

City of Alpena

News Release of October 31, 2023

Winter Parking Hours Reminder

The City of Alpena Police Department would like to **remind** City residents that vehicles cannot be parked on City streets between the hours of 3:00 a.m. and 6:00 a.m., from November 1 through April 1. This prohibition is necessary so that the City can thoroughly plow City streets during the winter months. Vehicles that are parked on a City street during the prohibited time period can be ticketed; and, if the vehicles interfere with the snow plowing, those vehicles can be impounded at the owners expense. Please help the City with its snow plowing efforts by not parking in the street during the prohibited time period.

Overnight parking of vehicles in City lots is prohibited, with the exception of the Carter Street lot along the River near the Holiday Inn Express. This lot permits overnight parking at all times.

Also, resident parking is allowed by permit issued by the Downtown Development Authority.

Police officers may allow citizens to park a vehicle on the street during this period if extenuating circumstances exist. Citizens who believe they have extenuating circumstances must contact the police department. Unless the department grants permission to park on the street, the vehicle will be ticketed and possibly towed.
