City Gathers Input for Strategic Plan

Efforts are underway to update the City's Strategic Plan. The existing plan was developed in 2009 and may be found within the City budget document each year. Part of the planning process includes gathering the opinions of community members to determine what everyone sees as the vision for the City for the next 3-5 years. The plan is meant to be a living document and will be updated periodically.

The Strategic Plan will serve as a guide to implementation of the City of Alpena [2020 Comprehensive Plan](#). Your responses will be collected and reviewed by our facilitators at MSU Extension to inform the City's strategic planning process.

The link to the survey can be found at https://msu.co1.qualtrics.com/jfe/form/SV_a9vpIkJ7ngw9kbk

Responses will not be associated with any individual. Please complete the survey by Tuesday, June 1st.

Thank you for your feedback toward the City of Alpena Strategic Plan!
