MINUTES
City of Alpena Planning Commission
Regular Meeting (Council Chambers and Virtual)
November 13, 2023 Alpena, Michigan

CALL TO ORDER:

The regular meeting of the Planning Commission was called to order at 6:00 p.m. by Randy Boboltz, Planning Commission Chairman.

ROLL CALL: PLANNING COMMISSION

PRESENT: Peterson, Boboltz, Gilmore, Moses, Kostelic, Sundin, Kemp

ABSENT: Wojda, VanWagoner

STAFF: Montiel Birmingham (Planning, Development, and Zoning Director), Kathleen Sauve (Recording Secretary)

PLEDGE OF ALLEGIANCE: Pledge of Allegiance was recited.

APPROVAL OF AGENDA: Agenda was approved and amended to add to New Business the 2024 Schedule and Discussion of the addition of a Recreational Sub Committee.

APPROVAL OF MINUTES: Meeting October 10, 2023, minutes were approved as printed. Meeting October 11, minutes were approved as amended - Page 4, paragraph 3, line 9, 10, and 11 modified with addition of italicized text 'Sundin said the other parks have always been a priority because they are ***higher profile and more visible*** within the City for tourists, but McRae is more of a neighborhood park; the community building, and concession stand need some attention.'

Boboltz did not explain the order of procedures for the public hearing as there was nobody from the public in attendance in person or online.

PUBLIC HEARING AND COMMISSION ACTION: Case # TXT23-01 Text Amendment – Tattoo and Piercing Studios to allow them by Right in the CBD, CCD, B2, B3, & I1 districts – Birmingham provided the Planning Commission with a memo in their public packets to explain the proposed text amendment (Appendix A) and the proposed revised Zoning Matrix (Appendix B). As there was no public in attendance and the Board had sufficient time to review the request prior to the public hearing, it was agreed that the public hearing could be closed at 6:07 pm for the Board to deliberate.

Sundin asked if a spacing requirement had been considered such as with the marihuana establishments. Birmingham said no it had not been considered. Peterson said she didn't think [Alpena] would grow that robustly to support a distance separation for this particular use, although she also felt they should not be clustered together but that is across the board in any industry; she did not see it as being an issue here. Sundin said that the other tattoo shop may have fallen under the service business, which was allowed in the CBD at the time, and if a case cannot be found [for a text or map change], then it did not happen.

Kostelic ***motioned*** to approve the text change amendment for tattoo and piercing studios as outlined in the packet [allow by Right in the CBD, CCD, B2, B3, & I1 districts].

Peterson ***seconded*** the motion.

Motion ***approved*** by unanimous vote.

UNFINISHED BUSINESS: None.

NEW BUSINESS: 2024 Planning Commission Schedule – After some discussion, February's date was amended from Tuesday February 13th to Monday February 12th.

Sundin ***motioned*** to approve the 2024 schedule as amended.

Moses ***seconded*** the motion to approve.

Motion ***passed*** by unanimous vote.

Recreational Sub Committee Discussion – Gilmore asked what happened to the Intergovernmental Group that the County had at one time. Birmingham said that there is an Intergovernmental Council group currently, made up of City Council and Township representatives; there used to be a Rec-type subcommittee that was dissolved after the Apex was built for reasons unknown to her. She said that she would reach out to Mary Catherine Hannah to get more details. Sundin said that a new group could be created with someone from each Planning Commission, not necessarily elected officials, using the Intergovernmental group as a vehicle for creating it. Gilmore said that it sounded like a great idea that somehow failed before.

COMMUNICATIONS OR REPORTS: None.

CONTINUING EDUCATION: Three articles from MSU Exchange were provided to read at their leisure as follows: Overlay Zoning Districts Can Be a Valuable Tool, Zoning and Police Power Ordinances are Not the Same, Understanding Nonconformity – Are You “Grandfathered” In?

PUBLIC COMMENT: None.

MEMBERS’ COMMENTS: None.

ADJOURNMENT: There being no further business, the meeting was adjourned at 6:24 p.m., by Boboltz, Planning Commission Chairman.

Clayton C. VanWagoner, Secretary

MINUTES
City of Alpena Planning Commission
Special Meeting (Council Chambers and Virtual)
November 27, 2023 Alpena, Michigan

CALL TO ORDER:

The regular meeting of the Planning Commission was called to order at 6:00 p.m. by Randy Boboltz, Planning Commission Chairman.

ROLL CALL: PLANNING COMMISSION

PRESENT: Peterson, Boboltz, Gilmore, Moses, Kostelic, Sundin, Wojda, Kemp

ABSENT: VanWagoner

STAFF: Montiel Birmingham (Planning, Development, and Zoning Director), Kathleen Sauve (Recording Secretary)

OTHERS PRESENT: Approximate count of 22 citizens in attendance.

PLEDGE OF ALLEGIANCE: Pledge of Allegiance was recited.

APPROVAL OF AGENDA: Agenda was approved as printed.

APPROVAL OF MINUTES: Meeting November 9, 2023, minutes were approved as printed.
Meeting November 13, 2023, minutes were approved as printed.

Boboltz explained the order of procedures for the public hearing.

Speaking out of order, Carl Silver, owner of 306 Lockwood Street, and Angie Skiba, owner of 635 River Street, stated that they did not receive notice of the meeting; Silver requested that the meeting be adjourned. Birmingham confirmed that all property owners within 300 feet of the subject property were sent notices of the special meeting; there is a record if any are returned, and she would confirm. Boboltz requested that Silver desist and instructed Birmingham to proceed with her Staff Report.

PUBLIC HEARING AND COMMISSION ACTION: **Case # SU-23-05 – Special Land Use Request – Center of Charity Warming Shelter, 324 W. Chisholm Street** – Applicant and Owner request to allow an emergency warming shelter within the St. Bernard’s Church property’s Center of Charity. The location of the shelter would be in the former school building where other

community services are currently taking place, specifically St. Bernard's Catholic Church, Madonna House Ministry, Friendship Room, Baby Pantry, and Children's Closet.

Birmingham presented the Finding of Fact report (see Appendix A), Special Land Use Standards (see Appendix C), and Supplemental Regulations Section 7.27 (see Appendix D).

FAVOR: Father Tyler Bishoff, Pastor at All Saints Parish, spoke in favor of the proposal and gave some history on the building. He explained that the City approached him about the issue of homelessness, the Parish saw this as part of their ten-year Strategic Plan; they saw the Emergency Warming Shelter as the Friendship Room expanding for a few more hours of operation. He said that they are open to considering just daytime use at this point, with the option of overnight only in emergency situations due to outdoor temperature. They were able to hire a director and the Michigan Health Endowment fund gave them two years of funding to help get them started.

Christina Kihn, director of the Emergency Warming Shelter at the Center of Charity, shared a speech she prepared which included information about homelessness, statistics on the topic, and why this proposal is so important to them. She then shared proposed floor plans room by room, the entryway from Fifth Avenue, procedures once they enter, and exit routes.

Larry LaCross, Clinical Supervisor for Catholic Human Services, spoke in favor of the project and commended City leadership for helping to come up with this plan. He explained how people living unsheltered is a rapidly growing problem in the area, the partnerships that [CMH] has with other agencies in the area and how they encounter [homeless people] in all different settings. He also explained some situations in which people can become homeless, how the other shelters in the area have a different purpose, and why this is a good location for this proposed emergency shelter. He spoke about safety and that it is an understandable concern however, having the services to bring people in off the street and giving them access to greater case management services, substance abuse and mental health treatment and a pathway to get housing would hopefully result in a safer neighborhood.

Mike Erickson, President of the Northern Region of MyMichigan Health, stated that he was the individual who made the initial phone call to the City about the problem they were having at the hospital with homeless people seeking shelter in the Emergency Department when it was sub-zero temperatures outside. He explained that [the Emergency Department] is just not the location for folks to be for an extended period of time, other than for medical treatment, for a number of reasons. He said that personally and on behalf of the hospital, they are in favor of this as it is an alternative to being in the ED, freezing to death on the streets or getting freezing injuries and showing up in the ED because of not having other options.

Eric Hamp, City of Alpena Police Chief, gave a perspective from a law enforcement point of view and explained that he was involved in the initial group that started looking at this issue. He said

that they deal with this on a daily if not weekly basis. He spoke about the other wonderful agencies that are in the area and some of the obstacles that they face with each. He said vouchers used to be available to give to people but there is a shortage of hotels in the area as it is and they don't want to take [homeless individuals] in anymore as they tend to carry a lot of baggage with them, being at the lowest point in their lives and having been being burned in the past on incidences; also, funds are limited and it is expensive. He explained that this is more of a resource center for people who are in need of so many services, but currently the services are spread all over and people have no way to get to some of them; this would provide them all in one place. Individuals have been found numerous times sleeping in the front entrance of the Public Safety building because there is a heater in that area; they have even offered it at times. Individuals are sometimes found going from business to business just to find someplace warm which becomes a burden on the business owners, and eventually [the police] get called. He explained that this shelter is meant to treat people who live in Alpena, not people from all over the State; it is not meant to be a long-term residence, but only for emergencies.

Bill Morford, President of the Society of St. Vincent De Paul, explained that [St. Vincent De Paul] is a last resort; when other agencies can not help, they can come in with some money to help. He said that he looks forward to having all the services together for them to get away from homelessness and it would be safer having them in a supervised structured place than walking on the streets.

OPPOSITION: Patrick Heraghty, lives directly adjacent to the Church and the proposed shelter representing himself and many of his neighbors, said that he was there because this would be the third proposed shelter in his backyard. His concerns were as follows:

- it feels rushed and lacks neighborhood and community engagement that is critical to ensure equity
- project packets and details were not available in a timely fashion
- important information was not included in the packet such as a copy of the Warming Shelter's guidelines and procedures
- no licensing and inexperienced leadership
- lacks funding
- concessions being requested for phase 2
- no barriers to entrance
- economic impact on the neighborhood
- lack of community outreach, involvement, and engagement involved in this project
- who received the notices
- he lives across the street with no outreach to his household from the Church
- no documentation required, only for adults and Alpena residents, difficult to ensure due to no barrier to entrance

- Shelter would not be open during the Baby Pantry's hours for safety of the mothers and children – there are many young moms with children around the corner – he asked the Planning Commission to consider for Compatibility of Use
- Christine has no experience leading a shelter, unsure if she has experience leading volunteers
- The Church's current year budget is running at a deficit
- Volunteer staff training is only four hours
- Meetings were not conducted earlier
- Planning Commission should set occupancy limits, not City Officials or another Agency
- Buffer Zones are placed so as not to concentrate a problem or potential problem in one neighborhood
- Inconsistencies with the Comprehensive Plan

Doretta DeCaire, neighboring resident, said she was concerned that the project is moving too fast, the person put in charge has had no experience dealing with homeless people, and the surrounding home's values would be decreased. She also did not think that any of the community partners that would be helping with the Shelter attended the meeting.

Angie Skiba, local citizen, said she is adamantly opposed for the same reasons she fought the services that were going into the Sunrise Mission for years, because of reasons that have happened to her personally. Other concerns she shared:

- She was told that people could be coming from as far as Harrisville
- Who is paying for the shelter – did the grant monies go toward the new roof that was put on St. Bernard's church?
- Lack of vetting of people being brought into the neighborhood
- Amnesty lockers will not ensure safety for the neighborhood
- Not sufficient enough training
- Phase 2 should be out of the question
- Who will control and police the maximum number of people allowed at the shelter
- Does not want negativity brought into her neighborhood
- Lack of transparency, rushing everything

Wayne Carr, lifelong resident, said that you can't help a person that doesn't want to help themselves and this would enable them to continue their lifestyle. He said years ago, the same issue was brought up at the old Bingham School and it was voted down. He said that it is the Zoning Board's responsibility to watch out for the residents of Alpena to monitor and make sure lifestyles are not endangered by somebody else.

Wayne Riggs, local resident, said he would like to know how many people have frozen to death in Alpena and is everybody really crying over something that hasn't really happened. He said

that you can make life pretty rosy for people that just don't have the desire to do anything because it will be done for them; until bodies are found on the street frozen to death, there is not a problem, just people that are cold.

Carl Silver, owner of a neighboring property, asked if the proposed use of the property would consist of all the buildings on the property. He stated that he did not receive notice of the meeting in the mail and felt that the meeting should be adjourned as others had not received notice either. He said he would be interested to find out what percent of these people really are homeless by choice; the "no questions asked" policy and not asking for quick identification does not make sense to him. He said that something so loosely operated is born to fail; it is not just for Alpena people, it is for "people" and asked them not to misrepresent what will actually happen. He went on to say that it is a burden for people that own property around there; the lack of transparency is disgusting.

Angie Skiba mirrored Silver's sentiments, and said she feels the people need to be identified and vetted if they are going to be there.

QUESTION FORUM: Gerry Marvis (sp?), an Alpena Township resident, said that she is in favor of the warming center and commended everyone for the work that they have put into it so far, but asked for more statistics to help her identify and clarify the need for the shelter. Victoria Purvis, Homeless and Prevention Manager at Northeast Michigan Community Service Agency (largest community action service agency in the State of Michigan), said that at the end of last Wednesday, they had 168 households on the street and 97 children; the average age of a homeless child is eight. Those children could go to the shelter with their parents to get their homework done during school breaks.

Pat Decaire said that they were told Phase 1 is only for 18 and older, so how do you place a child with them if it is a married couple. Father Tyler said that [Purvis] was making an example of statistics, not a policy of the shelter. Purvis said that she is not affiliated with the Catholic Church, she was speaking as the action agency, and she was letting them know the population of homelessness in our area and what services need to be provided for them; something like the warming shelter can help those individuals.

Decaire said that their area is flooded with people walking down the streets and alleyways, from one place to another going to the Soup Kitchen, and the biggest problem he has is that they will need to know who the people are going into the shelter and what they have in their bags for the safety of the area.

Father Tyler Bishoff said he wanted to summarize a lot of the questions he heard and apply some facts. He said the new roof that went on the building was a separate amount of funding that came in from Parishioners; no grant funding was applied to that; it was all donations. The grant from the Michigan Health Endowment Fund was for \$140,000 over two years; in the

grant, it was for the programming of a possible launching of an Emergency Shelter. The grant givers were made very clear of the Zoning and Planning Commission hurdles and that was written into it. They were granted the grant, even with the possibility of it not going through. He said as far a timeline, they are in no rush; the reason why they talked about Phase 1 and Phase 2, was to create transparency so that nobody would feel fooled down the road when they mentioned the possibility of Phase 2. He asked the Planning Commission to distinguish in their motions between the two Phases – Phase 1 daytime shelter and Phase 2 overnight shelter - because it was their understanding that even to have anyone to come in the doors for a warming shelter, they knew they needed permission to do so. He told the public in attendance and the Commission that he would be happy to distribute the Operations and Procedures manual to anyone who requested them. He said [the Church] is not feeling the pressure or emergency, that is coming to them from all the different agencies around, including the police and hospital. They didn't have the meeting in August because the grant was not contingent on the Planning Commission approving it; the grant recognized that it was part of the process, they wanted to get some of their ducks in a row and will be happy to answer more questions more adequately over time.

Doretta DeCaire asked Father Tyler why St. Mary's Convent has not been considered for the shelter. He said that there are multiple things that are possible; All Saints owns huge swaths of property in Alpena (185,000 square feet of buildings across five different campuses in the City), but that is not part of their Strategic Plan or Ten-Year Strategic Plan right now.

Sundin suggested having a meeting which would involve the Planning Commission and ZBA, to get questions answered instead of making a decision that day; that they could end up being there very late getting questions answered and it would be hard to effectively condense all the information into a motion.

Boboltz closed the public hearing at 7:48 pm for deliberations.

Sundin asked why there was nothing happening sooner, given that they knew about it for many months. Birmingham said that the information about the Planning Commission and the Zoning Board of Appeals requirements was shared in February, they did not have a Director at that time and that was likely the reason it took time; the applicant can choose to request a Special Meeting if they wish. She said she was able to put what she needed to pull together in time to accommodate that; all of the standard timelines were met just like for any other meeting. Father Tyler Bishoff said that they were trying not to rush, they waited until the grant was finalized and received a Director to begin the process; although the meeting was for an Emergency Shelter, it shouldn't feel like an emergency. He said that they want it to be a process that plays out properly and this is just a step in the process; if they need more information, more community outreach, they would love to hear that and be able to work through it together. Sundin asked what their staffing numbers are currently and if they were ready to fully operate if it were approved with Planning Commission and ZBA. Father Tyler said that their timeline was something they were not going to totally realize this winter, and they

knew they needed to overcome this hurdle before they could start training their volunteers, which will take weeks/months; they would not be able to safely operate for many months.

Moses asked why the residents did not get enough notice to voice what they wanted to say and said that in the short term, he is concerned about approving anything that is not giving the residents in the neighborhood more time to give some input. He asked how well attended the "Identifying with Homeless" meeting was. Kihn said that there were 20 people at the meeting; they walked through the building and answered questions. Moses asked if it was mostly potential volunteers or neighbors who attended. Kihn said that it was a mix; some who were already volunteering and some individuals from the neighborhood as well. One more concern that Moses had is safety, with all the children in the neighborhood, walking traffic, bike traffic and car traffic; knowing who is going into the shelter and whether they have weapons needs to be addressed. He said that in his experience with homeless people, every single one of them carries a weapon of some sort because they are intensely worried about their personal safety.

Wojda asked if the statutory requirements were satisfied of notifying the public of the meeting. Birmingham and Sauve confirmed that requirements were met; everything was posted, and all mailers went out a minimum of 15 days prior. Kostelic said that not checking ID is concerning to her, and they should have a record of individuals coming in. Wojda asked what the governing agency is, since they are not licensed, requiring [the shelter] to stay open if the temperature is -10 degrees. Father Tyler said that it is a Federal law. Boboltz expressed his concern for the proposed rules, especially the non-identification and the less than 2,500-foot buffer zone. Wojda asked what the distance is between Hope Shores and the other shelters. Birmingham stated it is 815 feet from the Center of Charity to Sunrise Mission and 1,435 from the Center of Charity to Hope Shores Alliance. Historically, in previous city ordinances, the definitions were a bit different; a homeless shelter was not considered a residential human care facility and 'homeless shelter' had its own definition. She said there has been a distance requirement of 2,500 feet apart for homeless shelters since at least the mid to early 80's, which was changed in the 2010 update of the Ordinance and homeless shelters were merged into human care facilities, but the requirement remained 2,500 feet apart. As far as occupancy goes, there was no maximum for a residential human care facility, but there was for a homeless shelter which was 12, then 20, and then in 2010 it went up to 25.

Sundin ***motioned*** to table the request until a later date.

Moses ***seconded*** the motion.

Motion ***approved*** by unanimous vote.

One of the public in attendance asked if letters for the next meeting can be sent out to a greater area such as 1,000 feet from the proposed shelter. Father Tyler said they would do that.

Sundin asked what is happening now for the ZBA meeting variances requested. Birmingham said the case will be cancelled.

UNFINISHED BUSINESS: None.

NEW BUSINESS: None.

COMMUNICATIONS OR REPORTS: December meeting is cancelled.

CONTINUING EDUCATION: None.

PUBLIC COMMENT: None.

MEMBERS' COMMENTS: None.

ADJOURNMENT: There being no further business, the meeting was adjourned at 8:11 p.m., by Boboltz, Planning Commission Chairman.

Clayton C. VanWagoner, Secretary

City of Alpena Rec Plan Updates – 30 Day Review Period Feedback Received

*Updates as of 1/4/2024

Page	Request	Status
2-2	Under Administrative Structure, add the Harbor Master/Parks Coordinator position	Updated
2-2	Under Wildlife Sanctuary Board, it could be mentioned that there is a supplemental WS management plan that complements this plan	Updated
2-7	Huron Pines should be listed under relationships with other agencies	Updated
3-2 & 3-21	Change the name of Chisholm Street Park to name used by community and DDA, which is Pocket Park	Updated
3-14	Refer to the River Center as the Thunder Bay River Center. The sentence that ends with "educational activities relating to the river area can be provided" should be changed to "educational activities relating to the Thunder Bay River Watershed can be provided".	Updated
3-16	Wildlife Sanctuary Acreage – update to correct acreage of 450 acres	Updated
3-16	The last sentence in the accessibility notes (picnic tables and grills) are more related to Duck Park. The last sentence should be moved to the Duck Park section on page 3-14.	Updated
3-22	Water Tower Park - Update photos of the garden area	Updated
3-38	Little League Fields at Alpena Township Hall - There are four fields there and not three. All four fields have new dugouts that we built beginning in 2020. All four fields have all new fencing and backstops the last of which was just finished a few weeks ago. We will be adding a third batting cage in the spring as well as replacing the netting on the other two cages. The township does not pay the utilities for the fields. The Little League covers all costs to operate the facility with the exception of the yearly water well testing that is required by the health department.	Updated
3-38	Misery Bay Nature Preserve – update section to match Alpena Area Recreation Plan	Updated
3-40	Change name of Pied Piper Opportunity Center to Pied Piper School – Ball Fields are to the East, not West	Updated
3-41	Besser Museum – remove language for Alpena Civic Center and Convention Center and change to Besser Senior Living	Updated
3-46	Change reference from Lafarge to Holcim	Updated
4-4	A City volunteer requested to include a goal under Goal 8 Resiliency or Goal 9 Programming to educate the community on how to care for their natural areas, forests, etc.	Updated – See Objective 8.4
4-4	Goal 9 Partnerships Objective 9.5 A city volunteer requested that this goal be enhanced to include thanking and appreciating its volunteers	Updated
4-7 & 4-9	LaMarre Park & Water Tower Park – A City volunteer said that fisherman who frequent the river at the rain garden and LaMarre Park leave behind lots of fishing line, worm boxes, and hooks amongst the flowers.	Updated to include fishing line receptacles DPW to review trash placement
	A City volunteer requested that every time a picnic table is placed, to plant a tree next to it	Not Included at this time

INTRODUCTION

City of Alpena Recreation Plan

Extent of Plan Focus

This Recreation Plan addresses recreational facilities and plans within the boundaries of the City of Alpena. The city has chosen to plan for the future of its recreation assets, so this plan will evaluate the surrounding recreational opportunities as well as the socio-economic status of the city and the surrounding area in order to determine the recreational needs of the population and to plan for improvements which fit those needs.

Location and Regional Setting

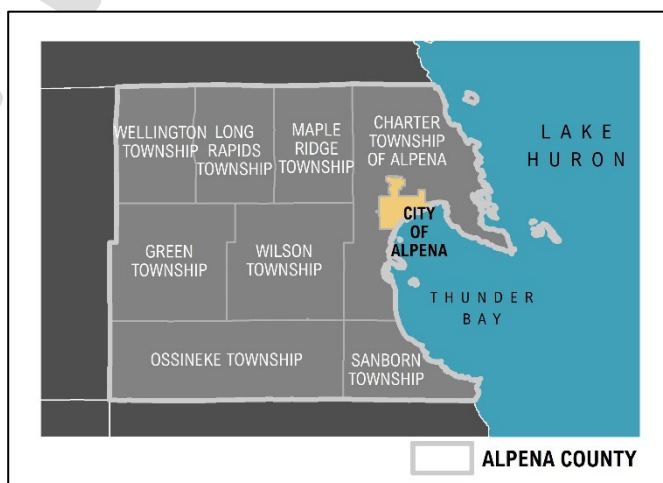

The City of Alpena is situated along the shore of Lake Huron (Thunder Bay) in Alpena County in Northeastern Lower Michigan (see **Figure 1-1 – Location Map**). It is the largest city in Northeast Michigan, as well as the only incorporated municipality within Alpena County. The nearest city of a larger population is Bay City, 129 miles to the south.

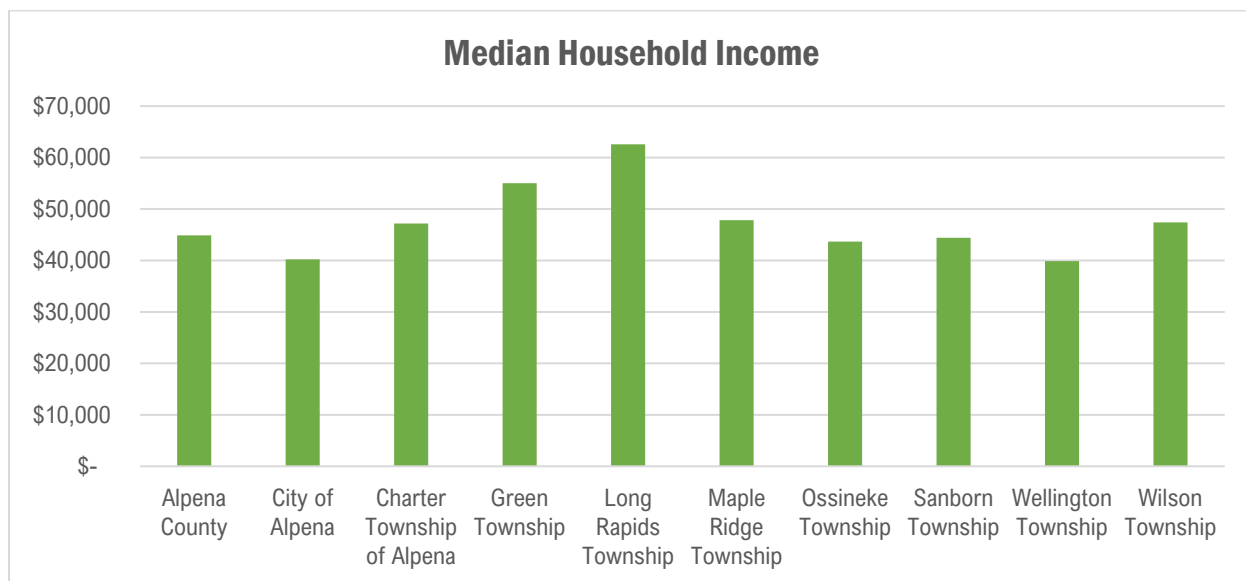

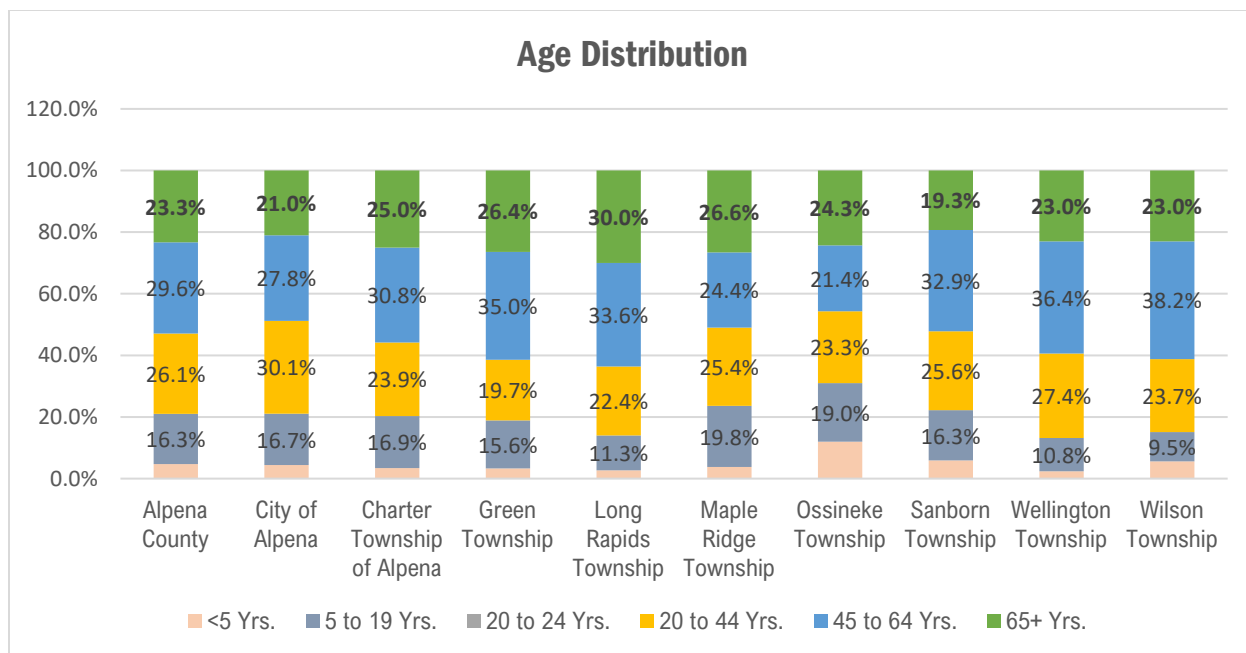

The City of Alpena is surrounded on three sides by Alpena Charter Township with Thunder Bay situated to the east. Alpena Charter Township is partially urbanized, with a concentration of commercial and residential areas. The city, the Charter Township of Alpena, seven other townships, and the unincorporated places of Ossineke, Bolton, Cathro, Herron, Hubbard Lake, Lachine, Leer, and Long Rapids make up the County of Alpena.

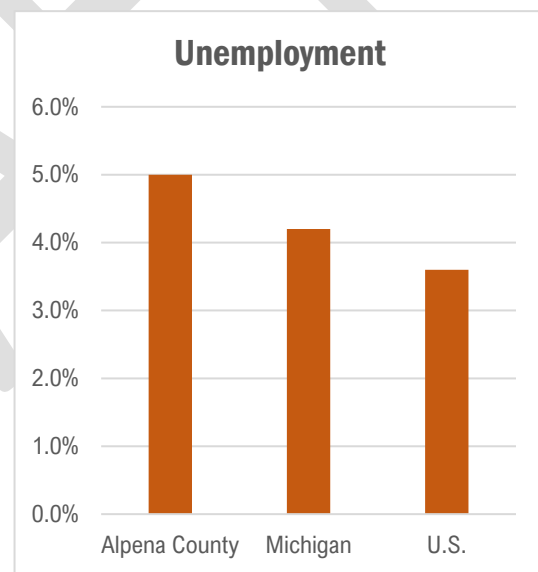

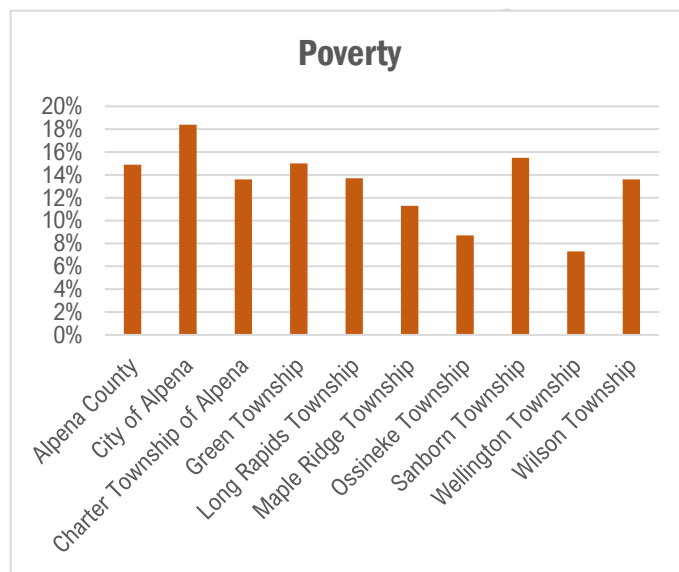

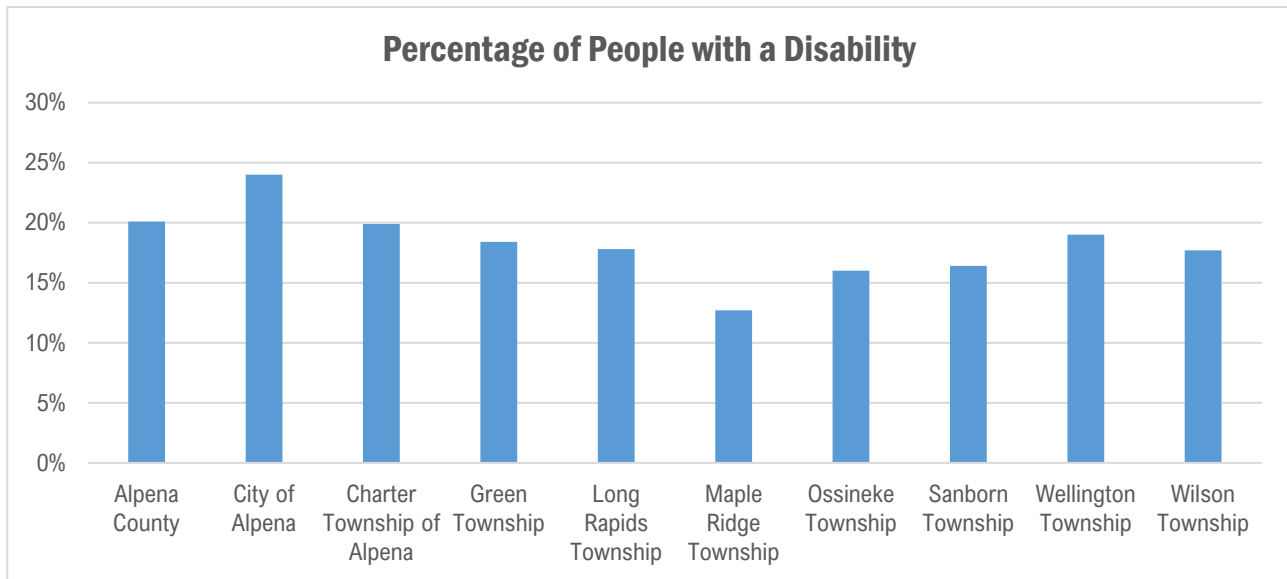

Community Data

The following tables contain data which is relevant to the recreation planning process. These tables are cited in the Basis for Action in Chapter 4.

Figure 1-1 Location Map

CHAPTER

2

ADMINISTRATIVE STRUCTURE

City of Alpena Recreation Plan

Recreation Administrative Functions

Planning - Provide a systematic means of planning the location, acquisition, development, and maintenance of a system of parks, recreation, and open space areas, facilities, and activities within the city. Definite criteria for inclusion shall be adopted and periodically revised to keep pace with changes.

Acquisition – Provide a program of acquisition of adjoining parcels or to acquire unique strategic scenic, scientific, or historical areas for the enjoyment of the residents of the city and visitors to the area. Said areas shall be acquired in an organized systematic manner and shall provide equal opportunity, access, and enjoyment for all people regardless of disability, race, creed, or political preferences.

Development - Provide those activities and facilities commensurate with the needs of the people. All development should be carefully planned and be of a durable nature to minimize maintenance.

Funding - To explore and utilize every means of financing that is available to the city including State and Federal matching programs, general obligation bonds, general funds, fees, charges, gifts, and donations.

Operation - Provide the necessary personnel to operate the parks as effectively and efficiently as feasible. Adequate supervision should be provided in all areas to protect the facilities and ensure equal opportunity.

Maintenance - To maintain all parks and facilities in a clean, neat, sanitary, and orderly manner in order to protect the public health, safety, and enjoyment of its users

General Administration - To employ qualified and competent personnel to achieve the above function of the parks systems. To maintain and establish the necessary procedures for maintaining an accurate accounting of all funds.

Roles & Descriptions

Alpena City Council

The Alpena City Council serves as the policy-making body with respect to recreation services and facilities. It authorizes the financial resources and manpower for the development and maintenance of municipal parks and recreation facilities.

Alpena City Manager

The City of Alpena employs a city manager to oversee the day-to-day operations of the city. The development, maintenance, and administration of city recreational services and facilities are the responsibility of the city administration. The City staff is under the direct supervision of the City Manager. Those positions most directly involved with recreational services along with their specific functions are the Planning, Development, and Zoning Director and the City Engineer.

City Planning, Development & Zoning Director

The Planning and Development Director serves as planning staff for the City Planning Commission, staff liaison to the Wildlife Sanctuary Board, and is responsible for the preparation and updating of various planning studies, including the City Recreation Plan, and solicits funding alternatives, including grants, for the financing of recreational improvements. The director also coordinates the development of the city's six-year Capital Improvement Program (CIP).

City Engineer

The City Engineer is responsible for the design, engineering, and construction of the physical improvements to the municipal parks and recreational facilities. In the capacity of a department head, the Engineer directly oversees the Department of Public Works, which directly handles many of the operational

and maintenance needs of the parks and recreational facilities. The City Engineer is responsible for the overall operation and maintenance of the city parks and recreational facilities and serves as liaison to the Alpena Recreation Advisory Board. Also, administers and monitors contracts with private service providers for operational and maintenance activities related to the City's recreational system, including the City Marina.

Harbor Master/Parks Coordinator

The Harbor Master/Parks Coordinator manages and maintains marina and harbor facilities and personnel; the Coordinator also manages projects, volunteers, and programs within the City park system.

Programming

With respect to recreational programming, the city provides the facilities from which a range of recreational services is provided to the community. The actual recreation programs are primarily offered through the various non-profit organizations, volunteer groups, and educational institutions within

The City of Alpena Planning Commission

The City of Alpena Planning Commission, in accordance with the Michigan Planning Enabling Act, is a nine-member statutory advisory body to the Council responsible for the long-range planning of the overall community. In addition, the Planning Commission is involved in the review and implementation of the city's Capital Improvement Plan, which serves as the mechanism for translating multi-year recreational improvement needs into the annual budget process.

The Alpena Recreation Advisory Board

The Alpena Recreation Advisory Board is a seven-person advisory body which makes recommendations to the Council on matters of general recreation policy, studies and reports its findings regarding recreation needs, and monitors the recreation programs of the community.

the city. Some of these groups are the Alpena Babe Ruth Baseball Association, Alpena Men's Slow Pitch Softball Association, McRae Park Association, Alpena Youth Club, Alpena Huron Shores Little League, and the Wildlife Sanctuary Board.

Park & Recreation Maintenance

Department of Public Works (DPW)

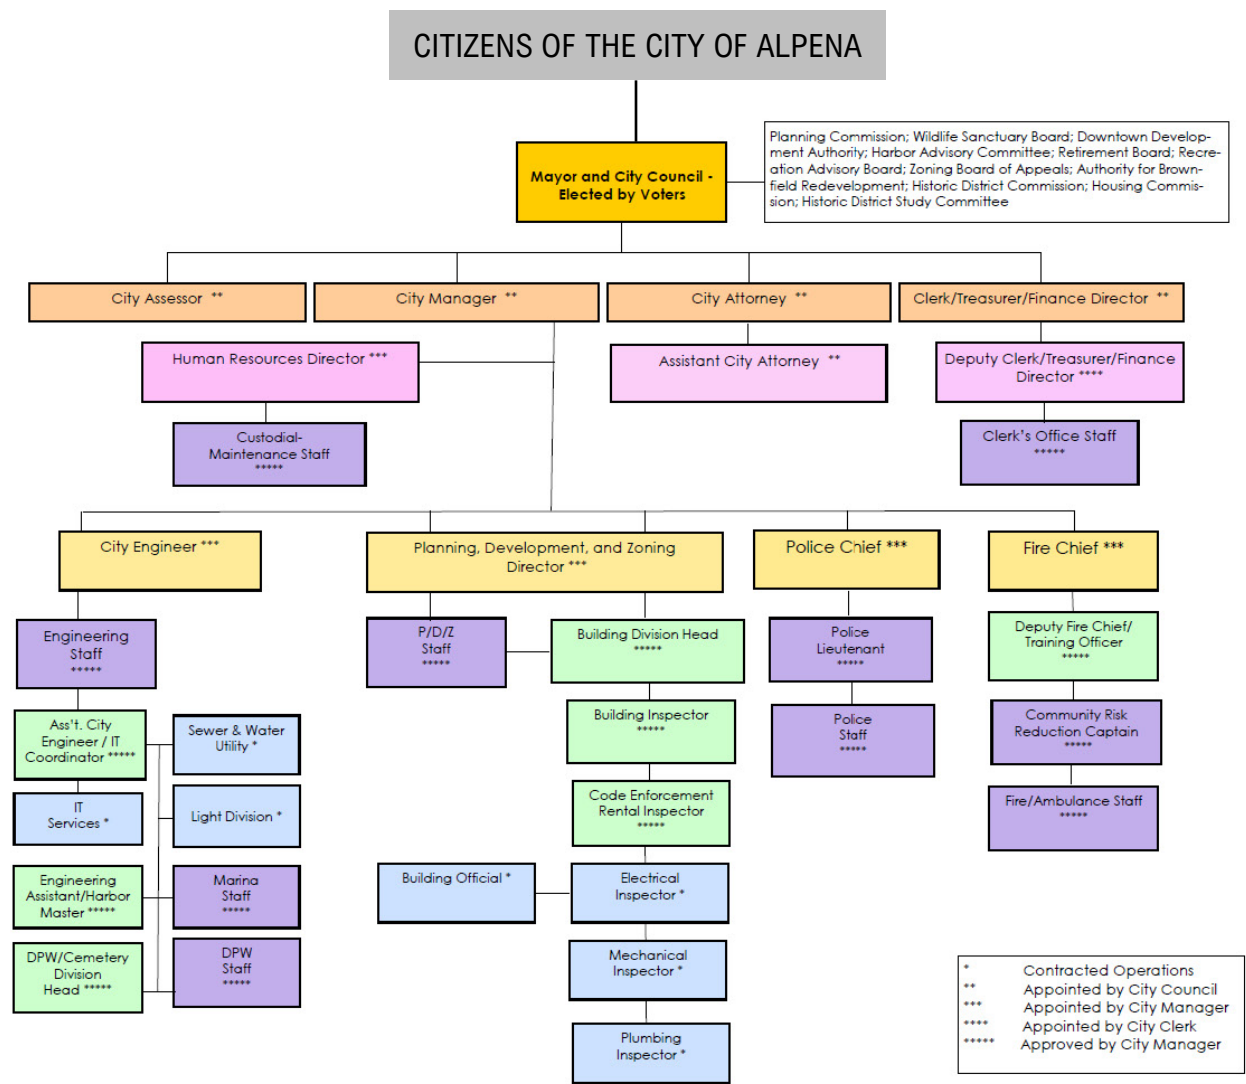

The city's DPW has been given the maintenance responsibilities to improve the city park system to a showcase level. Irrigation, landscaping, and amenities within and throughout the parks are programmed to facilitate these responsibilities. The DPW's goal is to reduce total maintenance costs while improving the general appearance of all parks. The Department of Public Works (DPW) maintains approximately 100 acres of land that constitutes the city's park system

and approximately 1 ½ miles of Lake Huron shoreline. In addition to the services provided by the city's DPW, The city also has an agreement with the Alpena Rotary Club whereas the Department of Public Works maintains Rotary Island Mill, a private park owned by the Rotary Club but open to the public. The McRae Park Association is a private service club that also assists the city in the operation and maintenance of McRae Park.

Wildlife Sanctuary Board

The city coordinates with the Wildlife Sanctuary Board to help maintain Island Park and the surrounding sanctuary. The board maintains a management plan which is specific to the Wildlife Sanctuary.

Figure 2-1 Administrative Chart – City of Alpena

Recreation Budget

Parks & Recreation Funding - Capital improvements and maintenance activities are funded on an ongoing basis from the city's General Fund. A separate division of the General Fund has been established for this purpose known as Parks and Recreation. Capital improvements and maintenance activities for the City Marina are funded separately from the City's Marina Fund.

The annual and projected budgets and expenditures for projects, operations, maintenance, and capital

improvements are detailed in **Table 2-1**.

Current Funding Sources – Funding sources for parks and recreation projects of the City of Alpena include the City General, Equipment, and Marina funds, the Michigan Department of Transportation (MDOT), Michigan Department of Natural Resources (MDNR), the Michigan Department of Environment, Great Lakes & Energy (EGLE), and private contributions.

Relationships with other Agencies

Whenever possible, the City of Alpena pools resources with other agencies and organizations when undertaking community projects. This has the dual effect of maximizing resources, while at the same time benefiting a greater share of the population. Some of the agencies the city is currently working in partnership with include, but are not limited to:

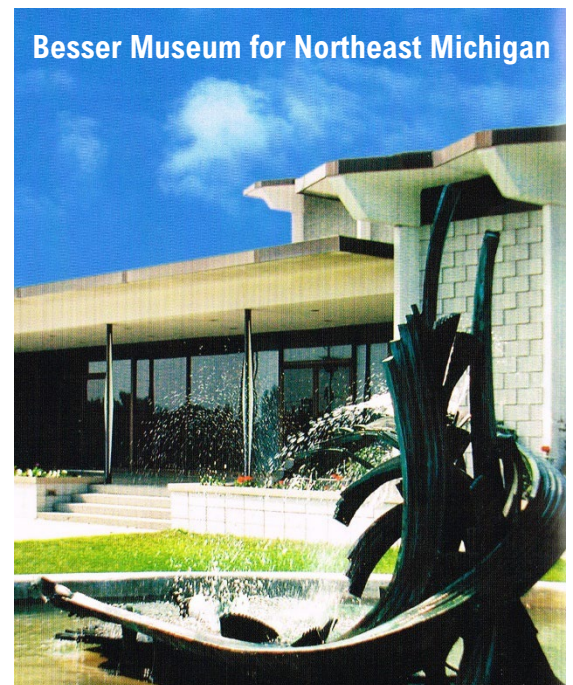

- Alpena Rotary Club
- Alpena Kiwanis Club
- Alpena Optimists Club
- McRae Park Association
- Alpena County Recreation Authority
- Alpena County Road Commission
- Alpena Yacht Club
- Alpena Huron Shores Little League
- Thunder Bay Arts Council
- Michigan Brown Trout Festival
- Alpena Downtown Development Authority
- Thunder Bay National Marine Sanctuary and Underwater Preserve
- Besser Museum for Northeast Michigan
- Alpena Garden Club
- Lions Club
- Huron Pines

Relationship Between Municipalities

Joint Planning Effort!

Participants:

Alpena County

City of Alpena

Charter Township of
Alpena

Green Township

Ossineke Township

Sanborn Township

Wilson Township

The municipalities in Alpena County have worked together to plan for recreation since 2018. The City of Alpena participated in the Alpena County/Townships recreation planning process by adjusting the timing of its recreation plan update to coincide with that of the multi-jurisdictional plan. The communities issued a joint public input survey and collaborated to generate results. In addition, two meetings were held with all of the municipalities present – one of these meetings was the Alpena Intergovernmental Council – which consists of the elected representatives of each municipality. At this meeting, the group discussed how best to move forward jointly in implementing the recreation plan – including funding and programming. In addition, a joint meeting was held with members of the Planning Commissions to continue this discussion. A trails planning group has also formed to discuss how to connect recreational facilities within the county with trail systems and wide paved shoulders to allow park users to travel safely from park to park. This planning is being done in conjunction with the update of the MDOT Active Transportation Plan which seeks to identify those needed connections. The group has identified a need to re-establish an official multi-jurisdictional umbrella group to oversee this into the future.

Shared goals between all of the participating municipalities are presented in Chapter 4.

CHAPTER

3

INVENTORY

City of Alpena Recreation Plan

City of Alpena Recreational Properties

Inventory Method & Classification System

An inventory of recreation facilities available in the City of Alpena was completed and is presented in this chapter. The inventory includes City owned facilities, township and county owned facilities, state and organization owned facilities, and privately owned

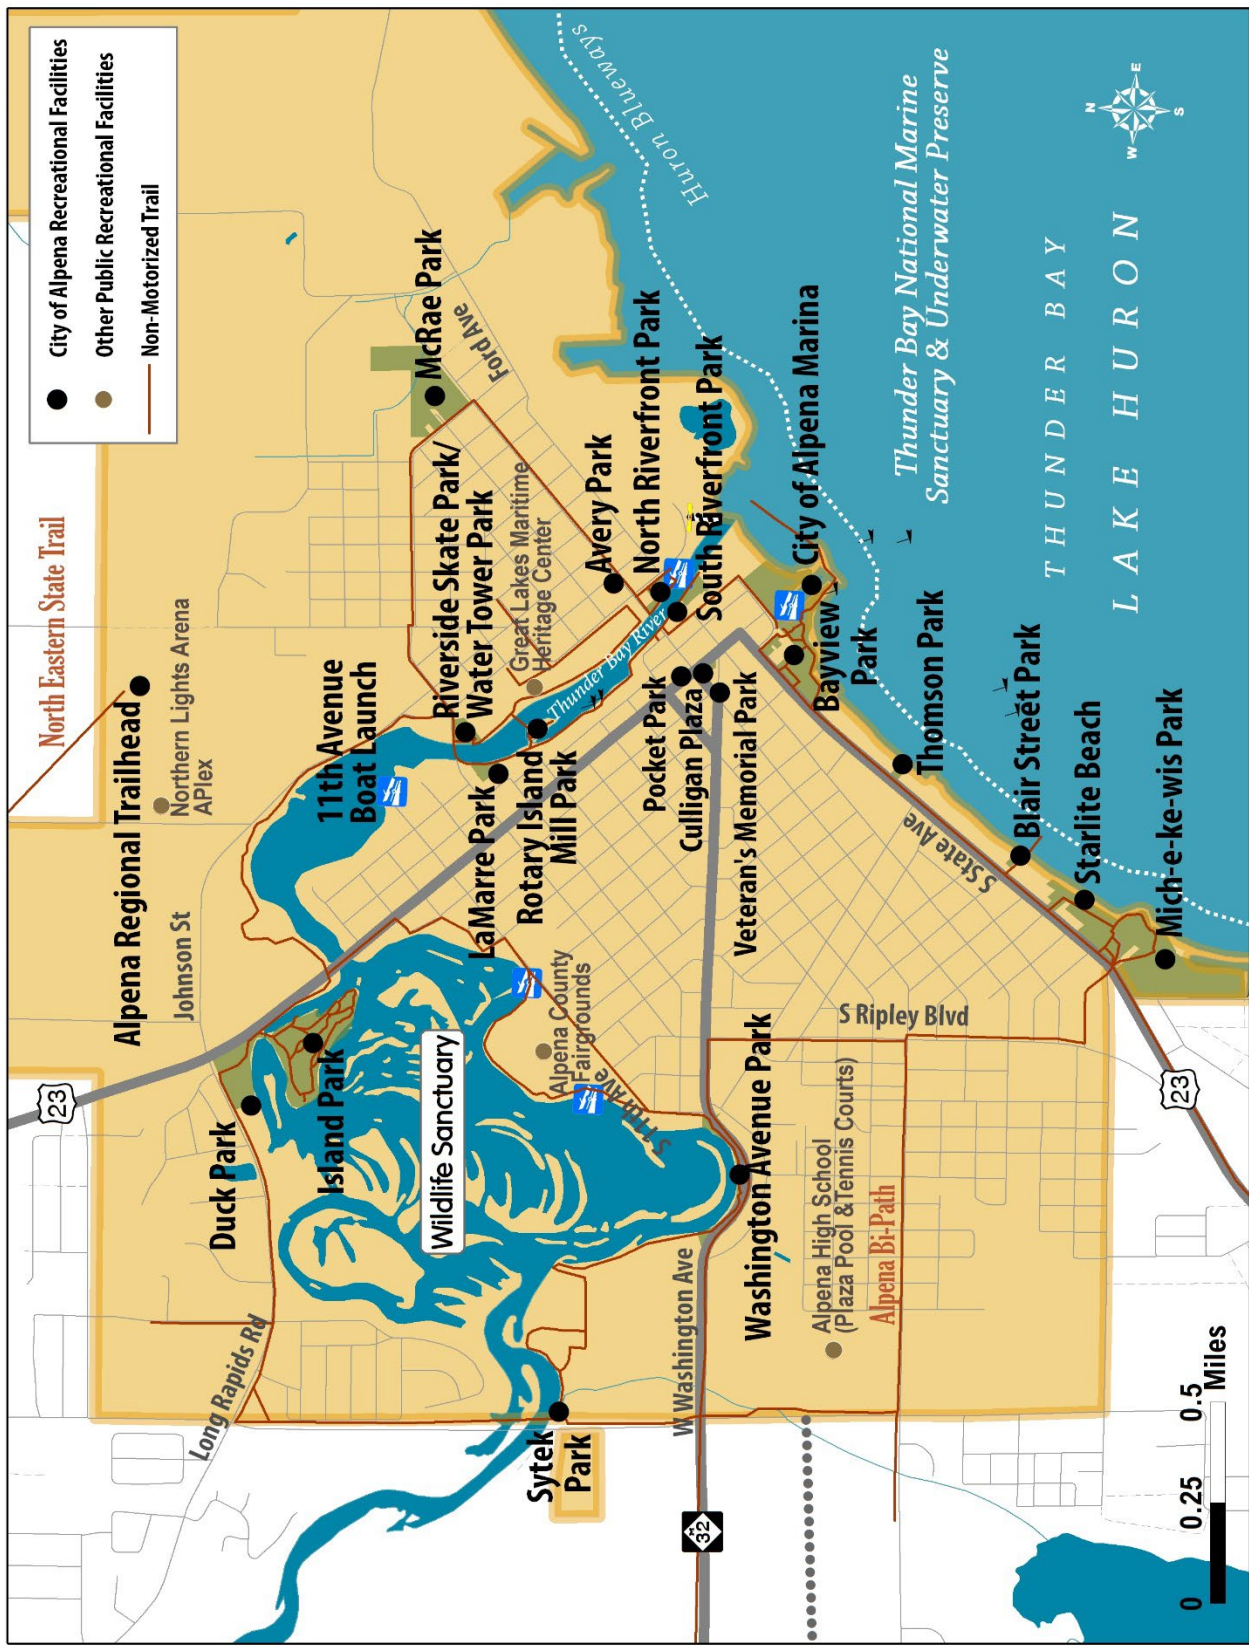

facilities. City of Alpena owned facilities were evaluated for barrier-free accessibility. A description of the barrier-free accessibility rating criteria is provided below.

DNR Accessibility Grading System for Parks and Recreation Facilities

An assessment of the accessibility of each park to people with disabilities. This assessment must consider the accessibility of both the facilities themselves (as appropriate), as well as the access routes to them. At a minimum, use the following ranking system for each park:

Accessibility Grade	Definition
1	None of the facilities meet accessibility guidelines
2	Some facilities meet accessibility guidelines
3	Most facilities meet accessibility guidelines
4	The entire park meets accessibility guidelines
5	The entire park was developed using the principles of universal design

1

ALPENA REGIONAL TRAILHEAD

Location: Woodward Avenue (southern terminus of the North Eastern State Trail)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
2.25	Special Use	4	This facility is barrier-free.

Description

Alpena Regional Trailhead is located on Woodward Avenue on the north side of Alpena, and at the southern terminus of the North Eastern State Trail. The 2.25-acre site features barrier free modern restrooms, barrier free pavilion, paved parking, bike racks, trail maps and kiosk, and picnic tables and benches. Drinking water is available prior to heading out on the trail. Alpena County owns the property and the City developed and maintains the trailhead on a permanent lease. The trailhead is connected to town by the City Bi-Path.

2

ARTHUR SYTEK PARK

Location: Thunder Bay River (at the bridge on Bagley Street)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
1.5	Mini-Park	4	This facility is barrier-free.

Description

The Arthur Sytek Park is located on the Thunder Bay River at the bridge on Bagley Street. This one-half acre wildflower park was developed by the Thunder Bay Watershed Council. The park has a canoe launch site, a barrier free fishing platform with a roof, a shelter and off-street parking, and serves as a trailhead for the City's Bi-Path. There is a wooded area to the west of the park and a small beach area on the river. The park also features an air pump and bike repair station which was funded by the Kiwanis Club.

3

AVERY PARK

Location: N Second Ave (north of Second Ave bridge)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
0.4	Mini-Park	4	This facility is barrier-free.

Description

Avery Park is located on N. Second Avenue, north of the Second Avenue Bridge. This 0.4-acre open green space showplaces a large historic four-faced bronze clock, historic gaslights and historic park benches. The park complements the aesthetics of the historic downtown area.

4

BAY VIEW PARK

Location: State Avenue on Lake Huron

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
14	Community Park	3	This facility is generally barrier-free. Much of the park, including the band shell is barrier-free. There are no barrier-free picnic tables, and the tennis courts and basketball courts are not easily accessible from the paved parking lot.

Description

Located on State Avenue on Lake Huron, adjacent to the Municipal Small Boat Harbor. This is one of the City's largest developed parks with multiple year-round uses. It contains four tennis courts, three basketball courts, and a multipurpose open lawn area. There is an area of shoreline, space for picnics and an open field for low profile activity. There is the Fine Arts Band shell, which is used for summer band concerts, community celebrations and by various groups for other occasions. A fenced, fully equipped young children's playground, developed by and maintained in partnership with the Alpena Kiwanis Club, is another of the facilities available at this site. The Bi-Path runs through the park and connects the park to other recreation areas. The Alpena Yacht Club is located within the Park on property leased from the City.

5

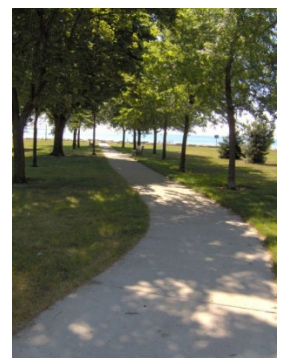

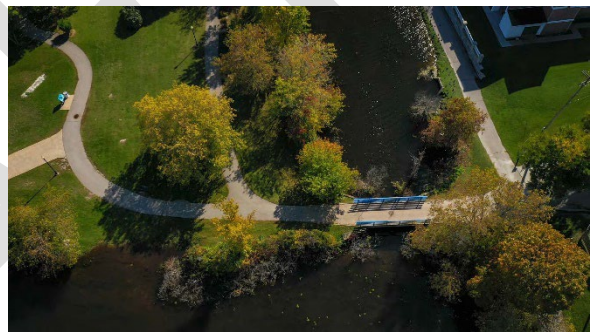

BI-PATH

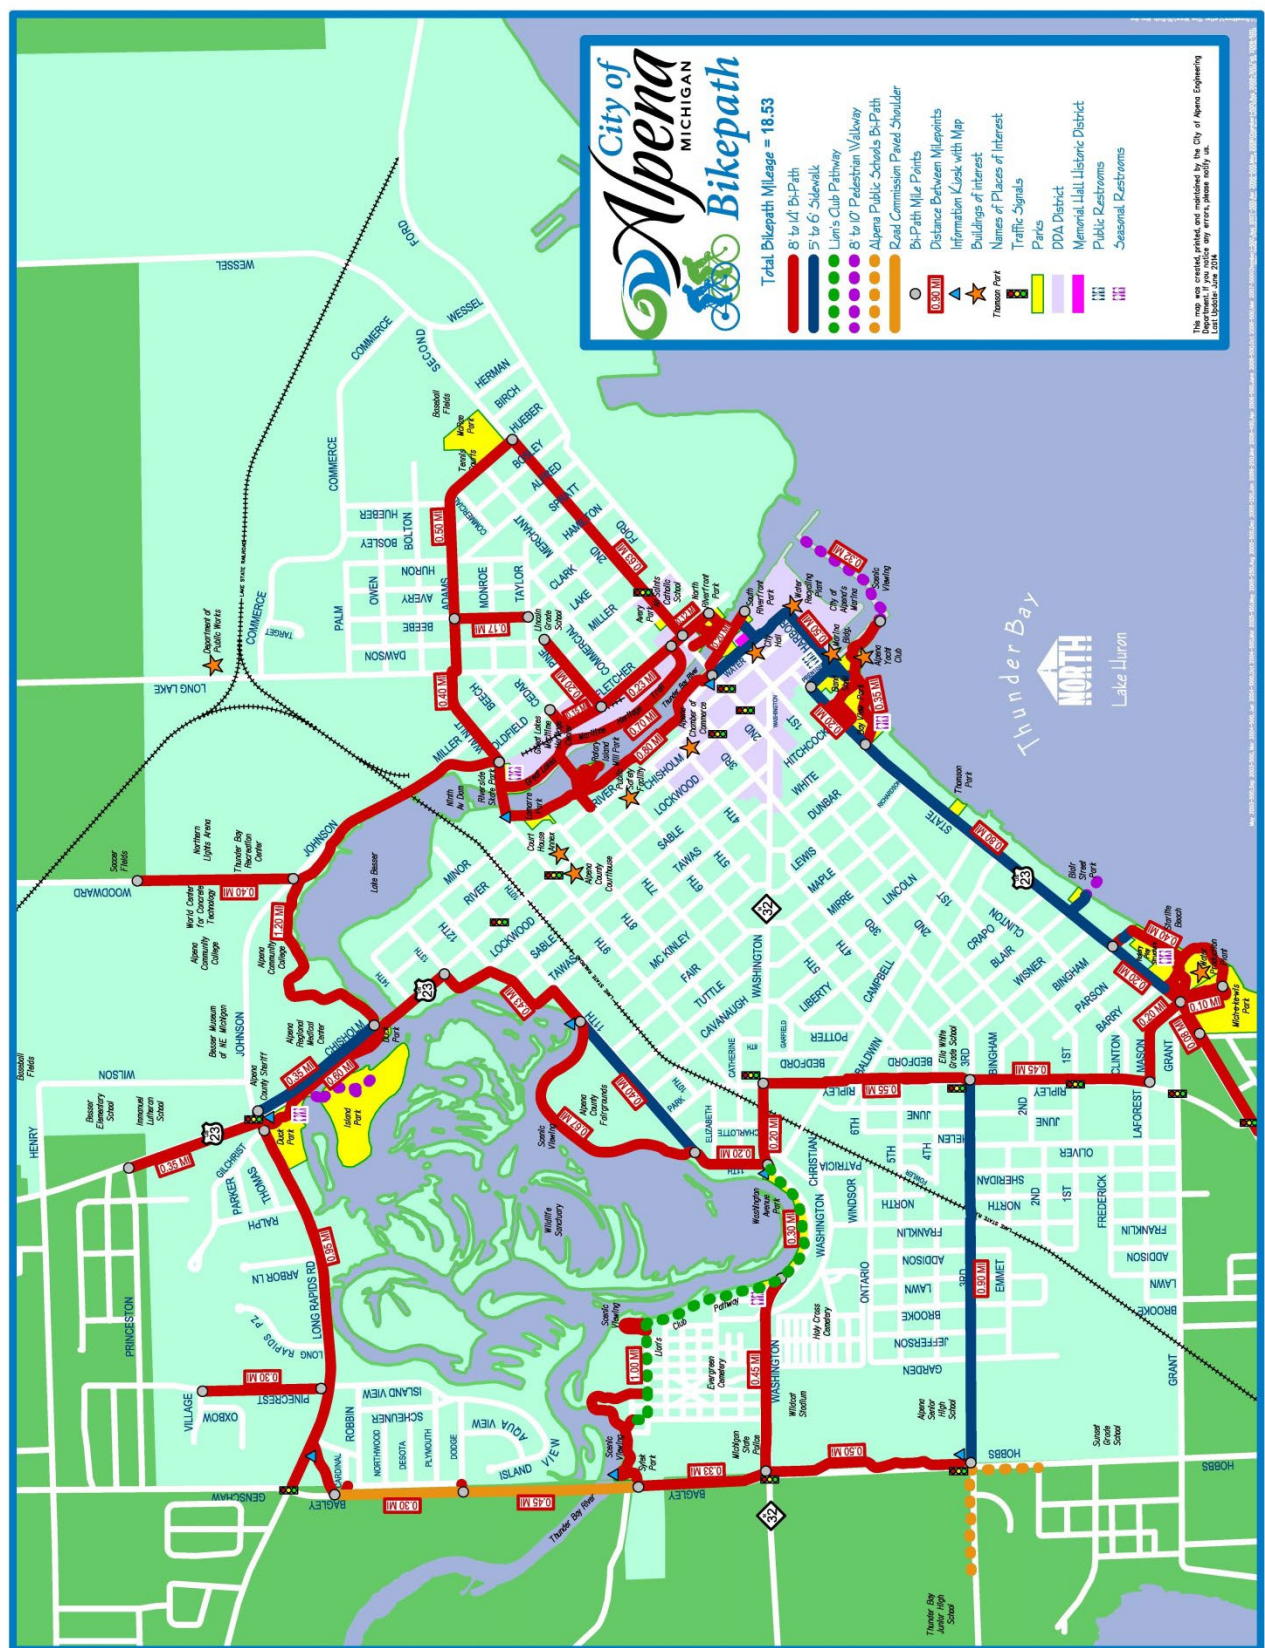

Location: Throughout city – connects city parks

Size (miles)	Purpose/Use	Accessibility Rating	Accessibility Notes
18.53 of 8-10' pathway	Special Use: Trail System	4	This facility is barrier-free.

Description

The Bi-Path is a bicycle and pedestrian pathway system which has been developed throughout the City. This marked bikeway connects with the Alpena Township section that parallels US-23 from the city limits at Thunder Bay Avenue to Bare Point Road. Inside the City limits, residents and visitors are able to bike, walk, roller blade and skateboard on the 18.53 miles of 8-10' wide paved pathway and can access all of the parks in the city. In a cooperative city/county effort, a section of the bikeway follows the shore of the Thunder Bay River through the Alpena County Fairgrounds.

6

BLAIR STREET PARK

Location: Blair Street (at the end of the street, on Lake Huron)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
0.4	Mini-Park	3	This facility is mostly barrier-free.

Description

Blair Street Park located at the end of Blair Street on Lake Huron. This 0.4-acre park contains 173 feet of Thunder Bay frontage and a refurbished handicapped-accessible pier for fishing, a picnic area with tables and grills, concrete bike paths connecting the State Avenue bike path to the pier and off-street parking.

7

CITY OF ALPENA MARINA

Location: 400 East Chisholm Street (adjacent to Bay View Park)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
8	Special Use Facility	3	This facility is mostly barrier-free. Hardware at the boaters restrooms needs to be changed and barrier-free signage needs to be installed on both doors at the proper height. There is no barrier-free access to the east side of the fixed dock basin. The breakwall Bi-Path is barrier-free. The fish cleaning station is not barrier-free.

Description

Name & Location: The City of Alpena Marina, on Lake Huron, is located at 400 East Chisholm Street, adjacent to Bay View Park and the Alpena Yacht Club. The marina is within walking distance of downtown Alpena which allows boaters access to amenities such as restaurants, shopping, lodging, cultural sites, a post office, additional parks, and Alpena City Hall. The marina is within the Thunder Bay National Marine Sanctuary.

Size & Amenities: The marina sits on eight acres and is the only full-service marina in the area. It provides visitors and residents with all necessary, boating-related services including a full-time staff, a fueling station, 35-ton boat hoist, fish cleaning station, boaters' restrooms, a marina store, and marine repair facilities (full list below). A portion of the City bi-path system has been constructed along the top of the break wall. The City Marina contains 88 seasonal and 44 transient boater slips. Courtesy docks, a launch ramp, and broadside moorage are also available. The City participates in the state Central Reservation System. Under this system, transient boaters are able to reserve dockage at the Marina on specific dates via a centralized, statewide system. The Marina also acts as a communications center for boaters in the waters of Thunder Bay and posts severe weather warnings. Dockage is also provided for a MDNR law enforcement boat and the U.S. Coast Guard. See City of Alpena Marina Master Plan for more details. The facility is of an appropriate size to meet the demands of the number of boaters in the area. No boaters are turned away and there are no waiting lists.

- Dockside water hook up
- Dockside electric (30 & 50amp)
- Gasoline and diesel sales
- Pump-out services
- Fish Cleaning Station
- Boat Launch (daily or yearly rates)
- Ice
- Boater's Restroom and Showers
- Boat Hoist
- Dog Run
- Day Use Dockage
- 24-hour Security
- Grills/Picnic Tables
- Marine Supplies

Development Plan: In 2021, the City of Alpena adopted the City of Alpena Marina Plan. Chapter 6 of this plan details the planned facility and infrastructure improvements. See **Appendix E**.

Marketing, Events, and Partnerships: Marketing has become a keen asset in the 21st century. With the change in times the City of Alpena shall take advantage of marketing to better promote the greatest assets that the City

of Alpena has to offer. Marketing shall be an integral part of the growth of the marina along with outreach and education within the community. A marketing partnership exists between the marina, the Alpena DDA, and the Alpena Chamber of Commerce. In this partnership, the city intends to work with the community to grow marketing and branding opportunities while keeping the same theme throughout the City and the marina. A bi-monthly newsletter is planned to keep users informed of happenings around the marina. The marina also intends to reach out to local businesses to create an incentive for boaters. The City also intends to establish a marketing budget to aid in promotion.

Dredging Needs: The City plans to dredge the marina and evaluate the 10-year dredge cycle. Manual soundings are periodically taken to evaluate the need for a full survey. As of 2021, there was not a need for dredging.

Maintenance & Replacement: The current FY 23/24 budget for the marina fund is \$668,070

Maintenance & Replacement	Year	Projected Cost
Annual Maintenance Schedule		
Repairs & Maintenance	2023-2024	\$20,000
Supplies	2023-2024	\$10,000
Equipment Rental	2023-2024	\$35,000
Fiber Optic Rental	2023-2024	\$1,442
Utilities	2023-2024	\$35,000
Printing & Publishing	2023-2024	\$1,000
Minor or Small-Scale Infrastructure Replacement Schedule		
Durable Goods (small equipment replacement, fixtures)		\$3,500
Large Scale Maintenance & Replacement Schedule		
Boaters Restroom Design	2024	\$35,000
Alpena Marina UST Supply Line Upgrades	2024	\$100,000
Restroom Improvements	2025	\$175,000
UST Cleanup	2027	\$30,000
High Efficiency Lighting Upgrades	2028	\$62,000
Shop Building Rehabilitation	2028	\$215,000
Utility Pedestal Replacement	2029	\$364,000
Wayfinding Signage	2029	\$65,000
Dock Repair	2029	\$90,000
Parking Lot Resurfacing	2029	\$195,000
Social Gathering Area	2029	\$35,000

8

CULLIGAN PLAZA

Location: Chisholm Street (at Second Avenue)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
0.74	Mini-Park	3	This facility is partially barrier-free. There is barrier-free access from the sidewalk along the perimeter of the plaza, but there is no barrier-free access to the fountain.

Description

Culligan Plaza is a small public space located on Chisholm St. at Second Ave. It contains a water fountain and a large public fountain. The plaza is the location of many community events including the site of the City Christmas Tree. The City received a grant from the Michigan Economic Development Corporation (MEDC) for over one million dollars to redesign and reconstruct Culligan Plaza.

9

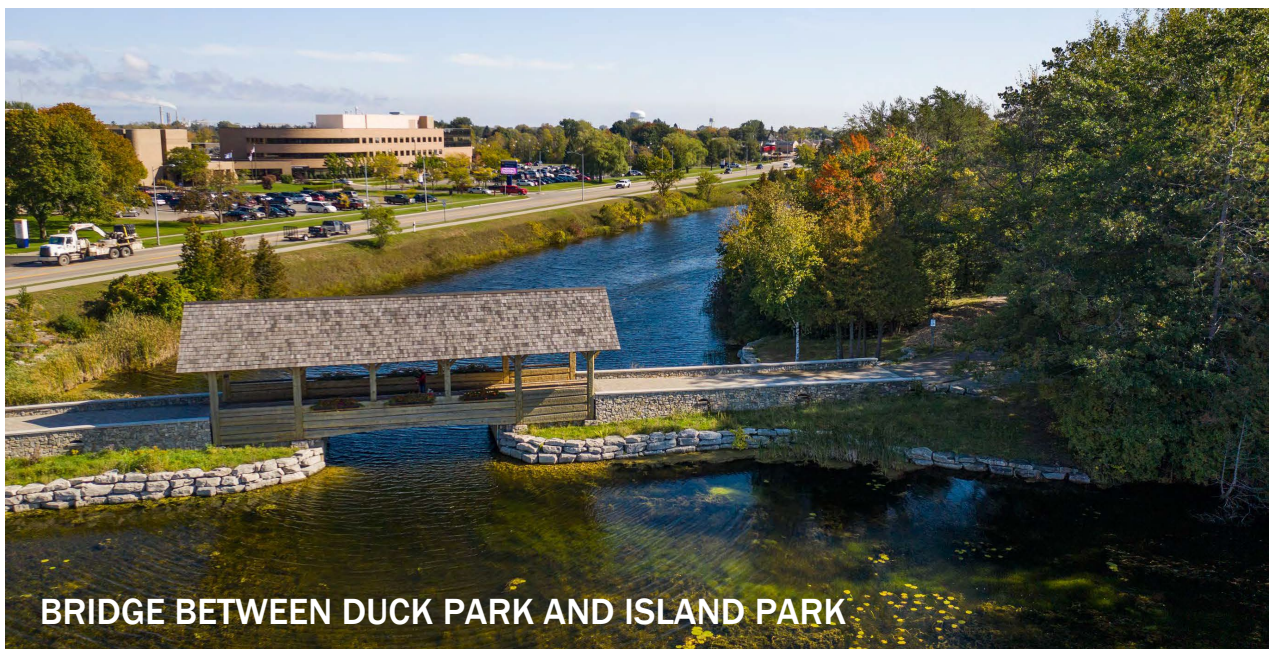

DUCK PARK

Location: US-23 and Long Rapids Road (adjoins Island Park and the Wildlife Sanctuary)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
2.5	Community Park	3	The parking lot has marked ADA-compliant spaces and a bike path through park and path to the bridge and kayak launch are ADA-compliant. There are no barrier-free picnic tables and no barrier free access to cooking grills.

Description

Duck Park adjoins Island Park and the Wildlife Sanctuary. This 2.5-acre park has 1,200 feet of Thunder Bay River frontage. It complements the natural setting of Island Park by offering an area for more developed recreational uses and vehicular parking. It is also the proposed site of the Thunder Bay River Center and adjoining boardwalk from which a range of recreational and educational activities relating to the Thunder Bay River Watershed can be provided. The site includes picnic tables, an area for rest, as well as off-street parking. Ducks, swan, geese, and other wildfowl gather at this site. The park also includes a covered pedestrian bridge to Island Park, a water tower, and a kayak launch.

10

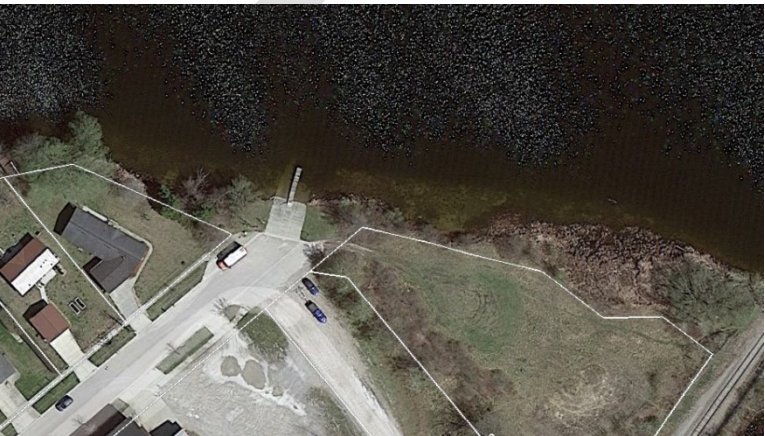

ELEVENTH AVENUE BOAT LAUNCH

Location: Eleventh Avenue (on the Thunder Bay River/Lake Besser)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
Road End	Special Use Area	1	This facility is not barrier-free.

Description

The Eleventh Avenue Boat Launch is located at the end of the Eleventh Avenue on the Thuder Bay River/Lake Besser. It serves as a small craft boat launch but has few amenities at this time.

11

ISLAND PARK

Location: corner of US-23 and Long Rapids Road

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
17	Natural Resource Areas	2	This facility has some barrier-free facilities. The parking lot is paved and access to the City Bi-Path is possible from Duck Park. Many viewing opportunities exist to view the water and wildlife. Barrier-free fishing opportunities exist along the pedestrian bridge and in two areas along the Bi-Path at the island side of the pedestrian bridge. The majority of the viewing and fishing platforms on the island are not barrier free.

Description

Island Park is located on the Thunder Bay River, at the corner of US-23 and Long Rapids Road. This 17-acre island is owned by the City and developed and maintained by the Alpena Wildlife Sanctuary Board. The island has 4,400 feet of water frontage. This natural area preserves the rich ecosystems with the flora and the fauna natural to the area. Access to this area is gained by way of a concrete bridge, which is closed to vehicles (a key may be obtained to drive to a handicapped-accessible viewing area). Nature/hiking trails crisscross the Island, providing abundant opportunity for observation and study of nature and wildlife. The opportunity for fishing is provided by fishing platforms at the water's edge. The City of Alpena developed a comprehensive River Plan in 1995, which includes Island Park and the Thunder Bay River Corridor. The **Wildlife Sanctuary** is located adjacent to the Island Park. It consists of 450 acres and

is home to a variety of native fauna and flora.

12

LAMARRE PARK

Location: Eighth and River Street (on Thuder Bay River)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
1.5	Mini-Park	4	This facility is barrier-free.

Description

LaMarre Park is located at Eighth and River Street intersection on the Thunder Bay River, was acquired by the City of Alpena from Alpena County in 1997. This 1.5-acre site includes 367 feet of river frontage and is a popular fishing location and is frequently used as a trailhead to access the City bi-path system.

In 2004, the City, with the assistance of MDEQ Coastal Management Program grant funds, installed a large barrier free concrete walkway and fishing platform along the river's edge. In 2008, the City purchased and removed a residential home at the corner entrance to the park in order to open the view of the park, increase open space, and visibility.

Other amenities at this park include picnic tables, benches, off-street parking, and passive recreation.

13

MCRAE PARK

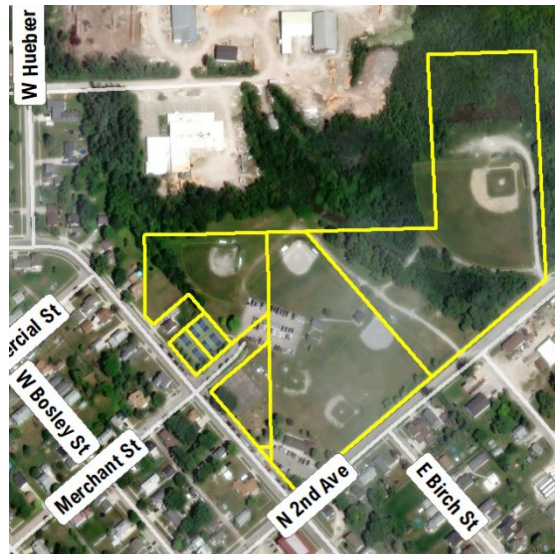

Location: North Second Avenue and Heuber Street intersection

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
16.4	Community Park	2	This facility has some barrier-free facilities. The parking lot is paved but there is no barrier-free access to the playground, basketball courts, or ballfield bleachers. The restrooms at the Concession Stand are not barrier-free. The driveway to the ballfield is not paved and access to the bleachers is limited. The only access ramp to the community building is in poor condition and needs repair. The community building entrance door threshold needs to be lowered to 5/8". Neither restroom in the community building is compliant; each entrance door must be widened, the restrooms enlarged, and barrier-free hardware installed.

Description

McRae Park located at the intersection of North Second Avenue and Hueber Street. This park includes four fenced youth/women's ball fields (three 60-foot base fields and one 90-foot base field); two T-ball fields; a children's play area; six pickleball courts; two basketball courts; two paved parking lots; a small concession/restroom building; and a park shelter which is used for meetings and social events. General oversight and maintenance of this park is conducted by the McRae Park Association.

A 90-foot basepath baseball field was constructed in 2008. This field was constructed to replace an old Babe Ruth field that was closed when Oxbow Park was abandoned by the City. Some new playground equipment was purchased through grant funds obtained in partnership with the Northeast Community Service Agency (NEMCSA). Funds for installation were obtained from a MSHDA Neighborhood Preservation grant; accessed through the City's participation in a community Vision 2020 program.

14**MICH-E-KE-WIS PARK**

Location: State Avenue (between Thunder Bay Avenue and Mason Street)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
20	Community Park	2	Some of this facility is barrier free. The parking areas are not paved and there are no barrier free pathways leading to park features.

Description

Mich-e-ke-wis Park is an approximately 20-acre park located on Lake Huron along State Avenue, between Thunder Bay Avenue and Mason Street. The park includes playground equipment, a BMX bike park (designed for younger riders), volleyball courts, horseshoe pits, a beach area, picnic area, an enclosed warming/general park shelter building, and off street parking. The park is revered for the natural beauty of its shoreline and scenic views of Lake Huron. Sections of the City's Bi-Path rung through the park along the Lake Huron Shoreline.

In 2020, the City of Alpena completed the development of a Mich-e-ke-wis Park Master Plan. The plan was developed with thorough public input and makes recommendations for many park improvements including:

A multi-use pavilion, quiet area with pedestrian pathway, additional volleyball courts, and a bike pump-track. The plan also calls for rearranged and paved parking areas, upgraded playground equipment, and improved amenities such as picnic tables, benches, bike racks, and site lighting and landscaping. The Mich-e-ke-wis Park Master Plan can be seen in **Appendix D**.

The City has an active Recreation Passport grant to relocate the current volleyball courts and to construct two additional courts.

15

NORTH RIVERFRONT PARK (& THOMAS STAFFORD DOG PARK)

Location: Fletcher Street (near the mouth of the Thunder Bay River)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
2.4	Special Use Park	4	This facility is barrier-free.

Description

North Riverfront Park located off Fletcher Street near the mouth of the Thunder Bay River within the City's downtown area, behind the Post Office. This park has 570 feet of river frontage. A parking lot and boat launch is provided on this site. A section of the park is also fenced and dedicated as the Thomas Stafford Dog Park.

In 2007-2008, the City implemented a number of improvements at North Riverfront Park aided by a grant from the MDNR. The improvements include the installation of a cantilevered walkway with barrier free access and rail sections allowing fishing for all parties. The improvements also included flower, shrub, and tree plantings and the installation of an irrigation system to ensure the livelihood of plant material and reduce runoff to the river. Amenities were also installed in the park including benches, picnic tables, walkways, water and power access and a drinking fountain. These improvements have opened up this previously unimproved park for expanded and enhanced activities. The project, due to available funding, had to be curtailed and elements originally planned for were deleted from the project with hopes of being able to fund them in the future. These include the resurfacing and restriping of the parking lot, parking lot lighting, and installation of water and

power access points throughout the park.

16

POCKET PARK

Location: Chisholm Street (between Second and Third Ave)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
0.14	Mini-Park	3	This facility is barrier free.

Description

Pocket Park is located between Second and Third Ave. It contains a walkway, benches, and plantings. A small portion of this park is leased by a local restaurant to provide outdoor dining. This park is maintained by the Downtown Development Authority (DDA).

17

RIVERSIDE SKATE PARK / WATER TOWER PARK

Location: Ninth Avenue (near the Ninth Avenue Bridge)

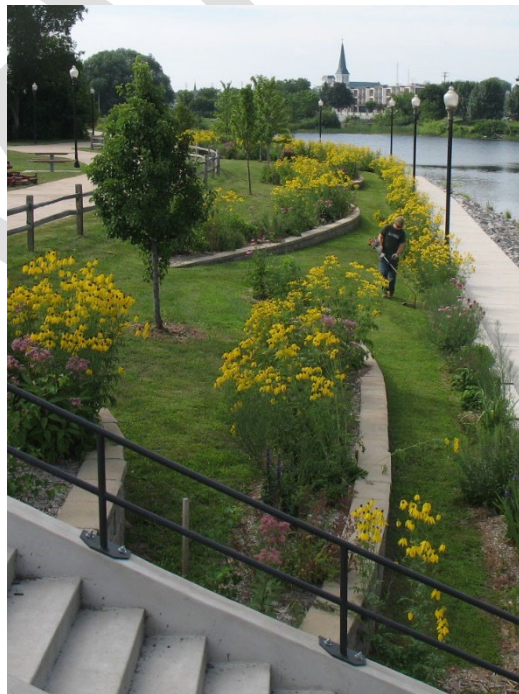

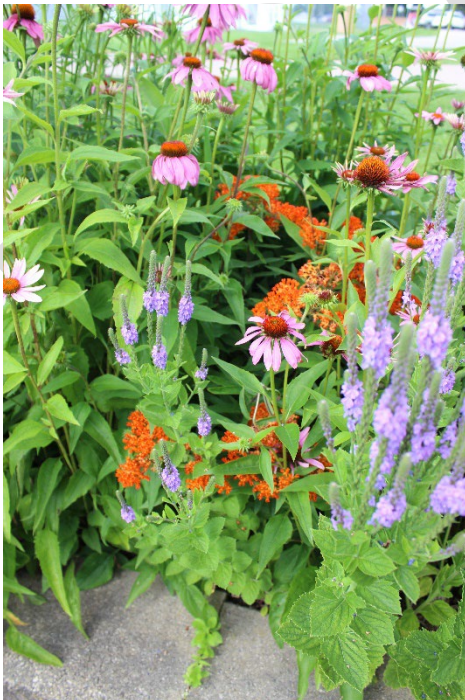

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
5.9	Special Use Park	4	This facility is barrier-free.

Description

Riverside Skate Park/Water Tower Park is located on Ninth Avenue near the Ninth Avenue Bridge. A collaborative effort between a skateboarding/in-line skating group, concerned citizens, and the City resulted in the development of this community recreational skateboarding park. The project began in 1997 by a group of area youth involved in Get Excited And Rally (GEAR), with the help of many community supporters. As the proposal gained recognition, committees were formed and public information sessions were held. In the spring of 1998, this well-planned project resulted in the selection of Water Tower Park on Ninth Avenue as the location for the skateboarding facility. With youth and adults working together, the central location of Water Tower Park provides recreational opportunities for skateboarding and in-line skating. Stunt bikes are not allowed at the facility. Although the park is youth-oriented, it provides all residents of the City of Alpena with the opportunity to participate in this popular activity in a safe and user-friendly environment. A second mini-skate park for beginners was constructed in 2006.

In 2006, with the assistance of a grant from the MDEQ, improvements to Water Tower Park were installed. A 10-foot wide section of lighted Bi-Path was extended across the park from Ninth Avenue (which connected to a section of the Great Lakes Maritime Heritage Trail that extends to Second Avenue). Additional park improvements undertaken during this project included the construction of a barrier free fishing pier along the waters edge, the installation of an irrigation system and terraced rain garden (to control runoff to the river – see photos on following page), landscaping upgrades, and the installation of new picnic tables.

Rain Garden installed to control runoff to the Thunder Bay River:

18

ROTARY ISLAND MILL PARK

Location: Between Sixth and Seventh Streets (on the Thunder Bay River)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
1.7	Mini-Park (Private Park with Granted Public Access)	4	This facility is barrier-free.

Description

Rotary Island Mill Park is located in the Thunder Bay River between Sixth and Seventh Streets. Owned by the Rotary Club of Alpena, this park was developed for recreational use with fishing sites and pathways. In 2007, a pedestrian bridge linking the island to the Great Lakes Maritime Heritage Trail was installed. This bridge established a connected, non-motorized pathway to both sides of the Thunder Bay River. It also effectively integrated the island into the City park system. A pavilion, benches, and picnic tables are available. In 2008, the Rotary Club signed a maintenance agreement with the City of Alpena whereas the City will maintain specified improvements on the island in exchange for a public access easement across the island.

19**STARLITE BEACH**

Location: State Avenue (between Mason and Bingham)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
8.5	Community Park	4	This facility is barrier-free.

Description

Starlite Beach is an approximately 8.5-acre park located along State Avenue between Mason and Bingham Streets. It is one of the premier, and most popular, parks in the City of Alpena. The park offers many features such as: a large sandy beach on Lake Huron, with a beach ramp to offer barrier free access, a beach promenade with sitting wall, three large barrier free playground structures and two small children's playground structures, new modern barrier free restroom facility, new barrier free pavilion, and a barrier free splash pad. There is paved off street parking and sections of the City's Bi-Path run through the park along the Lake Huron Shoreline. There is also a large picnic/open area and benches, picnic tables, and sun shelters throughout the park.

Many of the facilities and amenities were installed as part of an approximately \$4-million improvement project designed to make Starlite Beach a premier all-season destination. The park is within easy walking distance of several restaurants and fast food establishments, many retail stores, a miniature golf course, and several other City parks.

20**SOUTH RIVERFRONT PARK**

Location: South side of the River (within the City's downtown Area)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
1.7	Mini-Park	4	This facility is barrier-free.

Description

South Riverfront Park located on the south side of the River within the City's downtown area, behind the former Alpena Power Company building, Federal Building, and Memorial Hall. With approximately 850 feet of Thunder Bay River frontage, the site consists of three parcels of land.

The first parcel, owned by the City, is located directly behind Memorial Hall. Uses of this site include dock fishing, passive recreation and broadside moorage for larger watercraft. The second parcel, owned by a private individual, is directly behind the Federal Building. A partial easement has been granted to the City for passive recreational use; including dock fishing, and an open green space area. Broadside moorage exists for federally-operated vessels. The third parcel, owned by the City, is located directly behind the former Alpena Power Company building.

In 2005, the amenities of the entire park were upgraded with grant funds received from the state's Cool Cities Pilot Program. A colored, stenciled concrete walkway, the first phase of the City's historic Riverwalk, was constructed. Wrought iron safety railing was installed along the head pier and an irrigation system was installed throughout the park. Historic-style pedestrian lights, gazebo, drinking fountain, and wrought iron benches were also installed. Historic markers detailing the history and use of the Thunder Bay River were developed in partnership with the Thunder Bay National Marine Sanctuary and Underwater Preserve and installed along the new walkway.

Recreational uses of this park include dock fishing, broadside moorage of watercraft and passive recreation.

21**THOMSON PARK**

Location: State Avenue on Lake Huron (between Starlite Beach and Bay View Park)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
0.81	Neighborhood Park	1	This facility is not barrier-free. No barrier-free picnic tables are present within the park and there is no barrier-free access to the beach or lake.

Description

Thomson Park located on State Avenue on Lake Huron, midway between Starlite Beach and Bay View Park. With 160 feet of Thunder Bay frontage, this park has an excellent swimming beach, which is used quite heavily. Several picnic tables and a bike rack are available. A portable restroom facility is placed at the park during the summer months.

22**VETERAN'S MEMORIAL PARK**

Location: Washington and Second Avenue

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
0.06	Mini-Park	4	This facility is barrier-free.

Description

Veteran's Memorial Park is another small "pocket park" located at Washington and Second Avenue in downtown Alpena. It contains benches and a memorial to local veterans.

23

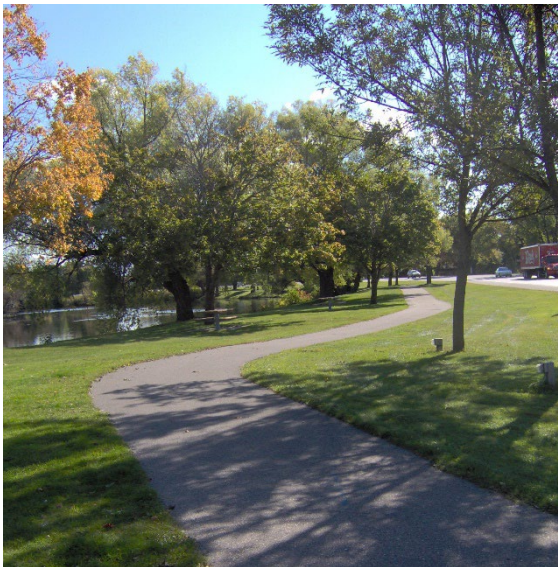

WASHINGTON AVENUE PARK

Location: Washington Avenue (at Eleventh Avenue)

Size (acres)	Purpose/Use	Accessibility Rating	Accessibility Notes
3.8	Neighborhood Park	4	This facility is barrier-free.

Description

Washington Avenue Park located on Washington Ave. at Eleventh Ave. This 3.8-acre park has 1,650 feet of scenic frontage on the Thunder Bay River. Picnic tables, an area for rest, fishing access and off-street parking are available. This park is also a gathering place for wildfowl.

DNR RECREATION GRANT INVENTORY					
YEAR	GRANT #	PARK NAME	ITEMS	STATUS	GRANT AMOUNT
1977	26-00985	Mich-e-ke-wis Park	7,000 ft ² Park Shelter	Closed	\$116,500
1978	26-01060Y	McRae park	Little league field, paved parking, restroom and concession building, landscaping	Closed	\$32,000
1978	26-00842	Riverfront Park	Acquire 2.28 acres of land for public outdoor recreation.	Closed	\$37,288
1982	TF596	Wildlife Sanctuary	Acquire 17-acre island on the Thunder Bay River within the 450-acre Wildlife Sanctuary.	Closed	\$237,500
1983	26-01265	Starlite Beach	Develop entrance area, roadside park, entrance road and paved parking lot, bicycle/pedestrian trail, picnic area, landscaping.	Closed	\$65,000
1984	TF768	Thunder Bay River mouth	Acquire 6.5 acres at the mouth of the Thunder Bay river and Lake Huron. Staging area for underwater park.	Withdrawn	\$720,000
1985	26-01379	North Riverfront Park	Boat launch with paved parking and landscaping	Closed	\$84,000
1987	TF87-016	Small Boat Harbor	Construct new floating dock main pier with 12 finger piers.	Closed	\$80,000
1989	BF89-642	Bay View Park	New parking area, concrete picnic tables, park id and directional signs, concrete sidewalks/bike path, trees, lawn area in front of Bandshell to provide slope.	Closed	\$75,000
1992	TF92-299	Thunder Bay River	Develop hard surface nature trails and pathways, boardwalks, docks, bridge, landscaping and picnic tables.	Closed	\$195,000
1995	TF95-180	River Plan – Phase 2	Pathway system along south side of river, improvements to Island Park and adjoining roadside park.	Closed	\$279,800
1999	TF99-353	Harbor Breakwall Walkway Extension	Develop 700 linear foot extension of walkway atop the harbor break wall, including railing, pedestrian lighting, fishing platform, and benches.	Closed	\$155,685
2000	TF00-275	Harbor Breakwall Walkway Extension	650 linear foot extension of concrete walkway atop the harbor break wall to its terminus, including railing, pedestrian lighting, fishing platform, and benches.	Closed	\$153,481
2005	TF05-014	North Riverfront Park Heritage Improvements	Walkways, parking, pavilions, lighting, irrigation, and site amenities.	Closed	\$214,500

2007	TF07-023	Starlite Beach Promenade Facilities Project	Picnic pavilion, restroom/storage/concession building, walkway, utilities, landscaping, & site amenities at Starlite Beach on Thunder Bay	Closed	\$443,300
2013	TF13-022	NEST Alpena Regional Trailhead	Develop year-round trailhead along North Eastern State Trail. Restroom/ storage building, pavilion, paved parking lot, snowmobile parking, access paths, drinking fountain, landscaping, all necessary site amenities, security lighting & camera.	Closed	\$245,000
2016	TF16-0174	Starlite Beach Splash Pad and Beach Improvements	Develop a new splash park, access pathways, sun shelters with picnic tables, shoreline sitting wall, landscaping, and a beach ramp to allow persons with mobility issues to access the beach and shoreline. The splash park consists of a number of water features designed for visitors from toddlers to adults.	Closed	\$430,000
2021	TF21-0168	Bay View Park Restroom and Pavilion	Development of restroom facilities to support events and activities at Bay View Park, including the band shell, kiddie park and tennis and basketball courts. This will also provide additional facilities for events and activities downtown and at the marina.	PA Executed	\$300,000
2022	26-01884	Duck Park Development of Pavilion and Restrooms	Access Pathway 5' - 6' wide; Bench(es); Landscaping; Lighting; Pavilion Including Restroom; Utilities	NPS Approval Pending	\$150,000
2022	RP22-0078	Mich-e-ke-wis Park Beach Volleyball Courts	The project would relocate current volleyball courts upland from their current location to address current flooding concerns. The plan also adds two additional courts to meet public demand and provide much needed parking and access upgrades to service not only the courts, but the nearby farmers market and outdoor recreation visitors also utilizing the park.	PA Executed	\$150,000
Post-Completion Self Certification Reports contained in Appendix B					

Other Area Recreational Properties

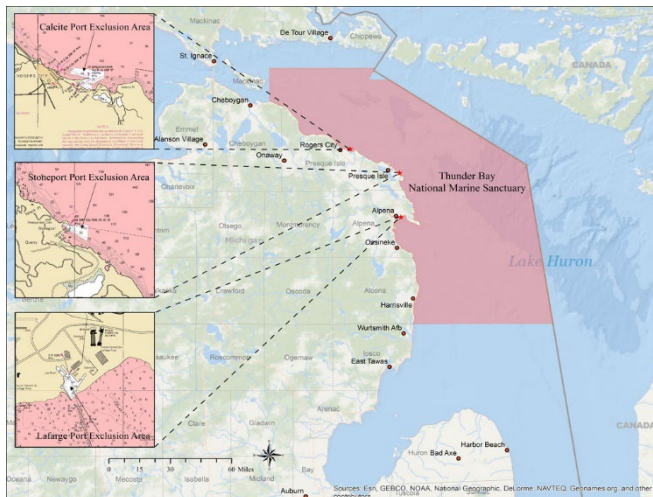

Maritime Facilities in Alpena County

Thunder Bay National Marine Sanctuary and Underwater Preserve

In October 2000, the Thunder Bay National Marine Sanctuary and Underwater Preserve was designated as the nation's first freshwater sanctuary. The 4,300-square mile sanctuary and underwater preserve is located in Thunder Bay off the coast of Alpena County, Alcona County, and Presque Isle County. Its boundaries extend from the north Presque Isle County line to the south Alcona County line and east to the Canadian boundary. Not only is the Sanctuary/Preserve the first freshwater sanctuary, but it is also the first sanctuary to focus solely on a large collection of underwater cultural

- Diving: charter, recreational and commercial
- Fishing: charter, recreational, and commercial
- Boating: recreational and commercial
- Research
- Education

The NOAA protects and manages sanctuaries through the National Marine and Sanctuary System (NMSS). Because the Thunder Bay Marine Sanctuary and Preserve is entirely within Michigan waters, a Joint Management Committee was established with NOAA and the State participating as equal partners. The involvement of communities and the development of a stewardship ethic in the community is vitally important to the protection of sanctuary resources. To help facilitate community stewardship, a Sanctuary Advisory Council (SAC) is established which is supported by NMSS. The 15-member council consists of local members from the community representing a variety of disciplines, interests, and political subdivisions. Members are appointed by the director of NMSS and mutually agreed upon by NOAA and the State of Michigan. The primary duties of the SAC are to provide recommendations to NOAA and the State of Michigan concerning sanctuary development and to advise the Sanctuary/Preserve manager about management issues. Sanctuary/Preserve activities will focus on resource protection, education, and research. Priority activities include placing mooring buoys at identified shipwrecks, initiating an inventory and documentation of shipwrecks, and developing a maritime heritage education program.

resources and the first sanctuary to be located entirely within state waters.

The focus of Thunder Bay National Marine Sanctuary and Underwater Preserve is on understanding the region's "maritime cultural landscape." While the shipwrecks of the Thunder Bay region are the most obvious underwater cultural resource, the sanctuary puts the shipwrecks in the larger context of the region's lighthouses, lifesaving stations, shipwreck salvage operations, and maritime economic activities.

Thunder Bay National Marine Sanctuary and Underwater Preserve encourages and promotes recreational activities that include:

The Thunder Bay Sanctuary/Preserve Maritime Heritage Center has been developed in a refurbished building within the old Fletcher Paper Mill property along the Thunder Bay River. The museum, education, and research center generate considerable activity and have become a major tourism focal point in the City of Alpena.

Thunder Bay Island

Thunder Bay Island consists of 215 acres of which the Charter Township of Alpena owns 43.08 acres. Thunder Bay Island sits four miles offshore from North Point in Alpena County at the northern edge of Thunder Bay. The Island is the outermost island in a group of islands connected to the north point of Thunder Bay by a shallow bank of numerous rocks, most of which are submerged. This 215-acre Island is composed of limestone bedrock and is covered with large boulders and gravel. A thin layer of soil supports a wide variety of plants and the absence of deer allows vegetation to grow without being browsed. The island is an important nesting site for a variety of bird species. Free from major carnivores, except the raccoon, large colonies of ring-billed gulls, common terns, herring gulls, and caspian terns can be found raising their young on the island. Federal land use regulations apply to the island and wildlife and wildlife habitats are managed by the U.S. Fish and Wildlife Service.

One of the oldest light stations on Lake Huron is located on Thunder Bay Island. The light tower was first constructed in 1832 and was built to warn mariners of the dangerous reefs extending from the island. The lighthouse was built on the SE tip of the island with a tower of stucco-covered brick, and a spiral staircase. In

1857 it was raised 10 feet and a fog signal was added. The light keepers' quarters are attached. From 1832 to 1939 the Station was run by the U. S. Lighthouse Service, thereafter the U. S. Coast Guard manned it until it was automated in 1983. The facility is currently undergoing restoration by the Thunder Bay Island Lighthouse Preservation Society.

Squatters were attracted to the federally-owned island and by 1845, a large fishing community thrived there. One hundred and sixty people lived on the island with thirty-one fishing boats harvesting twelve thousand barrels of fish each year. Faced with government action to remove them from the island, the trespassers picked up their belongings and relocated to nearby Sugar Island, where they stayed for years. At the present time, the most immediate concern for the Island is the rehabilitation of the lighthouse. Repairs are needed to keep the structure sound and restoration would be needed prior to public viewing. The Charter Township of Alpena received a land patent for the Bureau of Land Management in October of 2014 for the southern 43.08 acres containing all of the remaining structures including the light tower, keepers' quarters, fog signal building, and oil building (storage).

Middle Island Lighthouse

Middle Island Lighthouse is located on Middle Island in Lake Huron, approximately 1.5 miles east of Rockport, and is operated by the Coast Guard. The rest of the

island, the lighthouse keeper's quarters, two privies, and a tool shed are privately owned and are currently being restored.

State of Michigan Facilities

Rockport State Recreation Area is located in the northeast corner of Alpena County and the southeast corner of Presque Isle County. This 4,247-acre recreation area also contains Besser Natural Area. The park houses unique sinkholes, a deep water protected harbor, a 300-acre old limestone quarry, a boat launch, a picnic area, and an outhouse. The park also contains over 23 miles of hiking, biking, and equestrian trails.

Negwegon State Park consists of approximately 1,720 acres in Alpena County and an additional 1,265

acres is located in Alcona County. The park is a day-use facility with hiking trails, parking, and pit toilets, which are located in Alcona County.

Thunder Bay River State Forest Campground

is located six miles south of M-32 on Indian Reserve Road. Owned by the State of Michigan, this campground is situated in the Mackinaw State Forest on the Thunder Bay River. It covers 20 acres of land and has 17 rustic campsites, well water, picnic tables, fire rings, toilets, and a picnic area. This campground offers

opportunities for canoeing, fishing, and wildlife viewing. Also, hiking and mountain biking are available on the 1.5-mile Wah-Wah-Tas-See Pathway.

Ossineke State Forest Campground is located on the shore of Lake Huron. It has 42 campsites, picnic tables, fire pits, water pumps, and eight toilets. A small picnic area has four tables, fire pits, and grills. The campground also has a non-motorized hiking trail and a sandy beach. There is no boat launch site.

Devil's Lake Wildlife Flooding Area is located around Devil's Lake. This site is owned by the MDNR and although it remains undeveloped, it is of interest to those who enjoy nature and wildlife observation in a quiet setting.

A Public Access Site is located at Partridge Point in Sections 10 and 11 of T30N, R8E. Owned by the MDNR, this site provides access to the waters of Thunder Bay in Lake Huron.

Fletcher Pond DNR Public Access to Fletcher Pond is located off Jack's Landing Road on Fishing Site

Road. This site consists of approximately 10 acres and is owned by the Michigan Department of Natural Resources. It has a boat launching ramp, a fishing site, a comfort station, and a parking area.

Michigan Department of Natural Resources (MDNR) Boat Launch Site is located off of East Nicholson Hill Road on the shore of Lake Huron. Owned by the MDNR, this four-acre site has one concrete ramp for shallow draft boats. With a parking area for 30 cars, this site would normally receive medium to heavy use, however, due to the low water levels, this launch has not been used.

Mackinaw State Forest is located in multiple townships. Covering 7,000 acres, this State forest is designated for multipurpose recreational and forestry use. Hunting is the primary recreation with hiking and nature observation opportunities also available.

Indian Reserve Devils Lake Parking Lot provides parking for trail users in the area (snowmobile, hiking, biking, skiing, and horse).

State of Michigan Trails

Nonmotorized and motorized trails are promoted in northern Michigan through the **Up North Trails** website. All trails whether they are motorized or non-motorized are depicted on an interactive map. Descriptions of the trail as well as the legal trail uses are included on this map. This site can be viewed at www.upnorthtrails.org.

Norway Ridge Pathway is located 4.5 miles southwest of the City of Alpena, in the eastern portion of Wilson Township and the western portion of Alpena Charter Township. As part of the Mackinaw State Forest, the pathway has 4.5 miles of groomed trails and is owned by the Michigan Department of Natural Resources (MDNR). The Thunder Bay Trails Association assists with trail maintenance and improvement. Recreation opportunities include cross-country skiing during the winter months and mountain biking/hiking during the spring, summer, and fall. The trailhead for the Norway Ridge Pathway is off Werth Road.

Chippewa Hills Pathway is located approximately 11 miles west of Ossineke on Nicholson Hill Road in the Mackinaw State Forest. It is one of the best-groomed cross-country ski trails in northeastern Michigan. It is also open to mountain biking, following a roller-coaster route through cedar swamps and dense trees. For the most part, it is high and dry and mostly singletrack. The path, like most other Michigan cross-country pathways, is amply marked and relatively hazard-free, except for a few sandy patches.

The North Eastern State Trail (NEST) was completed in 2011. Users can walk, bicycle, horseback ride, or snowmobile 71 miles from Alpena to Cheboygan. The trail runs from Woodward Avenue in the City of Alpena to Lincoln Street in the City of Cheboygan where it merges with the North Central State Trail which runs south 45 miles to Gaylord or northwest

16 miles to Mackinaw City. The NEST has a 10' wide packed crushed limestone surface with two-foot shoulders, new safety signs, access control features, and mile marker posts. The trail use, determined by the DNR, is for all non-motorized users year-round and snowmobiles from December 1 through March 31. This project was a collaboration between two state departments, local governments, and a non-profit organization. The Top of Michigan Trails Council (TOMTC) led the effort to help assemble a 3.1 million dollar funding package which included gaining 5% of the project costs from local governments, individuals, and organizations. The Michigan Department of Transportation completed the engineering and project oversight while the Michigan Department of Natural Resources oversaw the project implementation and will continue to manage and maintain the facility. The trail now creates a link across northeast Michigan on the former Detroit to Mackinaw Railroad connecting Alpena, Posen, Hawks, Millersburg, Onaway, Aloha, and Cheboygan.

The Alpena to Hillman Trail (also known as the

Paxon Spur) is an abandoned rail grade that is 22.3 miles long, connecting the City of Alpena to the Village of Hillman. The trail offers opportunities for snowmobiles, hiking, and mountain biking (some sections are impassable for mountain bikers). The trail is groomed in the winter months by the Alpena Sno-Drifters. The surface is crushed limestone from Bagley Street to M-32 in Herron. The remainder of the trail is dirt, cinder, and ballast, and is not currently ADA-accessible. There are gates on the trail and they are closed and locked during the summer months. The trails are still open for non-motorized use, but the user must enter around the gates. There is a private elk farm right along the trail where users can view the elk.

Devil's Lake Snowmobile Trail and Devil's Swamp Snowmobile Trail are located off Werth Road. These trails circle the length of Devil's Lake and include 26 miles of the Mackinaw State Forest. MDNR owns this land and has developed it for recreational use. The snowmobile trails are maintained by the Alpena Snowmobile Association.

Trails Partnership Action Items:

Some action items for a potential partnership include:

1. Improvements and surfacing of the Alpena to Hillman Rail Trail to allow for expanded year-round non-motorized transportation. This would mirror the North Eastern State Trail, which still supports snowmobile usage during months with adequate snow cover.
2. Add amenities and access points along the NEST.
3. Improve the surface and accessibility of the Alpena to Hillman Trail.
4. Add amenities, trailhead, and access points along the Alpena to Hillman Trail.

Alpena City Housing Commission

The Alpena City Housing Commission has two neighborhood parks under its jurisdiction. The **Kurrasch Park** is a 1.48-acre neighborhood park located on Fourth Ave. Only partially developed, the park has limited playground equipment and an open

field area. The housing commission office building is situated on the property and has a community room that is suitable for many indoor recreational activities. The **Eleventh Avenue Park** has a playground utilized by area children.

Alpena County-Owned Recreational Facilities

Alpena County Fairgrounds are located on Eleventh Avenue between Charlotte Street and Tawas Street. Situated on 33 acres, this property includes 2,700 feet of Thunder Bay River frontage. Water and

sewer services are provided by the City of Alpena. Livestock barns are available for annual fair events. Facilities including camping, playground, electricity, picnic tables, sanitary dump stations, restrooms

showers, indoor shelter and storage building, grandstand, portable bleachers, arena and barn, racetrack, green space, horseshoe courts, fishing area, and two boat lanuches.

Alpena Plaza Pool is located at Alpena High School, 3303 South Third Avenue. The pool building measures 130 feet x 110 feet. The pool can accommodate six lanes, 25 yards long, for swim competition. This pool is located in a centrally accessible area and is the only municipal indoor swimming pool in the County. In addition to being used by high school students and the public, it is a major source of school training and team competition. Senior citizens and area youth also use the pool for family-oriented activities. The pool can be rented for birthday parties. A full-time director schedules and/or supervises the following pool activities which includes many swim programs.

Tennis Courts are located on the grounds of Alpena High School next to the pool building. These four courts are used by students and the public for casual recreation and organized team competition. Recent updates include resurfacing and spectator seating installed.

Long Lake Park/Campground is located ten miles north of Alpena, one-half mile off U.S. 23. Situated on the east side of Long Lake, this county park occupies 68 acres. A total of 105 campsites are adjacent to the 5,652 acres of water that make up Long Lake. Water and electricity are available at 80 of these sites with the other 25 sites considered primitive. Park facilities include restrooms/showers, a dumping station, a store, a concrete boat ramp, three docks, nature trails, one pavilion (with electricity), picnic tables, two playgrounds, basketball (1/2 court), three horseshoe pits, two swimming beaches, and outdoor trailer storage. Long Lake Park is open from May 1 to October 15. Camping is permitted after October 1st until November 1st on a daily rate schedule. A park caretaker is on-site. At the time of the writing of this plan, construction has begun on a new boat launch and a day-use area with picnic tables..

Sunken Lake Park/Campground is located on Fletcher Park Road at the Presque Isle County line. Adjacent to Sunken Lake's 50 acres of water, this park offers camping, fishing, boating, swimming, and a children's playground. A day-use area has picnic tables, grills, playground equipment, and a pavilion. A covered

footbridge provides access to an island with nature trails. The camping area offers 60 trailer campsites with water and electricity available. All campsites have picnic tables. There is a bathroom with showers, a dumping station, a boat ramp and dock, a fish cleaning station, a store, and playground equipment. A park caretaker is on-site.

Beaver Lake Park/Campground is located 1.2 miles west of M-65 on Beaver Lake Park Road. This county park is situated on 8.19 acres adjacent to Beaver Lake. With a dam to control lake levels, this natural lake covers 665 acres and offers area residents many water-related recreational opportunities. Swimming, boating, and fishing for pike, bass, and pan fish are popular summertime activities. A pavilion, children's playground, and a fenced-in spring separate the boat launch and camping area from the day-use area. The day-use area provides an open space with picnic tables, swings, and a swimming beach. Overnight camping is available and a park caretaker is on-site. A paved boat launch area, teen center, basketball court, volleyball court, benches, picnic tables, and rentable pavilion are also available.

Manning Hill Park is located in Lachine on M-32 near the junction of M-65. Situated on one of the highest points in Alpena County, this two-acre site offers a scenic area with a panoramic view of the surrounding countryside. The historic lookout tower has been removed and an easily accessible observation deck and restrooms have been constructed on the former tower pad. A pavilion, gazebo, four picnic tables, four benches, and three grills provide area residents and visitors with summer recreational opportunities. Electricity has been installed as well as a drinking fountain. A 16'x16' viewing tower has been constructed to provide visitors with spectacular views. An ADA-compliant sidewalk exists between the pavilion and the driveway, continuing to the highest platform, and returning to the parking lot. Sledding is a popular winter activity on the property adjacent to this park. The park improvements and maintenance are undertaken by Green Township in partnership with Alpena County as well as local residents.

Northern Lights Arena Northern Lights Arena is a twin-sheet ice facility adjacent to the APlex. It has two NHL regulation-size ice surfaces and is home to the Alpena High School Wildcats, Alpena Hockey

Association, Alpena Speed Skating Club, Alpena General Men's Hockey League, Alpena Men's Senior Hockey League, Carhardt Senior Hockey League, Alpena Figure Skating Club, and NLA R/C Vehicle Club. The arena has seating for 900, two concession stands, a pro shop, an indoor walking/jogging track, exercise/fitness rooms,

and common areas in the lobby. The 85' x 200' ice rink is large enough to host American Speed Skating Union sanctioned events and will have enough space for figure skaters to practice and perform in front of an audience. The Thunder Bay Soccer Association soccer fields are located north of the Arena.

Charter Township of Alpena-Owned Recreational Facilities

The **William Desormeau Complex – Alpena Huron Shore Little League Fields** are located behind the township municipal building at 4385 U.S. 23 North. Current facilities consist of four regulation Little League ball diamonds, bleachers, two batting cages, new dugouts, new fencing and backstops, scoreboards, restroom/concession building, picnic tables, storage building, well house, two automatic sprinkling systems to maintain the fields, a playground, a maintenance garage, fencing, and an enlarged parking area with handicap accessibility. Alpena Huron Shore Little League maintains the ball fields and pays all costs to operate the facility. The facility is not only used for local Little League activities but is a site for regional tournament games.

A **public access site** is located on 0.8 acre of land at the Weiss Road Bridge in Section 23 of T32N, R8E. The Narrows of Long Lake Creek flow beneath this bridge and the Township Fire Department uses this site to fill water tanks on the fire trucks. An informal boat launch is formed by a graveled slope to the water.

The **Charter Township of Alpena Office Building** is located at 4385 U.S. 23 North. It contains offices of the Building Department, Clerk, Treasurer, and Supervisor. The Northside Station of the Township Fire Department is also located at this facility.

Misery Bay Nature Preserve is located in Section 15 of T31N-R9E and consists of approximately 140 acres with 10,000 feet of Lake Huron Shoreline. The Nature Conservancy partnered with the Charter Township of Alpena in acquiring this property to preserve it from extensive lakeshore development and

to provide public access to unique natural resources. The property is used for low-impact outdoor recreation and enjoyment of the rich coastal resources. Important natural resources on the property include karst geologic features in and around El Cajon Bay, coastal fens, coastal marshes, dwarf lake iris, shore birds, and migratory birds. The Michigan Natural Features Inventory has identified a number of threatened and endangered plants and animals on the property. A group of stewards has made improvements at the preserve including a parking lot, trails, signage, a boot brush stand, kiosk, entrance sign, and benches. In addition, the waters off this property are part of the Thunder Bay National Marine Sanctuary and Underwater Preserve. Scuba diving is discouraged and not permitted without contacting the Township.

Old Piper School is a building which is currently leased on a long-term basis to the Northeast Michigan Alano Club and is located on Piper Road, just off Werth Road in Section 32 of T31N-R8E, and is situated on just over one acre.

Thunder Bay Island consists of 215 acres of which the Charter Township of Alpena owns 43.08. The island is home to the Thunder Bay Island Lighthouse and adjacent lightkeeper's quarters. The lighthouse was the third operating lighthouse in Lake Huron and was built in 1831. Thunder Bay Island is located approximately 3 ½ miles offshore from North Point, latitude 45 02 15, longitude 83 11 38. The island is the outermost island in a group of islands, connected to the north point of Thunder Bay by a shallow bank of numerous rocks, most of which are submerged.

Green Township-Owned Recreational Facilities

Green Township Hall is located on 11 acres at the junction of M-32 and M-65 adjacent to the ball field. The hall has cooking facilities, restrooms, and a meeting room. The Hall has the capacity to accommodate 100-150 people and is available for rent year-round. There is a basketball court, swings, grill, slide, merry-go-round, tether ball pole, volleyball court, and picnic tables at the Township Hall. A pavilion has been constructed.

Additional property was purchased to expand the grounds and facilities; a second driveway was put in along with an additional parking area. Plans for further parking expansion are being made. **Green Township Ball Park** is located at the junction of M-32 and M-65 and adjoins the Township Hall. The ball field is fenced and has backstops and two dugouts. It could be used for T-Ball, Little League, and softball.

Long Rapids Township-Owned Recreational Facilities

Long Rapids Park is located on the Thunder Bay River just south of Long Rapids Road off M-65. The 10-acre natural area is primarily used as a canoe launch. It also serves as a scenic roadside park with a picnic site and outdoor toilet facilities. **Long Rapids Township Hall** is located on M-65 in Long Rapids approximately 3 miles north of M-32. This building has a capacity of

400-500 people with meeting rooms, cooking facilities, and a gymnasium with a basketball court. In the winter months, an area outside the building is flooded for use as an ice rink. For more convenient use of the facility, an elevator is being considered to allow easier handicapped access. The hall is available for rent by community residents for social and recreational activities.

Maple Ridge Township-Owned Recreational Facilities

Maple Ridge Township Park is located on the west side of LaComb Road on the North Branch of the Thunder Bay River. It is comprised of 45 rustic acres with picnic grounds, hiking trails, and a canoe launch. A popular attraction is the picturesque wooden bridge that leads to an island area. Recent improvements to the park include a newly constructed pavilion and additional playground equipment. Other playground equipment includes a teeter-totter and a large sanded area. Outdoor toilet facilities are available. Although there is no electricity at the park, improvement plans include the addition of power lines. **Maple Ridge Ball Park** is located on Cathro Road in Cathro. This township ballpark is used by residents and ball clubs. The facility

includes two dugouts, a backstop, bleachers and fencing.

Maple Ridge Township Hall is located at 6010 LaComb Road at the intersection of Dietz Road. Facilities include a meeting room, restrooms, and a basement kitchen/eating area. A bar area and a separate dance floor are located on the ground floor. The hall is available for rent and can accommodate 150-200 people. Maple Ridge Township offices are located at 6000 LaComb Road. The office is attached to the Township Hall and provides office space for Township officials.

Ossineke Township-Owned Recreational Facilities

Ossineke Township Hall is located on 1.86 acres at the intersection of Wolf Creek Road and Nicholson Hill Road. Although it is used for public meetings and other community functions, the Hall is also available for private rental. Complete kitchen facilities are available for banquets and social activities. Folding tables and chairs are included in the rental charges. **Hubbard**

Lake Lion's Park is located 0.3 miles north of Hubert Road on Hubbard Lake Road. The 8.1-acre park has the following facilities: two ball diamonds, a horseshoe pit, a playground, a basketball court, a double tennis court, picnic tables, restrooms, a walk-in cooler, a water well, a pavilion, and an asphalt driveway. A 99-year lease between the Township and the Lions Club has made an additional 5.2 acres adjacent to the park available for

park use. Reservations for community and social events are accepted for the pavilion.

Sanborn Township-Owned Recreational Facilities

Located off Lake Street on Lake Huron, **Sanborn Park Beach** (also known as Ossineke Park) has a widely used swimming area with a sandy beach but no boat launch site. The park, which is a day-use area, includes a pavilion, picnic tables and grills, playground equipment, changing rooms, and restrooms in the form of a permanent pit toilet in a block building. No running water is available at the site. Parking is available in a paved parking lot that meets ADA standards; the park is fenced. In addition, an adjacent parcel acquired by the township from the MDNR through a twenty-five year lease agreement greatly increases the township's recreational capabilities at this expanded location. A grant was obtained from the Alpena County Youth and Recreation Committee to add and remove playground equipment, add a half-court basketball court, volleyball court, ADA walkway and swing, clean up the site, add picnic tables and grills, and repair and paint the pavilion.

Shin-ga-ba-shores is located on Ossineke Road off of U.S. 23 South and adjacent to the Baseball Fields and was constructed in 1998 with community support and donations. The playground consists of 8,500 square feet of playground equipment that was designed by the children and is a real asset to the Ossineke area. A 26-foot totem pole was added along with picnic tables and a brick walkway with names was installed in 2002. The community maintains the equipment on a yearly basis to keep it looking new.

Little League Ball Fields are located at the intersection of U.S. 23 and Ossineke Road. Maintained by Alpena Huron Shores Little League and Ossineke Baseball Association, they are used by the Alpena

County Baseball leagues and casual baseball teams. One field is fenced, while temporary fencing is used for the other field. Both fields include a backstop, dugouts, and bleachers. Other site amenities include a storage building, batting cage, a concession stand, and a broadcast booth. Off-road parking and two restrooms are provided. A horseshoe pit is also available. This area receives heavy use by the baseball leagues and also by family/friends groups during the summer season.

The **Sanborn Township Hall** is located adjacent to Ossineke Chamber Hall to the south. The combined lot size is 236' X 120' X 217.51' X 247.7'. There are plans to renovate part of the building (the former BoJim building) into a community center. At the southwest corner of US 23 and Nicholson Hill Road, a **statue of Paul Bunyan and Babe** makes this wooded area adjacent to the school property a popular photo spot. In addition, picnic tables are available.

The **Sanborn Township Launch Site** is located near the mouth of the Devil's River off Washington Avenue and is approximately 3.5 acres. There are paved parking facilities for cars/trailers in addition to pit toilets. The Michigan Department of Natural Resources acquired property adjacent to this site. Sanborn Township owns the site and leases it to the DNR which has completed improvements to the site. Also, at the **north end of Beebe Road**, lakefront lots have parking improvements and picnic tables. The **Lake Street Fishing Platform** is a 66-foot wide river-front lot located adjacent to Sanborn Park Beach. The park includes benches, a vault toilet, ADA-compliant sidewalks, parking, and a fishing platform.

Wellington Township-Owned Recreational Facilities

Wellington Township Hall is located on .5 acres of land at the intersection of Long Rapids Road and

Collins Road. Used for public meeting and social events, the hall is available for rent.

Wilson Township-Owned Recreational Facilities

Wolf Creek Park is located off Wolf Creek Road and consists of the old Wolf Creek Road right-of-way which

varies in width. There are two areas where the right-of-way widens to 100' X 100' both north and south of Wolf

Creek. A 50' bridge spans the river. The park contains a pavilion, vault toilet, and ADA-accessible sidewalks.

Wilson Township Fire Hall and Township Offices are located three miles south of M-32 on King

Settlement Road. The Township Hall is open all year for community and social functions; the Hall is available for rent with banquet facilities and a dance floor.

School Properties

Alpena Community College, Main Campus located at 665 Johnson Street. Within the area bounded by U.S. 23, Hamilton Road, Long Lake Avenue, Johnson Street, and/or the Thunder Bay River sprawls 704 acres of property belonging to Alpena Community College. Presently, the central campus buildings are located on this property as well as a 400-acre section devoted to field resource study. An athletic campus features softball fields, nature trails, and a skeet range. The property includes 1,600 feet of Thunder Bay frontage and encompasses a portion of the present BiPath system. Between Long Lake Avenue and Woodward exists a large area of property, part of that is woodland; the rest is open meadow. Alpena Community College extends its philosophy of shared partnership with the community to its land uses and the functions such land should carry out. The potential uses of these lands present the opportunity for joint planning with other community partners who share ACC's vision of what is most needed and what can best utilize the recreational resources of this property. The Bi-Path follows the 1,600 feet of Thunder Bay River frontage along Johnson Street and adjoins the college's main campus. The possibility for other developments utilizing this river frontage is great. Among other options are canoeing, dockage, and other river recreation. The athletic campus contains two men's softball fields, a skeet range, and some nature trails. Expansion of this area offers many possibilities, as does the 400-acre field resource study area.

Alpena Senior High School (including Aces Academy) is located at 3303 S. Third Street. This 50-acre site, owned by the Alpena School District, has a natatorium, four tennis courts (both owned by the county); a gymnasium a football stadium; a hardball field; a softball field; two multipurpose fields; an outdoor track, and off-street parking.

Besser Elementary School is located at 375 Wilson Street. The four-acre property, owned by the Alpena School District, has a gymnasium, two

youth/women's ball fields, a multi-purpose ball field, a playground, and off-street parking.

Ella White Elementary School is located at 201 N. Ripley. This 2.5 site, owned by the Alpena School District, has a gym, one ball field for unorganized play, a basketball court, a playground, and off-street parking.

Family Partnership Program is located at 1421 Hobbs Drive in the former Sunset School building. This site contains a playground and ballfield.

Gordon School Building is located south of the City on Gordon Road. Owned by the Alpena Public School District, this site has one baseball diamond that is used by the Alpena Huron Shore Little League. A portion of the building serves as administrative offices for the school system and the remaining part of the facility is leased to the Northeast Michigan Community Services Agency.

Hinks Elementary School, situated on 39 acres on U.S. 23 North at the south end of Long Lake, is owned by the Alpena Public School District. Recreational facilities on the site include a gymnasium, nature trails, baseball diamond, basketball hoops, a soccer field, and a playground. Although these recreational facilities are principally intended for school use, they are open for public use after school hours.

Lincoln Elementary School is located at 309 W. Lake Street. This two-acre site, owned by the Alpena School District, has a gymnasium, a basketball court, a playground, and off-street parking.

Pied Piper School is located at 444 Wilson Street in Alpena. The two-acre site has newly installed playground equipment including a mix of adaptive and traditional equipment. In addition, two ball fields exist to the east of the school building.

Sanborn Elementary School is located at the

intersection of U.S. 23 and Nicholson Hill Road and is owned by Alpena Public School District. The ball field is fenced and includes a backstop, dugouts, one set of bleachers, two restrooms, a concession stand, and a storage building. Playground equipment includes a jungle gym, a slide, a teeter-totter, two basketball hoops, two swing sets, and a merry-go-round. Double tennis courts with nets and backstops are also provided. Convenient off-road parking invites heavy daytime use during the peak summer season and moderate use, mostly by families and community groups during the off-season.

Thunder Bay Junior High School is located at 3500 S. Third Ave. This 77-acre campus is a single-level building, allowing handicapped access to all classrooms. This campus includes a forested outdoor environmental study area with a stream running through the property, two softball fields, a track and field course, a football field, three outdoor basketball courts, four tennis courts, and complete physical education facilities.

Wilson School is located at 4999 Herron Road. Owned by the Alpena Public School District, the 10-acre property has a school gymnasium, playground, and athletic fields. Many of the playground structures have been upgraded and safety bark has been installed. Playground structures include three sets of swings, two wooden climbing structures, two metal climbing structures, several slides, a large play structure, tires, a seating area, hanging loops, a funnel ball game, a four-person teeter-totter, learning stations, and a basketball court.

All Saints School is located on N 2nd Ave. A fully equipped, fenced children's playground, a basketball court, and off-street parking are available.

Immanuel Lutheran School is located at 355 Wilson. The property includes a children's playground, a volleyball court, a youth/women's ball field, a soccer field, and off-street parking.

Other Recreational Properties & Programs (not municipal-owned)

City of Alpena

A-Plex is located on Woodward Avenue across the street from Alpena Community College's student housing and the World Center for Concrete Technology. The facility has a gymnasium, four indoor tennis courts, a fitness facility, conference space, aerobic areas, as well as a spa & sauna. Initially owned by Besser Company, APlex was gifted in 2005 to the Community Foundation for Northeast Michigan. In 2007, the Community Foundation for Northeast Michigan granted the facility to the Park Family Foundation, and the Park Family Foundation remains the owner to this day. The APlex is home to the Alpena Tennis Association and has numerous gym rentals for cheerleading/tumbling, karate, basketball, volleyball, baseball, softball, and soccer. Four outdoor beach volleyball courts accommodate league activity. The APlex hosts numerous events, such as trade shows, as well as social occasions.

Alpena Civic Theatre (ACT) is located at 401 River

Street. This community-based group presents live theatre for area residents from September through May. Special summertime presentations are designed for audiences with children. Children are included in the cast. The building is owned by the City and leased to ACT.

Alpena Yacht Club is located at 250 Prentiss Street on the Lake Huron shoreline. Situated across from the Small Boat Harbor, this private club provides recreational activities for members/guests. The City of Alpena owns the property and leases it to the Yacht Club.

Boys and Girls Club of Alpena, located at 801 Miller Street, is a private, non-profit organization that offers programming, space, and equipment for youth recreational and educational activities.

Besser Museum of Northeast Michigan is located at 491 Johnson Street. Bounded by Besser Senior Living to the west and Alpena Community

College to the east, the museum is an intricate part of many of Alpena's cultural/recreational opportunities. A recent addition is a fossil park that is open spring, summer, and fall.

Charter Fishing boats are available through several private contractors from April through October.

Dive Charters are available offering sales, dive instruction, air-fills, rentals, repairs, salvage, and dive and snorkel charters.

Lee's Miniature Golf is located at 1016 South State Avenue. It has a mini-golf course with putting green. Game machines are provided in the small rental equipment area. This recreational opportunity is available from Memorial Day to Labor Day and is well-lit for evening players.

Ninth Avenue Dam is located at the Ninth Avenue

Charter Township of Alpena

Dodge Marina and Storage is located at 10782 Long Lake Park Road on the southeast side of Long Lake. Recreational opportunities at this facility include paddleboat and outboard motor rentals, fuel, bait, a game room, and a snack bar.

Thunder Bowl, Inc. is located at 2192 U.S. 23 South just outside the City limits of Alpena. It features 36 bowling lanes, a snack bar, and a billiard/game room. League times and open bowling opportunities are available all year long.

Alpena Golf Club is located at 1135 Golf Course Road on 150 acres of land. Although this club is owned by its members, it is open to the public. It features an 18-hole regulation golf course with irrigated fairways, a driving range, a practice putting green, and rental electric and pull carts. The clubhouse includes a fully equipped kitchen an enlarged dining room and a pro shop. A PGA golf professional is on-site and available for lessons for the beginner and advanced golfer.

Green Township

Paradise Lodge Resort is located at 16991 Taylor

Bridge on the Thunder Bay River. Owned by Thunder Bay Power Company, this one-acre site offers fishing access and a parking area.

Sky Theater Planetarium is also a permanent part of the Besser Museum for Northeast Michigan. It offers regularly scheduled as well as special showings in a theater-like setting. Available to all area residents over five years of age, the Planetarium is accessed with an admission fee.

Thunder Bay Theatre is located at 400 North Second Avenue. Situated in historic downtown Alpena, this professional theatre group presents live productions on a year-round basis. As the only resident professional ensemble in northeast Michigan, the theatre company ranges in size from eight to thirty actors. The theater closed due to a fire in 2020, is currently undergoing a \$1.4M renovation project and is planned to reopen in the fall of 2024.

Four Mile Dam is located on the Thunder Bay River. It is owned by Thunder Bay Power Company and has three recreation areas in the vicinity of the Dam and all of them are accessible to the public.

- Access Site #1 is located adjacent to the Dam at the end of Four Mile Road. This 2-acre site provides access to fishing with ample parking near the powerhouse. There is canoe portage around the left end of the Dam.
- Access Site #2 is located across the Thunder Bay River from the Dam and provides informal access to the impoundment for fishing opportunities and nature observation
- Access Site #3 is located 0.6 miles to the west of both Site #1 and Site #2. This 6-acre site is accessible to the public from Long Rapids Road and offers fishing opportunities with a boat launch.

Arzo Amusement Park located on US-23 North provides miniature golf, bumper cars, a full-size indoor carousel, and other family-related activities.

Hawks Road in Lachine. This privately owned facility

offers access to the waters of Fletcher Pond, 75 camping sites (25 with electricity), bathroom facilities, boat rentals, cabin rentals, a playground, and a restaurant.

Upper South Dam is located on the Thunder Bay River in T30N, R5E in section 2 of the township. The Thunder Bay Power Company owns the property and provides two sites for public access.

Moore's Landing Campground is located at 17120 Moore's Landing Road and offers 20 primitive individual sites.

Killions Landing is located at 5428 Emils Landing Road and offers 30 modern individual sites.

Jacks Landing Resort is located at 20836 Tennis Road and offers a restaurant, cabin rentals, 30 modern individual sites, and has access to Fletchers Pond.

Fletchers Landing is located at 5614 Emils Landing Rd. Fletcher's Landing offers waterfront cabins located on the shores of the 9,000-acre fishing paradise that is Fletcher Pond. Accommodations consist of 14 waterfront cabins and duplexes that sleep three to six persons. Each features its own kitchen and private bathroom. Included is dock space, a campfire pit, and picnic table. A boat launch is available or you can rent

boats and motors. A tackle shop is also on-site for fishing supplies.

Anglers Hideaway is located at 5883 Miller Road and has access to Fletchers Pond. The resort has nine cabins and is open year-round.

Fletchers Pond - Public Access

- Site A is located on 1 acre of land north of the dam. It offers fishing access and parking in the tailwater (downstream) section. There is also a canoe portage around the dam. Thunder Bay Power Company has continued plans to organize the parking area, provide handicapped accessible toilet facilities and fishing area, and improve the portage area.
- Site B is located on 1 acre of land to the south (upstream) of the dam. It offers an informal boat launch and access to Fletchers Pond. The parking area and toilet facilities that were developed in 1997 at Site A also provide services for Site B.

Thunder Bay River access is located at the corner of M 32 and Calcut Rd.

Beaver Lake access is located on O'Brian Rd.

Long Rapids Township

Thunder Bay Karst Preserve

The Thunder Bay Karst Preserve combines two adjoining preserves. The Stevens Twin Sinks Preserve is a 31-acre property with two sinkholes separated by a fragile saddle ridge, each about 200 feet in diameter and 85 feet deep. The 2.5-acre Bruski Sink is located across Leer Road w.

The sinkholes are just a few of over 200, which are found in a 50-mile line from Thunder Bay to Black Lake. Long Lake, in the Charter Township of Alpena, is actually a sink. Some of the dry sinkholes in Alpena County range from 100 to 300 feet in diameter and up to 150 feet deep. Because these formations are rare in most areas, they are of interest to geologists and geographers as well as to casual visitors. Botanists are intrigued by the unusual flora, especially ferns and

mosses that occur in the cool and dark climate of the sinks. Since many of the sinkholes are located on private property, visitors should obtain permission from owners before entering the area.

Mystery Valley Karst Preserve

The 76-acre Mystery Valley Karst Preserve and Nature Sanctuary is located in Presque Isle County (just north of Long Rapids Township) just a few miles north of the Thunder Bay Karst Preserve. It contains one of the largest karst "collapse valleys" in the Great Lakes region, several dramatic earth cracks, and a lake that rises and falls and sometimes disappears.

Visitors to the preserve can follow two self-guided trails: Earthcrack Trail and Valley Trail. Not surprisingly, Earthcrack Trail passes a series of cracks, including two

that converge into one that's several hundred feet long and nearly 15 feet deep. Following the Valley Trail, visitors can see fossils of marine invertebrates such as

brachiopods, bryozoa, and crinoids that lived some 350 million to 400 million years ago.

Maple Ridge Township

Campers Cove Campground is located at 5055 Long Rapids Road on the Thunder Bay River. It offers campsites for tents and recreational vehicles. Some of the sites have electrical hook-ups. This facility has an indoor pool, sauna, game room, mini-golf, and shuffleboard courts. Canoe/paddle boat/kayak rentals, fishing, and swimming opportunities are available. Restrooms and laundry facilities are also on-site.

Wes Point Shore is located at 5315 Long Rapids Road on the Thunder Bay River. The facility offers cabins, camping, boat rental, fishing, canoeing, and boating.

Norway Point (Seven Mile Dam) is located in section 12, T31N, R7E in the township. Although the property is owned by Thunder Bay Power Company,

there are three sites available for use by the public.

- Site 1 is a one-acre site located upstream from the Dam and offers access to the impoundment. This area is accessible off Long Rapids Road to the west of the Dam on the north side of the Thunder Bay River. This site includes a boat ramp, a restroom, and an area for parking.
- Site 2 is a one-acre site on the north side of the Thunder Bay River at the Dam and offers public access and canoe portage
- Site 3 is a two-acre site on the south side of the Thunder Bay River at the Dam and offers tailwater access and a parking area.

Ossineke Township

Turtle Lake Club is the largest landowner in Ossineke Township, and partially within Green Township. With more than 9,300 acres, the Club owns more property in the township than the State of Michigan. This land covers 14 whole sections in T29N,

R5E, two half sections, and one quarter section. In addition to the entire shoreline of Turtle Lake, the Club owns property in Montmorency County and Oscoda County. As a nonprofit corporation, Turtle Lake Club is the oldest hunting club east of the Mississippi River.

Sanborn Township

Dinosaur Gardens is located at 11160 U.S. 23 South. Situated on 40 acres, the property is split by the Devil's River. This prehistoric zoo features life-size reproductions of over 25 dinosaurs, birds, and other prehistoric animals in a natural outdoor setting. During

the warm summer months, an abundance of ferns, wildflowers, and many types of trees native to Michigan are found along the picturesque woodland trail. An 18-hole miniature golf course, snack bar, and gift shop are also located at this site.

Wilson Township

Camp Woodlands Girl Scout Camp is located three miles south of M-32 on Indian Reserve Road and is surrounded by the Mackinaw State Forest. The camp, owned by the Mitten Bay Girl Scout Council, was completed in 1958 and has facilities for 36 people including a complete kitchen, three flush toilets, bunk beds, and a large activity room with a fireplace. Camp

Woodlands is available for rental and is used for various activities such as Cub Scout Day Camps. It consists of a main lodge building which has restroom facilities.

Alpena Sportsmen's Club is located at 4260 W. M-32. This 120-acre site is privately owned and includes Zim Lake. The 9,000 square foot clubhouse is barrier-

free and is equipped with a 16-point indoor shooting range with an approved ventilating/air exchange system. The building also contains a meeting area, kitchen facilities, and indoor restrooms. A maintenance garage, a 100-yard shooting range, a 600-yard rifle range, and sporting clays are also located on the grounds. In addition to club members, the indoor range is also used by local police organizations, 4-H groups, rifle/pistol leagues, and archery leagues. The clubhouse is available for rent for community and social functions with a non-member fee.

Rivers Edge Golf Club is located 0.5 miles east of the intersection of Werth Road and Hubbard Lake Road at 6373 Werth Road. Although it is a private club, non-members and guests are welcome. This facility offers an 18-hole golf course with water hazards and wooded terrain. Electric and pull carts are available for rent. A clubhouse with a restaurant, lounge, and private banquet area is situated on this site as well as a driving range, putting green, pro shop, tennis court, and swimming pool.

The Alpena Snowdrifters office is located at the intersection of M-32 and Herron Road.

Alpena Cycle Club is located three miles south of Werth Road on Spruce Road. It began as a road riding motorcycle club but has expanded to include events such as a Motocross (four were held in 2007), garden tractor pulls, and a Bump and Run.

Regional

US 23 Heritage Route

An officially designated *Pure Michigan Byway*, the US 23 Heritage Route extends 200 miles from Standish to Mackinaw City.

The communities and organizations along the route serve on an active Heritage Route Management Council which works toward implementing projects in the US 23 Heritage Route Management Plan. The US 23 program maintains a tourism website (us23heritageroute.org) which promotes over 2,000 things to see and do along the Byway, produces tourism materials for the route, produces short videos as promotional tools, and engages in many other projects contained within the

Opal's Landing is located on M-32 West on the Thunder Bay River. It offers fishing and boat rentals.

Paxton Shale Quarry is located at the intersection of M-32 and King Settlement Road. The former quarry is owned by Holcim and future plans are to continue to develop the 600-acre area as a wildlife habitat. The former quarry is now a lake which has been stocked with fish. Holcim employees use the site, and the general public can use the area by making advance arrangements. In 2001, the area received certification from the Wildlife Habitat Council, a nonprofit that promotes habitat preservation on corporate lands.

Alpena Optimist Club has established "Optimist Acres" on M-32 at the junction of Herron Road. Located on 43 acres of land donated by LaFarge Corporation (now Holcim), this recreation area is youth-oriented and designed to provide year-round activities. With the Optimist motto "Friend of Youth", this facility offers recreation opportunities that include a 100' x 100' ice skating rink, a pavilion, and a ball diamond. The five-year plan includes an ATV trail, a cross-county running/ski track, a campground area, modern restrooms, portable bleachers, and perimeter fencing.

PK Fletcher Gun Club is a Skeet Range owned by P.K. Fletcher is located two miles south of M-32 on Indian Reserve Road.

Management Plan. NEMCOG manages the US 23 Heritage Route program as part of a contract with MDOT which oversees and administers the Pure Michigan Byway program.

Huron Blueways

The Huron Blueways is a 265-mile water trail stretching from the Straits of Mackinac down to Saginaw Bay. The water trail is highlighted on the US 23 Heritage Route. A waterproof paddling atlas has been produced which displays maps, points of interest, access points, amenities, at each access point, latitude/longitude of access points, and distance between access points.

Up North Trails

Up North Trails is a public multi-regional collaborative program that maps and promotes all nonmotorized and motorized trail systems in Northern Michigan and the

Upper Peninsula. The program is maintained by the regional planning agencies including the Northeast Michigan Council of Governments, Networks Northwest, Eastern U.P. Planning and Development Region, Central Upper Peninsula Planning and Development Regional Commission, and the Western U.P. Planning and Development Region. Recently the Genessee-Lapeer-Shiawassee Planning and Development Committee joined the program. Over 10,000 miles of trails are promoted on upnorthtrails.org using interactive trail maps.

Sunrise Coast Birding Trail

The Sunrise Coast Birding Trail is a 145-mile birding trail along coastal Lake Huron from Oscoda/AuSable to Mackinaw City. With approximately 30 birding trail stops along the coast, it also connects to the Saginaw Bay Birding Trail (142 miles around Saginaw Bay). The birding trail stops are marked with signage and guidebooks are available.

CHAPTER

4

GOALS &
ACTION PLAN

City of Alpena Recreation Plan

The coastal City of Alpena offers a wide variety of cultural, historical and natural resources. At the heart of the City's aesthetic appeal are Thunder Bay, the Thunder Bay River, and the City's maritime heritage. With well over a dozen scenic parks scattered throughout the City, Alpena provides ample

opportunity for visitors and residents alike to enjoy the unique combination of recreation and maritime resources. Maintaining a healthy park system by implementing improvements, in addition to regular maintenance will enhance the City's popularity as a great place to spend leisure-time hours.

Shared Goals for Alpena County Municipalities

In 2023, the City of Alpena participated in a coordinated planning effort with Alpena County, the Charter Township of Alpena, Green Township, Ossineke Township, Sanborn Township, and Wilson Township. This included partnering on a joint recreation survey and meeting to discuss shared goals. The following are common goals which are shared amongst the Alpena area municipalities. The goals are based on public input and the demographics of the communities of Alpena County.

- A. Protect, promote, and preserve the communities, natural resources, and jobs of our area.
- B. **COLLABORATION:** Ensure local cooperation and involvement of all local government in the planning, development, maintenance, and promotion of our recreational assets and our natural resources and recognition by all agencies in our area that recreation is fundamental to the quality of life for residents.
 - 1. Be an active partner in regional collaborations by forming a County Recreation Committee to foster communication and coordination between all local units of government and other recreation-related organizations.
 - 2. Collaborate on the sharing of resources to reduce overall maintenance costs and improve efficiencies.
 - 3. Collaborate on common goals regarding the acquisition of new parcels for the expansion of existing facilities or the potential creation of new facilities.
- C. **QUALITY OF LIFE:** Improve the quality of life that is critical to the health of our residents, the business environment, and the attraction of our area to those visiting and considering moving here.
- D. **ACCESS TO RECREATION:** Ensure all people have access to recreation opportunities and facilities regardless of age, sex, income, cultural background, housing environment, or abilities. Continuous improvement and maintenance are crucial for access to recreation.
- E. **PRESERVATION & CONSERVATION:** Preserve and conserve the area's natural resources, and protect them from invasive species and degradation, recognizing that they are critical to the long-term sustainability of outdoor recreational activities and quality of life.
- F. **OUTREACH:** Ensure that area residents are involved in the recreation planning process.
- G. **TRAILS:** Work together to address overall connectivity and walkability by establishing connections between recreational facilities, schools, and key community facilities. See maps showing desired trail connections on pages 4-11 and 4-12.
- H. **WATER TRAILS:** Inventory all lake access sites, expand kayak launch facilities, and provide information/materials with maps showing accesses, amenities, distances, and conditions.
- I. **SIGNAGE:** Implement a coordinated signage program with uniform design for recreational facilities, land trails, and water trails.
- J. **PROMOTION:** Coordinate marketing and promotion of recreational amenities throughout the county through collaboration with municipalities and organizations.
- K. **PROGRAMMING:** Coordinate programming in recreational facilities to:
 - 1. Ensure programming is available for a wide variety of age groups and interests.
 - 2. Ensure that natural features programs are available to the public.
 - 3. Promote recreation programming by volunteer recreation organizations.
 - 4. Provide a coordinated calendar for programs.

City of Alpena Goals & Objectives

The goals and objectives were developed by the Alpena City Planning Commission and the City Recreation Advisory Board with additional valuable input from the public. The development objectives define general actions to be taken relative to the development, redevelopment, or upgrade of recreation facilities on a citywide basis that are necessary to meet the City recreation goals.

Goal 1 - General: Provide a park and recreation system representative of the broad recreational needs and preferences of all segments of the community's population.

Objective 1.1: Promote projects and/or facilities, which best meet the recreational desires and usage patterns of the overall general population of the community.

Objective 1.2: Upgrade all park and recreation facilities according to approved plans.

Objective 1.3: Upgrade or expand existing facilities if physically and financially more practical than acquiring or developing new facilities.

Objective 1.4: Design and operate parks and facilities in a manner that promotes efficient operation, minimizes conflicts, is consistent with the existing development plans for these facilities, and is consistent with the community's ability to support on an ongoing basis.

Goal 2 - Maintenance: Focus on the long-term maintenance and preservation of existing park infrastructure. Undertake park expansion only when fiscally prudent and supported by park development plans.

Objective 2.1: Develop or redevelop parks and recreation facilities so as to reduce general maintenance costs and the potential impact of vandalism.

Objective 2.2: Develop and implement an asset management plan for city parks.

Goal 3 - Economic Development & Promotion: View parks and recreation as a vital component of the City's overall economic development strategy. Projects should be evaluated as to their contribution to the area's economic development efforts.

Objective 3.1: Develop and upgrade facilities that promote and enhance the area's tourism sector, are coordinated with other area tourism/recreation projects, and enhance the community's quality of life.

Objective 3.2: Promote expanded use of the park system to tourists and local residents through improved wayfinding, improved internal signage, and promotion and coordination with non-local resources (i.e. local marinas, US-23 Heritage Route, water trails, and state and regional trails and parks).

Objective 3.3: Continue to provide attractive waterfront recreational facilities.

Goal 4 - Funding: Explore the development of new financing sources for future park improvements.

Objective 4.1: Promote the development of funds (such as trust funds) in order to provide resources for future acquisition, expansion, and development projects

Objective 4.2: Make full use of all available grant programs to assist in financing recreation development consistent with the recreation goals and objectives of the City.

Objective 4.3: Seek alternative and creative funding for the development, operation, and maintenance of City recreational facilities.

Goal 5 - Nonmotorized: Provide non-motorized linkages between City parks and recreation facilities utilizing the City Bi-Path system.

Objective 5.1: Maintain the Bi-Path according to an annual schedule.

Objective 5.2: Provide upgrades and expansion to Bi-Path facilities.

Objective 5.3: Ensure adequate wayfinding signs exist along the Bi-Path.

Goal 6 – Safety, Health, and Accessibility: Ensure safe and healthy parks for all residents and visitors of the City and promote universal accessibility to the City's parks and recreation facilities by persons of all ages and varied physical and emotional capabilities.

Objective 6.1: When upgrading facilities, ensure that universally accessible design is incorporated.

Objective 6.2: Design facilities that provide recreational features for a wide variety of age groups.

Objective 6.3: Ensure City recreational facilities are built and maintained to be safe for the public.

Objective 6.4: Investigate ongoing water quality issues at City parks to ensure the public can fully access and appreciate the unique and special natural features of the area.

Objective 6.5: Research solutions to reduce or eliminate the build-up of organic sediment on City beaches.

Goal 7 - Acquisition: Acquire new recreation land and develop existing parks and facilities to take advantage of the special and unique natural resources and features of the area.

Objective 7.1: Acquire additional lands or facilities for recreation purposes based on the following criteria. The acquisition:

1. Promotes an integrated and complementary system of municipal recreation facilities;
2. Enhances public access, use, and preservation of the unique and special natural resources of the community; or
3. Satisfies an unmet recreational need which cannot be met through existing City or other non-City recreation facilities, adaptive reuse of existing City parks or facilities.

Goal 8 - Resiliency: Become a resilient community which is able to adapt to change in the natural environment and socioeconomic landscape.

Objective 8.1: Increase the green canopy (trees) within the City park system.

Objective 8.2: Maintain, protect, and expand green infrastructure throughout the City.

Objective 8.3: Work to address invasive species issues.

Objective 8.4: Encourage opportunities for environmental education and awareness.

Goal 10 – Programming: Provide coordinated programming in City parks.

Objective 10.1: Ensure programming is available for a wide variety of age groups and interests.

Objective 10.2: Ensure that natural features programs are available to the public.

Objective 10.3: Promote recreation programming by volunteer recreation organizations.

Objective 10.4: Provide a coordinated calendar for programs.

Goal 9 - Partnerships: Seek opportunities for public partnerships and public/private partnerships to improve the City's park System.

Objective 9.1: Minimize the duplication of recreation services and facilities.

Objective 9.2: When practical, encourage local service clubs, user groups, non-profit organizations, etc. to implement approved elements of the recreation plan and discourage inconsistent projects.

Objective 9.3: Participate in a multi-jurisdictional recreational oversight group.

Objective 9.4: Promote and expand the City's Adopt-a-Park program.

Objective 9.5: Encourage and expand the use of volunteers to help accomplish the goals of this plan while creating a culture of partnership and appreciation.

Objective 9.6: Communicate volunteer opportunities to the public.

City of Alpena Action Program

With input from City officials, the Planning Commission, the Recreation Advisory Board, and community members, a list of proposed improvements for park and recreation facilities in the City of Alpena was developed. Actual project prioritization occurs annually when all proposed projects are reviewed for inclusion in the City's annual Capital Improvements Plan (CIP). Projects included within the CIP are prioritized based upon a number of factors, including, but not limited to,

established City goals and objectives, available funding, implementation schedule, and coordination with other projects. All CIP projects are consecutively reviewed and approved by City staff, the City Planning Commission, and the City Council. Proposed projects not included within the CIP are re-projected and re-prioritized for upcoming years within the improvement schedule.

Action Plan		
PROPOSED IMPROVEMENT	CITY GOAL (OBJECTIVE)	SHARED GOAL (OBJECTIVE)
GENERAL PARK SYSTEM IMPROVEMENTS		
1. Land Acquisition Fund Development	1 (1.1, 1.2, 1.3) 4 (4.1, 4.3) 7 (7.1)	B.3
2. Tree Planting Program	8 (8.1, 8.2)	E
3. General Site Amenity Improvements: (Bike Racks, Landscaping, Increased Use of City Logo & Promotional Material)	1 (1.1, 1.2)	D
4. Public Art Installation	3 (3.1)	C
5. Adopt-a-Park Improvements	2 (2.1) 6 (6.3) 9 (9.4)	B.2
6. Implement the most current version of the Riverscape Plan; Update the Riverscape Plan when needed.	1 (1.4) 3 (3.3) 8 (8.3)	E
7. Signage, Maps	1 (1.4) 3 (3.1, 3.2) 5 (5.3)	I, J
11th AVENUE BOAT LAUNCH		
1. General Maintenance	2 (2.1)	B.2
2. Develop Kayak Launch	1 (1.1) 3 (3.3)	H
ALPENA REGIONAL TRAILHEAD		
1. Upgraded Site Amenities (Sign, Picnic Tables, Trash Cans)	1 (1.2) 3 (3.1, 3.2)	D
2. Fire Damage Repair	1 (1.2) 2 (2.1) 3 (3.1, 3.2)	B.2, D
ARTHUR SYTEK PARK		
1. Shelter Upgrades	1 (1.2) 2 (2.1)	D
2. Upgraded Site Amenities (Sign, Picnic Tables, Trash Cans)	1 (1.2) 3 (3.1, 3.2)	D
3. Kayak Launch	1 (1.1) 3 (3.3)	H

Action Plan		
PROPOSED IMPROVEMENT	CITY GOAL (OBJECTIVE)	SHARED GOAL (OBJECTIVE)
AVERY PARK		
Stage area with Electrical Available for Music Events	1 (1.1) 3 (3.1) 6 (6.1, 6.2) 10 (10.1)	C, K
BAY VIEW PARK		
1. Tennis Court Lighting Upgrades	1 (1.2) 2 (2.1) 6 (6.3)	D
2. Playground Equipment Upgrades	1 (1.2) 2 (2.1) 6 (6.1, 6.3)	D
3. Picnic Pavillion Construction	1 (1.2) 3 (3.1) 6 (6.1)	D
4. Restroom/Concession Building Construction	1 (1.2) 3 (3.1) 6 (6.1)	D
5. Reconstruct Tennis Courts and Replace Nets; Maintain Wind Screens	1 (1.2) 2 (2.1) 6 (6.3)	D
6. Upgrade Basketball Courts	1 (1.2) 2 (2.1) 6 (6.1, 6.3)	D
BI-PATH SYSTEM		
1. Pedestrian Lighting	5 (5.2)	G
2. General Bi-Path Upgrades	5 (5.1, 5.2)	G
3. General Signage for Information, Direction, and Mileage	5 (5.3)	I
4. Recycling Bin Installation	5 (5.2)	G
5. System Resurfacing	5 (5.1, 5.2)	G
6. Besser Lake Shoreline Improvements	3 (3.3)	E
7. Expanding Bi-Path	1 (1.2) 3 (3.1, 3.2) 5 (5.2) 6 (6.1, 6.3)	G
8. Upgrade sections less than 8 feet in width	1 (1.2) 3 (3.1, 3.2) 5 (5.2) 6 (6.1, 6.3)	G
9. Bagley Street Bi-Path Option	1 (1.2) 3 (3.1, 3.2) 5 (5.2) 6 (6.1, 6.3)	G
BLAIR STREET PARK		
1. Pier Repair & New Decking	1 (1.1) 2 (2.1) 3 (3.3)	D
2. Lighting Upgrades	1 (1.1) 2 (2.1)	D

Action Plan		
PROPOSED IMPROVEMENT	CITY GOAL (OBJECTIVE)	SHARED GOAL (OBJECTIVE)
CITY MARINA		
1. Light Pole Replacement	1 (1.1) 2 (2.1)	D
2. Sidewalk Installation & Repairs	1 (1.1, 1.2, 1.4) 3 (3.1, 3.2, 3.3) 6 (6.1, 6.2, 6.3)	D
3. Sign and Kiosk Installation		D
4. Harbor Dredging		D
5. Resurface Parking Lots		D
6. Safety Ladder & Fire Extinguisher Installation on Dock System		D
7. Boaters Restroom Design		D
8. Marina Restroom Improvements		D
9. UST Supply Line Upgrades		D
10. Wayfinding Signage (includes walkways)		I
11. Dock Repair		D
12. Utility Pedestal Replacement		D
13. Marina UST Cleanup		D
14. Marina Shop Building Rehab		D
15. Social Gathering Area		C
16. Addition of Trees & Green Space	8 (8.1, 8.2)	E
CULLIGAN PLAZA		
1. General Maintenance of Improvements from 2024 Grant Project	1 (1.2) 2 (2.1) 6 (6.1, 6.2, 6.3)	B.2, D
DUCK PARK / ISLAND PARK		
1. River Center Construction	1 (1.1) 3 (3.1) 10 (10.1, 10.2, 10.3)	K
2. Site Amenities (Cooking grills, drinking fountain, trash receptacles, picnic tables)	1 (1.2) 3 (3.1, 3.2)	D
3. Parking Lot Lighting Upgrades	1 (1.2) 3 (3.1, 3.2)	D
4. Replace Island Park Fishing Platforms	1 (1.2) 3 (3.1, 3.2) 6 (6.1)	D
5. Pavilion and Bathrooms	1 (1.2) 3 (3.1, 3.2) 6 (6.1)	D
LAMARRE PARK		
1. Slope Terracing	1 (1.2) 3 (3.3)	D
2. Site Amenities (Park Sign Relocation, Seating, Trash Receptacles, Picnic Tables)	1 (1.2) 3 (3.1, 3.2)	D
3. Install Amenities for Fishing (including waste receptacles for fishing line disposal)	1 (1.2) 3 (3.1, 3.2)	D

Action Plan		
PROPOSED IMPROVEMENT	CITY GOAL (OBJECTIVE)	SHARED GOAL (OBJECTIVE)
MCRAE PARK		
1. Develop & Implement McRae Park Plan	1 (1.1, 1.2) 3 (3.1, 3.2) 9 (9.2, 9.5)	D
2. Upgraded Playground Equipment Installation	1 (1.2) 6 (6.1)	D
3. Upgraded Site Lighting	1 (1.2)	D
4. Parking Lot Lighting Upgrades	1 (1.2)	D
5. Parking Lot Improvements	1 (1.2) 6 (6.1)	D
6. Picnic Pavilion Construction	1 (1.2) 6 (6.1)	D
7. Community Building Upgrades or Replacement	1 (1.2) 3 (3.1) 6 (6.1)	D
8. Upgraded Site Amenities (Seating , Picnic Tables, Park Sign)	1 (1.2) 3 (3.1, 3.2)	D
9. Concession Stand Improvements	1 (1.2) 3 (3.1)	D
10. Court Resurfacing & Fencing	1 (1.2)	D
11. General Upkeep & Utilization	1 (1.2) 2 (2.1)	D
MICH-E-KE-WIS PARK		
1. Update & Implement Mich-e-ke-wis Park Plan	1 (1.1, 1.2) 3 (3.1, 3.2)	D
2. Multi-Use Pavilion	1 (1.2) 3 (3.1) 6 (6.1)	D
3. Quiet Area/Pedestrian Pathway	1 (1.2) 5 (5.2)	D
4. Additional Volleyball Courts	1 (1.2)	D
5. Bike Pump-Track	1 (1.2)	D
6. Horseshoe Courts	1 (1.2)	D
7. Picnic Tables/Seating	1 (1.2) 6 (6.1)	D
8. Bike Racks	1 (1.2)	D
9. Lighting	1 (1.2)	D
10. Play Structure	1 (1.2) 6 (6.1)	D
11. Parking Area – Rearrange/Maintenance	1 (1.2) 6 (6.1)	D
12. Develop Amenities for Winter Activities	1 (1.1, 1.2) 3 (3.1, 3.2)	D
13. General Upkeep and Utilization	1 (1.2) 2 (2.1)	D
14. Evaluate Use of Current Building (former warming shelter)	1 (1.1, 1.2) 3 (3.1, 3.2)	D

Action Plan		
PROPOSED IMPROVEMENT	CITY GOAL (OBJECTIVE)	SHARED GOAL (OBJECTIVE)
NORTH RIVERFRONT PARK		
1. Parking Lot Improvements	1 (1.2) 6 (6.1)	D
2. Electrical & Utility Upgrades	1 (1.2)	D
3. Decorative Parking Lot Lights	1 (1.2)	D
4. Upgraded Site Amenities (Banners, Seating , Park Sign, Tree Planting)	1 (1.2) 3 (3.1, 3.2)	D
5. Lighthouse Walkway Construction	1 (1.2) 6 (6.1)	D
RIVERSIDE SKATE PARK / WATER TOWER PARK		
1. Convert Park into Concrete Skate Park	1 (1.2)	D
2. Install waste receptacles for fishing line	1 (1.2)	D
SOUTH RIVERFRONT PARK		
1. Upgraded Site Amenities (Trash Cans, Park Sign)	1 (1.2) 3 (3.1, 3.2)	D
STARLITE BEACH		
1. Pathway Improvements & Connections	1 (1.2) 3 (3.1) 5 (5.1, 5.2) 6 (6.1)	G
2. Splashpark Expansion & Recirculating System	1 (1.2) 3 (3.1) 6 (6.1)	D
3. Starlight Beach Parking Lot Reconstruction	1 (1.2) 3 (3.1) 6 (6.1)	D
4. Upgraded Site Amenities (Sign, Picnic Tables, Seating, Grills, Trash Cans)	1 (1.2) 3 (3.1, 3.2) 6 (6.1)	D
5. Improve Parking/Add Signage for Parking	1 (1.2) 3 (3.1)	D
6. Changing Area	1 (1.2) 3 (3.1)	D
THOMSON PARK		
1. Parking/Access	1 (1.2) 6 (6.1)	D
2. Pedestrian Sidewalk Construction	1 (1.2) 6 (6.1)	D
3. Upgraded Site Amenities (Grills)	1 (1.2)	D
VETERANS MEMORIAL PARK		
1. Upgraded Site Amenities (Sign, Seating)	1 (1.2)	D
WASHINGTON AVENUE PARK		
1. Fishing Pier Installation	1 (1.2) 3 (3.1, 3.2) 6 (6.1)	D
2. Parking Lot Upgrades	1 (1.2) 6 (6.1)	D
3. Gazebo Replacement	1 (1.2) 6 (6.1)	D
4. Upgraded Site Amenities (Water Fountain, Picnic Tables, Seating, Two-Person Swings)	1 (1.2) 3 (3.1, 3.2) 6 (6.1)	D

Basis for Action

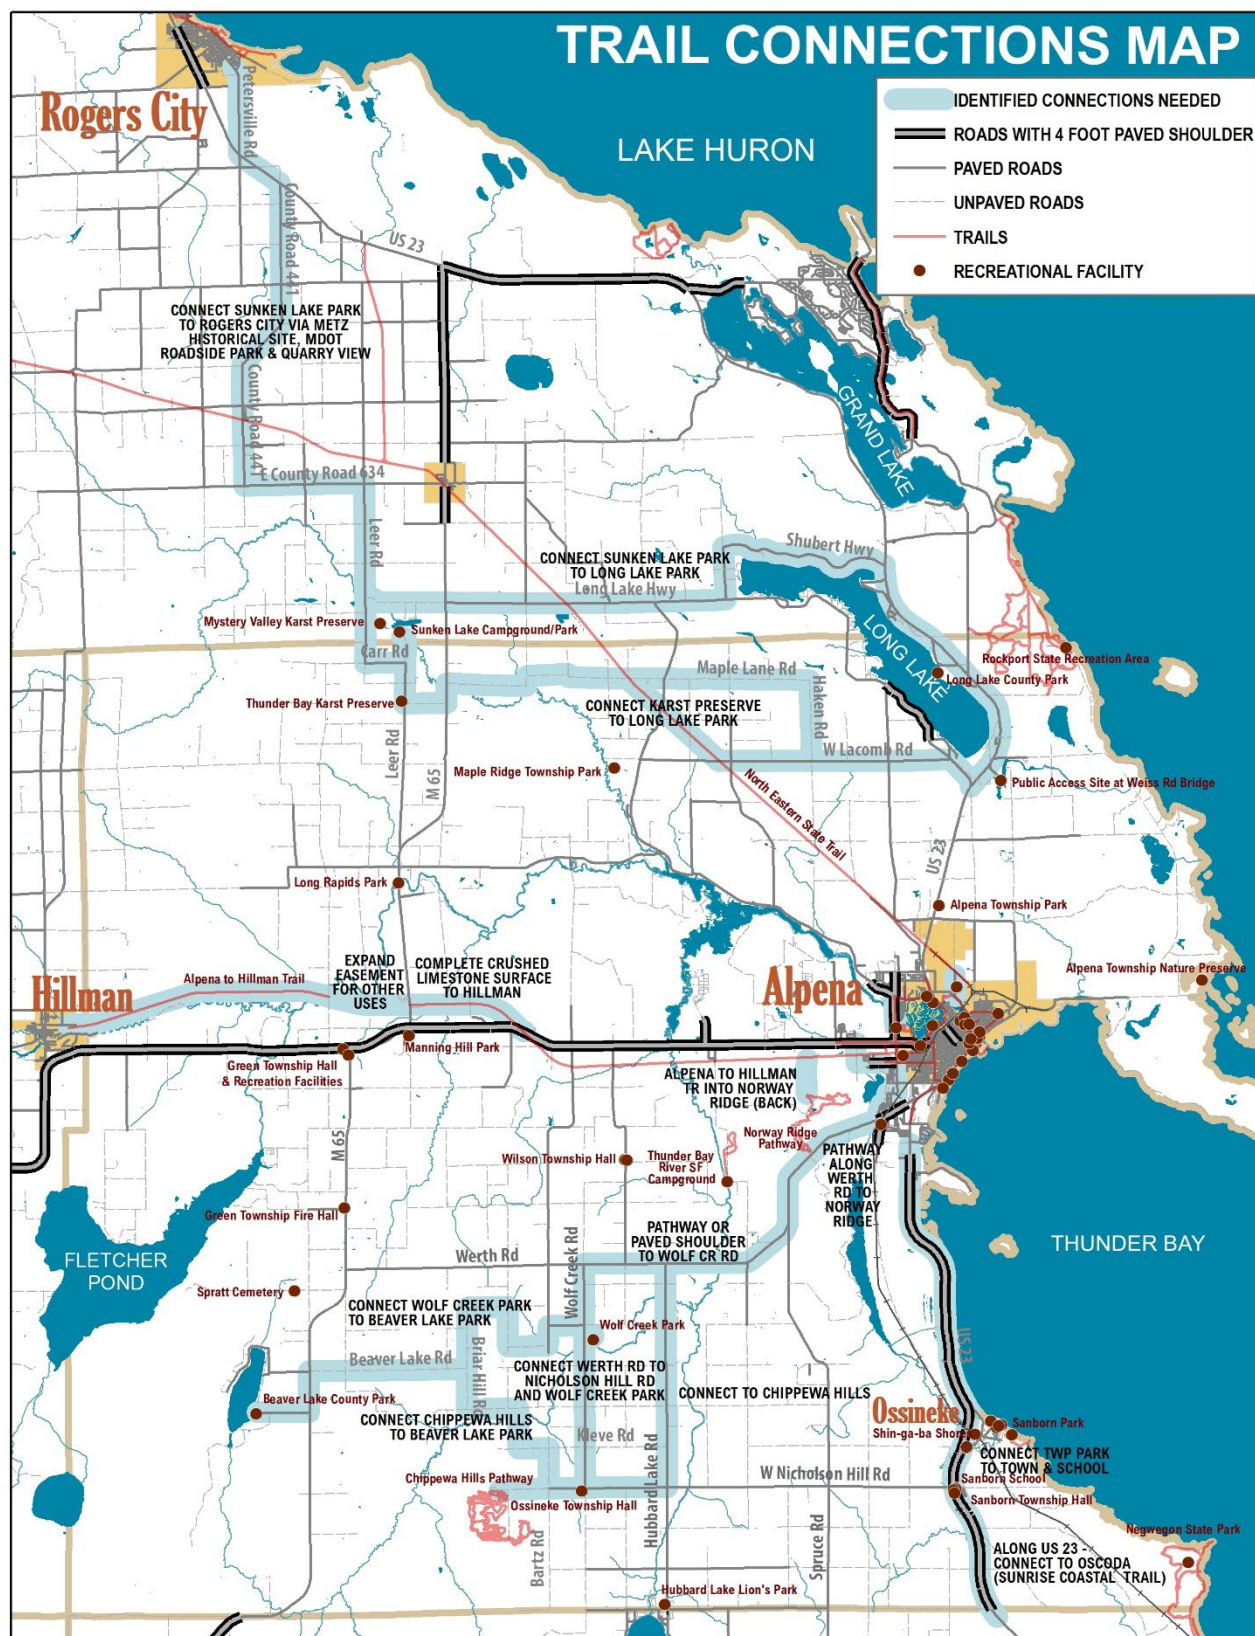

There are several important factors to consider when planning for recreational activities and development in the City of Alpena.

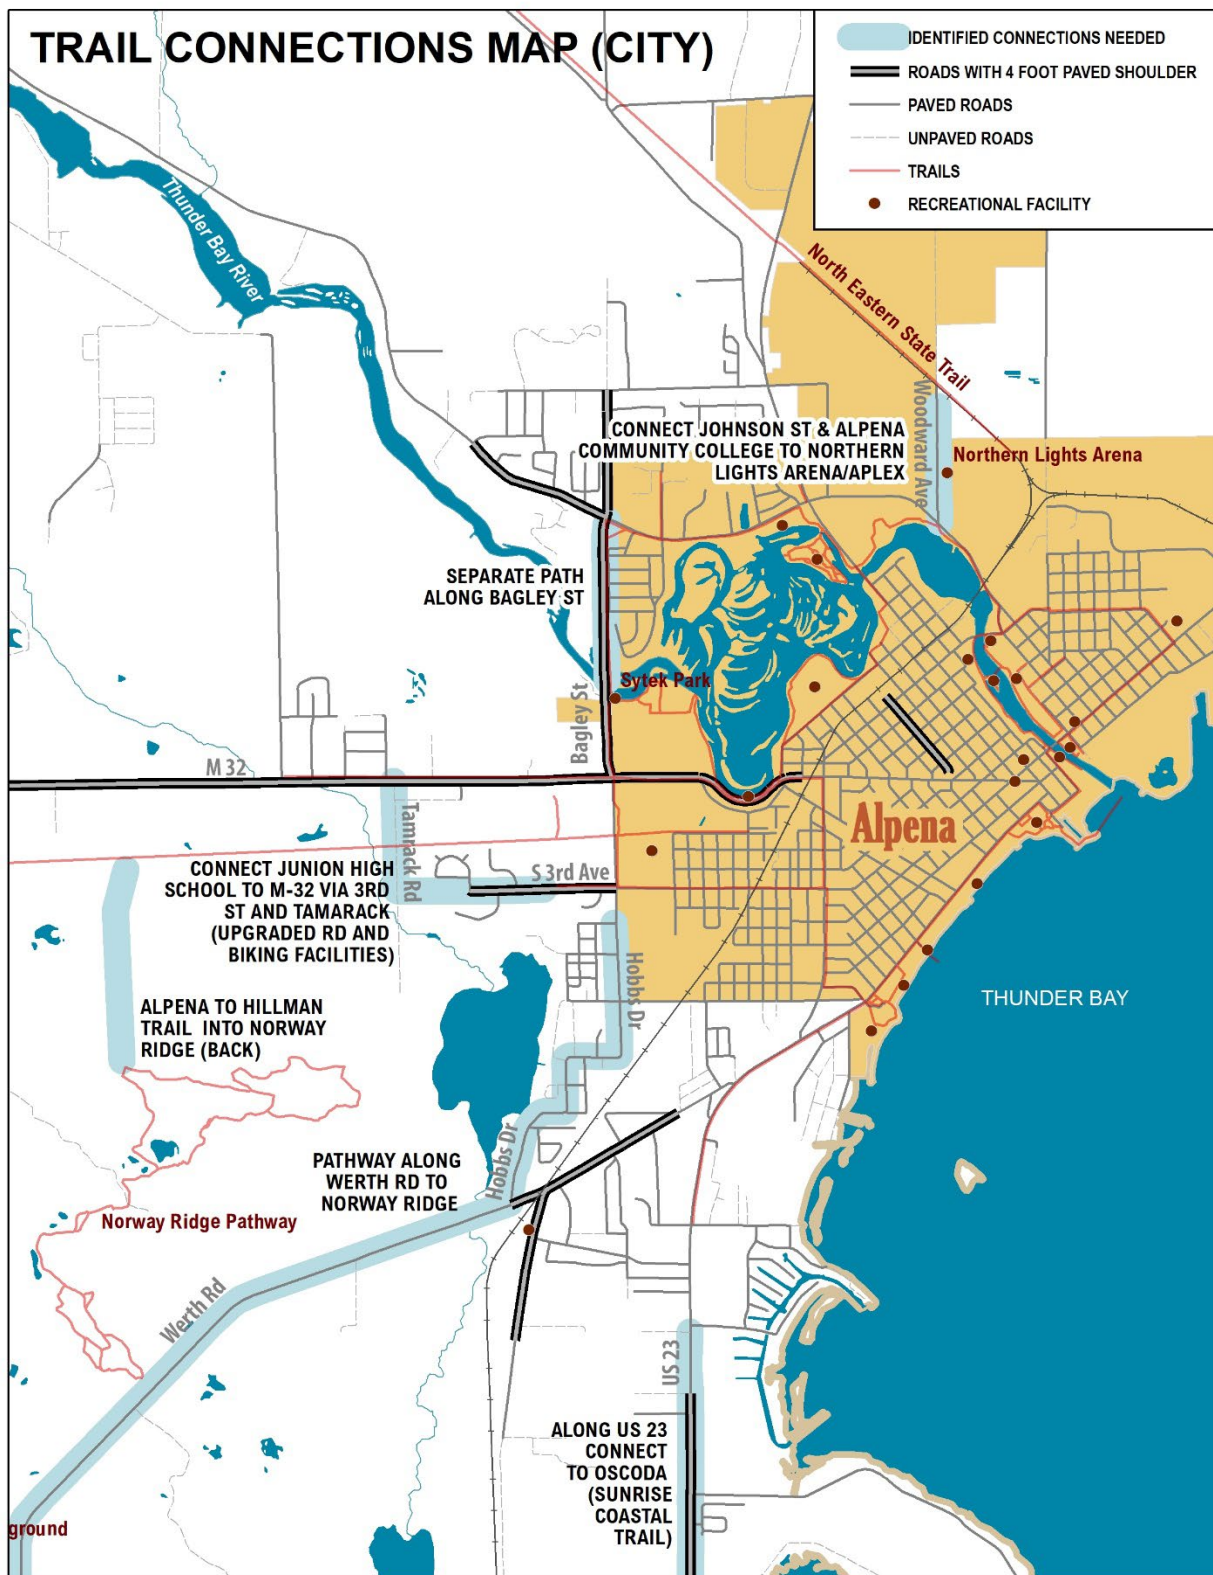

1. The City of Alpena is the largest city in the northeast Michigan region. The City largely serves as the economic hub of the region.
2. Tourism is a vital component to the economy of Alpena and the surrounding areas. Recreational planning needs to consider the influx of people looking to relax and recreate in the area.
3. The City population age distribution varies from 21% aged 19 and under, to 21% age 65 and older. The highest percentage of City residents (79%) are of adult working age (20 to 54). The age distribution in surrounding communities largely mirrors that of the City of Alpena. However, most surrounding areas generally have slightly higher percentages of those aged 65 and older. Recreational facilities need to appeal to a very diverse age group.
4. The issue of improving the local economy by establishing the area as a recreation destination is of utmost importance. Unemployment rates in the City are reported at 5% (2022), and all of northeast Michigan remained significantly higher than the State average. The City strives to create a community with a defined sense of place and a high quality of life which will attract young families and entrepreneurs. This quality of life will also help to retain local youth who would otherwise leave the area upon reaching adulthood.
5. The City's median household income is \$40,202 compared with the State's median of \$63,202 and the national median income of \$69,717. In addition, 18% of households live at or below the poverty level. To be truly accessible, recreation must also

be affordable.

6. Approximately 24% of the City of Alpena population lives with some form of disability. This is largely true for surrounding communities as well. All recreational development and improvements should strive to be as inclusive and barrier free as possible.

Figures obtained from U.S. Census Bureau, American Community Survey 2021 5-year estimates (see tables in Chapter 1).

CHAPTER

5

PLANNING PROCESS

City of Alpena Recreation Plan

Planning Schedule

The development of a community recreation plan must involve interaction and input from citizens and community groups. A comprehensive planning process provides the opportunity to hear from a wider variety of the community and find commonalities and efficiencies in recreation planning. Many recreational assets that exist in Northeast Michigan extend beyond any one jurisdiction's boundaries. For instance, trails, state forest land, rivers, creeks, and lakes are multijurisdictional and will benefit from local involvement by multiple entities. The City of Alpena elected to coordinate with Alpena County and five other townships and update its recreation plan one year early in order to participate in a joint planning effort.

The City of Alpena Planning Commission was the lead entity in developing this Recreation Plan. A general timeline for the development of the recreation plan update is as follows:

May 1, 2023

Commitments to participate in a planning process were finalized. The City of Alpena chose to coordinate with Alpena County and the five townships to update its recreation plan one year early in order to be on the same schedule and share in the public input process.

May 22, 2023

A virtual meeting was held with the ad-hoc Alpena Recreation Plan Committee (consisting of members of each participating jurisdiction). The committee discussed survey questions proposed for an online survey to gather public input.

June 1, 2023

The public input survey was made live. A press release appeared in the Alpena News on June 17, 2023 (see image at right). Notices were also placed in the tax bills for the City of Alpena. In addition, a link to the survey appeared in social media posts for the City of Alpena, US 23 Heritage Route, and Michigan Sunrise Coast. The city also placed the survey link on its website. See social media and website notices on the following page.

July 31, 2023

The survey was closed on July 31, 2023. A total of 461 responses were collected (approximately 1.6 percent of the total population of the county). The communities felt that this was a significant percentage of the population. Survey results were transmitted to the communities.

IN BRIEF

Public input sought on parks and rec plans

Alpena County, the City of Alpena, Alpena Township, Green Township, Ossineke Township, Sanborn Township, and Wilson Township are working together to update their recreation plans which guide the future enhancement and development of recreation in the Alpena area.

A recreation plan needs to be approved by the Michigan DNR in order for the communities to qualify for grant funding for recreational improvements.

If you would like to give your opinion on parks and recreation in the Alpena area to help them plan for future recreational improvements, please take the online survey at surveymonkey.com/r/AlpenaAreaRecreation.

Printed surveys are also available at the Alpena County Building, Alpena City Hall, or at the Township Offices. The deadline is July 31.

City of Alpena, MI - Information
July 14 at 3:09 PM · 🌐

The Alpena area is known for having amazing recreational amenities! Alpena County, the City of Alpena, the Charter Township of Alpena, Green Township, Ossineke Township, Sanborn Township, and Wilson Township are working together to update their recreation plans which guide the future enhancement and development of recreation in the Alpena area.

A Recreation Plan needs to be approved by the Michigan DNR in order for the communities to qualify for grant funding for recreational improvements. Citizen input is critical to help the communities write these plans.

Here's how you can help! The communities have made a recreation plan survey available to gather public opinions and they are hoping to hear from everyone who uses recreational facilities in the Alpena area. If you would like to give your opinion on parks and recreation in the Alpena area to help them plan for future recreational improvements, please take the online survey at <https://www.surveymonkey.com/r/AlpenaAreaRecreation>

Printed surveys are also available at the Alpena County Building, Alpena City Hall, or at the Township Offices. The survey should only take about 10 minutes to complete. The deadline is July 31, 2023. Thank you for your participation!

RECREATION PLAN

The City is updating its Recreation Plan and we value your input...please take our Alpena Area Recreation Plan Survey to help us plan for recreation!

Please go to...

Alpena Area Recreation Survey

Take this survey powered by surveymonkey.com. Create your own surveys for free.

October 5, 2023

NEMCOG staff met with the Alpena Intergovernmental Council to review the survey results and lead a discussion on how best to collaborate on planning, funding, and implementation of recreation plan action items.

October 11, 2023

A joint meeting was held with the City Planning Commission, Recreation Advisory Board, City staff, and NEMCOG staff. At the meeting, the group reviewed the survey results, made changes to the goals and objectives, and reviewed each action item from the existing recreation plan, projects that have been included in the Capital Improvements Plan,

and specific suggestions for park improvements that were made by citizens in the online survey.

November 9, 2023

Members of the Planning Commissions from the City of Alpena, Alpena County, the Charter Township of Alpena, Green Township, Ossineke Township, Sanborn Township, and Wilson Township met with NEMCOG staff at Ossineke Township Hall to discuss joint goals, objectives, and action items.

December 1, 2023

The City of Alpena Recreation Plan was available for public review. (insert notices)

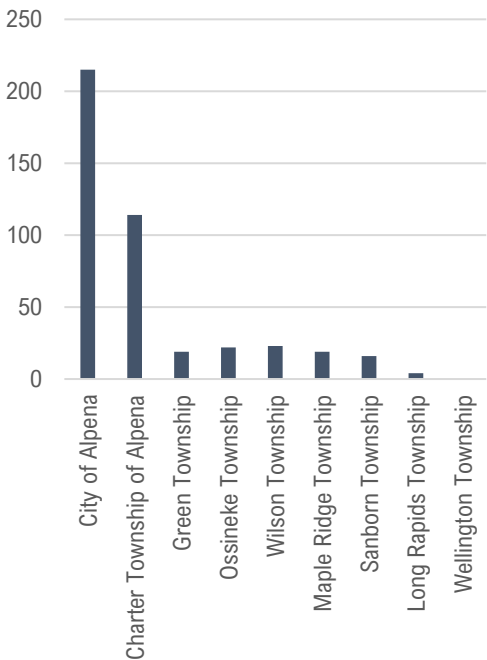

January xxxx, 2024

Insert public hearing dates and adoption dates.

Survey Results Summary

Question 1 & 2

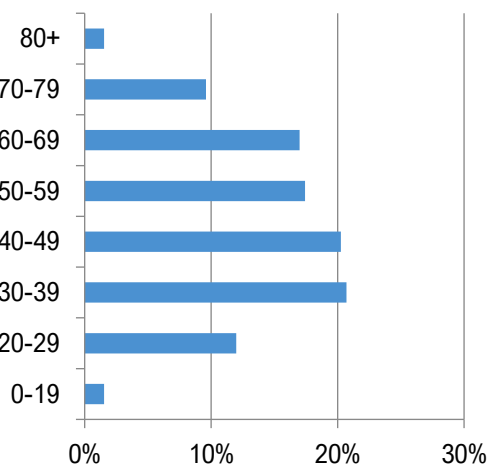

Where do you live (within Alpena County and outside of Alpena County)?

Nearly half of survey respondents (215) live within the City of Alpena while over 26 percent live within the Charter Township of Alpena. The survey also generated responses from 15 Presque Isle County residents, 10 Alcona County residents, and two Montmorency County residents. Two survey respondents live out of the region (Providence, Rhode Island and Lansing, Michigan).

Question 3

What is your age group?

Survey respondents represented a very good distribution of age groups. These results show that the jurisdictions within Alpena County should be planning recreational facilities for a wide variety of age groups. Over a quarter of the survey respondents were in the retirement age group. This indicates that planning for an aging population is critical.

Question 4

Which of the following recreational facilities do you use and how often?

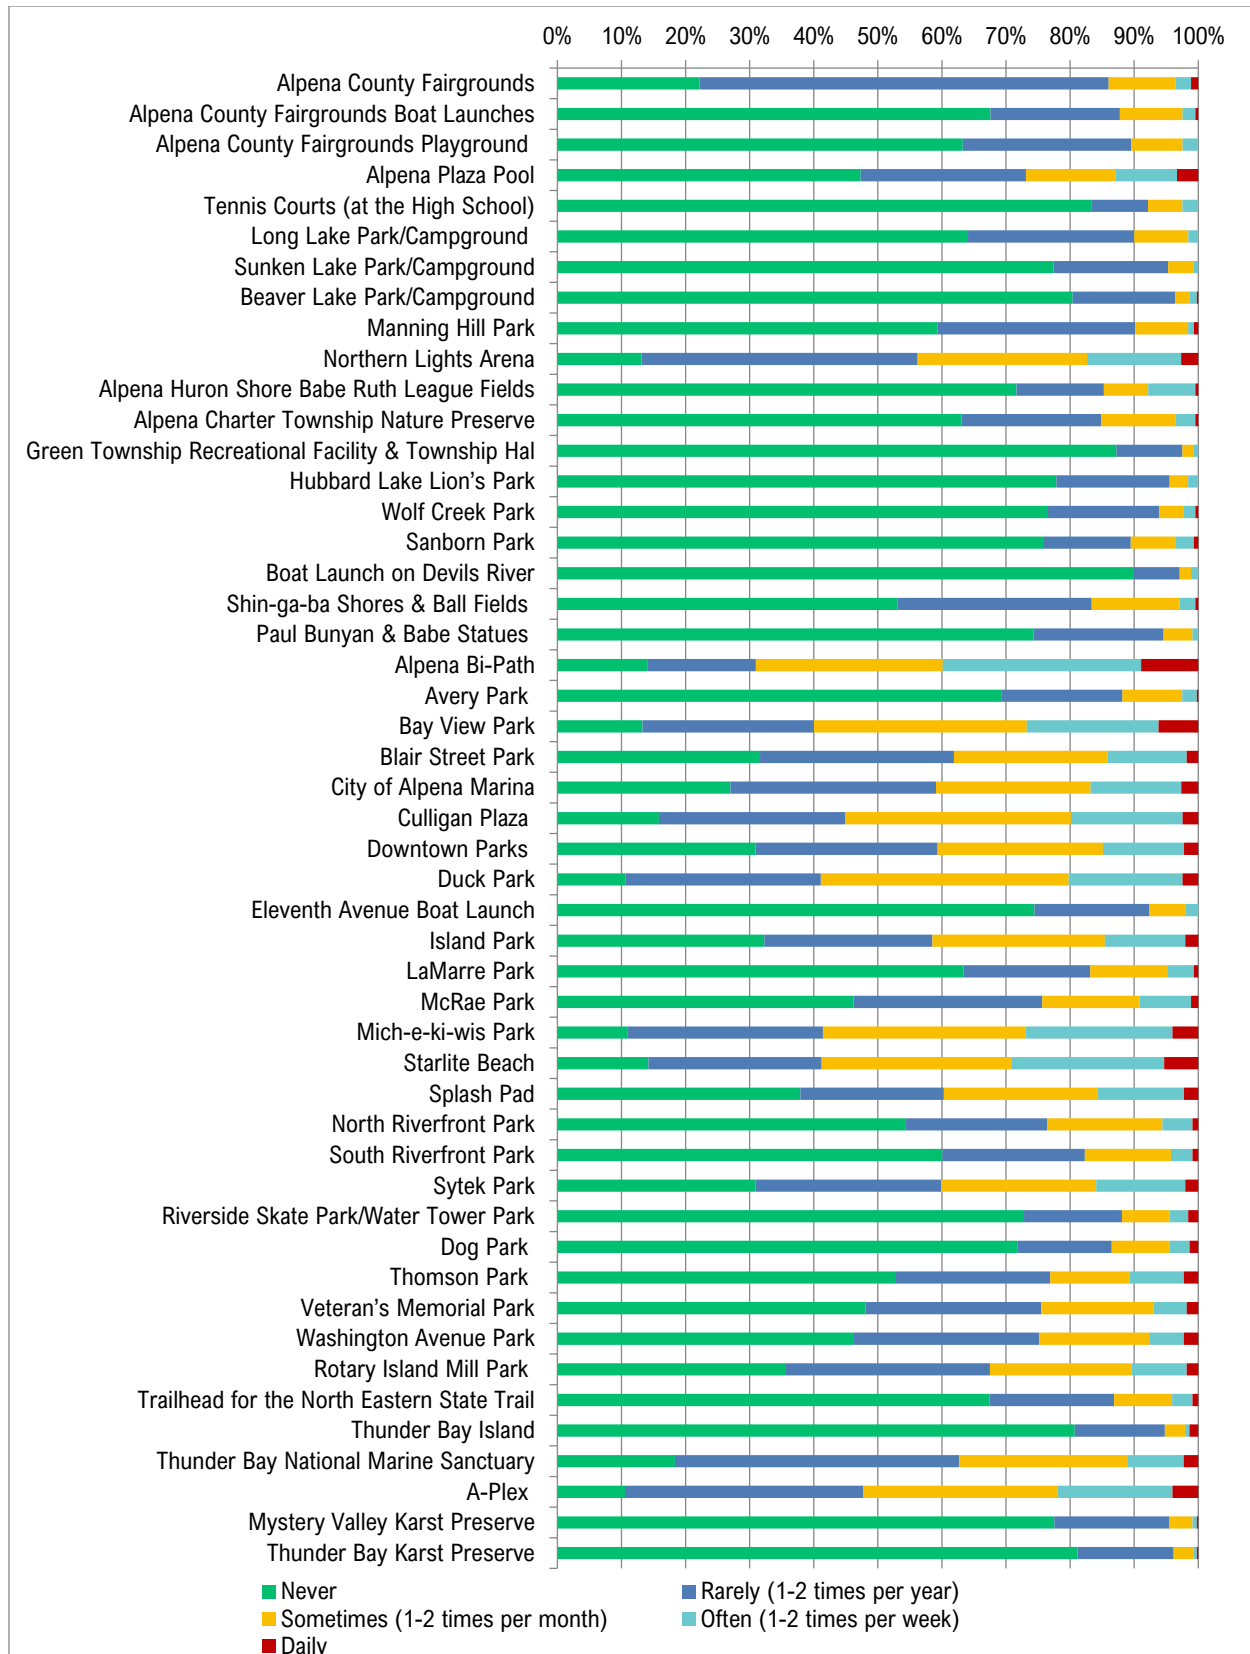

The following tables group the results by ownership and are in descending order using the answer “more than once per month.” The City of Alpena survey results are shown as well because the city parks receive the heaviest use. Northern Lights Arena is the highest use facility with the Plaza Pool coming in second. Shin-ga-ba Shores Park ranked third with the Misery Bay Nature Preserve (Alpena

Township Nature Preserve) and the Alpena Huron Shore Little League Fields both ranking fourth. Note that other facilities which are not under the control of the municipalities were also included in the survey. If these are factored in, then the A-Plex ranks the most heavily used with the Thunder Bay National Marine Sanctuary ranking second. The next page shows the usage graphically.

Location	Facility Name	1-2 Times per Year or Less	1-2 Times per Year or Less	More than Once Per Month	More than Once Per Month	Total Responses
Alpena County	10. Northern Lights Arena (Woodward Ave)	253	56%	197	44%	450
Alpena County	4. Alpena Plaza Pool (at the High School)	329	73%	121	27%	450
Alpena County	1. Alpena County Fairgrounds (11th Ave)	388	86%	63	14%	451
Alpena County	2. Alpena County Fairgrounds Boat Launches (11th Ave)	395	88%	55	12%	450
Alpena County	3. Alpena County Fairgrounds Playground (11th Ave)	402	90%	47	10%	449
Alpena County	6. Long Lake Park/Campground (US 23)	406	90%	45	10%	451
Alpena County	9. Manning Hill Park (M-32)	403	90%	44	10%	447

Question 5

Overall, how satisfied are you with the recreational opportunities in Alpena County (including the City of Alpena and all townships)?

Over 81 percent of survey respondents are satisfied with recreational opportunities. A separate analysis was done on the 84 respondents who said they were not satisfied with recreation to determine any trends. Generally, they do not have a high usage of any facility. Over 72 percent of these unsatisfied respondents answered that they would like to see more programming in the parks and that they are interested in concerts, walking, camping, festivals, bicycling, hiking, kayaking, and theaters (all of the types of activities that the Alpena area recreational facilities offer). This suggests that they feel improvements are needed at the current facilities rather than constructing new facilities.

Question 6

List your three favorite facilities and the reasons why. Include improvements you’d like to see there.

FACILITIES LISTED AS “FAVORITE”	
1.	Alpena Bi-Path
2.	A-Plex
3.	Starlite Beach
4.	Bay View Park
5.	Duck Park
6.	Mich-e-ke-wis Park
7.	Plaza Pool
8.	Splash Pad
9.	Sytek Park
10.	City of Alpena Marina
11.	Northern Lights Arena
12.	Island Park
13.	Thomson Park
14.	Culligan Plaza
15.	McRae Park

When asked to indicate their favorite facilities, the City of Alpena facilities ranked highly among most survey respondents. Several facilities within the jurisdictions covered within this plan were also listed within the top 20: Alpena Plaza Pool (ranked 7th), Northern Lights Arena (ranked 11th), Shin-ga-ba Shores (ranked 16th), and Sanborn Park (ranked 17th). Improvements suggested have been reviewed and the action items in Chapter 4 reflect those responses.

Question 7

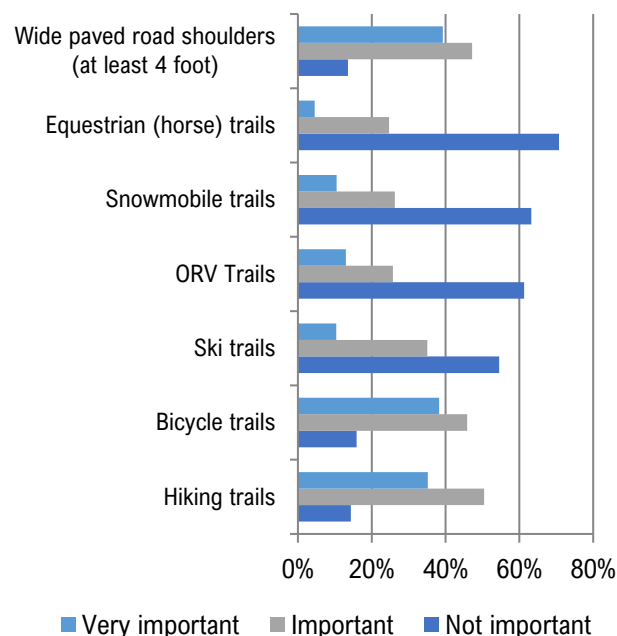

List your three LEAST favorite facilities and the reasons why. Include improvements you'd like to see there.

FACILITIES LISTED AS "FAVORITE"	
1.	Alpena County Fairgrounds
2.	McRae Park
3.	Mich-e-ke-wis Park
4.	Riverside Skate Park/Water Tower Park
5.	Plaza Pool
6.	Bay View Park
7.	Dog Park

When asked to indicate their least favorite facilities, the Alpena County Fairgrounds ranked number one. Only those that received at least 10 votes for least favorite are listed in the table to the left. It should be noted that this question generated a very low number of responses. The least favorite facility only received 29 votes for least favorite (contrasted with the most favorite facility from the previous question received 81 votes). The most common reasons given (and improvements needed) were issues that the communities were already aware of and are addressing within this plan.

Question 8

How important are each of the following to you?

Question 8 focused on trail systems in the area. Bicycling trails, hiking trails, and four-foot paved shoulders were indicated as "very important" to people. Over 84 percent of respondents felt hiking trails and biking trails were either "important" or "very important." Over 86 percent felt that four-foot wide paved shoulders were very important along area roads. This speaks to the desire of the community to create nonmotorized connections between recreational facilities. The three types of trails that ranked least important to respondents were equestrian trails, snowmobile trails, and ORV trails. In the comments, many people indicated the importance of connections between water accesses and the city Bi-Path in addition to connections along the M-32 corridor and to Birdsong Bay. ORV users desire connections to trails and restaurants.

Question 9

What improvements would you like to see at trailheads in the county?

When considering trailheads in the area, many people indicated that they would like to see signage, paper maps, potable water, better parking, lighting, trash disposal, and restrooms. An example of better signage is shown at the left. These sign designs are available for use by all communities in the area.

Question 10

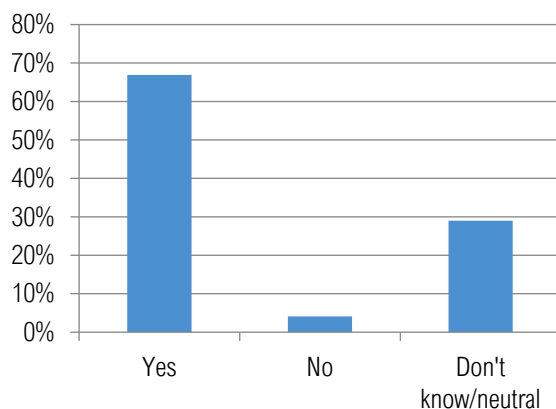

What additional recreational facilities would you like to see in the Alpena area?

ADDITIONAL FACILITIES DESIRED
Bathrooms
Campgrounds
Expanded indoor recreation/community center
Park improvements
New pool
Expanded trails
Water access
Winter activities

When asked what additional facilities the respondents would like to see in the area, the issues indicated in the table were most often mentioned.

Question 11

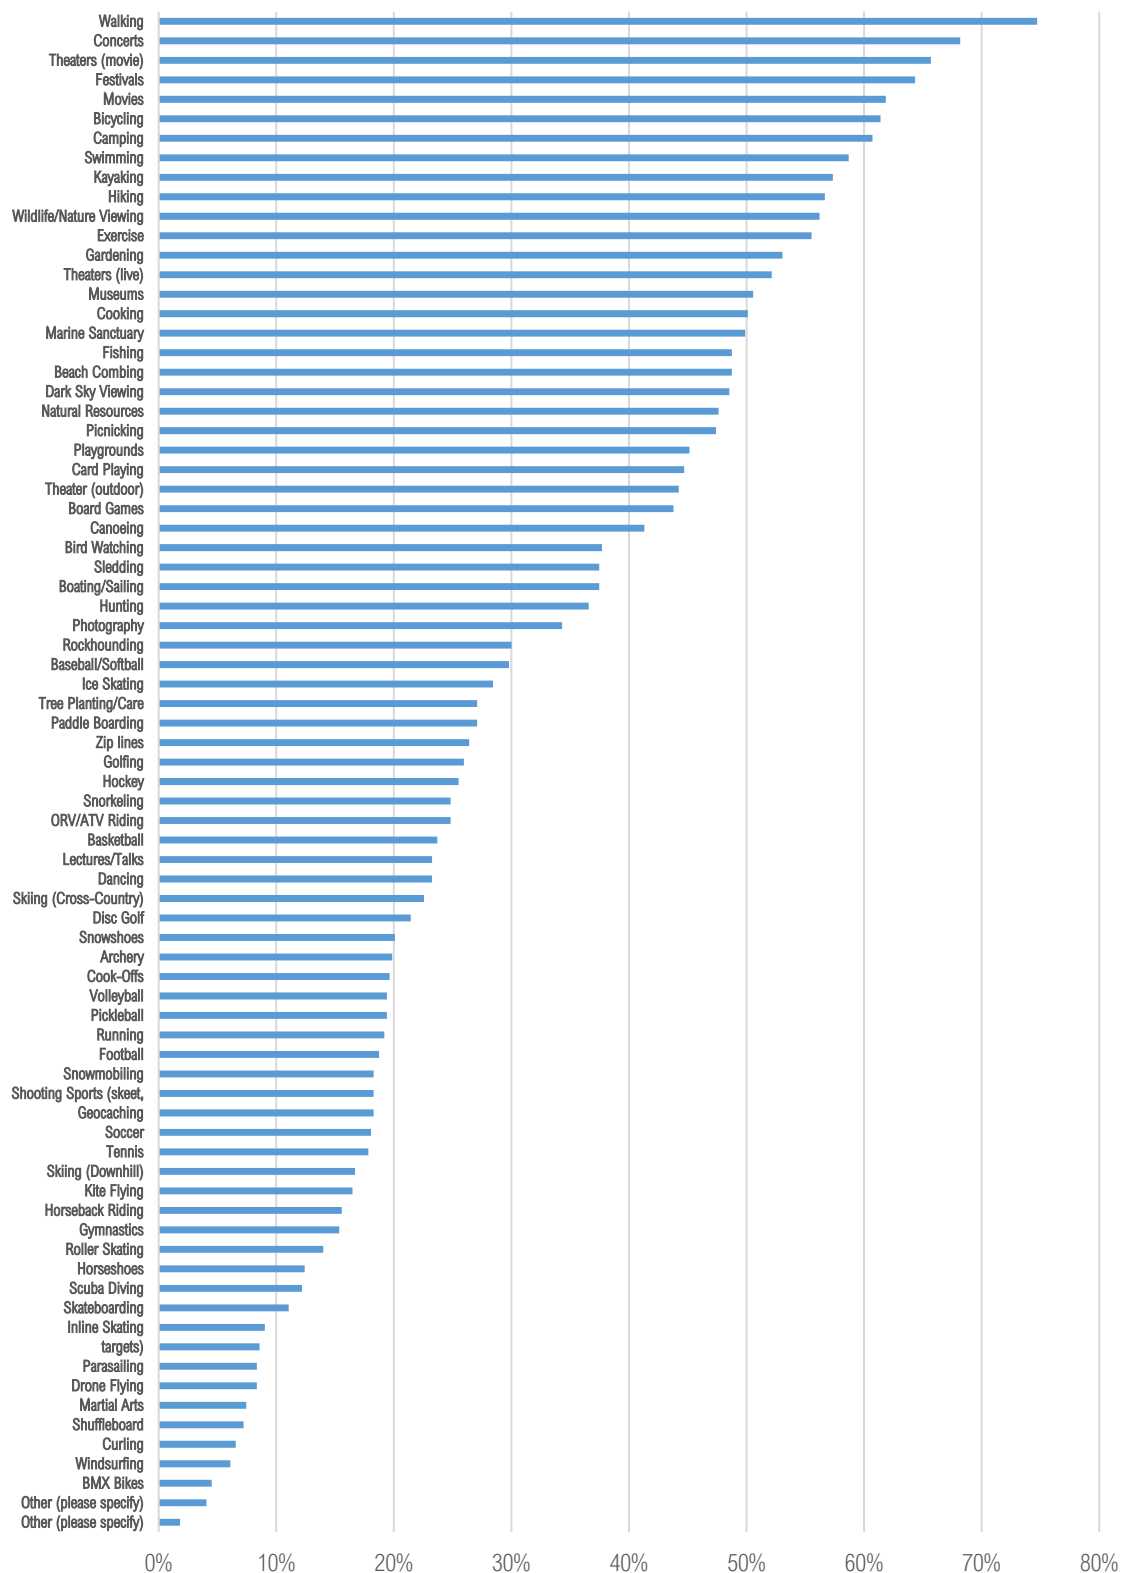

Would you like to see scheduled recreation programming in the parks (for example: youth and adult sports programs, lifelong learning programs)?

Over 66 percent of respondents answered that they would like to see programming in the parks. Many people gave individual ideas about the programming they would like to see including kids activities, archery, disc golf, air rifles, boating classes, nature classes, survival classes, pickleball, water sports, skating, free fishing, conservation education, foraging, yoga, adult recreation leagues, skiing, star gazing, fossil/rock hunting, plant/bird/rock identification, soccer, and exercise events.

Question 12

What recreational activities do you and/or your family enjoy?

Question 13

Please use this space to let us know of improvements you would like to see at specific recreational facilities and also to make additional comments to help plan for the future of recreation in the Alpena area.

IMPROVEMENTS
Alpena County: New swimming pool
Charter Township of Alpena: South end improvements (US 23 south), trail opportunities
City of Alpena: Improvements to Bayview, McRae, and Mich-e-ke-wis, Bi-path/crosswalk safety
Ossineke Township: Convert Lions Park tennis courts to pickleball
General Comments: Regular maintenance of what we already own, visibility to public recreation assets, safety, recreation opportunities for all ages and abilities

Approximately 128 individuals commented on this question. The table at the left indicates the general themes (the comments made most often). However, the tables in the Appendix contain all of the comments submitted during the survey.

**A RESOLUTION BY
THE CITY OF ALPENA PLANNING COMMISSION
ADOPTING THE 2024-2028 CITY OF ALPENA RECREATION PLAN**

WHEREAS, the City of Alpena Planning Commission is authorized to develop plans for the development, maintenance, and improvement of the City parks system; and

WHEREAS, the Michigan Department of Natural Resources (MDNR) requires that any municipality requesting funds for park acquisitions or improvements must have an approved recreation plan on file with the MDNR at the time a grant application is submitted; and

WHEREAS, the Recreation Advisory Board and the Planning Commission have jointly undertaken the development of a new 5-year Recreation Plan covering the period 2024-2028; and

WHEREAS, the City has solicited public input during the preparation of the Plan through an online survey and public meetings; and

WHEREAS, the public was provided a 30-day period to review and submit comments on the Plan; and

WHEREAS, the City of Alpena Planning Commission has met jointly with the City of Alpena Recreation Advisory Board to address public comments regarding the Plan.

NOW THEREFORE, BE IT RESOLVED, that the City of Alpena Planning Commission does hereby adopt the 2024-2028 City of Alpena Recreation Plan as the official Recreation Plan for the City of Alpena and forwards said Plan to the Alpena City Council with a recommendation to adopt the Plan following the public hearing conducted at the City of Alpena Planning Commission's meeting on January 9, 2024.

Commissioner _____ moved to adopt the above resolution, seconded by
Commissioner _____.

Ayes:
