News Release of August 26, 2020

Johnson Street Closure

Due to the weather, the construction closure on Johnson Street has been delayed until Thursday, August 27, 2020.

MacArthur Construction will be performing utility work on Johnson Street, between Wilson Street and the hospital access off of Johnson Street.

During this closure, motorists are advised to follow the established detour route from Chisholm Street to Ninth Avenue, Ninth Avenue to Walnut Street, and Walnut Street to Johnson Street.

Signage and barricades will be present to guide traffic around the construction site, but motorists are advised to seek alternate routes.

This work is expected to take two (2) weeks to complete unless weather or construction delays occur. Additional closures should be anticipated over the next (4) four weeks to complete street restoration.
