Street Resurfacing Closures

Beginning Monday, June 1, 2020, Everett Goodrich Trucking, will begin resurfacing Lockwood Street between Second and Third Avenue and Spratt Street between Second Avenue and Taylor Street. The contractor will also be performing some minor work on Ontario Street between Franklin and Garden Street in preparation for additional construction in a few weeks.

These sections of street and sidewalk will be closed to all traffic. Access to driveways will be limited and residents may have to park on side streets for extended periods.

Signage and barricades will be present to guide traffic around the construction site, but motorists are advised to seek alternate routes.

This first two streets of the project are expected to take two (2) weeks to complete unless weather or construction delays occur.
