News Release of October 28, 2020

Construction Work

Beginning Friday, October 30, 2020, at 7:00 a.m., Second Avenue, between Lockwood Street and Chisholm Street will be reduced to one lane of traffic for a private contractor to complete work adjacent to the street.

For this reason, the sidewalk on the north side of the roadway will also be closed to all pedestrian traffic.

Signage and barricades will be present to guide traffic around the construction site, but motorists are advised to seek alternate routes.

This work is expected to take one (1) day to complete unless weather or construction delays occur.
