BAGLEY STREET BRIDGE OVER THUNDER BAY RIVER REHABILITATION

The Alpena County Road Commission announced today that work on the Bagley Street Bridge Rehabilitation Project is nearing completion. The project is now open to traffic. Motorists are reminded that the project is still a construction zone and temporary traffic control measures will be in place where necessary.

The Alpena County Road Commission would like to thank the community for its continued patience with the project and hopes it recognizes the added safety and benefit to the community.
