a set aside for the proposed funding allocation. As part of the EGLE Brownfield Grant and Loan Application and to receive the Grant and Loan, EGLE requires the governing body of the local municipality to adopt a resolution that accepts the loan and commits to repayment. The resolution is attached.

A Development and Reimbursement Agreement is being finalized and will be brought to the Brownfield Authority and the City Council at a subsequent meeting. Importantly, the reimbursement agreement contractually obligates the Developer to repay the Loan, backed by a personal guarantee if there are insufficient Brownfield TIF revenues.

Recommendation

Approve the resolution authorizing the submittal of a Brownfield Grant and Loan Application by the City of Alpena Authority for Brownfield Redevelopment to the Michigan Department of Environment, Great Lakes and Energy and accepts and commits to repay the Brownfield Loan, backed by a personal and contractual guarantee by the Developer.

RESOLUTION No. 2022-11

RESOLUTION AUTHORIZING EGLE BROWNFIELD GRANT / LOAN APPLICATION FOR 123 WATER STREET REDEVELOPMENT

WHEREAS the Michigan Department of Environment, Great Lakes and Energy (EGLE) provides grants and loans to communities through its Brownfield Redevelopment Grant and Loan program to encourage reuse of brownfield properties by funding environmental response activities, lead and asbestos abatement, and demolition; and

WHEREAS, the redevelopment of the former Alpena Power Company property at 123 Water Street and 310 N. 2nd Street in Alpena for a downtown hotel is a partnership between the State of Michigan, the Alpena Authority for Brownfield Redevelopment, the City of Alpena, Target Alpena and Pranvay, Inc. and environmental activities are required as part of the redevelopment; and

WHEREAS, the project effectively meets the program criteria of need for financial assistance, local financial commitment, site reuse, and economic development and job creation; and

WHEREAS, the proposed development is consistent with local development plans and City of Alpena master plan and zoning ordinance; and

WHEREAS, the site for which EGLE Brownfield Grant and Loan funds are being requested is designated as a "Facility" under Part 201, 1994 Act 451 and neither the Alpena Authority for Brownfield Redevelopment, the City of Alpena, Target Alpena, nor Pranvay, Inc. are liable parties; and

WHEREAS, the proposed project will be undertaken if a Grant and Loan are awarded;

WHEREAS, a portion of the EGLE financial support may include a Brownfield Loan and, if so, the EGLE requires that City of Alpena accepts and commits to repay the loan, based on the terms and conditions of the loan agreement and provide financial assurance; and

WHEREAS, the obligation to repay the Brownfield Loan will be transferred to Pranvay, Inc., backed by a personal guarantee through a Development and Reimbursement Agreement;

NOW, THEREFORE, the City Council of the City of Alpena, Alpena County, Michigan, resolves as follows:

- 1. The City of Alpena authorizes the submittal of a Brownfield Redevelopment Grant and Loan application to the Michigan Department of Environment, Great Lakes and Energy for environmental response activities, for the redevelopment of the former Alpena Power Company property for the development of a downtown hotel; and
- 2. The City of Alpena accepts and commits to repay the Brownfield Redevelopment Loan up to \$450,000, based on the terms and conditions of the Loan Agreement, with revenues for loan repayment derived from the capture of increased incremental revenues generated by additional private investment through the approval of a Brownfield Plan and Act 381 Work Plan or if adequate Brownfield tax increment revenues are not available, first through a contractual guarantee with Pranvay, Inc. and a personal guarantee with the principals, and second, from the City's General Fund, or other City funding sources as appropriate, including but not limited to revenue sharing; and,

	the same shall not affect to be invali		olution as a whole nor any part	thereof, other than

Anna Soik, City Clerk/Treasurer/Finance Director

From: Shannon Smolinski, Harbormaster

Subject: Alpena Marina Update

At the April 18, 2022, meeting, Council approved the lease agreements with All Marine and Storage, LLC and Cochon, LLC for the Alpena Marina store and shop areas. After this meeting, Anna Soik, City Clerk/Treasurer/Finance Director, requested additional wordsmithing of the document for clarifications. While the other context of the documents is consistent, City Attorney, Bill Pfeifer, believed council approval of the changes was warranted.

Therefore, as the Harbormaster, I am recommending approval of the revised lease agreements between the City of Alpena and All Marine and Storage, LLC and Cochon, LLC for the Alpena Marina store and shop areas.

LEASE AGREEMENT for the ALPENA MARINA BUILDING

This agreement entered into this 2nd day of May 2022, between the City of Alpena and All Marine and Storage, LLC, herein known as the lessee, for the lease within the Marina Building located at 400 W. Chisholm Street, Alpena, MI 49707. This agreement shall run from the date of signature through December 31, 2022. This agreement can be extended and/or the pricing modified upon both parties' agreement and the execution of a contract amendment.

- I. The lessee through the life of this agreement or as amended shall have the right to:
 - a. Operate a marina and/or boating industry business as outlined in the attached proposal within the Alpena Marina Building and adjacent grounds.
 - b. The lessee shall be responsible for all minor or routine maintenance and cleaning on the interior and any exterior areas utilized by the lessee as part of their operations including but not limited to changing of bulbs, emptying trash and removing to the designated dumpster areas. Lessee shall also be responsible for any damages to the interior walls and ceilings damaged as part of their operations.
 - c. The lessee shall keep their designated lease area clean and orderly. Windows (inside and outside) shall be cleaned, and remain unobstructed, on an as needed basis, as directed by the City. The lessee shall provide all maintenance and cleaning supplies.
 - d. The lessee may make major repairs or alterations to any marina building at their own expense only if specific permission is received in writing from the City.
 - e. If the property under this lease agreement is not cleaned, the City reserves the right to have the cleaning done with the cost passed onto the lessee.
 - f. Shared use of the employee-only restroom facilities. Access to this space and lighting controls for other renters must be maintained.
 - g. Store equipment and stock within designated areas of the building.
 - h. For any operations performed outside the marina building, (boat repairs, seating etc.) the lessee must provide a written plan for the area which will include what area to be utilized, how the area is to be utilized, considerations for how the area/use may disrupt normal operations, and steps considered

- and taken to limit these disruptions. This area shall be kept clean, organized, and free of debris.
- i. Maintain insurance as required by the operation, as detailed in an attachment to this document, and within the amounts stipulated in those requirements throughout the life of the contract.
- j. Be responsible for snow removal from the sidewalks and doorways from the parking lot to the building and any egress exits on days of operation as the City may be committed at other locations prior to opening.
- k. Be responsible for trash removal to the city dumpster.
- I. Comply with all City ordinances, state, and federal laws.
- m. Not use the facility for a place of residence or allow habitation.

II. The City of Alpena:

- a. Shall be responsible for major repairs to the structure and permanently mounted accourrements to the structure unless the damage is caused by the lessee or patrons of the business.
- b. Shall plow the parking lots and drives for access to the site as fast as reasonably possible based on snow events and staffing.
- c. Shall supply two non-reproducible keys for lessee use. If lost or need for additional keys arise, the cost would be \$10 per key. In the event of lost or stolen keys, lessee will be responsible for the charges to have the locks changed and keys reissued.
- III. The City of Alpena is completing a multi-year refurbishment of the Marina Building and Grounds. As such, the City of Alpena, with 90 days' notice, may require the owner to vacate or relocate from their designated lease area for major construction, repairs, and maintenance operations to occur. The City of Alpena will make efforts to accommodate the lessee to provide storage area for the duration of the projects.
- IV. Rent shall be based upon the area occupied by the lessee as follows:
 - a. Lease area shall be described as <u>Bay 2 and 3</u> and contain approximately <u>2,500</u> square feet. Additionally, the lessee shall have access to employees-only restroom located in the City's designated shop area. See attached drawing showing the above designated area of use/lease.

- b. Monthly rental amount shall be \$450 plus an additional \$75 monthly for utilities for the first year of the lease.
- c. This payment shall be due in advance by the 10th of each month beginning May 10th and ending December 10th.
- d. The monthly rent amount shall be adjusted annually, for years two (2) through five (5), based on the Annual Proposal A rate of inflation index published by the State of Michigan in October of each year. The new rate shall be for the following January through December time frame. Any increase in rent shall be capped at 2% per year.
- e. Utility pricing will be annually adjusted to reflect the actual cost of utilities. These rates shall take into consideration the equipment used by the lessee.

V. Miscellaneous

- a. Any uses of the facility shall comply with all state and local laws including but not limited to, liquor use, gambling activities, parking, cooking, etc.
- b. Lessee shall be in good financial and legal standing with the City of Alpena.
- c. Any lessee using the facility shall comply with occupancy requirements for the facility based on the use at the time.
- d. Any modifications, alterations, expansions, or deletion of services shall be coordinated with and approved by the City of Alpena.
- e. This agreement may be terminated by either party with 30 days written notice for cause and with a minimum 90-day advance notice without cause.

This insurance shall apply as primary insurance with respect to any other insurance or self-insurance program afforded to the City of Alpena. A copy of the endorsement shall be provided to the City prior to the execution of the contract.
- 4. There shall be no endorsement or modification of the CGL insurance coverage limiting the scope of coverage for completed operations.
- 5. Contractor waives all rights against the City of Alpena and its agents, public officials, employees, and volunteers to the extent these damages are covered by the CGL or commercial umbrella liability maintained pursuant to this agreement.
- 6. Contractor shall maintain CGL and/or umbrella coverage with a limit of not less than \$2,000,000 each occurrence for at least 1 year following the substantial completion of the work. Continuing CGL insurance shall be written under the same terms and conditions as outlined above.

[X] Business Auto and Umbrella/Excess Liability Insurance:

- 1. Contractor shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a limit of not less than \$2,000,000 each accident.
- 2. Such insurance shall cover liability arising out of any auto, including owned, non-owned, and hired.
- 3. Business auto coverage shall be written on ISO form CA 00 01, CA 00 12, CA 00 20, as it may pertain, or substitute forms providing equivalent coverages. If necessary, the policy shall be endorsed to provide for contractual liability coverage, including defense costs arising out of the assumed contractual obligations.
- 4. City of Alpena shall be included as an additional insured under the Business Auto Policy, and under the commercial umbrella, if any.
- 5. Business auto policy shall be endorsed to provide statutory Michigan

No-Fault coverages.

6. Contractor waives all rights against the City of Alpena and its agents, public officials, employees, and volunteers for recovery of damages to the extent these damages are covered by the business auto liability or commercial umbrella/excess insurance obtained pursuant to this agreement.

D. [] Builder's Risk Insurance:

- Contractor shall purchase and maintain builder's risk insurance on the entire project. Such insurance shall be written in an amount equal to the contract sum. Insurance shall be written on a replacement costs basis. All approved change orders must be accompanied by an increase in the builder's risk limit of insurance at the time the change order is approved.
- 2. The insurance shall name as insureds the Owner, General Contractor, Construction Manager, and all contractors and subcontractors undertaking the work. The insurance shall contain a provision that the insurance shall not be cancelled or allowed to expire until at least 30 days' prior written notice has been given to the City of Alpena.
- 3. The insurance shall cover the entire work at the site identified in this agreement, including reasonable compensation for architect's fees made necessary by an insured loss. Insured property shall include property on the site but not yet a part of the building, portions of the work located away from the site but intended for use at the site, and shall also cover portions of the work in transit. The policy shall include as insured property scaffolding and temporary buildings located at the site. The policy shall cover the cost of removing debris, including demolition as may be legally made necessary by operation of building laws and ordinances.
- 4. Contractor shall purchase and maintain boiler and machinery insurance, BM 0031 or an equivalent coverage form, required by the contract documents. Object definitions no. 6 Comprehensive Coverage (including production machinery) should be used or an equivalent form of coverage designation. The insurance shall name as insured the Owner, General Contractor, Construction Manager, and all contractors and subcontractors undertaking the work.
- 5. The insurance required in this section shall be written to cover "all risk" of physical loss except those specifically excluded in the policy.

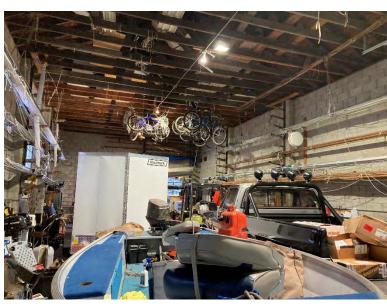

- E. <u>Marina Operator's Liability</u> If applicable, lessee shall provide proof of Marina Operator's Liability Insurance
- F. Renters' Insurance - City of Alpena shall not be liable for injury or damage which may be sustained by the person or property of Lessee, its employees, invitees or customers, or any other person in or about the Premises, caused by or resulting from fire, steam, electricity, gas, water or rain which may leak or flow from or into any part of the Marina Building, or from the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning, lighting fixtures or mechanical or electrical systems, whether such damage or injury results from conditions arising upon the premises or upon other portions of the building or from other sources, except to the extent arising as a result of City of Alpena's gross negligence or willful misconduct. City of Alpena shall not be liable for any damages arising from any act or omission of any other tenant of the building or for the acts of persons in, on or about the premises, building or the grounds who are not authorized agents of the City of Alpena or for losses due to theft, vandalism or like causes. Lessee acknowledges that Landlord's election to provide mechanical surveillance or to post security personnel in the building or on the grounds is solely within City of Alpena's discretion. City of Alpena shall have no liability in connection with the decision whether to provide such services, and, to the extent permitted by law, Tenant hereby waives all claims based thereon.
- G. All the above insurance policies shall contain the following wording:
 "It is agreed that this insurance shall not be canceled, materially changed, or nonrenewed without at least a thirty (30) day written notice to the City of Alpena at their
 principal mailing address."
- H. <u>Insurance Company Approval and Certificates of Insurance</u>: Insurance Companies, additional insured endorsements, and policy forms shall be subject to the approval of the City of Alpena. Such approval shall not be unreasonably withheld. Contractor shall furnish the City Clerk of the City of Alpena with certificates of insurance or a certified copy of the policy if requested by the City Clerk.

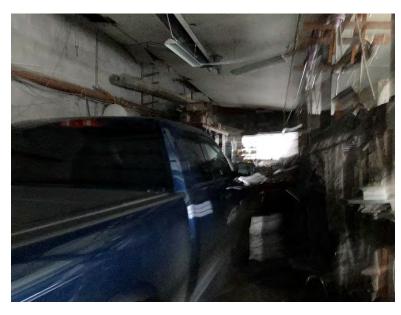

II. HOLD HARMLESS CLAUSE

The Contractor shall defend, pay on behalf of, and hold harmless the City of Alpena, its employees, agents, public officials, and volunteers from and against any and all losses, damages, expenses, claims, suits, and demand of whatever nature resulting from damages or injuries, including death, to any persons or property, and including any claim for losses incurred by reason of project delay, impact (soft) costs, or other intangible losses that might result from Contractor's late or defective performance, caused by or arising out of any action, omission, or operation performed in connection with work attributable to the Contractor, any Sub-contractor, any Sub-subcontractor, any material men, any of their respective employees, agents, servants, or representatives; provided, however, the Contractor shall not be required to indemnify the City of Alpena, its

employees, agents, public officials, and volunteers for any damages or injuries, including death, to any person or property caused solely and exclusively by the negligence of the City of Alpena, its employees, public officials, and volunteers.

All Marine and Storage LLC

1030 N Manning Hill rd Lachine, Mi 49753 (989) 590-0975 Allmarineandstorage@gmail.com

March 2022

Harbormaster 208 N First Ave Alpena, Mi 49707

All Marine and Storage is interested in leasing the boat mechinicaland repair facitilitys at the location 400 E chisholm street in city of Alpena. Owners of All Marine and Storage, Arlee Barker and Reid Wilson, have over 25 years in the boating industry in Alpena. Both Arlee and Reid live in Alpena and/or Alpena county with many family ties in the area. All Marine and Storage are the current operators of the City of Alpena boat Haul Out and setting boats on parking lot for winter storage. With our experience with the local boating community we have gained a rapport and reputation that local boaters trust. We have worked closely with the local boating community in fall of 2021 to provide winterize services, as this is closely related to Fall haul out and winter lay up. We are currently in preparations with many seasonal boaters to provide spring pre-launch services/repairs. We service most of the current Alpena seasonal boaters as well as many customers who would bring their trailerable boats from surrounding towns such as Hillman, Ossineke, Presque Isle, and Atlanta.

All Marine and Storage plans on supporting the city of Alpena's hoisting service, local boating, and traveling boaters with a professional, and convenient maintenance and repair facility located on the Marina property. As a repair facility All Marine and Storage has over \$50,000 in tools to perform specilized marine repairs as well as forklifts, trucks, trailers, golf cart, jack stands, pontoon boat (which is shared use with the city of Alpean as part of lift/hoisting contract). As well as a marine repair facility, All Marine and Storage also has accounts with major Marine part and accessories suppliers and propeller repair facilities to support boaters both in repairs and retail sales. All Marine and Storage has currently stocks over \$20,000 in marine parts(wide variety of filters, hoses, switches, water pumps, and propellers) and marine accessories(such as paints, epoxys/fiberglass, fasteners, hardware, lines, bulbs and electrical items) with ability to order and recieve most items within a day

or two. All Marine and Storage is currently operating out of the facility at the marina in Bay 3 as agreed in the 2021/22 hoisting contract. As part of the current hoisting contract All Marine and Storage currently carries all required Insurances and liensening the City of Alpena requires and we have worked with the Harbormaster Shannon Smolinski. All Marine and Storage plans on renewing their hoisting contract with the City of Alpena for fall of 2022 as both hoisting of boats and repair/maintenance are closely related. All Marine and Storage time to move in and start of operation would be turn key as we already plan on opening for the season in April to begin hoisting activities. All Marine and Storage would run normal full-time business hours during peak

season, with stipulation that if the shop was heated, part-time hours could be held in off season as well. As All Marine and Storage grows, we plan on at least one new employee hire for the 2022 season. With establishing a

recognizable business location we will also be joining the local Chamber of

Commerce helping promote and support downtown business.

All Marine and Storage would utilize bay 2,3 and the area behind the shop/hoist area for full service marine maintenance and repair. Bay 3 would remain set up as the main repair area. Bay 2 will be utilized as smaller repairs, equipment storage, workspace and service/parts/retail counter. All Marine would pay \$5000 per year in conjunction with continuing the current hoisting agreement in place with All Marine and Storage and City of Alpena, for use of Bay 2,3, repair areas utilities included.

Sincerely,

Aree Barker, Reid Wilson

All Marine and Storage

LEASE AGREEMENT for the ALPENA MARINA BUILDING

This agreement entered into this 2nd day of May 2022, between the City of Alpena and Cochon, LLC, herein known as the lessee, for the lease within the Marina Building located at 400 W. Chisholm Street, Alpena, MI 49707. This agreement shall run from the date of signature through December 31, 2022. This agreement can be extended and/ or the pricing modified upon both parties' agreement and the execution of a contract amendment.
I. The lessee through the life of this agreement or as amended shall have the right to:

- a. Operate a marina and/or boating industry business as outlined in the attached proposal within the Alpena Marina Building and adjacent grounds.
- b. The lessee shall be responsible for all minor or routine maintenance and cleaning on the interior and any exterior areas utilized by the lessee as part of their operations including but not limited to changing of bulbs, emptying trash and removing to the designated dumpster areas. Lessee shall also be responsible for any damages to the interior walls and ceilings damaged as part of their operations.
- c. The lessee shall keep their designated lease area clean and orderly. Windows (inside and outside) shall be cleaned, and remain unobstructed, on an as needed basis, as directed by the City. The lessee shall provide all maintenance and cleaning supplies.
- d. The lessee may make major repairs or alterations to any marina building at their own expense only if specific permission is received in writing from the City.
- e. If the property under this lease agreement is not cleaned, the City reserves the right to have the cleaning done with the cost passed onto the lessee.
- f. Shared use of the employee-only restroom facilities. Access to this space and lighting controls for other renters must be maintained.
- g. Store equipment and stock within designated areas of the building.
- h. For any operations performed outside the marina building, (boat repairs, seating etc.) the lessee must provide a written plan for the area which will include what area to be utilized, how the area is to be utilized, considerations for how the area/use may disrupt normal operations, and steps considered

- and taken to limit these disruptions. This area shall be kept clean, organized, and free of debris.
- i. Maintain insurance as required by the operation, as detailed in an attachment to this document, and within the amounts stipulated in those requirements throughout the life of the contract.
- j. Be responsible for snow removal from the sidewalks and doorways from the parking lot to the building and any egress exits on days of operation as the City may be committed at other locations prior to opening.
- k. Be responsible for trash removal to the city dumpster.
- I. Comply with all City ordinances, state, and federal laws.
- m. Not use the facility for a place of residence or allow habitation.

II. The City of Alpena:

- a. Shall be responsible for major repairs to the structure and permanently mounted accourrements to the structure unless the damage is caused by the lessee or patrons of the business.
- b. Shall plow the parking lots and drives for access to the site as fast as reasonably possible based on snow events and staffing.
- c. Shall supply two non-reproducible keys for lessee use. If lost or need for additional keys arise, the cost would be \$10 per key. In the event of lost or stolen keys, lessee will be responsible for the charges to have the locks changed and keys reissued.
- III. The City of Alpena is completing a multi-year refurbishment of the Marina Building and Grounds. As such, the City of Alpena, with 90 days' notice, may require the owner to vacate or relocate from their designated lease area for major construction, repairs, and maintenance operations to occur. The City of Alpena will make efforts to accommodate the lessee to provide storage area for the duration of the projects.
- IV. Rent shall be based upon the area occupied by the lessee as follows:
 - a. Lease area shall be described as <u>Alpena Marina Storefront</u> and contain approximately <u>2,400</u> square feet. Additionally, the lessee shall have access to employees-only restroom located in the City's designated shop area. See attached drawing showing the above designated area of use/lease.

- b. Monthly rental amount shall be \$1500 plus an additional \$100 monthly for utilities for the first year of the lease.
- c. This payment shall be due in advance by the 10th of each month beginning May 10th and ending December 10th.
- d. The monthly rent amount shall be adjusted annually, for years two (2) through five (5), based on the Annual Proposal A rate of inflation index published by the State of Michigan in October of each year. The new rate shall be for the following January through December time frame. Any increase in rent shall be capped at 2% per year.
- e. Utility pricing will be annually adjusted to reflect the actual cost of utilities. These rates shall take into consideration the equipment used by the lessee.

V. Miscellaneous

- a. Any uses of the facility shall comply with all state and local laws including but not limited to, liquor use, gambling activities, parking, cooking, etc.
- b. Lessee shall be in good financial and legal standing with the City of Alpena.
- c. Any lessee using the facility shall comply with occupancy requirements for the facility based on the use at the time.
- d. Any modifications, alterations, expansions, or deletion of services shall be coordinated with and approved by the City of Alpena.
- e. This agreement may be terminated by either party with 30 days written notice for cause and with a minimum 90-day advance notice without cause.

Contractor's Liability Insurance

Cochon LLC, hereinafter referred to as contractor shall maintain at its own expense during the term of this Contract the insurance coverage(s) where indicated by an [X]:

A. [X] Workers Compensation Insurance:

- 1. Contractor shall maintain statutory workers compensation and employers liability insurance. Limits shall be no less than \$1,000,000 for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease, and \$1,000,000 disease policy limits.
- 2. [] U. S. Longshore and Harborworkers Compensation Act endorsement shall be attached to the policy, exposure on an "if any" basis.
- 3. Contractor waives all rights against the City of Alpena, its agents, public officials, employees, and volunteers for recovery of damages to the extent these damages are covered by workers compensation and employers liability insurance obtained by the Contractor.
- 4. If Contractor is self-insured for purposes of workers compensation, the Contractor must submit a copy of a current letter, permit, or certification issued by the appropriate state agency.

B. [X] Commercial General Liability and Umbrella/Excess Liability Insurance:

- Contractor shall maintain commercial general liability (CGL), and, if necessary, commercial umbrella/excess insurance with a limit of not less than \$2,000,000 each occurrence. If the CGL insurance contains a general aggregate limit, such limit shall apply separately to this project.
- 2. CGL insurance shall be written on ISO occurrence form or a substitute form providing equivalent coverage and shall cover liability arising from premises, operations, independent contractors,

- products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract, including this contract and all contracts relative to this project.
- 3. City of Alpena shall be included as an additional insured under the CGL, using ISO additional insured endorsement CG 20 26 11/85, if available, or a substitute endorsement providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance program afforded to the City of Alpena. A copy of the endorsement shall be provided to the City prior to the execution of the contract.
- 4. There shall be no endorsement or modification of the CGL insurance coverage limiting the scope of coverage for completed operations.
- 5. Contractor waives all rights against the City of Alpena and its agents, public officials, employees, and volunteers to the extent these damages are covered by the CGL or commercial umbrella liability maintained pursuant to this agreement.
- 6. Contractor shall maintain CGL and/or umbrella coverage with a limit of not less than \$2,000,000 each occurrence for at least 1 year following the substantial completion of the work. Continuing CGL insurance shall be written under the same terms and conditions as outlined above

[X] Business Auto and Umbrella/Excess Liability Insurance:

- 1. Contractor shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a limit of not less than \$2,000,000 each accident.
- 2. Such insurance shall cover liability arising out of any auto, including owned, non-owned, and hired.
- 3. Business auto coverage shall be written on ISO form CA 00 01, CA 00 12, CA 00 20, as it may pertain, or substitute forms providing equivalent coverages. If necessary, the policy shall be endorsed to provide for contractual liability coverage, including defense costs arising out of the assumed contractual obligations.
- 4. City of Alpena shall be included as an additional insured under the Business Auto Policy, and under the commercial umbrella, if any.
- 5. Business auto policy shall be endorsed to provide statutory Michigan

No-Fault coverages.

6. Contractor waives all rights against the City of Alpena and its agents, public officials, employees, and volunteers for recovery of damages to the extent these damages are covered by the business auto liability or commercial umbrella/excess insurance obtained pursuant to this agreement.

D. [] Builder's Risk Insurance:

- Contractor shall purchase and maintain builder's risk insurance on the entire project. Such insurance shall be written in an amount equal to the contract sum. Insurance shall be written on a replacement costs basis. All approved change orders must be accompanied by an increase in the builder's risk limit of insurance at the time the change order is approved.
- 2. The insurance shall name as insureds the Owner, General Contractor, Construction Manager, and all contractors and subcontractors undertaking the work. The insurance shall contain a provision that the insurance shall not be cancelled or allowed to expire until at least 30 days' prior written notice has been given to the City of Alpena.
- 3. The insurance shall cover the entire work at the site identified in this agreement, including reasonable compensation for architect's fees made necessary by an insured loss. Insured property shall include property on the site but not yet a part of the building, portions of the work located away from the site but intended for use at the site, and shall also cover portions of the work in transit. The policy shall include as insured property scaffolding and temporary buildings located at the site. The policy shall cover the cost of removing debris, including demolition as may be legally made necessary by operation of building laws and ordinances.
- 4. Contractor shall purchase and maintain boiler and machinery insurance, BM 0031 or an equivalent coverage form, required by the contract documents. Object definitions no. 6 Comprehensive Coverage (including production machinery) should be used or an equivalent form of coverage designation. The insurance shall name as insured the Owner, General Contractor, Construction Manager, and all contractors and subcontractors undertaking the work.
- 5. The insurance required in this section shall be written to cover "all risk" of physical loss except those specifically excluded in the policy.

- E. <u>Marina Operator's Liability</u> If applicable, lessee shall provide proof of Marina Operator's Liability Insurance
- F. Renters' Insurance - City of Alpena shall not be liable for injury or damage which may be sustained by the person or property of Lessee, its employees, invitees or customers, or any other person in or about the Premises, caused by or resulting from fire, steam, electricity, gas, water or rain which may leak or flow from or into any part of the Marina Building, or from the breakage, leakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning, lighting fixtures or mechanical or electrical systems, whether such damage or injury results from conditions arising upon the premises or upon other portions of the building or from other sources, except to the extent arising as a result of City of Alpena's gross negligence or willful misconduct. City of Alpena shall not be liable for any damages arising from any act or omission of any other tenant of the building or for the acts of persons in, on or about the premises, building or the grounds who are not authorized agents of the City of Alpena or for losses due to theft, vandalism or like causes. Lessee acknowledges that Landlord's election to provide mechanical surveillance or to post security personnel in the building or on the grounds is solely within City of Alpena's discretion. City of Alpena shall have no liability in connection with the decision whether to provide such services, and, to the extent permitted by law, Tenant hereby waives all claims based thereon.
- G. All the above insurance policies shall contain the following wording:
 "It is agreed that this insurance shall not be canceled, materially changed, or nonrenewed without at least a thirty (30) day written notice to the City of Alpena at their
 principal mailing address."
- H. <u>Insurance Company Approval and Certificates of Insurance</u>: Insurance Companies, additional insured endorsements, and policy forms shall be subject to the approval of the City of Alpena. Such approval shall not be unreasonably withheld. Contractor shall furnish the City Clerk of the City of Alpena with certificates of insurance or a certified copy of the policy if requested by the City Clerk.

II. HOLD HARMLESS CLAUSE

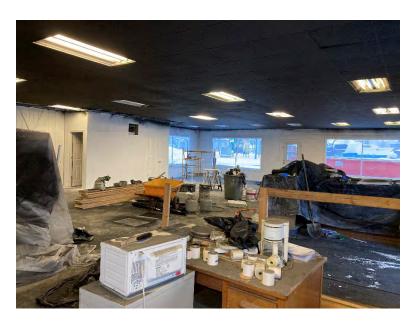

The Contractor shall defend, pay on behalf of, and hold harmless the City of Alpena, its employees, agents, public officials, and volunteers from and against any and all losses, damages, expenses, claims, suits, and demand of whatever nature resulting from damages or injuries, including death, to any persons or property, and including any claim for losses incurred by reason of project delay, impact (soft) costs, or other intangible losses that might result from Contractor's late or defective performance, caused by or arising out of any action, omission, or operation performed in connection with work attributable to the Contractor, any Sub-contractor, any Sub-subcontractor, any material men, any of their respective employees, agents, servants, or representatives; provided, however, the Contractor shall not be required to indemnify the City of Alpena, its

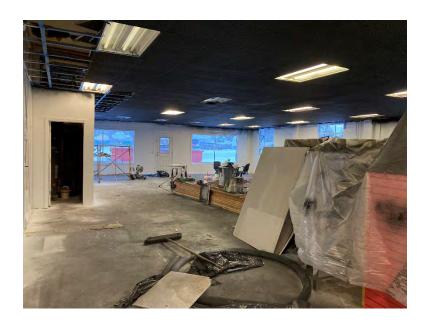

employees, agents, public officials, and volunteers for any damages or injuries, including death, to any person or property caused solely and exclusively by the negligence of the City of Alpena, its employees, public officials, and volunteers.

Photos

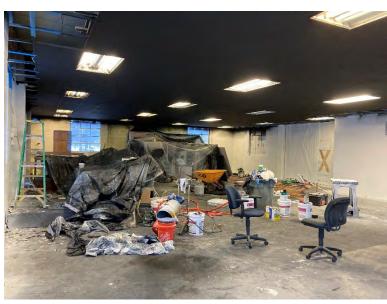

Please note: these photos are representative of the building in its current condition. City Staff are working on the facilities to the best of our abilities and funding availability. Some areas are currently being utilized as storage for the DDA, city resources and prior proprietor and will be cleared out before spring. For this reason, prospective lessees should conduct their own site review of the premises.

OLDER AMERICANS MONTH 2022

WHEREAS, the City of Alpena, and the Counties of Presque Isle, Alpena, Alcona, and Oscoda, which are served by Habitat for Humanity Northeast Michigan, includes a growing number of older Americans who contribute their strength, wisdom, and experience to our community; and

WHEREAS, communities benefit when people of all ages, abilities, and backgrounds are welcomed, included, and supported; and

WHEREAS, Habitat for Humanity Northeast Michigan recognizes our need to create a community that provides the services and supports older Americans need to thrive and live independently for as long as possible; and

WHEREAS, Habitat for Humanity Northeast Michigan can work to build an even better community for our older residents by:

- Planning programs that encourage independence.
- Ensuring activities are responsive to individual needs and preferences.
- Increasing access to services that support aging in place.

NOW, THEREFORE, I, Matthew J. Waligora, by virtue of the authority vested in me as Mayor of the City of Alpena, **DO HEREBY PROCLAIM,** May 2022 to be:

OLDER AMERICANS MONTH

in Alpena and urge every resident to recognize the contributions of our older citizens, help to create an inclusive society, and join efforts to support older Americans' choices about how they age in their communities.

Signed at Alpena, Michigan this 2nd day of May 2022.

To the Honorable Mayor and Members of the Municipal Council

Council Members:

Under the provisions of Chapter 10 of the Charter of the City of Alpena, the City Budget for the 2022-23 fiscal year is hereby submitted to the Municipal Council.

The budget proposes a fund balance of \$3,219,698 at the end of the budget year, June 30, 2023. The unassigned fund balance represents 26% of total General Fund expenses and other financing uses. This percentage provides the City with a reasonable surplus in the event of unforeseen expenses or reductions in revenues. This is consistent with adopted Council policy requiring a 10% minimum fund balance but exceeds the 20% maximum. The City depends largely on its three major sources of revenues: property taxes, emergency medical services, and state revenue sharing.

Despite budgeting in fiscal year 2021-22 to decrease General Fund balance by \$233,564, it is projected that it will decrease by \$81,490. As you may recall, the audit of fiscal year 2020-21 left us with a 38.5% General Fund balance. In an effort to reduce the fund balance, the budget includes a reduction of \$608,362 which is estimated to reduce the unassigned fund balance to 26%.

The 2022-23 budget is proposed to fund most of the projects from the final Capital Improvement Plan (CIP). The following CIP projects were reviewed and revised where necessary from the CIP process to the budget process:

The 2022-23 budget reflects the continued effort to maintain as many services as possible and accomplish capital projects in an environment of decreasing revenue and increasing operating and employee benefit costs.

Healthcare and pensions are the costliest employee benefit in the budget. Effort has been put into reducing healthcare costs, which includes a 20% cost-sharing by the employees. The City's contribution to the pension program increased from \$983,398 in 2020-21 to \$1,072,812 in 2021-22. The system has gone from a funding level of 136.2% in 2001 to 77.8% as of June 30, 2021.

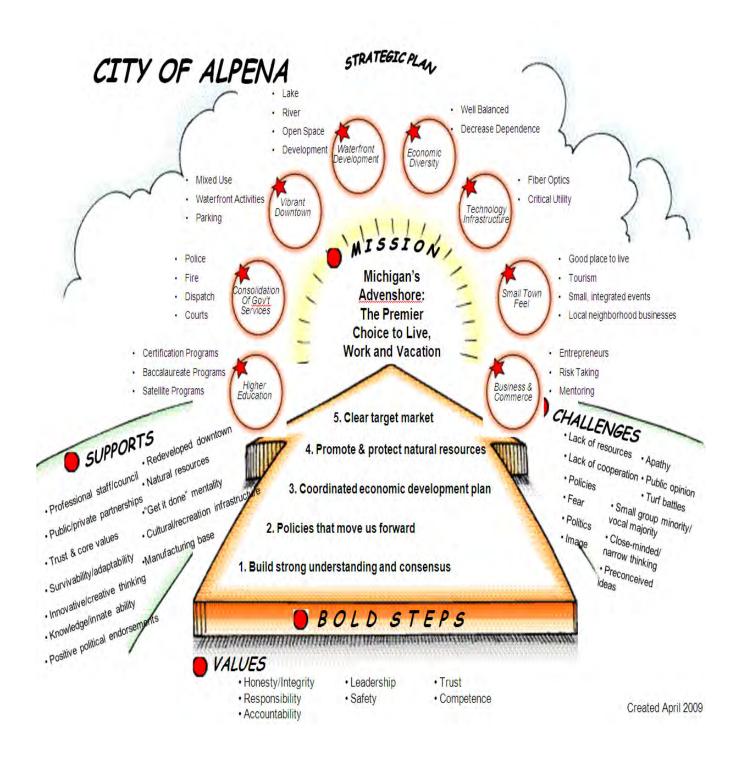

The largest source of revenue for the City comes from property taxes. The City's total taxable value increased from \$254,140,766 in 2021 to \$269,772,203 in 2022; an increase of 6.43%. The 2022-23 budget includes an estimated tax rate for General Fund operations of 16.0373 mills, which is a reduction of .0693 due to the Headlee rollback calculation. The tax rate for Dial-A-Ride Transportation (DART) decreased to .9957 due to Headlee rollback. The DDA is not subject to a rollback for tax year 2022, and is therefore the same as last year at 1.9812 mills.

The second largest source of revenue is for ambulance transport services. In fiscal year 2020-21, the City received \$844,065 in an agreement with the County and \$1.3 million in ambulance transport fees. It is projected that the City will receive a total of \$2.44 million in fiscal years 2021-22 and 2022-23.

The State revenue sharing is the third largest revenue source and brought in \$1.4 million in 2020-21. For comparison, the City received \$1.75 million in 2002.

CITY OF ALPENA

City of Alpena CREATING THE FUTURE

EXECUTIVE SUMMARY

The City Council of Alpena met on April 18 and 25, 2009 to develop a vision for the City, identify the values that are important guiding principles for the City, and to develop a strategic plan identifying key priorities for the City for the next three to five years. Several community members also participated in the April 18 meeting.

The group identified 21 key strategies for achieving the vision. After a rigorous prioritization process, five strategies were selected as critical areas for focus in the next three to five years.

- Build strong understanding of and consensus for what is happening in Alpena
- Ensure that policies support the vision and move Alpena forward (ordinances, charter, etc.)
- Promote and protect natural resources
- Establish a coordinated economic development plan & strategy
- Identify a clear target market (who we are tourism, manufacturing, seniors, other)

Participants also identified six strategies that are important to continue to perform well. As foundational strategies, these are critical to maintain.

- Strong essential services
- Strong infrastructure
- Adequate resources
- Identify all possible areas of funding
- Public and private partnerships
- Educated staff, board and council

VALUES

Understanding an organization's values is important – because these represent the "non-negotiable" behaviors that will govern its activities and employees. Council members, staff, and community members identified seven important values for the City, defining them as shown below.

Honesty and Integrity

We are transparent—always.

As Individuals

- We say what we mean and do what we say.
- We avoid hidden or personal agendas.
- We act in a selfless manner.

As a City

- We encourage openness, through meetings, communication channels and discussions.
- We share the information we can, and trust others when they cannot share information.

We say what we mean and do what we say.

Accountability

We accept responsibility for our actions.

As individuals ...

- We provide explanations, not excuses.
- We know who to direct others to.
- We are available and respectful of others.

As a City ...

- We are open and transparent.
- We have clearly defined responsibilities for council and staff.
- We have a comprehensive plan and we live by our plan.

Responsibility

We do the right things, in the right way, at the right time.

As individuals...

- · We model accountability.
- We demonstrate our commitment.
- We are proud of our accomplishments.

As a City...

- We practice environmental stewardship.
- We are service oriented, with a strong referral and support network.
- We build inclusive and collaborative relationships.

Trust

We have confidence that everyone involved will do the right thing.

As individuals...

- We are willing to be open and vulnerable.
- We accept each other's actions without doubt.
- We are consistent in our actions.

As a City ...

- We encourage an open door policy, with full disclosure whenever appropriate.
- We are transparent and share information freely with our community.
- We provide opportunities for public feedback through surveys, our newsletter, and our website.

Safety

We protect our community and employees from harm.

As individuals ...

- We provide funding for safety initiatives.
- We are knowledgeable about safety practices.
- We enforce safety laws, ordinances and regulations.

As a City ...

- We educate the public about safety practices.
- We update our ordinances to encourage safe practices.
- We issue warnings and/or tickets when necessary to encourage safe practices.

Leadership

We are willing to take responsibility for making things happen.

As individuals ...

- We demonstrate strength of character.
- We have strong convictions.
- We are willing to be involved.

As a City ...

- We cooperate with other governmental units.
- We demonstrate fiscal responsibility.
- We listen to the public and understand its needs.

Competence

We have the ability (through training and experience) to do things well.

As individuals ...

- We participate in ongoing, continuous education.
- We demonstrate a positive attitude toward learning.
- We are dedicated to performing tasks well.

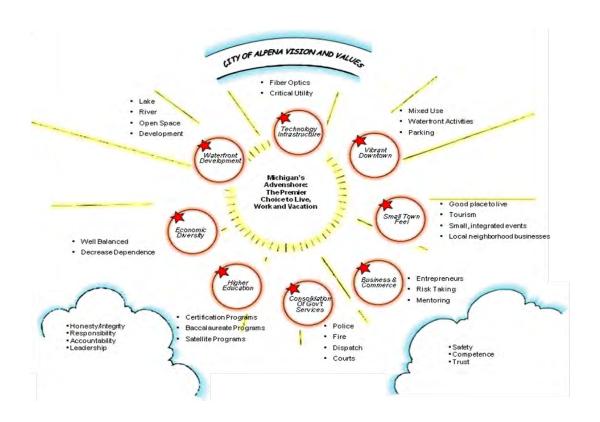

As a City ...

- We budget for continuing education.
- We attend classes and seminars.
- We identify and hold each other to clear standards of performance.

VISION

Understanding where an organization is going is a critical part of successful change. Council members, staff, and community members participated in a visioning exercise, which resulted in eight major themes that are important for the City in the future.

- Vibrant Downtown
- Small Town Feel
- Business & Commerce
- Consolidation of Government Services
- Higher Education
- Economic Diversity
- Waterfront Development
- Technology Infrastructure

CREATING THE FUTURE

Obstacles

Looking back from great success, what were the obstacles that had to be overcome to achieve the vision for the City of Alpena? Council members and staff identified the following key obstacles.

- Lack of \$/budget
- Lack of cooperation (internal & external)
- Community apathy
- Public Opinion
- Policies (lack of, limiting, too much)
- Turf battles (government and agencies)
- Lack of resources (time, staff, money)
- Fear (failure, unknown, ridicule, re-election)
- Small Group Minority/Vocal Majority
- Politics
- Close-Minded Narrow Thinking
- Image (self & external)
- Pre-conceived ideas
- Having to do more with less
- "No"
- Boundary constraints / lack of room
- Limited staff, time, burnout
- Lack of citizens taking ownership
- · Disconnect between staff and elected officials
- "Alpena mentality" not good enough

A discussion of the Obstacles allowed for clearing the air and served as a springboard for looking forward.

Enablers

What are the things we have going for us now that can help us create the City that we want? Council members and staff focused on the question, "It's five years from now. You have had great success."

- What "enablers" were available that helped the City to achieve its great success?
- What resources did you take advantage of?

The group identified the following enablers.

- Professional staff & council
- Partnerships
 - o Public
 - o Private
- Built trust & core values
- Survival ability/adaptability
- Innovative & creative thinking

- Knowledge and innate ability
- Redeveloped downtown
- Natural resources
- Positive political endorsements
- "Get it done" mentality
- Cultural/recreational infrastructure
- Leadership
- Safety
- Manufacturing base
- Trust
- Volunteers/community spirit
- Technology
- Better service
- Cooperation amongst "powers that be"
- Grants

STRATEGIC PROFILE

Having considered the obstacles to success and possible resources that could be employed to achieve the vision for the City, participants then considered possible strategies that could be implemented to achieve success.

After considering many possible strategies, participants identified 21 strategies for success.

- A. Educated staff, boards, council, etc. (training, workshops, abilities, skills)
- B. Built strong consensus and understanding for ideas (joint workshops, staff, council, community) good communication with staff about what's happening
- C. Multiple opportunities for community involvement (solicited public input, listened with an open mind)
- D. Policies that support the vision and move us forward (ordinance, charters, etc.)
- E. Clear target market (who we are tourism, manufacturing, other, seniors)
- F. Strong essential services (police, fire etc.)
- G. Strong infrastructure
- H. Great housing options (green/redeveloped/new)
- I. Great communication with state and federal legislators and agencies
- J. Partnerships public and private (townships, county, MDOT, schools, service organizations, grants, etc.)
- K. Clear organizational priorities and goals
- L. Coordinated economic development plan & strategy
- M. Adequate resources work together, committed to right things
- N. Marketed Alpena's assets
- O. Promoted and protected natural resources
- P. Found all available sources of funding (grants, private, public internal, external)
- Q. Consolidated government services
- R. Encouraged employees input and participation
- S. Communicate information to public effectively (use technology, etc.)
- T. Empower citizens to find their own solutions and work together

U. Capitalize on Alpena's small town feel

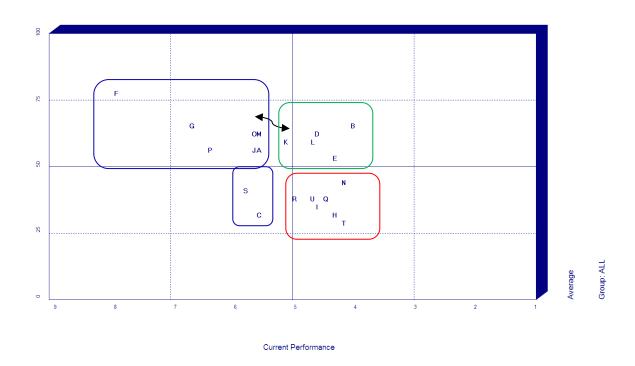

Strategic Rankings

The 21 strategies were ranked and plotted using Consensys™ technology. They were viewed from two perspectives.

- 1. Importance Looking back from great success, having implemented all of these strategies, which were the most important in achieving the City's vision?
- 2. Current Performance How well are you currently performing this strategy, as compared to where it needs to be?

The following chart is an opportunity profile displaying the results of the evaluation. Letters on the chart correspond with the letters shown in the list of strategies.

Strategic Opportunity Profile

Profile Interpretation

The items with the green rectangle around them are the most important strategies to be addressed first.

High-Leverage Opportunities

Five strategies emerged as high-leverage opportunities (high importance, low performance). They are:

- Built strong consensus and understanding for ideas (B)
- Policies that support the vision and move us forward (D)
- Coordinated economic development plan & strategy (L)
- Clear target market (E)
- Promote & protect natural resources (O)* (note: this was moved to high-leverage because there is a clear discrepancy between the council's and staff's perception as to current performance—see Appendix 1).

Foundational Strategies

Nine additional strategies (in blue) were identified as foundational strategies that must be continued. These are strategies that are important to continue, as they are foundational to the success of the City.

- Strong essential services (F)
- Strong infrastructure (G)
- Found all available sources of funding (P)
- Adequate resources (M)
- Public and private partnerships (J)
- Educated staff, board, and council (A)
- Clear organizational goals and objectives (K)* (moved to foundational based on discussion and consensus that action planning on the high-leverage opportunities would address performance issues on this strategy).
- Communicate information to public effectively (S)
- Multiple opportunities for community involvement (C)

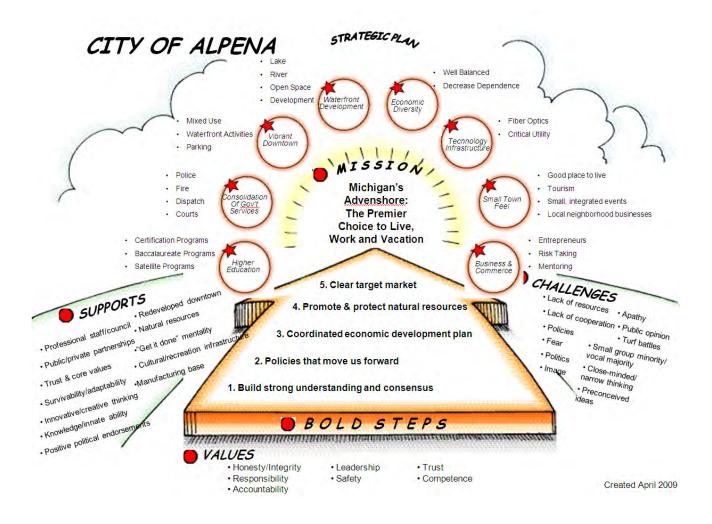

Mid-Term Opportunities (24-36 months)

Seven additional strategies (in red) were identified as mid-term opportunities that should be explored. While these will take slightly longer to implement, research should be started soon. As performance improves on the high-leverage opportunities, these strategies are likely to increase in importance.

- Marketed Alpena's assets (N)
- Encouraged employees' input and participation (R)
- Capitalize on Alpena's small town feel (U)
- Consolidated government services (Q)
- Great communication with state and federal officials and agencies (I)
- Great housing options (H)
- Empower citizens to find their own solutions and work together. (T)

FIVE BOLD STEPS

When all of the activities from the strategic planning meetings are combined, the result was the following drawing that represents the vision and plan for the City.

ACTION PLANS

Action plans were created for the five high-leverage strategies. These plans will need to be updated on a regular basis as progress takes place.

CONSENSUS

While it is important to look at the overall voting results, it is equally important to consider the level of agreement for each strategy. Appendix 1 includes a complete set of "diversity" profiles, showing the average votes for staff members as compared to council members. In most cases, there is significant agreement among the groups (same quadrant = general agreement). Where there are significant differences, additional dialogue should be considered.

CONCLUSION AND RECOMMENDATIONS

There is much work to be done to turn these action plans into reality. The City is encouraged to add these items to quarterly Council agendas for the purpose of following up and keeping the focus on the important priorities that have been established.

^{**}Effective February 9, 1982, the State of Michigan approved Public Act No. 5 of 1982 or as it is generally known, Truth In Taxation. Briefly, this law states that the ensuing fiscal year tax revenues, less additions, cannot exceed the concluding fiscal year tax revenue. If it does, then the ensuing fiscal year millage is rolled back so that the tax revenues generated will be the same as the concluding fiscal year. The figures are provided by the assessor's office and confirmed by the county equalization director. These reduced millage rates can be overridden by holding a truth in taxation hearing or discussing it at the annual budget meeting.

GENERAL FUND

Fund 101 - GENERAL GOVERNMENT

The purpose of the General Fund is to record all revenues and expenditures of the City which are not accounted for in other funds. The General Fund receives money from many sources which are used to finance a wide range of City functions.

The 2022-2023 General Fund revenues are, for the most part, projected based on historical trending. State shared revenues are projections received from the State of Michigan. Property tax revenues are based on projections from the City Assessor of taxable values.

The General Fund budget is presented by functions, which are groups of related activities intended to accomplish a major service. The General Fund accounts for the following functions: General Government, Financial and Tax Administration, Public Safety, Public Works, Community and Economic Development, Recreation and Culture, and Transfers In/Out.

FINANCIAL AND TAX ADMINISTRATION

The Financial and Tax Administration function encompasses many different activities or departments including: Accounting, Budget, Clerk, External Audit, Information Technology (I.T.), Board of Review, Treasurer and Assessor. With the exception of I.T., these departments were formerly part of a department collectively known in the previous budget as "City Hall". The chart of accounts conversion, which occurred in August 2021, required that the "City Hall" department be split into separate departments based on its activity.

Beginning in 2009, the City contracted with Alpena County to provide technology services to the City and the Agreement has been extended and is in place until June 30, 2025. The agreement provides for Alpena County I.T. personnel to oversee the operations of the City of Alpena network and infrastructure while equipment and supply purchases will be handled through the City's general fund.

The I.T. budget pays for all computers, printers, and other computer related devices as determined at time of purchase as being applicable for acquisition through this department. The fund also provides all printer supplies, computer related equipment, cables, etc. as needed and warranted by the departments. This is the seventh year of developing a budget for the I.T. Department within the general fund and will be refined as the year progresses and as needed.

In 2022-2023, the City will upgrade the phone system, purchase two ruggedized tablets as well as two in-car camera systems for Police cars, install fiber and add a computer in the cemetery garage, and replace several switches for increased security and network efficiency. The regular I.T. budget expenditures will also include the necessary software licensing fees, toner, ink, and other consumables as well as miscellaneous supplies throughout the year in addition to the following projects:

POLICE

The duty of the Alpena Police Department is to protect life and property within the City of Alpena. This is accomplished through the implementation of routine patrol, emergency response, traffic enforcement, accident investigation, crime prevention and other recognized law enforcement procedures. The department provides 24-hour police protection seven days a week for the citizens of Alpena.

Operating under the direction of the Chief of Police, the department's authorized strength is twenty sworn officers. This includes the Chief, Lieutenant, Detective, four patrol sergeants, ten patrol officers, and three officers assigned to specialized duties. The department also employs two civilian Clerk/Typists and one part-time crossing guard. Currently staffed with eighteen officers, APD is actively recruiting to fill the vacant positions.

To accomplish its mission of providing effective and continuous law enforcement services to the citizens and businesses of this community, it is critical that officers are provided with reliable and safe equipment. As such, the Department will continue with the scheduled replacement of patrol vehicles and other vital equipment. Supplemental funding opportunities will be pursued when available.

FIRE

The Alpena Fire Department (AFD) is an all-hazards emergency service, providing the citizens of the community with fire suppression, hazardous situation mitigation, specialized rescue, fire investigation, and comprehensive Community Risk Reduction (CRR) services. Under an interlocal agreement with Alpena County, the department provides Advanced Life Support ambulance response and transport for the City and also the townships of Alpena, Green, Long Rapids, Maple Ridge, Ossineke, Sanborn, Wellington, and Wilson. Another interlocal agreement provides a non-transporting advanced life support ("echo") unit weekdays in Long Rapids, Green, Wilson and Maple Ridge Townships to augment first responder coverage there.

All AFD ambulances are staffed by firefighter-paramedics and EMTs providing Advanced Life Support, the highest level of care available outside of a hospital. All fire and EMS services are provided by the same cross-trained employees, giving taxpayers the best possible value for their investment.

The Fire Department's authorized strength is twenty-nine (29) full time employees, including a Fire Chief, a Deputy Chief/Training Officer, a Community Risk Reduction Captain, three shift Captains, three Lieutenants and twenty-one (21) Firefighter-Paramedics. We are currently one short and are actively recruiting. We share the cost of two full-time clerical staff with the Police Department.

In 2011, AFD implemented a Mobile Intensive Care Unit program whereby our firefighter-paramedics transport critically ill or injured patients from the Alpena hospital to larger, more distant medical centers for specialized care. MyMichigan EMS has units stationed in Alpena, so our role is only the most critical patients when resources are stretched thin.

AFD is implementing an Auxiliary program comprised of adult auxiliary members who can train and be used to supplement career firefighters at major incidents, and act as a "farm team" to train and mentor people aspiring for AFD careers. A Cadet unit is provided for high school students exploring fire/EMS careers.

The Alpena Fire Department was the 2018 recipient of the Congressional Fire Service Institutes' Excellence in Fire Based EMS Award, presented in Washington, D.C. We are also members of the Michigan Mutual Aid Box Alarm System (MABAS) and Thunder Bay Area Fire Fighters Association. Our firefighters are represented by the International Association of Fire Fighters (IAFF) Local 623.

Fund 101 - PUBLIC WORKS

PUBLIC WORKS

The role of the Public Works Department has evolved towards a more maintenance-oriented approach in order to preserve the infrastructure that is in place rather than build new construction. The main goal of this department is to improve efficiencies on all of the current tasks being performed and to review the cost-effectiveness of current contractual services. Employees received further training on a number of relevant subjects this past year to increase competency in maintenance issues and methods. Other responsibilities overseen by this department include replacement of residential water service lines and sanitary service lines, the residential brush pickup, park and marina maintenance, and street sweeping.

The City Engineering Department oversees the City sidewalk program. This program includes replacement of deficient sidewalk and the installation of new sidewalk. This year will see the resurfacing of the Carter Street lot located between Carter Street and the Thunder Bay River with \$125,000 budgeted.

Capital Outlay and Major Projects

Carter Street Parking Lot Resurfacing	101-441-977.011	\$ 125,000
Christmas Decoration Replacement	101-441-727.000	 5,000
TOTAL PUBLIC WORKS		\$ 130,000

CEMETERY

Alpena's Evergreen Cemetery contains 61 acres and has been an active and operating cemetery for approximately 155 years. During that period, since 1865, there have been approximately 19,000 burials. In addition to maintaining and operating the Evergreen Cemetery, the City's cemetery division also maintains the privately owned Hebrew and Grace Lutheran cemeteries.

The cemetery portion of the General Fund accounts for the operation of Evergreen Cemetery, utilizing a Technician I Department of Public Works employee. Programmed into the cemetery budget are funds for hiring three part-time summer college students for up to 15 weeks. The cemetery is partially funded by the sale of lots, burials, and interest earnings from the Perpetual Lot Care Fund. By City ordinance, twenty-five percent (25%) of the funds collected from the sale of each lot are credited to the Perpetual Care Fund. With the passing of a new bill, the City, through the local Community Foundation, was able to invest the Perpetual Lot Care fund in anticipation of higher interest returns than from a standard bank account.

Cemetery Entrance and Roadside Improvements	101-567-971.000	\$ 50,000
Irrigation Pump House Plumbing	101-567-971.000	25,000

Road Paving	101-567-979.002	 10,000
TOTAL CEMETERY		\$ 120,000

LIGHTS

The Light Division within the Department of Public Works maintains approximately 70 miles of city street lights, traffic signals, pedestrian lights, school zone flashers, and over one mile of Christmas decorations. In addition, this division is responsible for some of the capital improvements to this system.

Repairs and maintenance tasks that require an electrician are carried out through the use of a private electrical contractor. All other maintenance tasks, i.e., painting pedestrian street lights, are performed by the Department of Public Works personnel. This year will see the City target replacing various pedestrian and street light poles with LED heads or complete replacements and finishing the bike path lighting through the cemetery and to Sytek Park.

PLANNING, ZONING & CODE ENFORCEMENT

The Michigan Planning Enabling Act is the enabling statute for creation of a planning commission, and local government adoption of plans, master plans, etc. This act is for counties, townships, cities, and villages. The most recent Act took effect September 1, 2008. Additionally, the Michigan Zoning Enabling Act is the enabling statute for creation of a zoning ordinance for counties, townships, cities, and villages; the most recent Act took effect July 1, 2006. Capital expenditures for the Planning, Development, and Zoning department are within the General Fund and are specific to goals outlined in the City's Comprehensive Plan.

The primary projects that are budgeted for FY 2022/2023 are included below. The Zoning Ordinance Update will ensure that the ordinance is in a format that is efficient to update for residents and business owners to find and understand the information they need most easily. It will provide for a review of the current ordinance to ensure it aligns with our Master Plan, including elimination of old or overly burdensome processes. The Thunder Bay River Center project is the beginning stages of a public restroom and pavilion near Island Park; the majority of the funds are being requested via Grants and \$5,000 annually allocated by the City. Finally, the City allocates a small sum to local art in partnership with the Thunder Bay Arts Council; art installations are placed along the City's Bi-path, as well as other public spaces, and focus on developing community character through regional artists.

Fund 101- RECREATION AND CULTURE

The Parks Division maintains approximately 100 acres of land which constitutes the city's park system, approximately 18.5 miles of bike path, and approximately 1-1/2 miles of Lake Huron shoreline. There are seventeen (17) parks within the City of Alpena including, Avery, Bay View, Blair Street, Duck, Eleventh Avenue Boat Launch, Island Park, LaMarre, McRae, Mich-e-ke-wis, North Riverfront, South Riverfront, Starlite Beach, Sytek, Thomson, Washington Avenue, Water Tower, Culligan Plaza and Veterans Memorial.

The department has been given additional maintenance responsibilities to improve City parks to showcase level. Irrigation, landscaping and amenities within and throughout the park system are programmed to facilitate these improvements. The Parks Division's goal is to reduce total maintenance costs while improving the general appearance of all parks.

A long-term goal of the City's Wildlife Sanctuary Board has been the development of an environmental interpretive center. Over the past two years, the Board and its appointed Interpretive Center Oversight Council have worked diligently toward this end. The *River Center*, as it has been christened, will be located in Duck Park along the banks of the Thunder Bay River and the City's Wildlife Sanctuary. The construction schedule for this project has yet to be determined and is dependent on receipt of grant funds.

This year the City will Begin the process to construct the new public restroom facility in Bay View Park. Design process has begun with construction anticipated over the next two fiscal years. The City is also looking to reconstruct Culligan Plaza in the Downtown and anticipates local grants and donations, as well as to use some American Rescue Plan Act (ARPA) funding to complete this project. The City has also budgeted \$84,000 to improve park amenities within many other parks within the system.

Fund 102 - BUDGET STABILIZATION FUND

The Budget Stabilization Fund, commonly referred to as a "Rainy Day" fund, was created in accordance with 1978 P.A. 30, as amended. The Budget Stabilization Fund was established by Ordinance 99-290 at the March 15, 1999, Municipal Council meeting. The fund will be used to guard against periods of economic downturns when revenues are reduced. An amount of \$5,000 will be transferred from the General Fund to the Budget Stabilization Fund in fiscal year 2022/23. The fund balance will continue to grow as there are no plans to use any funds from the Budget Stabilization Fund in the near future.

MAJOR STREET FUND

The purpose of the Major Street Fund is to receive all major street monies which are paid to the City by the State of Michigan; to account for all construction, maintenance, and other authorized operations in the right-of-way of any street functionally classified as a major street within the City; to receive the monies paid to the City for state trunkline maintenance; and to record costs associated to the Michigan Department of Transportation authorized state trunkline maintenance contracts. Each city is required to establish a Major Street Fund in compliance with Act 51 of the Public Acts of 1951.

The Major Street Fund has no employees but instead has employees assigned to it to perform maintenance and construction activities. Equipment is rented internally from the Equipment Fund to the Major Street Fund as needed.

Motor vehicle highway funds are generated from statewide gas and weight taxes. The distribution of these funds to Alpena is based on the miles of streets in our system, a state factor, and the population of Alpena. There are 5.34 miles of state highway and 25.80 miles of major streets within the City of Alpena.

The City maintains US-23 and M-32 state highways within the City limits for the State of Michigan. The MDOT contract generates revenue, which is titled state trunkline maintenance. The costs associated with state trunkline maintenance are direct costs and the revenue received is based on this expenditure. The maintenance and construction associated with the major street system are funded primarily by state and federal funds. All of the major streets within the Alpena street system are paved.

The City will again this year place emphasis on maintenance of the major street system. This emphasis on street maintenance will include \$55,000 in Capital Preventative Maintenance funds to preserve and extend the remaining useful life of our streets. Work performed under this activity may include shoulder paving, crack sealing, chip sealing, joint repair, etc. The City will also include \$160,000 to resurface Wessel Road from Ford to the City Limits and \$500,000 to resurface Ripley Boulevard from Washington Avenue to Third.

LOCAL STREET FUND

The Local Street Fund works in a threefold capacity. First, the fund is utilized to receive all local street funds paid to the City of Alpena by the State of Michigan. Secondly, it is used to account for all construction including the monies generated by special assessments, maintenance, traffic services, and snow and ice control. Thirdly, the fund is utilized to account for money received from the General Fund as contributions to the Local Street Fund. Every city is required to establish a Local Street Fund to comply with Act 51 of the Public Acts of 1951.

The Local Street Fund has no employees but instead has employees assigned to it to perform maintenance and construction activities. Equipment is rented internally from the Equipment Fund to the Local Street Fund as needed. The City continues to utilize City personnel in a more active role in the maintenance of our Local Street system.

Revenues are generated from several sources. The motor vehicle highway funds are generated from statewide gas and weight taxes. The distribution of these funds to Alpena is based on the miles of our street system, a state factor, and the population of Alpena. Local funds are monies, which the local taxpayer contributes to maintain the local street system. Construction revenues are local funds set aside and invested for the specific purpose of upgrading existing or creating new streets. There are 44.18 miles of streets within the street system, which are designated as local streets. The maintenance and construction costs associated with the local street system are funded primarily by local tax dollars. All but three one-block segments of the Local Street system are paved.

The City will complete resurfacing of the streets within the Oxbow Subdivision with \$100,000 budgeted. The City will also resurface several blocks of the local street system and repair manholes within the streets to improve ride quality with the \$125,000 budgeted for capital preventative maintenance and thin overlay paving.

MARINA FUND

The City, in an effort to take a more proactive approach for ongoing revitalization efforts, assumed operations of the Alpena Marina in September 2021. This move included the addition of two new full-time staff to facilitate the operational needs of the marina. Additionally, several new seasonal dockhands have also been employed to service our boating public.

Last year, the Alpena Marina developed a master plan for the facilities. The proposed outcome was a working list spanning the next five years of capital improvements desired by the users. The City is actively pursuing grant funding from multiple sources for implementation of these master plan projects.

Continuing our partnerships, the marina will continue to team up with our downtown and convention and visitors' bureau to increase economic activity to the entire area. We are also working with the Harbor Advisory Committee to encourage our users to take stock in our marina and participate in a Marina Pride program to aid with ongoing upgrades within the grounds.

Maintenance and repairs will continue to be our priority this budget cycle. In addition, installation of cost saving measures for our utility system will be implemented. The marina will also strive to protect our best resource by maintaining our pledge and certification as a Michigan Clean Marina.

As we enter our first full year of operations, fees for marina services, boat launching and slip rental, will remain the same for the 2022 boating season.

TREE/PARK IMPROVEMENT FUND

In October 2006, the City of Alpena received two large donations from the Trust of Drew and Ethel McClay. One donation of approximately \$70,000 was to be spent on park improvements and/or tree planting within the City. The second donation of approximately \$90,000 was to be utilized for tree planting within the City.

Funding will be transferred to the Cemetery, as well as Local and Major Streets, to offset expenses associated with tree planting to replace trees removed over the past several years.

AUTHORITY FOR BROWNFIELD REDEVELOPMENT

The Authority for Brownfield Redevelopment Fund is used by counties, cities, villages and townships to assist in the redevelopment of underutilized properties due to environmental contamination, blight, functional obsolescence or historical significance. The local unit may establish an authority under the Brownfield Redevelopment Financing Act (MCL 125.2651 et al.) to administer the activities authorized under the Act. The authority shall be administered by a board appointed pursuant to the requirements of the Act (MCL 125.2655).

The City of Alpena Brownfield Redevelopment Authority was established by City Council Resolution No. 1997-7 in March 1997, with the City's Downtown Development Authority (DDA) Board serving as the Brownfield Authority Board as well. As the Brownfield Authority became more active the dual role of the DDA Board became less desirable due to increased workloads for the members and the increased likelihood of conflicts of interest between the activities of the two Authorities. In 2006, the original nine-member Brownfield Authority Board represented by the DDA was dissolved and a new, independent five-member Board established with a new set of by-laws. At its first meeting in October 2006, the new Board officially changed the Authority's name to the City of Alpena Authority for Brownfield Redevelopment.

This fund is used to account for the administrative costs of the Authority, including debt service and capital project activities which include environmental contamination testing.

DOWNTOWN DEVELOPMENT AUTHORITY

City Ordinance established the Downtown Development Authority (DDA) in April of 1980 with the mission to revitalize Downtown Alpena and implement positive physical, economic, and aesthetic changes in the downtown district. Alpena's DDA operates in accordance with state law (Public Act 197 of 1975, now Public Act 57 of 2018). The DDA recommends and oversees downtown Tax Increment Financing (TIF) and the levy of an ad valorem tax (2 mill maximum) on all taxable property within the DDA district. The revenue from this ad valorem tax contributes to the operations of the authority, and funding that comes from TIF is invested into major projects and improvements in the downtown district led by the DDA.

The DDA allocates TIF funds following the improvements and projects as identified and outlined in the 2004 Downtown Development and Tax Increment Financing Plan (approved by the City of Alpena) and the 2017 Downtown Market Analysis and Strategic Plan. The DDA has further identified priority projects and improvements through its Capital Improvement Projects for the next five years, which have been approved by the DDA Board of Directors, City Council, and Planning Commission.

In 2022, the DDA contracted with Beckett & Raeder to review its existing boundaries and update its Downtown Development & TIF Plan. The DDA has received Technical Assistance grant funding through the Michigan Economic Development Corporation to cover 75% of the cost. The process is expected to be finished in FY 2022/2023.

The primary projects that are budgeted for FY 2022/2023 include:

- * \$13,969 for Downtown Development & TIF Plan Update (246-728-801.000)
- \$4,000 for downtown bike racks and flower planters (246-728-730.000)
- \$4,000 for downtown alleyway improvements (246-728-982.200)
- \$7,500 for Fresh Waves, the DDA's annual public mural project (246-728-982.200)

Additionally, the DDA has budgeted to continue marketing the downtown district, hosting promotional events, leading economic development activities, and investing in beautification initiatives such as hanging flower baskets, holiday decorations, and downtown maintenance.

The DDA currently has three full time employees: Executive Director, Marketing & Outreach Coordinator and a Parking Attendant and two-three seasonal employees that pick-up trash and cigarette butts throughout the downtown district.

BUILDING INSPECTION

The Public Act of 245 of 1999 amended the State Construction Code. The Act in Section 22 places accounting requirements on local government. Therefore, a separate special revenue fund has been established. This fund helps to easily identify the charges for services versus the expenses of this department.

AMERICAN RESCUE PLAN ACT

This is a special revenue fund that is used to account for the American Rescue Plan Act (ARPA) funds received from the Federal Government in response to the COVID-19 pandemic. The act was signed into law on March 11, 2021. The City of Alpena was granted an amount of \$1,042,080; half of which was received in November 2021, while the other half will be received one year later in November 2022. The City also received a small distribution for municipalities that declined the grant funds. ARPA funds must be obligated by December 31, 2024, and all funds spent by December 31, 2026. It is projected that all funds will be spent by the end of fiscal year 2024.

SEWAGE FUND

The Sewage Fund is an enterprise fund. It is used to account for the acquisition, operation, maintenance, and replacement of the sewage treatment and sewage collection systems. The two systems are entirely self-supported by user charges. User fees are expected to produce \$1,988,200. The recently approved meter change out program will impact this revenue as consumers with under registering meters will now be billed for the actual sewage generated based on the volume of water being used. We have also proposed a 5% rate increase to stabilize the funds position and to maintain the current level of capital improvements necessary to repair, maintain, and upgrade the system and provide reliable service to the customers of the system.

Since July 1, 1988, the operation and maintenance of the Waste Water Treatment Plant and Collection System has been operated by W. W. Operation Services, now Veolia. The contract with Suez (now Veolia) was extended through June 30, 2024.

The City will be undertaking several major projects this coming year with the completion of the replacement of the sewer mains in Tawas Street, Fair Avenue from Ninth Avenue to Washington Avenue, as well as replacement of the main in the alley between Beech and Cedar and Miller and Long Lake. Twelfth Avenue and Fourth Avenue will also see sewer replacements. Many improvements at the water recycling plant are also planned as part of this year's budget. The proposed projects are as follows:

EQUIPMENT FUND

This fund owns and maintains the City's fleet of vehicles (except police, ambulance, and older fire vehicles) and construction equipment. Equipment rental is the amount charged to the other city departments for the use of this equipment. Two City Department of Public Works employees provide fleet vehicle maintenance.

Equipment is charged a rental rate, which in turn funds the replacement and maintenance costs. Revenues generated by the sale of outdated equipment will be placed back into the fund for future fund operations.

Purchases for the City's equipment and vehicle fleet are coordinated by the Department of Public Works.

This years capital purchases out of the equipment fund are as follows:

DPW CONSTRUCTION FUND

During the fiscal year 2005-2006, the Alpena Building Authority completed construction of the new Department of Public Works Service Facility on Long Lake Avenue; which is now occupied by the Department of Public Works.

The Building Authority financed this project through the sale of approximately \$1.8-million in bonds. The Building Authority now leases the DPW facility to the City until the bonds are repaid, at which time the City of Alpena will assume direct ownership of it.

Since the City's Equipment Fund rents space in the new facility for storage of the DPW construction equipment and vehicle fleet, the Equipment Fund paid approximately \$120,000 per year to the Building Authority towards repayment of the bonds until 2012-13, then the General Fund began to make the lease payments.

The Alpena Municipal Council has also authorized that the principal amount of \$207,000 in the DPW Construction Fund be retained within this fund and that the investment income only be used for building improvements and stationary building equipment.

There are no capital projects scheduled for 2022-2023.

PUBLIC SAFETY FACILITY CONSTRUCTION FUND

On February 5, 1996, the Municipal council authorized that the principal amount of \$386,000 in the Public Safety Facility Construction fund be retained in the Construction Fund and that the investment income only be used for building improvements and stationary building equipment.

The interest was used for building projects and when it was depleted, Council authorized the use of the principal for continued capital and maintenance projects on the building.

The following are building improvements completed over the years and scheduled through 2016-2017. With completion of the 2016-2017 roof projects, the fund will have no balance left.

Subject: Enterprise Fleet Management Program and Agreements

I have evaluated the Enterprise Fleet Leasing program in consultation with City staff and believe it will assist the City of Alpena with the following goals:

- Provide vehicles that are safe and have current safety features
- Provide vehicles that are appropriate for the job task
- Provide vehicles that improve the workplace environment
- Provide vehicles that assist with a professional image for the City
- Provide vehicles that require less maintenance
- Provide vehicles with better fuel economy
- Replace vehicles before the end of their life

It is my recommendation as City Manager that City Council approve the Enterprise Fleet Management Master Equity Lease Agreement and Enterprise Fleet Management Agreement to Sell Customer Vehicles and authorize me to sign the agreements.

MASTER EQUITY LEASE AGREEMENT

This Master Equity Lease Agreement is entered into this .	day of	, by and between Enterprise FM Trust, a Delaware statutory trust
("Lessor"), and the lessee whose name and address is se	t forth on the signature	page below ("Lessee").

- 1. LEASE OF VEHICLES: Lessor hereby leases to Lessee and Lessee hereby leases from Lessor the vehicles (individually, a "Vehicle" and collectively, the "Vehicles") described in the schedules from time to time delivered by Lessor to Lessee as set forth below ("Schedule(s)") for the rentals and on the terms set forth in this Agreement and in the applicable Schedule. References to this "Agreement" shall include this Master Equity Lease Agreement and the various Schedules and addenda to this Master Equity Lease Agreement. Lessor will, on or about the date of delivery of each Vehicle to Lessee, send Lessee a Schedule covering the Vehicle, which will include, among other things, a description of the Vehicle, the lease term and the monthly rental and other payments due with respect to the Vehicle. The terms contained in each such Schedule will be binding on Lessee unless Lessee objects in writing to such Schedule within ten (10) days after the date of delivery of the Vehicle covered by such Schedule. Lessor is the sole legal owner of each Vehicle. This Agreement is a lease only and Lessee will have no right, title or interest in or to the Vehicles except for the use of the Vehicles as described in this Agreement. This Agreement shall be treated as a true lease for federal and applicable state income tax purposes with Lessor having all benefits of ownership of the Vehicles. It is understood and agreed that Enterprise Fleet Management, Inc. or an affiliate thereof (together with any subservicer, agent, successor or assign as servicer on behalf of Lessor, "Servicer") may administer this Agreement on behalf of Lessor and may perform the service functions herein provided to be performed by Lessor.
- 2. TERM: The term of this Agreement ("Term") for each Vehicle begins on the date such Vehicle is delivered to Lessee (the "Delivery Date") and, unless terminated earlier in accordance with the terms of this Agreement, continues for the "Lease Term" as described in the applicable Schedule.

3. RENT AND OTHER CHARGES:

- (a) Lessee agrees to pay Lessor monthly rental and other payments according to the Schedules and this Agreement. The monthly payments will be in the amount listed as the "Total Monthly Rental Including Additional Services" on the applicable Schedule (with any portion of such amount identified as a charge for maintenance services under Section 4 of the applicable Schedule being payable to Lessor as agent for Enterprise Fleet Management, Inc.) and will be due and payable in advance on the first day of each month. If a Vehicle is delivered to Lessee on any day other than the first day of a month, monthly rental payments will begin on the first day of the next month. In addition to the monthly rental payments, Lessee agrees to pay Lessor a pro-rated rental charge for the number of days that the Delivery Date precedes the first monthly rental payment date. A portion of each monthly rental payment, being the amount designated as "Depreciation Reserve" on the applicable Schedule, will be considered as a reserve for depreciation and will be credited against the Delivered Price of the Vehicle for purposes of computing the Book Value of the Vehicle under Section 3(c). Lessee agrees to pay Lessor the "Total Initial Charges" set forth in each Schedule on the due date of the first monthly rental payment under such Schedule. Lessee agrees to pay Lessor the "Service Charge Due at Lease Termination" set forth in each Schedule at the end of the applicable Term (whether by reason of expiration, early termination or otherwise).
- (b) In the event the Term for any Vehicle ends prior to the last day of the scheduled Term, whether as a result of a default by Lessee, a Casualty Occurrence or any other reason, the rentals and management fees paid by Lessee will be recalculated in accordance with the rule of 78's and the adjusted amount will be payable by Lessee to Lessor on the termination date.
- (c) Lessee agrees to pay Lessor within thirty (30) days after the end of the Term for each Vehicle, additional rent equal to the excess, if any, of the Book Value of such Vehicle over the greater of (i) the wholesale value of such Vehicle as determined by Lessor in good faith or (ii) except as provided below, twenty percent (20%) of the Delivered Price of such Vehicle as set forth in the applicable Schedule. If the Book Value of such Vehicle is less than the greater of (i) the wholesale value of such Vehicle as determined by Lessor in good faith or (ii) except as provided below, twenty percent (20%) of the Delivered Price of such Vehicle as set forth in the applicable Schedule, Lessor agrees to pay such deficiency to Lessee as a terminal rental adjustment within thirty (30) days after the end of the applicable Term. Notwithstanding the foregoing, if (i) the Term for a Vehicle is greater than forty-eight (48) months (including any extension of the Term for such Vehicle), (ii) the mileage on a Vehicle at the end of the Term is greater than 15,000 miles per year on average (prorated on a daily basis) (i.e., if the mileage on a Vehicle with a Term of thirty-six (36) months is greater than 45,000 miles) or (iii) in the sole judgment of Lessor, a Vehicle has been subject to damage or any abnormal or excessive wear and tear, the calculations described in the two immediately preceding sentences shall be made without giving effect to clause (ii) in each such sentence. The "Book Value" of a Vehicle means the sum of (i) the "Delivered Price" of the Vehicle as set forth in the applicable Schedule minus (ii) the total Depreciation Reserve paid by Lessee to Lessor with respect to such Vehicle plus (iii) all accrued and unpaid rent and/or other amounts owed by Lessee with respect to such Vehicle.
- (d) Any security deposit of Lessee will be returned to Lessee at the end of the applicable Term, except that the deposit will first be applied to any losses and/or damages suffered by Lessor as a result of Lessee's breach of or default under this Agreement and/or to any other amounts then owed by Lessee to Lessor.
- (e) Any rental payment or other amount owed by Lessee to Lessor which is not paid within twenty (20) days after its due date will accrue interest, payable on demand of Lessor, from the date due until paid in full at a rate per annum equal to the lesser of (i) Eighteen Percent (18%) per annum or (ii) the highest rate permitted by applicable law (the "Default Rate").
- (f) If Lessee fails to pay any amount due under this Agreement or to comply with any of the covenants contained in this Agreement, Lessor, Servicer or any other agent of Lessor may, at its option, pay such amounts or perform such covenants and all sums paid or incurred by Lessor in connection therewith will be repayable by Lessee to Lessor upon demand together with interest thereon at the Default Rate.

Initials:	EFM	Customer
-----------	-----	----------

- (g) Lessee's obligations to make all payments of rent and other amounts under this Agreement are absolute and unconditional and such payments shall be made in immediately available funds without setoff, counterclaim or deduction of any kind. Lessee acknowledges and agrees that neither any Casualty Occurrence to any Vehicle nor any defect, unfitness or lack of governmental approval in, of, or with respect to, any Vehicle regardless of the cause or consequence nor any breach by Enterprise Fleet Management, Inc. of any maintenance agreement between Enterprise Fleet Management, Inc. and Lessee covering any Vehicle regardless of the cause or consequence will relieve Lessee from the performance of any of its obligations under this Agreement, including, without limitation, the payment of rent and other amounts under this Agreement.
- 4. USE AND SURRENDER OF VEHICLES: Lessee agrees to allow only duly authorized, licensed and insured drivers to use and operate the Vehicles. Lessee agrees to comply with, and cause its drivers to comply with, all laws, statutes, rules, regulations and ordinances and the provisions of all insurance policies affecting or covering the Vehicles or their use or operation. Lessee agrees to keep the Vehicles free of all liens, charges and encumbrances. Lessee agrees that in no event will any Vehicle be used or operated for transporting hazardous substances or persons for hire, for any illegal purpose or to pull trailers that exceed the manufacturer's trailer towing recommendations. Lessee agrees that no Vehicle is intended to be or will be utilized as a "school bus" as defined in the Code of Federal Regulations or any applicable state or municipal statute or regulation. Lessee agrees not to remove any Vehicle from the continental United States without first obtaining Lessor's written consent. At the expiration or earlier termination of this Agreement with respect to each Vehicle, or upon demand by Lessor made pursuant to Section 14, Lessee at its risk and expense agrees to return such Vehicle to Lessor at such place and by such reasonable means as may be designated by Lessor. If for any reason Lessee fails to return any Vehicle to Lessor as and when required in accordance with this Section, Lessee agrees to pay Lessor additional rent for such Vehicle at twice the normal pro-rated daily rent. Acceptance of such additional rent by Lessor will in no way limit Lessor's remedies with respect to Lessee's failure to return any Vehicle as required hereunder.
- 5. COSTS, EXPENSES, FEES AND CHARGES: Lessee agrees to pay all costs, expenses, fees, charges, fines, tickets, penalties and taxes (other than federal and state income taxes on the income of Lessor) incurred in connection with the titling, registration, delivery, purchase, sale, rental, use or operation of the Vehicles during the Term. If Lessor, Servicer or any other agent of Lessor incurs any such costs or expenses, Lessee agrees to promptly reimburse Lessor for the same.
- 6. LICENSE AND CHARGES: Each Vehicle will be titled and licensed in the name designated by Lessor at Lessee's expense. Certain other charges relating to the acquisition of each Vehicle and paid or satisfied by Lessor have been capitalized in determining the monthly rental, treated as an initial charge or otherwise charged to Lessee. Such charges have been determined without reduction for trade-in, exchange allowance or other credit attributable to any Lessor-owned vehicle.
- 7. REGISTRATION PLATES, ETC.: Lessee agrees, at its expense, to obtain in the name designated by Lessor all registration plates and other plates, permits, inspections and/or licenses required in connection with the Vehicles, except for the initial registration plates which Lessor will obtain at Lessee's expense. The parties agree to cooperate and to furnish any and all information or documentation, which may be reasonably necessary for compliance with the provisions of this Section or any federal, state or local law, rule, regulation or ordinance. Lessee agrees that it will not permit any Vehicle to be located in a state other than the state in which such Vehicle is then titled for any continuous period of time that would require such Vehicle to become subject to the titling and/or registration laws of such other state.

8. MAINTENANCE OF AND IMPROVEMENTS TO VEHICLES:

- (a) Lessee agrees, at its expense, to (i) maintain the Vehicles in good condition, repair, maintenance and running order and in accordance with all manufacturer's instructions and warranty requirements and all legal requirements and (ii) furnish all labor, materials, parts and other essentials required for the proper operation and maintenance of the Vehicles. Any alterations, additions, replacement parts or improvements to a Vehicle will become and remain the property of Lessor and will be returned with such Vehicle upon such Vehicle's return pursuant to Section 4. Notwithstanding the foregoing, so long as no Event of Default has occurred and is continuing, Lessee shall have the right to remove any additional equipment installed by Lessee on a Vehicle prior to returning such Vehicle to Lessor under Section 4. The value of such alterations, additions, replacement parts and improvements will in no instance be regarded as rent. Without the prior written consent of Lessor, Lessee will not make any alterations, additions, replacement parts or improvements to any Vehicle which detract from its economic value or functional utility. Lessor will not be required to make any repairs or replacements of any nature or description with respect to any Vehicle, to maintain or repair any Vehicle or to make any expenditure whatsoever in connection with any Vehicle or this Agreement.
- (b) Lessor and Lessee acknowledge and agree that if Section 4 of a Schedule includes a charge for maintenance, (i) the Vehicle(s) covered by such Schedule are subject to a separate maintenance agreement between Enterprise Fleet Management, Inc. and Lessee and (ii) Lessor shall have no liability or responsibility for any failure of Enterprise Fleet Management, Inc. to perform any of its obligations thereunder or to pay or reimburse Lessee for its payment of any costs and expenses incurred in connection with the maintenance or repair of any such Vehicle(s).

9. SELECTION OF VEHICLES AND DISCLAIMER OF WARRANTIES:

- (a) LESSEE ACCEPTANCE OF DELIVERY AND USE OF EACH VEHICLE WILL CONCLUSIVELY ESTABLISH THAT SUCH VEHICLE IS OF A SIZE, DESIGN, CAPACITY, TYPE AND MANUFACTURE SELECTED BY LESSEE AND THAT SUCH VEHICLE IS IN GOOD CONDITION AND REPAIR AND IS SATISFACTORY IN ALL RESPECTS AND IS SUITABLE FOR LESSEE'S PURPOSE. LESSEE ACKNOWLEDGES THAT LESSOR IS NOT A MANUFACTURER OF ANY VEHICLE OR AN AGENT OF A MANUFACTURER OF ANY VEHICLE.
- (b) LESSOR MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO ANY VEHICLE, INCLUDING, WITHOUT LIMITATION, ANY REPRESENTATION OR WARRANTY AS TO CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, IT BEING AGREED THAT ALL SUCH RISKS ARE TO BE BORNE BY LESSEE. THE VEHICLES ARE LEASED "AS IS," "WITH ALL FAULTS." All warranties made by any supplier, vendor and/or manufacturer of a Vehicle are hereby assigned by Lessor to Lessee for the applicable Term and Lessee's only remedy, if any, is against the supplier, vendor or manufacturer of the Vehicle.

Initials:	EFM	Customer
-----------	-----	----------

- (c) None of Lessor, Servicer or any other agent of Lessor will be liable to Lessee for any liability, claim, loss, damage (direct, incidental or consequential) or expense of any kind or nature, caused directly or indirectly, by any Vehicle or any inadequacy of any Vehicle for any purpose or any defect (latent or patent) in any Vehicle or the use or maintenance of any Vehicle or any repair, servicing or adjustment of or to any Vehicle, or any delay in providing or failure to provide any Vehicle, or any interruption or loss of service or use of any Vehicle, or any loss of business or any damage whatsoever and however caused. In addition, none of Lessor, Servicer or any other agent of Lessor will have any liability to Lessee under this Agreement or under any order authorization form executed by Lessee if Lessor is unable to locate or purchase a Vehicle ordered by Lessee or for any delay in delivery of any Vehicle ordered by Lessee.
- 10. RISK OF LOSS: Lessee assumes and agrees to bear the entire risk of loss of, theft of, damage to or destruction of any Vehicle from any cause whatsoever ("Casualty Occurrence"). In the event of a Casualty Occurrence to a Vehicle, Lessee shall give Lessor prompt notice of the Casualty Occurrence and thereafter will place the applicable Vehicle in good repair, condition and working order; provided, however, that if the applicable Vehicle is determined by Lessor to be lost, stolen, destroyed or damaged beyond repair (a "Totaled Vehicle"), Lessee agrees to pay Lessor no later than the date thirty (30) days after the date of the Casualty Occurrence the amounts owed under Sections 3(b) and 3(c) with respect to such Totaled Vehicle. Upon such payment, this Agreement will terminate with respect to such Totaled Vehicle.

11. INSURANCE:

- (a) Lessee agrees to purchase and maintain in force during the Term, insurance policies in at least the amounts listed below covering each Vehicle, to be written by an insurance company or companies satisfactory to Lessor, insuring Lessee, Lessor and any other person or entity designated by Lessor against any damage, claim, suit, action or liability:
- (i) Commercial Automobile Liability Insurance (including Uninsured/Underinsured Motorist Coverage and No-Fault Protection where required by law) for the limits listed below (Note \$2,000,000 Combined Single Limit Bodily Injury and Property Damage with No Deductible is required for each Vehicle capable of transporting more than 8 passengers):

State of Vehicle Registrati	on <u>Coverage</u>
Connecticut, Massachusetts, Maine, New Hampshire, New Jers New York, Pennsylvania, Rhode Island, and Vermo	
Flori	\$500,000 Combined Single Limit Bodily Injury and Property Damage or \$100,000 Bodily Injury Per Person, \$300,000 Per Occurrence and \$50,000 Property Damage (100/300/50) - No Deductible
All Other Stat	\$300,000 Combined Single Limit Bodily Injury and Property Damage or \$100,000 Bodily Injury Per Person, \$300,000 Per Occurrence and \$50,000 Property Damage (100/300/50) - No Deductible

(ii) Physical Damage Insurance (Collision & Comprehensive): Actual cash value of the applicable Vehicle. Maximum deductible of \$500 per occurrence - Collision and \$250 per occurrence - Comprehensive).

If the requirements of any governmental or regulatory agency exceed the minimums stated in this Agreement, Lessee must obtain and maintain the higher insurance requirements. Lessee agrees that each required policy of insurance will by appropriate endorsement or otherwise name Lessor and any other person or entity designated by Lessor as additional insureds and loss payees, as their respective interests may appear. Further, each such insurance policy must provide the following: (i) that the same may not be cancelled, changed or modified until after the insurer has given to Lessor, Servicer and any other person or entity designated by Lessor at least thirty (30) days prior written notice of such proposed cancellation, change or modification, (ii) that no act or default of Lessee or any other person or entity shall affect the right of Lessor, Servicer, any other agent of Lessor or any of their respective successors or assigns to recover under such policy or policies of insurance in the event of any loss of or damage to any Vehicle and (iii) that the coverage is "primary coverage" for the protection of Lessee, Lessor, Servicer, any other agent of Lessor and their respective successors and assigns notwithstanding any other coverage carried by Lessee, Lessor, Servicer, any other agent of Lessor and any other person or entity designated by Lessor as additional insureds and loss payees shall be furnished to Lessor prior to the Delivery Date, and annually thereafter and/or as reasonably requested by Lessor from time to time. In the event of default, Lessee hereby appoints Lessor, Servicer and any other agent of Lessor as Lessee's attorney-in-fact to receive payment of, to endorse all checks and other documents and to take any other actions necessary to pursue insurance claims and recover payments if Lessee fails to do so. Any expense of Lessor, Servicer or any other agent of Lessor in adjusting or collecting insurance shall be borne by Lessee.

Lessee, its drivers, servants and agents agree to cooperate fully with Lessor, Servicer, any other agent of Lessor and any insurance carriers in the investigation, defense and prosecution of all claims or suits arising from the use or operation of any Vehicle. If any claim is made or action commenced for death, personal injury or property damage resulting from the ownership, maintenance, use or operation of any Vehicle, Lessee will promptly notify Lessor of such action or claim and forward to Lessor a copy of every demand, notice, summons or other process received in connection with such claim or action.

(b) Notwithstanding the provisions of Section 11(a) above: (i) if Section 4 of a Schedule includes a charge for physical damage waiver, Lessor agrees	that
(A) Lessee will not be required to obtain or maintain the minimum physical damage insurance (collision and comprehensive) required under Section 11(a)) for
the Vehicle(s) covered by such Schedule and (B) Lessor will assume the risk of physical damage (collision and comprehensive) to the Vehicle(s) covered	d by
such Schedule; provided, however, that such physical damage waiver shall not apply to, and Lessee shall be and remain liable and responsible for, damag	je to
a covered Vehicle caused by wear and tear or mechanical breakdown or failure, damage to or loss of any parts, accessories or components added to a covi	ered

Vehicle by Lessee without the prior written consent of Lessor and/or damage to or loss of any property and/or personal effects contained in a covered Vehicle. In the event of a Casualty Occurrence to a covered Vehicle, Lessor may, at its option, replace, rather than repair, the damaged Vehicle with an equivalent vehicle, which replacement vehicle will then constitute the "Vehicle" for purposes of this Agreement; and (ii) if Section 4 of a Schedule includes a charge for commercial automobile liability enrollment, Lessor agrees that it will, at its expense, obtain for and on behalf of Lessee, by adding Lessee as an additional insured under a commercial automobile liability insurance policy issued by an insurance company selected by Lessor, commercial automobile liability insurance satisfying the minimum commercial automobile liability insurance required under Section 11(a) for the Vehicle(s) covered by such Schedule. Lessor may at any time during the applicable Term terminate said obligation to provide physical damage waiver and/or commercial automobile liability enrollment upon giving Lessee at least ten (10) days prior written notice. Upon such cancellation, insurance in the minimum amounts as set forth in 11(a) shall be obtained and maintained by Lessee at Lessee's expense. An adjustment will be made in monthly rental charges payable by Lessee to reflect any such change and Lessee agrees to furnish Lessor with satisfactory proof of insurance coverage within ten (10) days after mailing of the notice. In addition, Lessor may change the rates charged by Lessor under this Section 11(b) for physical damage waiver and/or commercial automobile liability enrollment upon giving Lessee at least thirty (30) days prior written notice.

- 12. INDEMNITY: To the extent permitted by state law, Lessee agrees to defend and indemnify Lessor, Servicer, any other agent of Lessor and their respective successors and assigns from and against any and all losses, damages, liabilities, suits, claims, demands, costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) which Lessor, Servicer, any other agent of Lessor or any of their respective successors or assigns may incur by reason of Lessee's breach or violation of, or failure to observe or perform, any term, provision or covenant of this Agreement, or as a result of any loss, damage, theft or destruction of any Vehicle or related to or arising out of or in connection with the use, operation or condition of any Vehicle. The provisions of this Section 12 shall survive any expiration or termination of this Agreement. Nothing herein shall be deemed to affect the rights, privileges, and immunities of Lessee and the foregoing indemnity provision is not intended to be a waiver of any sovereign immunity afforded to Lessee pursuant to the law.
- 13. INSPECTION OF VEHICLES; ODOMETER DISCLOSURE; FINANCIAL STATEMENTS: Lessee agrees to accomplish, at its expense, all inspections of the Vehicles required by any governmental authority during the Term. Lessor, Servicer, any other agent of Lessor and any of their respective successors or assigns will have the right to inspect any Vehicle at any reasonable time(s) during the Term and for this purpose to enter into or upon any building or place where any Vehicle is located. Lessee agrees to comply with all odometer disclosure laws, rules and regulations and to provide such written and signed disclosure information on such forms and in such manner as directed by Lessor. Providing false information or failure to complete the odometer disclosure form as required by law may result in fines and/or imprisonment. Lessee hereby agrees to promptly deliver to Lessor such financial statements and other financial information regarding Lessee as Lessor may from time to time reasonably request.
- 14. DEFAULT; REMEDIES: The following shall constitute events of default ("Events of Default") by Lessee under this Agreement: (a) if Lessee fails to pay when due any rent or other amount due under this Agreement and any such failure shall remain unremedied for ten (10) days; (b) if Lessee fails to perform, keep or observe any term, provision or covenant contained in Section 11 of this Agreement; (c) if Lessee fails to perform, keep or observe any other term, provision or covenant contained in this Agreement and any such failure shall remain unremedied for thirty (30) days after written notice thereof is given by Lessor, Servicer or any other agent of Lessor to Lessee; (d) any seizure or confiscation of any Vehicle or any other act (other than a Casualty Occurrence) otherwise rendering any Vehicle unsuitable for use (as determined by Lessor); (e) if any present or future guaranty in favor of Lessor of all or any portion of the obligations of Lessee under this Agreement shall at any time for any reason cease to be in full force and effect or shall be declared to be null and void by a court of competent jurisdiction, or if the validity or enforceability of any such guaranty shall be contested or denied by any guarantor, or if any guarantor shall deny that it, he or she has any further liability or obligation under any such guaranty or if any guarantor shall fail to comply with or observe any of the terms, provisions or conditions contained in any such guaranty; (f) the occurrence of a material adverse change in the financial condition or business of Lessee or any guarantor; or (g) if Lessee or any guarantor is in default under or fails to comply with any other present or future agreement with or in favor of Lessor, The Crawford Group, Inc. or any direct or indirect subsidiary of The Crawford Group, Inc. For purposes of this Section 14, the term "guarantor" shall mean any present or future guarantor of all or any portion of the obligations of Lessee under this Agreement.

Upon the occurrence of any Event of Default, Lessor, without notice to Lessee, will have the right to exercise concurrently or separately (and without any election of remedies being deemed made), the following remedies: (a) Lessor may demand and receive immediate possession of any or all of the Vehicles from Lessee, without releasing Lessee from its obligations under this Agreement; if Lessee fails to surrender possession of the Vehicles to Lessor on default (or termination or expiration of the Term), Lessor, Servicer, any other agent of Lessor and any of Lessor's independent contractors shall have the right to enter upon any premises where the Vehicles may be located and to remove and repossess the Vehicles; (b) Lessor may enforce performance by Lessee of its obligations under this Agreement; (c) Lessor may recover damages and expenses sustained by Lessor, Servicer, any other agent of Lessor or any of their respective successors or assigns by reason of Lessee's default including, to the extent permitted by applicable law, all costs and expenses, including court costs and reasonable attorneys' fees and expenses, incurred by Lessor, Servicer, any other agent of Lessor or any of their respective successors or assigns in attempting or effecting enforcement of Lessor's rights under this Agreement (whether or not litigation is commenced) and/or in connection with bankruptcy or insolvency proceedings; (d) upon written notice to Lessee, Lessor may terminate Lessee's rights under this Agreement; (e) with respect to each Vehicle, Lessor may recover from Lessee all amounts owed by Lessee under Sections 3(b) and 3(c) of this Agreement (and, if Lessor does not recover possession of a Vehicle, (i) the estimated wholesale value of such Vehicle for purposes of Section 3(c) shall be deemed to be \$0.00 and (ii) the calculations described in the first two sentences of Section 3(c) shall be made without giving effect to clause (ii) in each such sentence); and/or (f) Lessor may exercise any other right or remedy which may be available to Lessor under the Uniform Commercial Code, any other applicable law or in equity. A termination of this Agreement shall occur only upon written notice by Lessor to Lessee. Any termination shall not affect Lessee's obligation to pay all amounts due for periods prior to the effective date of such termination or Lessee's obligation to pay any indemnities under this Agreement. All remedies of Lessor under this Agreement or at law or in equity are cumulative.

15. ASSIGNMENTS: Lessor may from time to time assign, pledge or transfer this Agreement and/or any or all of its rights and obligations under this Agreement
to any person or entity. Lessee agrees, upon notice of any such assignment, pledge or transfer of any amounts due or to become due to Lessor under this
Agreement to pay all such amounts to such assignee, pledgee or transferee. Any such assignee, pledgee or transferee of any rights or obligations of Lessor under
this Agreement will have all of the rights and obligations that have been assigned to it. Lessee's rights and interest in and to the Vehicles are and will continue

at all times to be subject and subordinate in all respects to any assignment, pledge or transfer now or hereafter executed by Lessor with or in favor of any such assignee, pledgee or transferee, provided that Lessee shall have the right of quiet enjoyment of the Vehicles so long as no Event of Default under this Agreement has occurred and is continuing. Lessee acknowledges and agrees that the rights of any assignee, pledgee or transferee in and to any amounts payable by the Lessee under any provisions of this Agreement shall be absolute and unconditional and shall not be subject to any abatement whatsoever, or to any defense, setoff, counterclaim or recoupment whatsoever, whether by reason of any damage to or loss or destruction of any Vehicle or by reason of any defect in or failure of title of the Lessor or interruption from whatsoever cause in the use, operation or possession of any Vehicle, or by reason of any indebtedness or liability howsoever and whenever arising of the Lessor or any of its affiliates to the Lessee or to any other person or entity, or for any other reason.

Without the prior written consent of Lessor, Lessee may not assign, sublease, transfer or pledge this Agreement, any Vehicle, or any interest in this Agreement or in and to any Vehicle, or permit its rights under this Agreement or any Vehicle to be subject to any lien, charge or encumbrance. Lessee's interest in this Agreement is not assignable and cannot be assigned or transferred by operation of law. Lessee will not transfer or relinquish possession of any Vehicle (except for the sole purpose of repair or service of such Vehicle) without the prior written consent of Lessor.

- 16. MISCELLANEOUS: This Agreement contains the entire understanding of the parties. This Agreement may only be amended or modified by an instrument in writing executed by both parties. Lessor shall not by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies under this Agreement and no waiver whatsoever shall be valid unless in writing and signed by Lessor and then only to the extent therein set forth. A waiver by Lessor of any right or remedy under this Agreement on any one occasion shall not be construed as a bar to any right or remedy, which Lessor would otherwise have on any future occasion. If any term or provision of this Agreement or any application of any such term or provision is invalid or unenforceable, the remainder of this Agreement and any other application of such term or provision will not be affected thereby. Giving of all notices under this Agreement will be sufficient if mailed by certified mail to a party at its address set forth below or at such other address as such party may provide in writing from time to time. Any such notice mailed to such address will be effective one (1) day after deposit in the United States mail, duly addressed, with certified mail, postage prepaid. Lessee will promptly notify Lessor of any change in Lessee's address. This Agreement may be executed in multiple counterparts (including facsimile and pdf counterparts), but the counterpart marked "ORIGINAL" by Lessor will be the original lease for purposes of applicable law. All of the representations, warranties, covenants, agreements and obligations of each Lessee under this Agreement (if more than one) are joint and several.
- 17. SUCCESSORS AND ASSIGNS; GOVERNING LAW: Subject to the provisions of Section 15, this Agreement will be binding upon Lessee and its heirs, executors, personal representatives, successors and assigns, and will inure to the benefit of Lessor, Servicer, any other agent of Lessor and their respective successors and assigns. This Agreement will be governed by and construed in accordance with the substantive laws of the State of Missouri (determined without reference to conflict of law principles).
- 18. NON-PETITION: Each party hereto hereby covenants and agrees that, prior to the date which is one year and one day after payment in full of all indebtedness of Lessor, it shall not institute against, or join any other person in instituting against, Lessor any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or other similar proceeding under the laws of the United States or any state of the United States. The provisions of this Section 18 shall survive termination of this Master Equity Lease Agreement.
- 19. NON-APPROPRIATION: Lessee's funding of this Agreement shall be on a Fiscal Year basis and is subject to annual appropriations. Lessor acknowledges that Lessee is a municipal corporation, is precluded by the County or State Constitution and other laws from entering into obligations that financially bind future governing bodies, and that, therefore, nothing in this Agreement shall constitute an obligation of future legislative bodies of the County or State to appropriate funds for purposes of this Agreement. Accordingly, the parties agree that the lease terms within this Agreement or any Schedules relating hereto are contingent upon appropriation of funds. The parties further agree that should the County or State fail to appropriate such funds, the Lessor shall be paid all rentals due and owing hereunder up until the actual day of termination. In addition, Lessor reserves the right to be paid for any reasonable damages. These reasonable damages will be limited to the losses incurred by the Lessor for having to sell the vehicles on the open used car market prior to the end of the scheduled term (as determined in Section 3 and Section 14 of this Agreement).

IN WITNESS WHEREOF, Lessor and Lessee have duly executed this Master Equity Lease Agreement as of the day and year first above written.

AGREEMENT TO SELL CUSTOMER VEHICLES

AGREEMENT TO GET AGREEMENT AFTIGETS
THIS AGREEMENT is entered into by and among the entities set forth on the attached Schedule 1 (hereinafter each an "Enterprise Entity" and collectively the "Enterprise Entities") and Enterprise Fleet Management, Inc. (hereinafter referred to as "EFM") (the "Enterprise Entities" and "EFM" shall collectively be referred to as "Enterprise") on the one hand and (hereinafter referred to as "CUSTOMER"), on the other hand on this day of, (hereinafter referred to as the "Execution Date").
RECITALS
A. Enterprise FM Trust and CUSTOMER have entered into an agreement whereby Customer has agreed to lease certain vehicles set forth in the agreement between Customer and Enterprise FM Trust;
B. EFM is the servicer of the lease agreement between Enterprise FM Trust and Customer;
C. Enterprise, from time to time, sells vehicles at wholesale auctions and other outlets; and
D. The CUSTOMER and Enterprise wish to enter into an agreement whereby Enterprise will sell at wholesale, CUSTOMER's vehicles set forth on Exhibit A, attached hereto and incorporated herein, as supplemented from time to time (collectively, the "Vehicles").
NOW, THEREFORE, for and in consideration of the mutual promises and covenants hereinafter set forth, the parties agree as follows:
TERMS AND CONDITIONS
1. Right to Sell: Enterprise shall have the non-exclusive right to sell any Vehicles assigned to Enterprise by CUSTOMER, or under consignment from Customer to Enterprise, as the case may be dependent upon applicable law in the jurisdiction in which the Vehicle is to be sold. For Vehicles to be sold under assignment, Customer shall assign the title to Enterprise and deliver the assigned title to Enterprise with the Vehicle. For Vehicles to be sold under consignment, Customer shall execute a consignment agreement granting Enterprise power in any and all matters pertaining to the transfer of Vehicle titles and any papers necessary thereto on behalf of CUSTOMER.
2. Additional Documentation: Where necessary, CUSTOMER shall execute any and all additional documentation, required to effectuate the sale of Vehicle(s).
3. <u>Service Fee</u> : For each Vehicle sold, the CUSTOMER shall pay Enterprise an administrative fee of the lesser of \$ or the maximum permitted by law ("Service Fee").
4. <u>Sales Process</u> : Enterprise shall use reasonable efforts in its sole discretion to sell each Vehicle. CUSTOMER may, at its discretion, place a Minimum Bid or Bid to be Approved (BTBA) on any Vehicle by providing prior written notification to Enterprise. Enterprise shall have full discretion to accept any bid at or above the designated minimum bid or BTBA. Absent any such minimum bid or BTBA, Enterprise shall have full discretion to accept any bid on a Vehicle.
5. <u>Time for Payment</u> :

(b) Enterprise's obligations pursuant to Section 5(a) shall not apply to Vehicle sales involving mistakes or inadvertences in the sales process where Enterprise reasonably believes in its sole discretion that fairness to the buyer or seller justifies the cancellation or reversal of the sale. If Enterprise has already remitted payment to CUSTOMER pursuant to Section 5(a) prior to the sale being reversed or cancelled, CUSTOMER agrees to reimburse Enterprise said payment in full. Enterprise will then re-list the Vehicle and pay CUSTOMER in accordance with this Section 5. Examples of mistakes or inadvertences include, but are not limited, to Vehicles sold using inaccurate or incomplete vehicle or title descriptions and bids entered erroneously.

(a) No later than twenty-one (21) business days after the collection of funds by Enterprise for the sale of a Vehicle, Enterprise will remit to the CUSTOMER an amount equal to the Vehicle sale price minus any seller fees, auction fees, Service Fees, towing costs, title service fees, enhancement fees and any expenses incurred by Enterprise while selling Vehicle, regardless of whether the purchaser pays for the

Vehicle.

- 6. <u>Indemnification and Hold Harmless</u>: Except as otherwise provided herein, CUSTOMER agrees to indemnify, defend and hold EFM and each Enterprise Entity and their parents and affiliated entities, employees and agents harmless to the extent any loss, damage, or liability arises from EFM or any Enterprise Entity's use or operation of a vehicle and for the negligence or willful misconduct of Customer, its agents or employees, and for its breach of any term of this Agreement. The parties' obligations under this section shall survive termination of this Agreement.
- 7. Risk of Loss: Notwithstanding anything to the contrary hereunder, CUSTOMER shall assume all risk of loss for damage to or loss of any Vehicle or any part or accessory regardless of fault or negligence of CUSTOMER, Enterprise, EFM or any other person or entity or act of God.
- 8. <u>Liens, Judgments, Titles and Defects</u>: CUSTOMER represents and warrants it holds full legal title to each such Vehicle, title to each such Vehicle is clean and not subject to being branded for any reason, or requires any form of additional disclosure to a purchaser and that there are no open recalls on each such Vehicle. CUSTOMER shall defend, indemnify and hold Enterprise, EFM, their parents, employees and agents harmless from and against any and all claims, expenses (including reasonable attorney's fees), suits and demands arising out of, based upon, or resulting from any judgments, liens or citations that were placed on the Vehicle, defects in the Vehicle's title, or mechanical or design defects in the Vehicle.
- 9. <u>Odometer</u>: Neither EFM nor Enterprise assume responsibility for the correctness of the odometer reading on any Vehicle and the CUSTOMER shall defend, indemnify and hold EFM, Enterprise, their parents, employees and agents harmless from and against any and all claims, expenses (including reasonable attorney's fees), suits and demands arising out of, based upon or resulting from inaccuracy of the odometer reading on any Vehicle or any odometer statement prepared in connection with the sale of any Vehicle, unless such inaccuracy is caused by EFM, Enterprise, their employees or officers.
- 10. <u>Bankruptcy</u>: Subject to applicable law, in the event of the filing by CUSTOMER of a petition in bankruptcy or an involuntary assignment of its assets for the benefit of creditors, EFM or Enterprise may accumulate sales proceeds from the sale of all Vehicles and deduct seller fees, auction fees, Service Fees, towing costs, title service fees, enhancement fees and any expenses incurred by EFM or Enterprise while selling Vehicle from said funds. EFM or Enterprise will thereafter remit to CUSTOMER the net proceeds of said accumulated sales proceeds, if any.
- 11. <u>Compliance with Laws</u>: EFM, Enterprise and CUSTOMER shall comply with all federal, state, and local laws, regulations, ordinances, and statutes, including those of any state motor vehicle departments, department of insurance, and the Federal Odometer Act.
- 12. <u>Insurance</u>: CUSTOMER shall maintain and provide proof of Automobile Liability Insurance until the later of title transfer to purchaser of Vehicle or transfer of sales proceeds to Customer covering liability arising out of maintenance, use or operation of any Vehicle (owned, hired and non-owned) under this Agreement, with limits of not less than one million dollars (\$1,000,000) per occurrence for bodily injury and property damage. EFM, Enterprise, and their subsidiaries and affiliates are to be named as Additional Insureds. This insurance shall be written as a primary policy and not contributing with any insurance coverage or self-insurance or other means of owner's financial responsibility applicable to EFM or Enterprise. CUSTOMER must waive and must require that its insurer waive its right of subrogation against EFM and Enterprise and their affiliates, employees, successors and permitted assigns on account of any and all claims CUSTOMER may have against EFM or Enterprise with respect to insurance actually carried or required to be carried pursuant to this Agreement.
- 13. <u>Term</u>: This agreement is effective on the Execution Date and shall continue until such time as either party shall notify the other party with thirty (30) days prior written notice to terminate the Agreement with or without cause.
- 14. <u>Modification</u>: No modification, amendment or waiver of this Agreement or any of its provisions shall be binding unless in writing and duly signed by the parties hereto.
- 15. <u>Entire Agreement</u>: This Agreement constitutes the entire Agreement between the parties and supersedes all previous agreements, promises, representations, understandings, and negotiations, whether written or oral, with respect to the subject matter hereto.
- 16. <u>Liability Limit</u>: EXCEPT TO THE EXTENT A PARTY HERETO BECOMES LIABLE FOR ANY DAMAGES OF THE TYPES DESCRIBED BELOW TO A THIRD PARTY AS A RESULT OF A THIRD PARTY CLAIM AND SUCH PARTY IS ENTITLED TO INDEMNIFICATION WITH RESPECT THERETO UNDER THE PROVISIONS OF THIS AGREEMENT, IN NO EVENT SHALL EITHER PARTY HEREUNDER BE LIABLE TO OTHER PARTY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, EXEMPLARY, OR INDIRECT DAMAGES (INCLUDING WITHOUT LIMITATION, LOSS OF GOODWILL, LOSS OF PROFITS OR REVENUES, LOSS OF SAVINGS AND/OR INTERRUPTIONS OF BUSINESS), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- 17. Attorney's Fees: In the event that a party hereto institutes any action or proceeding to enforce the provisions of this Agreement, the prevailing party shall be entitled to receive from the losing party reasonable attorney's fees and costs for legal services rendered to the prevailing party.

- 18. <u>Authorization</u>: Each party represents and warrants to the other party that the person signing this Agreement on behalf of such party is duly authorized to bind such party.
- 19. <u>Independent Contractor</u>: EFM and Enterprise shall perform the services hereunder as an independent contractor of Customer and no term of this Agreement shall be deemed or construed to render CUSTOMER and EFM or Enterprise as joint venturers or partners.
- 20. <u>Unsold Vehicles</u>: Should such Vehicle not sell, Customer shall pick up Vehicle within five (5) business days of being provided notice that the Vehicle has not been sold and, for Vehicles assigned to Enterprise by Customer, Enterprise shall assign title back to CUSTOMER.

VIA EMAIL

City of Alpena The Honorable Matthew Waligora - Mayor Anna Soik - Clerk 208 North First Avenue Alpena Michigan 49707

Dear Matthew Waligora and Anna Soik:

SUBJECT: New Flood Insurance Rate Maps (FIRMs) for Alpena County

The Federal Emergency Management Agency (FEMA) has completed new FIRMs for Alpena County. The FIRMs are scheduled to go into effect on June 1, 2022. Your community should have recently received a letter from FEMA indicating this is the case.

Your community currently participates in the National Flood Insurance Program (NFIP). As a member of the NFIP, your community must have an ordinance that properly adopts the new FIRMs effective prior to June 1, 2022.

There is a sample ordinance available online at: www.mi.gov/floodplainmanagement then select "NFIP Map Modernization." Also, a virtual workshop will be available for community officials on Thursday, January 20, 2022, at 1:00 pm to answer questions about the FIRM adoption process. Please contact me at the email below to obtain more information on the workshop.

Note that federal NFIP minimum requirements and the Michigan Construction Codes with Appendix G, regulate all development within the floodplain. Development is defined as any man-made change, and includes activities such as filling, grading, septic systems, and agricultural buildings. If your community needs additional information on the requirements or training, please contact me.

The completed ordinance or ordinance amendment documents should be submitted to my attention. After my office has reviewed them, I will send them to FEMA for final approval. If the documents have not been approved by FEMA prior to the effective date of the FIRM, your community will be suspended from the NFIP. Suspension will result in flood insurance no longer being available in the community. This means for federally backed mortgages in the floodplain, the lenders will require people to seek private insurance (through Lloyds of London for example) at extremely high rates. Some forms of Federal disaster assistance are also not available in suspended communities.

I can review draft documents before they are voted on or approved by community officials to assure, they will meet FEMA's requirements. All FIRM panels that cover your community need to be listed in the ordinance. The following need to be listed in the ordinance: The Flood Insurance Study for Alpena County, all Jurisdictions, effective June1 ,2022 and the FIRM panels 26007C0255D, 26007C0261D, effective November 16, 2011, and 26007CIND0B, 26007C0260E, 26007C0262E, 26007C0266E, 26007C0280E, effective June 1, 2022.

If you have questions, please contact me at OcchipintiM@Michigan.gov or at 616-204-1708. It is preferred that documents are emailed to me at the above address.

Sincerely,

Matthew Occhipinti, PE, CFM

Michigan Small Business Development Center (SBDC) City of Alpena Proposal Lake Huron Region SBDC

The Michigan SBDC offers consulting services to entrepreneurs looking to start or grow a business. SBDC consultants assist business owners with growing their business and strategizing for the future. The SBDC holds educational workshops covering topics like: starting a business, accounting, finance, marketing, human resources, and operations management. Finally, their consulting services cover business plan development, market research, raising capital, technology commercialization, financial management, export strategy, strategic planning, and organizational development.

Saginaw Valley State University (SVSU) is the host of the Lake Huron Region SBDC, (Alcona, Alpena, Arenac, Bay, Cheboygan, Crawford, Iosco, Midland, Montmorency, Ogemaw, Oscoda, Otsego, Presque Isle, Roscommon, Saginaw counties.)

Funding to support the SBDC comes from the federal level through the U.S. Small Business Administration (SBA), the state level through the Michigan Economic Development Corporation (MEDC), SBDC's host institutions, municipal government supporters, as well as private businesses and foundations that support operations at the regional level. Support from the state, regional and local partners provides the cash match required for the federal SBA funding.

For many years, an SBDC senior business consultant actively participated in Target Alpena's (Target) loan process. Target directly referred many businesses seeking financing for no-cost assistance in creating their business plans, financial projections, and overall growth strategies. The consultant reported to the Target loan committee when the applicant submitted their request and would meet with the committee to answer questions about the business plan upon request. In addition, Target required approved borrowers to regularly submit financials for the SBDC review, and updates on existing borrowers' progress were provided to the committee when requested.

Over the course of the past four years (2018-2021), there have been: 29 new businesses started, over \$6.2 million in capital formation, and 172 jobs created and retained by working with 63 unique entrepreneurs and small businesses.

The Lake Huron SBDC team would continue to offer this valuable partnership moving forward, and looks forward to strengthening the small business ecosystem in Alpena.

The following is a proposal for the City of Alpena to become a supporter of the Lake Huron SBDC hosted at SVSU.

This proposal asks for the City of Alpena to support the SBDC at a rate of \$10,000 for one year, beginning on July 1, 2022, and continuing through June 30, 2023.

The SBDC's consultants are knowledgeable on many of the SBA programs and services and have vast experience in coordinating with lenders to educate and provide resources to businesses. These joint efforts will result in increased capital formation for the community, more dollars entering our microeconomy, more legitimate business starts and more investments for growth.

We will provide intentional outreach to key partners such as the MEDC, main street businesses, lenders, and other entities to improve the coordination and provide a faster connection point to direct 1:1 service and help identify immediate solutions.

The Michigan SBDC support resources and educational tools include:

- The Comeback Kit: an online resource designed for Michigan small business owners and entrepreneurs to evaluate their financials, understand where they are today, and recognize what they need to do to get healthier tomorrow. The module includes:
 - o Defining Your Situation & Taking Action
 - Financial Analysis
 - Z-scores and Appropriate Actions to Take
 - Business Closing Checklist, Business Turnaround Checklist and Business Fitness Checkup Tool
 - Growth and Export Strategies
- Consulting Support: industry experts that provide 1:1 consulting to assist with
 - o Business recovery strategies
 - E-commerce solutions
 - Business plans
 - o Cash flow analysis
 - o Marketing initiatives
 - Access to local, state and federal programs for small business
 - Access to funding sources, including microloan programs, traditional bank financing, venture capital, angel investors, and federal grant programs (SBIR and STTR)
 - Market Research
- Small Business Fundamentals training: such as
 - Starting a Business
 - Writing a Business Plan
 - o Financial Management
 - Marketing Your Business
 - Hiring your First Employees

In addition, small businesses will have access to our entire team and specialized services as needed, such as Cybersecurity for Small Business, Growth Team consultants to help businesses looking to expand, scale or sell, and Tech Team consultants offering commercialization services to technology companies.

By becoming a supporter, the SBDC and SVSU will provide the following:

- Direct access to a certified SBDC business consultant for one-to-one support for local businesses
- Consulting with current or prospective business owners in Alpena, at a location selected by the client
- SBDC consultant to attend City of Alpena events and meetings on request;
- One educational workshop per quarter (3-months) by the SBDC
- Invitations to all SVSU College of Business Virtual and On-Campus Related Events
- Reduced rates for renting conference center and classroom space at SVSU
- Access to easy-to-comprehend market research reports that provide industry information for businesses of all sizes

Accountability Measures

The Michigan SBDC has systems in place to continually assess the effectiveness of the programs offered. The performance standards to evaluate this program will include the following measures:

- Number of clients served
- Training sessions hosted
- Training hours
- Consulting and prep hours
- Capital formation
- Jobs created & jobs retained
- New businesses started

Subject: Downtown Stamped Concrete Bid Recommendation

On April 26, 2022, the City received and opened bids for the Downtown Stamped Concrete. This project is intended to replace deficient brick pavers with colored, stamped concrete within the city limits. This year, existing brick pavers along Carter Street and entering the Carter Street Parking area will be replaced.

Bid documents were sent to (7) seven vendors as well as posted on the City's website with (3) three bids received as follows:

Zann Brothers \$18,000

Alpena, MI

Ryan Bros, Inc \$20,700

Ossineke, MI

Bedrock Contracting \$26,034

Alpena, MI

Zann Brothers has experience with this work and has completed several similar projects in the past. It is, therefore, my recommendation, as City Engineer, to award the Downtown Stamped Concrete to Zann Brothers, for the unit prices totaling \$18,000.

Subject: HMA Patching Program Bid Recommendation

On April 26, 2022, the City received and opened bids for the HMA (Hot Mixed Asphalt) Patching Program for 2022. This contract provides bituminous asphalt services to the City, as needed, with costs billed to the appropriate line item where the work is performed. Bid documents were sent to (5) five vendors as well as posted on the City's website with (1) one bid received as follows:

Goodrich Trucking

Alpena \$100,350

Goodrich Trucking is currently the 2021 HMA Patching contractor for the City of Alpena. The proposed bid prices, as expected, have increased approximately \$12,600 over the previous year due to increased fuel and material cost.

As the work is predominantly small patches, it is not a lucrative project for an out-of-town contractor to undertake. The intent of the contract is to accumulate pricing for multiple items which may or may not be required over the course of the year. Previous year's contract totals have been averaging around \$65,000. This amount is driven by the amount of work completed by city forces. The attached bid tab outlines these unit prices.

It is my recommendation, as City Engineer, to award the 2022 HMA Patching Contract to Goodrich Trucking, for the unit prices totaling \$100,350. This contract does allow for the possibility of an additional (1) one year renewal if both parties can agree on pricing.

Subject: Water and Sewer Rates for Fiscal Year 2022-2023

With the budget nearing completion, the budgeted costs for water and sewer can now be utilized in developing the proposed water and sewer rates for next fiscal year. As I began the process, last fiscal year's water and sewer volumes were obtained from the utility office, as has been the standard practice in developing rates for the past several years. The sewer volume billed was 439,157 - 1,000-gallon units and the water volume was 493,737 - 1,000-gallon units.

Based on past practice, the volumes and dollars in the calculations are based on a 5-year rolling average. The difference from FY21 to proposed FY22 is shown below:

Volumes Utilized in Rate Calculations							
Utility	2021-2022	2022-2023	Difference	% Difference			
Sewer	465,557	448,313	-17,244	-3.70%			
Water	490,771	493,180	2,409	0.49%			

As can be seen, the utilities show a negligible difference from last year. For the proposed FY 2023 the 5-year average for operation and maintenance costs are as follows:

Operation & Maintenance Costs Utilized in Rate Calculations							
Utility	2021-2022	2022-2023	Difference	% Difference			
Sewer	2,074,011	2,076,492	2,481	0.12%			
Water	2,160,400	2,240,985	80,585	3.73%			

With the volumes staying somewhat constant or decreasing slightly, and costs increasing by an average of 2% the need for a minimal increase in rates to achieve the funding level needed to operate and maintain our system is evident.

Upon generating the calculations, the increases proposed, for water and sewer are as follows:

Proposed Rate Modifications 2020-2021								
Utility	2021-2022 Rates	2022-2023 Rates	Difference	Percentage Increase				
Water	\$6.65	\$6.78	\$0.13	1.95%				
Sewer	\$6.79	\$6.94	\$0.15	2.21%				
Totals	\$13.44	\$13.72	\$0.28	2.08%				

With the proposed rates as shown above, the City would anticipate generating approximately \$1,917,577 for reinvestment into the systems for capital improvements.

If the above rates are approved, the Table in the annual budget would be as follows:

Ready to Serve Charge – Quarterly	Water	Sewer	Total
1" Meter or less	\$15.00	\$15.00	\$30.00
Greater than a 1" but less than a 2" meter	\$90.00	\$90.00	\$180.00
2"-less than a 3" Meter	\$225.00	\$225.00	\$450.00
3" Meter	\$270.00	\$270.00	\$540.00
4" Meter	\$375.00	\$375.00	\$750.00
6" and larger Meter	\$750.00	\$750.00	\$1,500.00
Operation & Maintenance Charge/1,000 Gallons	\$4.03	\$4.14	\$8.17
Debt Service Charge/1,000 Gallons	\$0.45	\$0.50	\$0.95
O&M and Debt Totals	\$4.48	\$4.64	\$9.12
Infrastructure Replacement Charge/1,000 Gallons	\$2.30	\$2.30	\$4.60
Totals Commodity Charge/1,000 Gallons	\$6.78	\$6.94	\$13.72
Billing Service Charge - Quarterly	\$3.33	\$3.33	\$6.66
Above commodity costs are per 1,000 gallons consumed, Water – \$6.78, Sewer – \$6.94			
Billing Service Charge and Ready to Serve Charge are Quarterly Flat Charges
