

City of Alpena

News Release of June 19, 2023

Intersection Closure

Beginning Tuesday, June 20, 2023, the intersection of Henry Street at US 23 North will be closed to all traffic for reconstruction. US 23 North will not be affected by this closure. Additionally, there will be no through access from Wilson Street and Henry Street for the duration of the project.

Signage and barricades will be present to guide traffic around the construction site, but motorists are advised to seek alternate routes.

This closure is expected to last two (2) weeks unless weather or construction delays occur.
