News Release of August 9, 2021

Laforest & Oliver Street Closure

Beginning Wednesday, August 11, 2021, the City of Alpena's Contractor, MacArthur Construction, will begin the reconstruction of Oliver Street, between First Avenue and Laforest Street.

This section will be closed to all traffic. Access to driveways will be limited and residents will have to park on side streets for extended periods.

Signage and barricades will be present to guide traffic around the construction site, but motorists are advised to seek alternate routes.

This project is expected to take eight (8) weeks to complete unless weather or construction delays occur.
