News Release of July 13, 2023

Breakwall Closure

Beginning Sunday morning, July 16, 2023, the breakwall located on Prentiss Street, enclosing the Alpena Marina, will be closed to all pedestrian traffic. A group from the 128th ACS out of Volk Field, Camp Douglas, Wisconsin have generously volunteered to undertake the painting of the breakwall railing while they are in Alpena training at the CRTC. They will also be assisting in painting fire hydrants throughout the community at the same time.

Upon completion of the work, and the paint drying, it is anticipated the breakwall will be open to the public by late afternoon on Sunday.

This project will be weather dependent and could be delayed or cancelled due to inclement weather.
