Lawn Cutting

The City of Alpena would like to remind all residents of City Ordinance requirements for lawn cutting; lawns shall be cut by June 1, July 1, August 1, September 1, October 1, and November 1, or as many other times as necessary to maintain the property.

In the event that grass length is in excess of 8 inches, City Staff will work with City residents by knocking on the door or leaving a door hanger; if the grass is not cut within 5 days, the City will cut the grass with subsequent expenses billed to the owner\occupant.

Please also check property lines along adjacent alleys to ensure all brush, weeds, or vegetation is trimmed to allow passage of vehicles.
