

City of Alpena

News Release of March 12, 2021

Seasonal Boat Launch Permits

The City of Alpena's seasonal boat launch permits are now available for purchase. Permits are currently available at the City Clerk's office located in Alpena City Hall and the Water Recycling Plant located at 210 Harbor Drive. Permits will also be available at the City of Alpena's Marina when they open for the season beginning May 1, 2021.

Annual launch permits are \$50.00. Daily launch permits are also available for \$7.00. City residents may purchase their annual permits for \$25.00, with proof of residency.

The 2020 permits are still valid until March 31, 2021. Beginning April 1, 2021, a red 2021 launch sticker will be required.

If there are no weather delays, it is anticipated that the launch at North Riverfront Park, behind the post office, will be open by the first day of spring.
