News Release of April 14, 2022

Eleventh Avenue Lane Closure

Beginning Monday, April 18, 2022, the southwest bound lane of Eleventh Avenue, between Chisholm and River, will be closed to all traffic.

Signs and barricades will be present to block access to this section of street to alleviate congestion at the Eleventh and Chisholm intersection. This will allow motorists using the detour route on northbound Eleventh additional time to make left turn movements.

Motorists exiting the Shell gas station on Eleventh shall only turn left as there will be no access to Chisholm Street from the north due to this lane closure.

This lane closure will remain in effect for the duration of the Bagley Street Bridge detour.
