News Release of April 20, 2023

Ripley Resurfacing

Beginning Friday, April 21, 2023, a contractor for the City of Alpena will begin preparations for resurfacing work on Ripley, between Washington Avenue and Third Avenue.

This contractor will be reconstructing the sidewalk ramps for the next three (3) weeks, which should have minimal impact on traffic.

Resurfacing of Ripley Boulevard is anticipated to begin in mid May. Additional notices will be issued prior to commencement of the resurfacing operation.

Traffic will be maintained by flag control and lane shifts; however, motorists may experience delays.

This project is expected to last six (6) weeks to complete, unless weather or construction delays occur.

Motorists and pedestrian traffic should consider alternate routes for the duration of the project and be aware of road workers being present.
