## Chisholm Street Resurfacing

Beginning Monday evening at 6 p.m., October 3, 2022, a contractor for MDOT will be performing resurfacing work on Chisholm Street, between State Avenue and Eleventh Avenue. Work will continue through Tuesday and Wednesday night.

Traffic will be maintained by flag control from 6 p.m. to 6 a.m., however, motorists may experience delays and are advised to seek alternate routes. There will be no parking between the hours of 6 p.m. to 6 a.m., on either side of Chisholm Street for the duration of the project. Vehicles parked in this area could be towed at the owners expense if construction operations are affected.

This work is expected to last three (3) nights to complete unless weather or construction delays occur.
