Sidewalk Shoveling Reminder

The City of Alpena would like to remind residents and business owners that City Ordinance requires prompt removal of all snow and ice from sidewalks that border their property. Snow and ice shall not be deposited into the right of way.

If snow is not removed within 48 hours of the snow event, the City will work with residents in resolving snow removal issues by knocking on doors or leaving a door hanger. If snow is not removed after an additional 48-hour time period is granted, the City will remove the snow with subsequent expenses billed to the owner/occupant.

Thank you in advance for maintaining a clear and safe sidewalk this winter season!
