

City of Alpena

News Release of June 15, 2022

SUEZ - Veolia Merger

The City's utility contractor, SUEZ Water Environmental Services Inc. (SUEZ), that operates the sewer and water systems and plants has merged with, and into, Veolia Environment S.A. (Veolia).

They are currently undergoing the re-branding process. The new logo now appears on the City website and the email addresses have been updated. Most of the vehicles now bear the Veolia logo.

Please bear with them as they continue the re-branding effort as uniforms and other items are changed out.

Citizens will continue to receive the high-level of service that they've come to expect from the same personnel familiar with the Alpena area.
