

# City of Alpena

News Release of October 5, 2020

## Maintenance Work

Beginning Thursday, October 8, 2020, maintenance work will be performed on Eleventh Avenue, between Park Street and Chisholm Street and Park Street, between Ninth Avenue and Eleventh Avenue. Alpena County Road Commission is performing this maintenance work in preparation for the Bagley Street Bridge Project as Eleventh Avenue will be used as part of the detour route in the future.

Traffic will be reduced to one lane with lane shifts throughout the project at specific maintenance locations. Signage and barricades will be present to guide traffic through the construction site. Delays should be anticipated and motorists are advised to seek alternate routes if possible.

This work is expected to take two (2) days to complete unless weather or construction delays occur.
