Mich-e-ke-wis Park Public Hearing

The City of Alpena wants to know what the residents want for the future of Mich-e-ke-wis Park. In a follow up to our March public meeting, the City is again seeking public input and feedback on draft plans that will help them create a great community park, which uses ideas from area residents. The park plan is being updated and this input will determine what happens next at Mich-e-ke-wis.

Although more of the draft plan will be revealed at the public meeting, additional information on the plans can be seen at: www.discovernortheastmichigan.org/michekewis.asp

The City is hosting an event on Wednesday, November 13, 2019, at 6:00 p.m. The meeting will be facilitated by staff from the Northeast Michigan Council of Governments (NEMCOG). The location is the Thunder Bay Marine Sanctuary Education Room at 500 West Fletcher Street, Alpena, MI.
