News Release of September 15, 2021

Second Avenue Closure

Beginning Thursday, September 16, 2021, Second Avenue, between River Street and Carter Street, the parallel parking stall and sidewalk on the north side of the street will be closed.

Signage and barricades will be present to block off the necessary areas.

This closure is to protect the safety of the public as construction occurs on the adjacent private property. This closure is expected to last (4) four weeks unless construction or weather delays occur.
