

# City of Alpena

News Release of October 25, 2021

## Second Avenue and Miller Street Intersection

On Thursday, October 28, 2021, the traffic light and pedestrian signals will be removed at the Second Avenue and Miller Street intersection.

Stop signs were installed at this intersection for a period of time, not less than 90 days, to prepare motorists for the eventual removal of the traffic light. This transition period has ended and the light will be removed.

This does **not** change the flow of this intersection. Traffic on Miller Street will stop on either side of Second Avenue and proceed through when it is safe to do so. Second Avenue traffic will have the right of way.
