News Release of October 25, 2021

Utility Work

Beginning on Wednesday, October 27, 2021, contractors will be performing a utility tap on Johnson Street, between Woodward Avenue and Oldfield Street.

Traffic regulators and barricades will be present to guide traffic around the work site, but motorists are advised to seek alternate routes when possible.

This work is expected to last two (2) days, unless weather or construction delays occur.
