

City of Alpena

News Release of November 1, 2022

Wildlife Sanctuary Board Openings

The Alpena Wildlife Sanctuary is the only natural park within the City; it consists of 443-acres, including Island Park. The sanctuary offers its visitors a wonder-filled place to explore the natural world.

If you have a passion for preservation or want to be involved in protecting this unique resource for years to come, please consider applying for the Wildlife Sanctuary Board today. The Board currently has two seats available.
