News Release of September 17, 2021

Maintenance Work

Beginning Tuesday, September 21, 2021, maintenance work will be performed at various locations on State Avenue between Richardson Street and Chisholm Street and Chisholm Street between State Avenue and Ninth Avenue. The City of Alpena, in coordination with the Michigan Department of Transportation (MDOT), is performing this maintenance work in preparation for a 2021 MDOT paving project.

Traffic will be reduced to one lane, with lane shifts throughout the project at specific maintenance locations. Arrow boards and traffic regulators will be utilized to guide traffic around the construction site(s). Delays should be anticipated.

This work is expected to take ten (10) days to complete unless weather or construction delays occur.
