## News Release of October 6, 2021

### Utility Work

Beginning Thursday, October 7, 2021, at 9:00 a.m., Third Avenue, between Franklin Street and Addison Street, will be closed to all traffic due to utility work.

Signage and barricades will be present to guide traffic around the construction site, but motorists are advised to seek alternate routes.

This closure is expected to last one (1) day to complete unless weather or construction delays occur.
